

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. Resolved, That the following named persons, viz.: Robert

Mackenzie, D.D., W. R. Richards, D.D., John H. Converse, Louis H. Severance and Andrew Stevenson, be appointed a Committee to take into immediate consideration the situation and necessities of our brethren and their churches and other institutions in the earthquake-smitten section of California; and at as early an hour as practicable report to this Assembly some systematic plan for their relief and assistance.

The Stated Clerk reported that he had been notified that the mileage funds of the Presbytery of San Francisco were in the vaults of a bank in that city, and inaccessible owing to the recent earthquake and fire. In reply to a message from the Stated Clerk of that Presbytery, he had requested him to send on the Commissioners to this Assembly, and had given the assurance that they would be taken care of.

The action of the Stated Clerk was approved, and the expenses of said Commissioners ordered paid.

The Moderator announced that he had appointed as Vice-Moderator the Rev. William R. Richards, D.D., of the Presbytery of New York, and also announced the Chairmen of the Standing Committees.

Rev. W. H. Roberts, D.D., Chairman of the Special Committee on Church Coöperation and Union, presented a Special Report, which was adopted, and is as follows:

WHEREAS, In 1904-5 the Presbyterian Church in the United States of America adopted certain amendments to its Form of Government and Book of Discipline with reference to Judicial Commissions, etc.; and

WHEREAS, The said Church had previously entered into a solemn agreement with the Cumberland Presbyterian Church for Reunion and Union on a doctrinal and ecclesiastical basis, specifically defined and conditioned, and had provided that said basis should be binding upon the fulfillment of the conditions; and

WHEREAS, Said conditions have been fulfilled and said basis has become binding:

Now the General Assembly of the Presbyterian Church in the United States of America hereby adjudges and solemnly declares that, by virtue of said prior agreement fixing the basis of Reunion and Union as aforesaid, under which organic union is now to be consummated, the amendments above referred to and not contemplated as a part of said basis, upon the consummation of Union will be forthwith no longer in force, nor will they be operative in the reunited Church as any part of its ecclesiastical standards, until and unless resubmitted to the Presbyteries of the re-

united Church; and all the Presbyteries and Synods of the Church are enjoined in all cases hereafter arising to act under the standards as they existed on May 27, 1904, except as amended in respect to Chapter 10, Section 2, Form of Government, in relation to the erection of separate Presbyteries and Synods for different races and nationalities.

The Stated Clerk was authorized to communicate this action to the Stated Clerk of the General Assembly of the Cumberland Presbyterian Church.

The Report of the Special Committee on Forms and Services for 4 o'clock P.M. next Tuesday.

It was ordered that the Special Committee on Church Coöperation and Union should have the right of way as against all other business, should the necessity arise.

The Stated Clerk announced the places of meeting of the Electing Sections for the Standing Committees, and the names of the members of the same to whom papers were to be delivered.

The Assembly met, and was opened with prayer.

A proposed Rule limiting the time of nominating speeches at the election of Moderator was referred to the Committee on Bills and Overtures.

The Special Committee on Evangelistic Work, through its

* Protest afterwards withdrawn.

Chairman, Mr. John H. Converse, LL.D., presented its Report, which was accepted, and after addresses by the Chairman, by the Rev. A. E. Keigwin, D.D., Rev. W. H. W. Boyle, D.D., and Rev. J. Wilbur Chapman, D.D., Corresponding Secretary of the Committee, was amended and adopted. It is as follows:

The Special Committee on Evangelistic Work respectfully submits the following report.

The Committee has been in existence for five years and has endeavored conscientiously to carry out the instructions given by the different Assemblies. The Assemblies in Philadelphia, New York, Los Angeles, Buffalo and Winona Lake have unanimously appointed and reappointed the Committee, and it is with gratitude to God that we record the fact that we believe that in all these years the Spirit of God has been manifestly leading us, and that the seal of God's approval has been upon the work.

The original commission given to the Evangelistic Committee was to stimulate the spirit of evangelism throughout the denomination. This, we believe, is being accomplished. With each succeeding year the scope of the Committee's work has been enlarged, until to-day it includes all that was suggested in the original commission and has broadened out until its influence has extended to all our sister denominations, and at least indirectly through its influence the country has been brought to a position touching evangelistic work which it has not occupied for a score of years.

The offices this year have been in New York City, in the Presbyterian Building, and at Winona Lake, Indiana. The executive part of the work has fallen to the Corresponding Secretary, Rev. J. Wilbur Chapman, and the Assistant Secretary and Treasurer, Rev. Parley E. Zartmann. Because of Dr. Chapman's absence in conducting simultaneous meetings in various cities, much of the responsibility for the executive features of the work has fallen upon Mr. Zartmann.

The money expended in the prosecution of the work from May 1, 1905, to May 1, 1906, has been \$75,156.43. The larger part of this fund has been contributed by individuals.

The collections from the churches in response to the appeal of the Committee authorized by the General Assembly has amounted to \$1,551.34, and the balance from 1905 was \$2,473.06.

The free-will offerings received at the various evangelistic services were \$7,247.40.

The miscellaneous receipts were \$60,438.07, leaving a deficit of \$3,446.56 which was provided for from individual sources.

The Committee has done its utmost to carry out the instructions of the last General Assembly. At the same time, the members of the Committee recognize that because of the fact that our treasury has been limited and the field has been constantly en-

larging, and the open doors of opportunity steadily increasing, the work has been by no means perfect; yet this report is made with gratitude to God that the opportunity has been offered to the Committee and that so much of success has crowned the labors of the year.

1. CORRESPONDENCE.—As an indication of increasing interest in the work of the Committee, more than fifteen thousand letters have been received and answered. The correspondence with the Evangelistic Committees representing other denominations has been extremely large, and letters of inquiry from all parts of the world have been received asking for detailed statements and explanations of the work.

2. LITERATURE.—The Committee has attempted to put such literature in the hands of the pastors as might be suggestive and helpful. Sermons and addresses which have been found to be stimulating have so far as possible been printed and widely distributed. Methods of work which have succeeded in one church have been sent out as suggestions to other pastors and churches. Leaflets on the Prayer Life, Bible Study and Personal Work have been frequently distributed. Several special editions of the papers of the cities where simultaneous meetings have been carried on have been sent out with gratifying results. The following books and pamphlets have been issued during the year:

3. SYNODICAL VISITATION.—Almost all the Synods were visited by the members of the Committee or by the Committee's repre-

sentatives, and it is highly gratifying to record the fact that as a rule the Synods gave evangelism and the representatives of the Evangelistic Committee the complete right of way; many Synods devoting as much as a day to the consideration of the great questions involved in the spread of evangelism.

4. SPECIAL ASSISTANCE.—Appropriations of money or appointments of evangelists and singers have been made in the following Synods: Michigan, Ohio, Kentucky, Tennessee, Indiana, Illinois, Wisconsin, Minnesota, North Dakota, South Dakota, Iowa, Nebraska, Missouri, Kansas, Indian Territory, Colorado, Texas, New Mexico, California, Utah, Washington, Montana and New York.

Special workers have been assigned to the Synods of New York, New Jersey, Pennsylvania and Atlantic. It is with regret that we state that most of these workers had to be recalled on April 1 because of lack of funds.

The work of the Synods of Illinois, Minnesota, Michigan and North Dakota is deserving of special attention. Methods of work have been adopted in each which could with modifications be worked in practically every Synod of the Church.

5. CONFERENCES.—The number of conferences held this year has not been so great, and yet it has been the Committee's pleasure to assist, through its representatives, in conferences arranged for by different Presbyteries, by the missionary Synod of New Mexico, and also by groups of ministers in various parts of the Church. In addition to this, the Synod of North Dakota tried a special plan by securing J. R. Pratt, of Albany, N. Y., to spend six weeks in that Synod holding conferences in various places, giving from two to five days in each conference. The results were most satisfactory and stimulated unusual evangelistic interest throughout the Synod. Dr. Chapman also held special conferences in connection with each of the simultaneous campaigns, inviting ministers of all denominations in the regions round about the several cities. A conference was also held by him in San Juan, Porto Rico, in connection with a trip to that island in January. This form of work is spiritually profitable to ministers and people.

6. EVANGELISTS.—It has been no small part of the Committee's duty to recommend evangelists to inquiring pastors or committees. It should be stated, however, that the Committee has frequently been embarrassed by the fact that it is evident that recommendations have been given thoughtlessly by certain persons to evangelists, and that as a result their labors have not fulfilled the expectations of the pastors or the churches to which they were recommended. It is earnestly suggested that extreme care be taken in this matter. The number of accredited evangelists is comparatively small, and our five years of experience leads us to

say that greater care than ever should be taken in the recommending of evangelists to inquiring pastors and churches; and also greater attention should be given in our institutions of learning, especially our theological seminaries, to the training of prospective pastors in the spirit and methods of Evangelistic Work. There is a place for the evangelist in the Church, but we believe that he should be controlled by the authorities of the Church. Our limited treasury has greatly hindered us in this work and has made it impossible for us to do all that has been asked. As a rule, where requests have not been granted it has been because the demands upon our treasury have been too great.

7. SPECIAL MEETINGS.—Following out the instructions of the last General Assembly, this Committee has coöperated with other evangelical denominations in carrying on what is known as the simultaneous movement. This is a special feature of present-day evangelism. Under the direction of the Committee, Rev. J. Wilbur Chapman, D.D., Corresponding Secretary of the Committee, in company with a corps of evangelists representing the following denominations: Southern Presbyterian, Baptist, Congregational, Southern Methodist, Northern Methodist, Disciples, and our own branch of the Presbyterian Church, has conducted meetings in the following cities: Topeka, St. Paul, Minneapolis, Newark, N. J., Syracuse, N. Y., South Norwalk, Conn., Mobile, Ala., Dallas, Tex., Austin, Tex., Denison, Tex., Sherman, Tex., and Danville, Va. In addition, in other smaller cities and towns other evangelists have labored under the direction of the Committee. Let it be noted that in South Norwalk, Conn., Mobile, Ala., Sherman, Tex., and Danville, Va., no branch of our Church exists, and yet our Committee has had the pleasure of carrying its stimulating service to other evangelical churches, and we have received from the representatives of these churches a grateful expression of their appreciation.

A great movement for civic righteousness was the result in Topeka.

In addition to the large accession to the churches, former Vice-Moderator, Daniel R. Noyes, says St. Paul experienced a marvelous awakening, that the city was stirred as never before, and that several thousands united with the Church.

Rev. A. B. Marshall, D.D., of Minneapolis, writes that within three months after the meetings closed 2,500 or 3,000 people had united with the Church.

Rev. J. H. Owens, D.D., of Paterson, N. J., writes: "The results of our meetings were gratifying in the extreme. We have had the greatest meeting in our history as a city."

A great city movement for the closing up of the saloons and the driving out of gambling resorts came to Syracuse. Rev. Charles A. Fulton, D.D., writes that at least 2,000 people united with

the Church ; one church alone received 194, and the pastor writes at least one hundred more are to follow.

8. **WORK IN LUMBER CAMPS.**—A Special Committee has been laboring during the past year in the lumber camps of Minnesota and Wisconsin under the direction of the General Assembly's Committee. The most gratifying reports have been made concerning this service, and it is believed that by the work of trained evangelists thousands of lumbermen could be reached easily.

9. **THE FOREIGN FIELD.**—Rev. Howard Agnew Johnston, D.D., representing the Evangelistic Committee, has been for the past year journeying around the world. He has been in conference with missionaries in the following places: Ireland, England, Scotland, Wales, Athens, Constantinople, Beirut, Scutari, Smyrna, Joppa, Sidon, Tripoli, Zahleh, Cairo, Asiut, Alexandria, Bombay, Kolhapur, Agra, Delhi, Lahore, Lodiana, Saharanpur, Allahabad, Benares, Calcutta, Madras, Ceylon, Siam, Bangkok, Rajaburee, Petchaburi, Hainan, Hong Kong.

The universal testimony of those who are in a position to know is to the effect that the greatest possible assistance has been given to the missionaries by the inspiring messages of Dr. Johnston.

10. **WORK AMONG STUDENTS.**—A Special Committee thoroughly acquainted with students' work has been laboring this year in the interests of the students of our different Church institutions, but at the same time the State University has had particular attention paid to it. The results of the work of this Committee have been highly gratifying.

11. **PUBLICITY.**—We gratefully record the fact that the papers, religious and secular, have given us an increasing amount of space for the report of our work. We believe that one of the best ways to stimulate a revival is to tell about one. We are therefore grateful to the press of the country for the invaluable assistance rendered.

THE FUTURE.—There are special reasons why the Evangelistic Committee should be continued for another year.

1. The fact that the interest in evangelism is greater to-day than ever before calls for the existence of a Committee which should have the authority to guide and largely direct the general evangelistic work of the Church.

2. The fact that almost every other evangelical denomination to-day has followed the example of our own Church and appointed special Evangelistic Committees for the caring of the work in their own denomination, would make it extremely unwise for the Presbyterian Church to take a step which might in any sense be construed as a retreat. The denominations are coming closer together all the time. The bond of evangelism is the very best one known to make this union strong.

3. Unquestionably it is true that God has given us indications, in some parts of the country at least, that He is reviving His people; and it is the conviction of the members of the Committee that still greater blessing would be ours could our Church be brought into more perfect coöperation with God.

It is believed by the members of the Committee that the time has come to move forward along this line. The suggestions made by the Committee as to the holding of two weeks of special services met with a hearty response, and the suggestion as to the observance of Church Day was generally approved. One pastor wrote that as a result of one day of work he received thirty additions into his church.

The following resolutions are submitted:

Resolved, 1. That a Committee of twenty, ten ministers and ten elders, be appointed by the Moderator to promote evangelistic work in the churches. It shall have authority to form an Executive Committee of not less than five members for the transaction of business in the intervals between regular meetings of the General Committee; and shall report to the next General Assembly. The expenses, except for the attendance of members upon the regular meetings, shall be met by voluntary contributions.

Resolved, 2. That each Presbytery and Synod be requested to appoint a Committee on Evangelistic Work, and that in the appointment of their Evangelistic Committees for the coming year the Presbyteries be requested to reorganize them so as to include, wherever necessary and as far as possible, those who have shown special interest and have had useful experience in evangelistic work.

Resolved, 3. That in view of the fact that special emphasis should be given to the interests of the churches in Home Mission fields, and in view of the fact that much of this work must be carried on by evangelists who labor the entire year, and therefore cannot be commissioned by the General Assembly's Committee, because the Committee's existence is dependent upon the will of each Assembly and it has always been deemed unwise by the members of the Committee to consider even for a moment the making of the Evangelistic Committee either a standing Committee or a permanent Board in the Church, therefore the Committee on Evangelistic Work will not undertake hereafter the assistance of churches in distinctly Home Missionary territory, except for the holding of conferences, the distribution of literature and such extra meetings as the Committee may find it possible to hold; and further, that the Board of Home Missions be asked so to adjust its plans as to carry on the work which has been begun in the fields now given over to its sole charge.

It is the earnest conviction of the Committee that these Home Mission churches should not be neglected, and that some plan

should be devised at once for their permanent assistance, in order that they may come not only to self-support but to an experience of spiritual power.

Resolved, 4. That the General Assembly emphasizes the primary responsibility for evangelistic effort as resting upon pastors and Sessions. The hope of the Church is in pastoral evangelism. At the same time the Assembly again, as heretofore, recommends the use of accredited evangelists, and therefore authorizes the Committee to pass upon the qualifications of evangelists and to promote their employment so far as their services may be needed. Only such evangelists should be commended to the Church at large as have the proper endorsement and approval of their brethren and the seal of God's approval upon their ministry. That only such evangelists shall be considered for employment by the Committee as may have been recommended by their Presbyteries, and this must also have the unanimous approval of the Sub-committee on Evangelists of this Committee, prior to employment. The Presbyteries are urged to give such recommendations with due care and caution.

Resolved, 5. That special emphasis be placed this year upon the holding of conferences. It is believed that many pastors in the churches have evangelistic gifts, and that the holding of a conference lasting for several days, in which methods could be studied and spiritual addresses could be delivered which would result in the deepening of the spiritual life, would send forth these pastors into their own fields to labor, and that the results would be gratifying in the extreme.

Resolved, 6. That the work of the Committee in sending forth literature to the Church be commended, and that this work be carried on to as great an extent as possible.

Resolved, 7. That the Committee be authorized to appeal to the churches for financial assistance in this all-important work.

Resolved, 8. That the General Assembly hereby approves such coöperation with other evangelical denominations as may make it possible to move in a more marked way the cities of our land.

Resolved, 9. That while emphasis is laid upon the general work, the Evangelistic Committee is urged to lay special stress upon the subject of personal evangelism.

Resolved, 10. That in view of the fact that there is an increased interest in spiritual matters in the Church, that a conference be called of the ministers and members of the Church in as many districts as possible, either during the summer days or the early fall, when some general plan may be decided upon which would mean the moving of our entire denomination.

In order that the work of this year may be signally blessed of God let special prayers be offered for our great cities and the

pastors who labor there, and let special days of Prayer and Thanksgiving be set apart for God's blessing upon our Church. It is the unanimous belief of the Committee that we have before us our greatest opportunity for victory. This is the day of God's special visitation. May this year be the best we have ever known.

Respectfully submitted,

JOHN H. CONVERSE, *Chairman*;

J. WILBUR CHAPMAN, *Corresponding Secretary*.

The Report of the Conference of the Board of Home Missions with the Special Committee on Evangelistic Work, ordered by the last Assembly, was presented by Rev. C. L. Thompson, D.D., Secretary of the Board, and was adopted, as follows:

According to the direction of the General Assembly, the Board of Home Missions and the Evangelistic Committee, in conference concerning the evangelistic work of our Church, have agreed upon the following Report, which is herewith respectfully submitted to the General Assembly:

1. The Evangelistic Committee having made known its purpose of confining its future plans and work to campaigns in the larger towns and cities and largely on an interdenominational basis, it is proposed that the Board of Home Missions shall take over within its territory all other evangelistic work and carry it on to the full measure of its ability. It shall also coöperate with the self-supporting Synods in the work of evangelization according to their desire and the extent of its ability.

2. The Board of Home Missions will so reorganize its work that pastor-evangelists shall be appointed in all the Presbyteries or groups of Presbyteries so requesting, who shall give a part of each year to evangelistic services in their Presbyteries and under the direction of the Home Mission Committees.

3. The Board of Home Missions will keep a separate account of the expenses of its evangelistic department, appealing for gifts for its support and supplementing them as may be necessary out of the treasury of the Home Board.

4. This plan shall not take effect until the beginning of the fiscal year 1907; until which time the Board shall give itself diligently to the maturing and perfecting in detail whatever plans of reorganization may be necessary to give effect to the above recommendations.

For the Board of Home Missions,

C. L. THOMPSON, *Secretary*.

A paper styled "Action of the Conference on Religious Work at State Universities" was referred to the Committee on Bills and Overtures.

Rev. Judson Swift, Field Secretary of the American Tract Society, addressed the Assembly with reference to the work of said Society, whereupon the following Resolutions were adopted:

Resolved, That we recognize in the American Tract Society an agency which for more than eighty years has disseminated over the wide world, in many vernacular languages, the essential truths of the Bible as held in common by evangelical Christians.

Resolved, That we gratefully acknowledge the Society's aid to Foreign Missions by providing, in one hundred and sixty-three languages, dialects and characters, Christian literature which is needed in ever increasing measure by peoples just emerging from heathenism.

Resolved, That by its timely provision of books, tracts and periodicals in the languages of the immigrants, it has rendered service toward the solution of the immigrant problem.

Resolved, That in view of the fact that the American Tract Society's receipts in donations and legacies are wholly inadequate to meet the expenses of its current missionary work, that it has no other income, and that in the face of the urgent necessity for enlargement in both the home and foreign field serious curtailment seems inevitable unless a more liberal support be provided; the Assembly again renews and emphasizes the commendations of the American Tract Society made by former Assemblies, and earnestly urges that each of our churches make an annual and liberal offering for the support of the work of the American Tract Society, and that each Presbytery appoint and maintain a Standing Committee which will be the medium of communication with both the Society and the churches, and aid in diffusing information and increasing the contributions for the Society.

The following telegrams of fraternal greeting were received:

W. A. ALEXANDER, *Stated Clerk*.

The Standing Committee on Ministerial Relief, through its Chairman, Rev. Henry Sloane Coffin, presented its Report, which was accepted, and after addresses by Rev. Benjamin L. Agnew, D.D., Secretary of the Board, Rev. C. W. Cherry, Rev. E. Trumbull Lee, D.D., and others, was adopted. The Report is as follows:

The Standing Committee on Ministerial Relief respectfully presents the following Report:

We have carefully examined the Annual Report of the Board and the Minutes of its sessions throughout the year ending with the first of April, 1906.

There is much in the report that calls for thankfulness and praise. The past year has been the best in the history of the Board. More money has come into its treasury, fewer churches have failed to make offerings, more cases needing relief have been cared for, and a smaller percentage of the money received has been spent in the expenses of administration than ever before. Nine hundred and fifty-two names are upon the roll of beneficiaries, of whom 175 are ministers honorably retired, whose average age is over 77, and whose average active service has been nearly 43 years.

The receipts of the Board amounted to \$240,863.96, an increase of more than \$20,000 over any previous year. But the legacies and contributions to the Permanent Fund were \$39,919.13, being \$12,000 less than in 1904-05. In addition to cash contributions, boxes from Women's Societies have been sent to families on the list of annuitants valued at \$7,183.28, an increase of \$2,400 over the amount given in this way last year. Ninety more churches contributed to the Board, and with the stimulus of the Apportionment Scheme many churches substantially enlarged their offerings. Your Committee takes special pleasure

in calling attention to the fact that but three and three-tenths per cent. of the receipts of the Board is consumed by the cost of administration.

But while we rejoice in these gratifying advances, it is our solemn duty to call the Church's attention to its shameful neglect of this great cause. Only five Synods gave more than they drew out of the funds of the Board—the Synods of Pennsylvania, New York, New Jersey, Baltimore and Montana—while nineteen Synods actually gave less than five cents per communicant to discharge this solemn obligation to those who have given their lives to the Church's service. Your Committee earnestly asks the Commissioners to this Assembly to look at the record of contributions in the tabular statement appended to the Report of the Board, and see how it stands with their churches and Presbyteries. It is not saying too much to stigmatize as disgraceful the indifference of the vast majority of our churches to the claims of men who have given years of careful study to fit themselves for their high calling in the Christian ministry, have devoted strength and talents to the Church's work, at salaries for the most part barely sufficient to provide them and their families with support, and who find themselves penniless in old-age or in invalidism, or who die leaving their widows and orphans in poverty. Is it just, is it Christian, that the Church should continue to hold out before those who labor in its ministry the prospect of declining years or failing health to be endured in penury, or the prospect of death with those they love best unprovided for? When we reflect that, according to the statistics of the past, one in every eight of the families represented on the Roll of our ministry to-day will come to this Board for assistance, can we afford to give it the beggarly pittance it now receives in all but a very few of our Presbyteries?

Your Committee begs leave to present the following recommendations for adoption:

1. We recommend the approval of the Minutes of the Board, which we find neatly and accurately kept.

2. That Presbyteries be directed to exercise care in the appointment of Committees on Ministerial Relief; that these Committees be charged to give thorough consideration to every case they commend for help, in order that the churches may have full confidence in the wise administration of this Fund; to stir up the churches to greater justice in their treatment of this cause, and to cooperate with the Board in safeguarding its moneys as a sacred trust.

3. That Presbyteries shall require that all applications for relief shall be considered by the entire Presbyterial Committee appointed for this purpose.

4. That the Apportionment Scheme be heartily endorsed, and

that Presbyterian Committees bring this Scheme to the notice of every church whose contribution does not fulfill the requirements.

5. That the Relief Committees in all Presbyteries be strongly urged to make efforts to enlarge the Permanent Fund, and to keep the claims of this Fund before the attention of the churches.

6. That Presbyterian Committees shall be instructed to appoint one elder in each church Session to make a faithful and adequate presentation of the work of the Board of Ministerial Relief, and to take measures to increase the offering for this Board in their respective congregations.

7. That this Assembly reiterate the action of a previous Assembly, calling on all Presbyteries to require every church that fails to make an offering to this Board to give reasons for such omission, and that these reasons be not sustained unless they be special and providential.

8. That Rule 16 of the Board be altered, at the Board's own request, by the insertion of the words, "or to those who have become chronic invalids in consequence of their care of aged and infirm parents," at the conclusion of the first sentence, so that the whole Rule as amended will read:

"Aid may be given to orphans of ministers and lay missionaries, as the General Assembly says, who are under the age at which they are able to earn their own living, and in exceptional cases to orphans who have been from early years chronic invalids, or to those who have become chronic invalids in consequence of their care of aged and infirm parents. The same Rule applies, in case of orphans asking for aid, as in the case of other beneficiaries of the Board, in regard to recommendations and annual renewals" (*Minutes General Assembly, 1889, p. 32*).

9. That Rev. Samuel T. Lowrie, D.D., Rev. Philip H. Mowry, D.D., and Messrs. Henry L. Davis and Robert H. Smith, whose terms expire at this meeting of the Assembly, be reëlected to the Board.

Respectfully submitted,

HENRY SLOANE COFFIN, *Chairman.*

Rev. John Fox, D.D., Corresponding Secretary of the American Bible Society, addressed the Assembly in behalf of the work of said Society. Whereupon the following was adopted:

The General Assembly heartily congratulates the American Bible Society on the completion of its ninetieth year of honorable and successful service to the Churches of America in their mission work at home and abroad. The Assembly has heard with pleasure that the Society has received gifts sufficient in amount to prevent the immediate contraction of its work, which seemed inevitable. It is a matter for devout thankfulness that our own Beirut Press, whose efficiency was seriously menaced by the reductions which

the Society feared it would be necessary to make, is for the present delivered from such a disaster.

The Assembly, however, again calls the attention of its churches to the imperative necessity of continuing and enlarging their gifts to the treasury of the Society, in order to prevent the recurrence of such dangers. For this purpose we again strongly urge our churches, so far as possible, to take an annual collection; our Presbyteries to appoint standing Committees on the work of the Society; and all our people to regard this important institution as having such a relation to our own Boards and the organized work of the Church, that they should give it their earnest prayers and best support, in order that it may continue in years to come even more abundantly to fulfill the high purposes with which it was established ninety years ago.

The Report of the Standing Committee on Benevolence was made the Order of the Day for Friday next at 10 o'clock A.M.

The following was adopted:

Resolved, That the Assembly extends its hearty sympathy to Elder George E. Wills, of Mendota, Ill., and to the other members who were disabled or injured by an accident last evening.

The printing of the program of the exercises celebrating the two hundredth anniversary of the organization of the first Presbytery was ordered.

SATURDAY, May 19, 7.45 o'clock P.M.

A Popular Meeting was held in the interest of Evangelistic Work, and addresses were delivered by Rev. J. Wilbur Chapman, D.D., Rev. S. Edward Young, D.D., Rev. A. B. Marshall, D.D., Rev. H. O. Breeden, D.D., Rev. J. V. Boswell and Rev. J. Beveridge Lee, D.D.

MONDAY, May 21, 1906, 9 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The Minutes of Saturday's sessions were read and approved.

The Permanent Committee on Commissions reported an additional Commissioner, Elder Charles M. Atwood, of the Presbytery of Albany, who was duly enrolled.

The following telegram of fraternal greeting was received:

To the General Assembly of the Presbyterian Church, Des Moines, Iowa:

PHILADELPHIA, PA., May 19, 1906.

The General Council of the Reformed Episcopal Church send fraternal greetings to the General Assembly of the Presbyterian Church. Read I Thessalonians v. 23 to 26.

SAMUEL FALLOWS, *Presiding Bishop*;
CHARLES F. HENDRICK, *Secretary*.

A Resolution respecting State Universities was referred to the Standing Committee on Bills and Overtures.

The Standing Committee on Bills and Overtures presented a Report on certain papers referred to it, which was adopted, and is as follows:

The Committee on Bills and Overtures respectfully reports upon the following papers referred to it by the Assembly:

Overture No. 88, from the Presbytery of Freeport, asking action condemnatory of the advertising of proprietary medicines containing alcohol, etc., and other questionable and fraudulent advertising in religious periodicals. We advise the adoption of the following Minute:

The Assembly cannot too strongly deprecate any such action by any periodical subject to its jurisdiction through any of its Boards; but as this Overture does not relate to such periodicals we recommend that no action be taken.

Overture No. 177, from the Presbytery of Box Butte, as to bids for General Assembly printing. It is recommended that no action be taken.

Overture No. 184, from the Presbytery of Platte, asking the immediate organization of the United Synod of Missouri, in the event of Reunion with the Cumberland Presbyterian Church. It is recommended that no action be taken, since the Plan of Union already adopted commits this matter of organization to the Assembly, meeting first after the Reunion is consummated.

Overtures Nos. 191 to 196a, from the Presbytery of Buffalo and six others, asking for an additional column in the Assembly Minutes. It is recommended that no action be taken.

Overtures Nos. 197 to 226i inclusive, 227 to 232a inclusive, and 233, from the Presbytery of Aberdeen and forty-four others, relating to the proposed Book of Common Worship and Forms and Services. It is recommended that these papers be laid on the table of the Assembly, subject to being called up, if appropriate or necessary, in connection with the presentation and discussion of the report of the Special Committee on Forms and Services.

Overture No. 237, from the Presbytery of Topeka, with reference to Sunday funerals. It is recommended that the following response be made:

The Assembly disapproves all unnecessary labor on the Lord's Day, and recommends its ministers and membership to assist in diminishing the practice of funerals on that day except in cases of necessity.

Overture No. 244, from the Presbytery of Platte, as to the form of the Assembly *Minutes* and the close of the ecclesiastical year. It is recommended that no action be taken.

Overture No. 245, from the Presbytery of Detroit, for an amendment of the rule as to the Chairmanship of the Standing Committees, by providing that the Chairman of the Finance Committee be elected by said Committee. It is recommended that no action be taken.

Paper No. 261, being a Memorial from the Presbytery of Philadelphia, suggesting that the salaries of missionaries now under the care of our Boards be increased before increasing the number of such missionaries. It is recommended that the matter be referred to the several Missionary Boards for conference and consideration.

Paper No. 262, suggesting instructions to the Board of Church Erection as to recent losses by earthquake. It is recommended that this paper be referred to the Special Committee appointed by this Assembly on the California situation.

Overture No. 265, from the Presbytery of Boulder, for the appointment of a Committee with a view to organizing a benevolent Society in our Church after the style of the "Society of Applied Christianity." It is recommended that no action be taken.

Overture No. 266, from the Presbytery of Kiamichi, requesting the organization of a relief fund based on assessment membership. It is recommended that no action be taken.

Paper No. 268, being a Resolution referred to this Committee relating to the time to be given to nominating speeches under the rules for the election of Moderator. The adoption of the following is recommended:

WHEREAS, The time allotted for the election of Moderator is limited, and cannot be extended without delaying the formation of the Standing Committees and retarding the business of the Assembly; therefore,

Resolved, That the following provision be added to the Acts and Rules of the General Assembly relating to the election of Moderator, as embodied in its *Manual*, viz.:

Speeches nominating candidates for Moderator shall be limited to ten minutes; only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

Respectfully submitted,

J. D. MOFFAT, *Chairman*.

The Special Committee on Forms and Services, through its Chairman, Rev. Henry Van Dyke, D.D., presented a Report upon Overtures 78 to 81, from the Presbytery of Wellsborough, referred to said Committee by the General Assembly of 1905. The Report was adopted, and is as follows:

The Committee on Forms and Services would report as follows on Overtures Nos. 78 to 81, from the Presbytery of Wellsborough, referred to the Committee by the General Assembly of 1905.

I. These Overtures are carefully drawn, and propose certain amendments to the Directory for Worship, viz.:

(1) Change in the title of Chapter VIII to read "Of the Administration of Baptism of Infants."

(2) Addition of a new Chapter, XVII, "Of the Administration of Baptism to Adults."

(3) Change in the title of Chapter X, to read "Of the Admission to Full Communion of Persons Baptized in Infancy," and some corresponding changes in the chapter.

II. There is nothing in the Overture which is not in harmony with the doctrine of the Church, and the changes in arrangement which they would propose would be a distinct gain in clearness and consistency; except that Section III of Overture 81 should be amended so as to read: "Those who are to be admitted to full communion with the Church, having been baptized in infancy, shall be examined as to their knowledge and piety, and they shall, in ordinary cases, with the approval of the Session, make a public confession of faith in the presence of the congregation." This amendment would guard the present liberty of the Church in regard to the form and method of receiving those baptized in infancy to the Lord's Supper.

III. But inasmuch as there are reasons of propriety which make it undesirable for this Church to take up any constitutional revision of its subordinate standards at this time, during the progress of the movement for reunion with the Cumberland Presbyterian Church, your Committee would recommend that these Overtures be laid on the table for the present, subject to the call of any subsequent General Assembly or of the Presbytery of Wellsborough.

For the Committee,

HENRY VAN DYKE, *Chairman.*

The Committee appointed to take into consideration the situation in California, through its Chairman, Rev. Robert Mackenzie, D.D., presented a report, which was adopted, and is as follows:

Your Committee appointed to consider a method of relief for the churches of San Francisco and vicinity would respectfully report as follows:

This Assembly, together with all the world, laments the calamity

of earthquake and fire that has befallen the people of San Francisco and vicinity. We express our heartfelt sympathy with them in all they have suffered and lost. We admire their undaunted courage, which in the ashes of the old hopefully plans the building of the new city. We give thanks to God that He put it into the hearts of all men to rise in prompt and abundant assistance to meet their immediate needs, to protect the defenseless, to clothe the naked and to feed the hungry.

But man does not live by bread alone, but by every word that proceedeth out of the mouth of God. Our hearts therefore go out in sympathy to our Christian brethren of the stricken district for the loss they have suffered in the destruction and wreck of their church buildings, and in the serious interruption of their work and worship. Especially do our sympathies go out to those of our own household of faith, and it is our desire to help them in this hour of their supreme need. Instantly, on the calamity becoming known, spontaneous help went out to our people from individuals and churches to meet some part of the unknown need, until the full character and amount of loss and suffering should be ascertained.

This Assembly has now a letter from Rev. F. S. Brush, Moderator of the Synod of California, in which he says: "It is utterly impossible for the Presbyterians of this region to cope with the situation. Even if our business men were enjoying their usual condition of prosperity and success, they could not hope to make good the loss inside of a generation. But our business men have no money and they have no business. They are themselves face to face with the problem of bread for themselves and their families; therefore assistance, and large assistance, from the outside is a necessity, or else we shall be confronted with a crippling of our Presbyterian work that is intolerable for us to contemplate. The loss to our Church in California is so great, the blow is so stunning and complete, that the General Assembly alone is adequate to undertake the work of reconstruction. I appeal to you because this whole matter should be planned in a large and statesmanlike way and placed upon the conscience and resources of our whole Church."

Your Committee has conferred with all the representatives from the affected district present at this Assembly, and have received from them a tentative estimate of the losses and of the amount necessary for the restoration of the churches and institutions destroyed, injured or crippled in their work by the earthquake and fire, which amount touches \$300,000, in addition to all that the people can do for themselves.

Your Committee would therefore recommend the following for adoption:

1. That all our churches be asked in the most earnest manner

to unite in a sympathetic effort to raise a relief fund of not less than \$300,000.

2. That a collection for this purpose be taken in each church on the third Sunday of June, or as soon thereafter as possible.

3. That the following Committee be appointed by this Assembly to appeal to all our churches, to inspire individual gifts, and to devise special efforts, if necessary, to secure the amount needed; to receive all such funds and to make such distribution thereof among the beneficiaries as may appear to them wise and equitable—John Dixon, D.D., Board of Home Missions, *Chairman*; H. C. Olin, *Treasurer*; W. H. Roberts, D.D., *ex-officio*; Erskine N. White, D.D., Board of Church Election; Arthur J. Brown, D.D., Board of Foreign Missions; Robert Mackenzie, D.D., New York; S. J. Niccolls, D.D., St. Louis; Cyrus H. McCormick, Chicago; John H. Converse, Philadelphia; H. J. Heinz, Pittsburgh; L. H. Severance, Cleveland; Daniel R. Noyes, St. Paul.

4. It is recommended that all moneys now in possession of any Board, Committee, Session or person, contributed for this cause, be forwarded to this Committee or be held subject to its order.

5. That the following advisory Committee be appointed, with whom the Assembly's Committee may confer and correspond: E. E. Baker, D.D., Oakland, Cal., *Chairman*; Hugh K. Walker, D.D., Los Angeles, Cal.; Warren H. Landon, D.D., San Anselmo, Cal.; Thornton T. Mills, D.D., San José, Cal.; Rev. J. H. Laughlin, San Francisco, Cal.; George L. Underhill, San Francisco, Cal.; A. W. Foster, San Rafael, Cal.; Mrs. C. S. Wright, President Woman's Occidental Board of Foreign Missions; and that the Committee have power to add to this Advisory Committee.

6. That the Committee report to the next General Assembly.

In behalf of the Committee,

ROBERT MACKENZIE, *Chairman*.

The Stated Clerk was directed to notify all the ministers of our Church of this action, and it was understood that the expenses of the Committee would be paid from the funds raised.

The Standing Committee on Freedmen, through its Chairman, Rev. Robert M. Donaldson, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Rev. E. P. Cowan, D.D., Corresponding Secretary, Rev. H. T. McClelland, D.D., Field Secretary, Rev. William H. Claggett, D.D., Rev. C. H. Trusty, and Rev. F. M. Hyder, was adopted. It is as follows:

Your Committee respectfully reports that it has performed the duty assigned to it, has examined the report of the Board, the financial report and the records of the Board. The keynote

of our report must be thanksgiving. The superlative report presented to the Assembly last year must now become comparative in language as it is in fact. The year just closed is the best year in the history of the Board. Seven successive years it reports no debt. Total receipts from all sources are, for the first time, in excess of \$200,000. This is nearly \$12,000 more than was received last year, and marks the high-water mark in the Board's financial tides. It is true that there is a falling off of \$2,100 from the Young People's Societies, Woman's Societies and miscellaneous sources; but that is more than counterbalanced by an increase of more than 100 per cent. in legacies.

One of the most encouraging features of this report deals with the sources of the contributions. The churches, Sunday-schools and Young People's Societies are giving in larger numbers than ever before, while a slight decrease is noted in the Woman's Board.

There is good cheer on the field, as well as in the Board rooms. Twelve churches have now attained self-support. This is the final goal for all churches, and is to be commended to others, as it is approved in these. Then, too, the amounts paid on the field for general and specific purposes is almost equal to the amount given by the white churches for the same work. As much of this did not pass through the Treasurer's hands, of course it does not appear to the credit of the Freedmen on the books of the Treasurer. These loyal people have given about \$3,000 to the Boards of the Church, nearly one-fourth of which they sent to the Freedmen's Board.

These facts all indicate the development of the race in financial ability and in generous use of their means in support of the Master's work. It is worthy of note that in the development of their fields they have the support and encouragement of their white neighbors, but the burden falls most heavily upon themselves.

But not all the colored race hold to this high standard of life and of service. The question is: What shall we do with those whose standards of life are a menace to the community and the nation? Josiah Strong says, "If the average Anglo-Saxon should sink to the level of the average Slav, Anglo-Saxon institutions would perish. If the average Slav should rise to the level of the average Anglo-Saxon, Russian institutions would perish." If we want the vices and crimes of our lower civilization to disappear, we must eliminate them by raising the standard for black, white, or any other color of men. What the man is determines what he will do. Character is the forerunner of conduct. Make the negro what God desires every man to be, a self-respecting, industrious, law-abiding and intelligent Christian, and the perplexing elements that comprise the race problem will largely

disappear. To do this the church and the school are prime factors; for that which changed the barbarian of Europe, the Indian of North America, and the idol worshipers of all continents, will make the Freedman a safe citizen of the Republic and a saved citizen of the kingdom of God. The Gospel is the power of God unto salvation to them that believe. Men have no more effective religious leaders than the ministers and teachers of their own race. But these are less potent than they should be if they are sent into the Christian warfare at their own charges. From evidence before us it appears that the financial support of the ministers who give all their time to preaching the Gospel is so small as to be a disgrace to the Church. The average salary perhaps does not exceed \$325 or \$350 per year. The cost of living in the South has materially increased with the advent of new industries and new conditions. There has been no proportionate advance in the salaries of the ministers. Many of them find it necessary to combine teaching with preaching, which of necessity renders them less effective in the ministry than they would otherwise be. It seems as if slow progress is made in bringing the colored people to Christ. Yet the facts are encouraging, awe-inspiring. We are told that, as the result of that wonderful campaign in Minneapolis, not less than eleven per cent. increase was realized in professions. If that is glorious fruitage of special effort, and it is, the increase of nine per cent. under the regular ministrations in the colored churches is at least creditable. Indeed, it carries with it the incontrovertible evidence of their soul-winning, if not of their bread-winning ability. Let us cry aloud and spare not the ease-loving, money-saving churches, until they come up to the help of these brethren in their valiant warfare for a nobler and holier citizenship on earth and in heaven. If the churches would pay into the treasury of the Board the additional \$100,000 which is asked of them, it would enable the Board to double the salaries of the more than 200 ministers for whom we are not now making decent or adequate provision.

Only five Synods in the United States equal or exceed the spiritual fruitage of the colored churches, and these Synods are in the West. For the most part our Synods do not attain more than fifty per cent. of the same rate of increase. Inquiry has been made among business and professional men of the South who are competent critics, and their testimony is to the effect that these men are able preachers of the pure, sweet Gospel of Jesus Christ.

Then the school work among the Freedmen is vital to their present and future welfare. Froebel said: "All education not founded in religion is unproductive." What interest has the Presbyterian Church or the American nation in a system of education that is unproductive? Mr. Converse said last night: "Only a Christian college is worth while." Our great Church, with its high educa-

tional ideals and its excellent business sense, has little time for anything that is not worth while. A prominent teacher of a former generation said: "Man has a body, he has a mind, but he is a soul." The educators of the negro and of the white dare not overlook what the man is, in the attempt to develop and enrich what he has. The three R's that have ever characterized and must ever dominate Presbyterian education, in any clime or among any people, are "Reason, Righteousness and Revelation." The negro needs education of this character, for the sake of himself, for the sake of his country and for the sake of the Kingdom of God. There is less evil and more good to be expected from the ox that treads in the furrow than from the illiterate man who drives him or kills him. The educators, as well as the ministers, who are most effective are members of the same race. But the man or woman who is to influence the future of this race must be a student not only of nature, but of human nature; not only of the natural, but of the supernatural. It is not ours to make dreamers or thinkers alone, but to make men—men who, because of their industry, skill, experience and courage, are able to face life as it is, and make it what God meant it should be. No better industrial training is given the negro than is given in our Presbyterian schools which are fostered and promoted by this Board and by the Woman's Societies. Others are better advertisers than we, and they receive a larger support from our people. It is time to rally all our interests in support of our schools, and make the assets of the Church the sources of financial strength of these splendid schools.

The problem of meeting the individual needs of the students in our schools is a most perplexing one to the superintendent. Along with financial help, which is always acceptable, they count the boxes of clothing of all kinds that might be sent from any church. For some of these students it is a question of clothing or no education. We cannot begin to count the cost here.

Three new school buildings have been completed during the year, viz.: a Boys' Dormitory at Rogersville, Tenn., costing \$11,000; an Academy at Statesville, N. C., costing \$3,000, which will be open for the Fall term; and McGregor Hall, at the Haines Normal and Industrial Institute at Augusta, Ga. This last is a memorial of Mrs. Tracy McGregor, of Michigan. It is large and convenient and was greatly needed. The cost is about \$18,000. Mr. Carnegie has pledged \$12,500 for a much needed Library at Biddle University, on condition that an equal amount be raised by the friends of the institution. It is important that this be realized as soon as possible.

We cannot speak too cordially of the effective work of the Woman's Board, which is one of the most vital factors in the aggressive work of the Board and the Church among the Freedmen.

The names of Mr. S. P. Harbison and Miss Mary E. Holmes are known in all the Church for their good works, while their benefactions are such as to make their names household words in the Southland. The Minutes of the Board and the report of the Secretary give a full record of their public benefactions to this cause, and also give expression to the sense of present loss experienced in the promotion of these faithful ones to the ranks of the redeemed and of the just made perfect. Resting from their labors, their works shall follow them in the spiritual development of those Freedmen to whom they gave their hearts as well as their fortunes. These expressions of appreciation have been appropriately conveyed to the kindred of these departed toilers. May the Church hold them ever in grateful remembrance.

We respectfully present the following recommendations for adoption by the Assembly:

1. That the Assembly commends the fidelity of the Directors and Secretaries, congratulating them and the Church on the increased fruits of the service rendered during the last year.

2. That the Minutes of the Board be approved.

3. That we express our grateful appreciation of the effective work of the Woman's Board, and our hope for the continued favor of God upon their earnest effort.

4. That \$300,000, the amount named by the two preceding Assemblies, but not yet realized, be named as the minimum amount the churches should contribute to this Board during the current year.

5. That we cordially commend the loyalty, faithfulness and self-denial of the ministers working under this Board; and that we believe the high standard of their work, and the spiritual fruits growing out of it, demand that a more just and adequate support be furnished these men.

6. That in the deaths of Mr. S. P. Harbison, a generous and useful member of the Board, and of Miss Mary E. Holmes, the Freedmen, the schools and the whole Church has sustained a great loss; but we are profoundly grateful to God for the noble service they have rendered in the name and for the Kingdom of our Master.

7. That the pastors, elders and missionary societies be urged to present the claims of the work done in the schools under Presbyterian direction to men and women whom God has largely endowed with wealth.

8. That the following members of the Board, whose term now expires, be reelected, viz.: Rev. D. S. Kennedy, D.D., Rev. Maitland Alexander, D.D., Rev. W. S. Fulton, D.D., Rev. Samuel J. Glass, D.D., and Mr. Vincent Miller.

Respectfully submitted,

ROBERT M. DONALDSON, *Chairman.*

The Special Committee on Sabbath Observance, through Rev. F. C. Monfort, D.D., presented its Report, which was accepted, and, after addresses by Rev. F. C. Monfort, D.D., and Rev. F. J. Stanley, D.D., Secretary of the Committee, was adopted, and the Committee continued. The Report is as follows:

In 1813, Lyman Beecher, one Sabbath morning, from his pulpit made this startling declaration: "The question now is, thirty years after the Revolutionary War, whether the sanctuary of God shall be filled with worshipers on the Lord's Holy Sabbath or the taverns filled with drunkards on this blessed day."

No year probably since that time has there been greater need for lifting a voice of warning than during these twelve months just closed. On the other hand, perhaps in no year during the past nine decades have there been greater efforts put forth by Sabbath organizations and other forces throughout this and other lands, and probably none with more encouragements, than the year 1905.

LOOKING ABROAD.—In Europe (likewise in America) the danger at present, as the Archbishop of Canterbury recently stated, "is what the upper classes are doing on Sunday." English house parties on the Sabbath, denounced even by the public press in London, fashionable week-end social functions and Sunday card playing at country homes in America, the Sunday golf playing and other sports of these two Anglo-Saxon nations, quite beyond the European half-holiday excesses, together with the secularizing of the day by the middle and lower classes in business, amusements and railway travel, seriously threaten this Christian legacy and bulwark, our Day of Rest and Worship.

As counteracting this, there has arisen recently the "Sunday Lay Movement" in Great Britain. It originated under God with one Thomas Kingscote, of the King's household, and now numbers more than 10,000 members, including both Protestants and Roman Catholics. This is an effort to secure to all classes, especially those employed by the wealthier people, the Day of Rest and Worship. As one line of its labors, this lay Movement secured two years ago seventy Bishops and other clergy of London to preach the same day on this subject. This year on the first Sabbath in July, 1906, this organization is planning to have 20,000 sermons on the Sabbath question preached simultaneously throughout the kingdom.

France and other nations on the Continent have begun to recognize the pernicious evils of the Sunday half-holiday. Both the governments and the populace have been compelled, by the loss of the rest day blessings, to inaugurate movements looking forward to the cessation of labor on that day and better observance of the Christian Sabbath. Signal results are seen in various lands of Europe. France appointed a special commission to investi-

gate the weekly rest day question. Recently the public press has announced as the unanimous conclusion of this Commission, that Sunday, the first day of the week, should be made a day of cessation from all labors, except a few lines of business which seem a necessity. Also they recommend that this be made compulsory. This is, from the standpoint of social or labor economics, for the highest welfare of the State and the individual. The whole matter will be laid before the Deputies, with the view of enacting laws on the basis proposed by the Commission. A long step in advance for the French nation.

Belgium and Switzerland are two notable examples, especially in railway reform, as to the Sabbath. Belgium in one year has taken off 889 Sunday freight trains. After seven years' agitation in Switzerland the law has gone into effect giving every laboring man on the railway and trolley lines, as also more recently all other occupations, fifty-two rest days in the year, seventeen of which must be the Sabbath.

IN OUR OWN LAND.—In examining the history of the Sabbath laws, it is interesting to note that the first legislation within the territory now occupied by the United States was by the Assembly of Virginia in 1619. It contained a provision with respect to the proper observance of the Sabbath. In the Plymouth Colony, the Massachusetts Bay Colony and some others, no Sabbath laws were enacted for a number of years after their settlement, the common law of England on this matter being considered sufficient. Gradually, however, it became evident that in this, as well as in many other matters, it was the better plan to embody in statutory enactments the principles of the common law, in such a form as to meet the requirements of local conditions. Sabbath laws were therefore placed at an early date on the statute books of all the colonies. It is significant that these laws grew out of the common or unwritten law, and were not forced upon the colonies by an extraneous power either civil or ecclesiastical.

To-day we have Sabbath laws in forty-three States and three Territories; while in but two States and one Territory there are no Sabbath laws, viz., California, Idaho and Arizona. Twenty-one States and two Territories have the strongest Sabbath laws; and in twenty-two States and one Territory the Sabbath laws are inherently weak or weakened by numerous exceptions.

In reviewing the Sabbath laws of the several States it is proper to notice:

1. The character of our Sabbath laws is better than many people have thought.

2. Modern tendencies are not all away from the Sabbath of the Bible; some States have recently improved their laws, and some of the recent judicial opinions are among the best.

3. In more than half the States the laws need to be strengthened

by extending the prohibitory clauses, reducing the number of exceptions or increasing the penalty; in some cases one, in others two, in others all three of these things should be done.

4. There is need of a campaign of education because of the prevalence of Sabbath desecration, not only by worldly people, but also by church members. The time has come for judgment to begin at the house of God.

5. Legislative bodies need constant watching lest they destroy existing legal safeguards of the Sabbath.

6. The civil courts can generally be relied upon to maintain the law; some of the best things said in defense of the Sabbath have been said by the courts. A certain class of attorneys, who are reluctant to take cases involving the question of Sabbath breaking unless it be to defend the criminal, should study these great cases and learn what is the real basis of national greatness.

7. The principle that the Sabbath law is still binding involves the principle that it is binding upon nations and governments. Both State and National Governments are under obligation to obey the law, as well as to enact laws against the desecration of the Sabbath by the people.

8. Sabbath breaking is not only an offense against religion, against the Church and against the Head of the Church, but it is also a crime against the nation and the nation's Divine Ruler, in that it is an assault upon an institution that has done more than any other to advance our civilization, is inwrought into the very fibre of the nation's being, is a necessary condition of our free institutions, and cannot be abolished without producing moral, religious and political chaos.

9. Our free government would be impossible without our Christian civilization; our civilization is produced and perpetuated by the Christian religion; the Christian religion cannot exist without the Christian Church; the Christian Church would languish and die without assemblies for public worship; assemblies for worship are impossible without a day of rest; a day of rest needs the protection of statute law; the statute law should rest upon a constitutional provision; the constitutional provision should rest upon and acknowledge the authority of God.

The past year has seen marked advance in the enforcement of laws protecting the Sabbath. Governor Folk, of Missouri, Governor Hoch, of Kansas, and other officials in cities and towns, have been simply and faithfully executing the laws already on the statutes by closing business places, especially saloons, on Sunday.

The beneficent influence has already been manifested in various ways.

Bills have been prepared in two States at least, to be presented to the Legislatures this session, similar to the Switzerland enactments regarding railway and trolley employes having fifty-two

rest days in the year, one-third of them at least being the Sabbath. This is enforced by the Labor Unions, particularly the organizations of railway employes, passing resolutions within the past two years requesting one rest day a week, one-third of the fifty-two of the year being the Sabbath.

The Burlington System last year followed the Chicago & Northwestern and the Chicago, Milwaukee & St. Paul Railroad in abolishing Sunday excursion trains. This makes 25,000 miles of road on which within three years a decided step for the better observance of the Sabbath has been taken by reducing Sunday traffic.

The Association of Actors has reiterated its petition to the public, made so piteously a few years ago, that they be permitted to have the Sunday as twenty-four hours' rest. Their plea is for physical and mental rest, as also for the moral influence upon the members of the Association. The initiative is being taken by the oppressed classes who are compelled by the public to labor on the Sabbath.

Last December (1905) the Executive Committee on Federation of Sunday Rest Associations in the United States and Canada met in New York City. They revised the Constitution proposed in the Sunday Rest Congress in October, 1904, at the St. Louis World's Fair, and submitted the same to the organizations laboring to conserve the Sabbath. This new plan of Federation has been adopted by all the Associations of Canada and most of those in the United States. The object is coöperation and unity of purpose in the work for conserving our Christian American Sabbath.

Efforts have been made, in coöperation with the Sabbath organizations of the country, to secure in the proposed appropriation by Congress of over \$2,000,000 in aid of the Jamestown Exposition of 1907, the incorporation of the following :

"As a condition precedent to the payment of this appropriation, the Directors shall contract to close the gates to visitors on Sundays during the whole duration of the Fair, and shall allow no special naval or army displays on Sundays."

It is refreshing to note the noble example of the President of the United States who walks to and from church on the Lord's Day; and that the Sabbath is honored in the White House where social functions on that day are excluded. It is to be regretted that at the various Legations many receptions and social functions are held on the Sabbath, and their influence on society in Washington is most baneful and contagious.

In contrast thereto we suggest how to keep the Sabbath Day holy:

1. The children, having been duly instructed by their parents, should always attend the Sabbath-school.

2. Parents and children should attend morning preaching service on the Sabbath, and all sit together.

3. At the noon meal the conversation of the family should be about the sermon. Commencing with the youngest, let each child tell all he or she can about the sermon; then the mother, and lastly the father. Thus the truth may be impressed; error or wrong impressions or unkind criticisms corrected.

4. Take a certain half hour in the afternoon for all the family to read portions of the Bible; talk together about it, and conclude with a very personal family prayer by the father or mother.

It is in the Christian home where our hope for the future of the Sabbath largely rests, and the responsibility of rearing children to become God-fearing and Sabbath-loving men and women cannot be shirked by the parents or the Church.

The responsibility for the present decay of Sabbath Observance must be laid in large measure on those who profess to be the followers of Christ. There are thirty millions of religious people in our country who control its wealth and culture and influence; and they can have things their own way. But they never will until they fall into line with the teachings of Scripture. What we need is a firm belief on the one hand, and on the other a veritate conscience to vindicate it. God meant what He said, "Remember"; and that stands until He shall issue another edict giving us permission to forget. Meanwhile, let us be true to our convictions.

Your Committee recommends the adoption of the following resolutions:

Resolved, 1. That the authority of the Christian Sabbath is found in the Law of God and confirmed by the Lord Jesus Christ.

Resolved, 2. That the General Assembly expresses its strong conviction that the sacred character of the Sabbath must be carefully and strenuously maintained, and to this end enjoins all ministers, officers and members of the Presbyterian Church in the United States of America to exercise special care and faithfulness, and to discourage holding funerals on that day.

Resolved, 3. That the General Assembly reiterates its strong and emphatic disapproval of all secular uses of the day, all games and sports, all traveling for pleasure and all excursions, and urges upon all employers of labor and captains of industry to recognize the need of the laboring man for his weekly rest day, and thereby insure his greater efficiency and happiness and the greater prosperity of both capital and labor.

Resolved, 4. That the General Assembly urges on all families not to buy anything on the Sabbath, and during the week to give the preference to those shops which close on the Lord's Day; to plan for their servants on the Sabbath and help them to fulfill

their religious duties, and to pay laborers on Friday so that they may have Saturday to make provision for the Sabbath.

Resolved, 5. That the General Assembly hereby reiterates its emphatic condemnation of the Sunday newspaper, and urges the members of the Presbyterian Church of the United States of America to refuse to subscribe for or read or advertise in it.

Resolved, 6. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Presbytery, to coöperate with similar Committees of the other denominations within its bounds in aiding the work of local Sabbath associations; and where such organizations do not exist, to promote the formation of such associations in connection with the national organizations, the American Sabbath Union and the Woman's National Sabbath Alliance.

Resolved, 7. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Synod, of which the Chairman of each Presbytery's Committee on Sabbath Observance shall be at least a corresponding member, and that the Synod's Committee shall coöperate with the State Sabbath Associations.

Resolved, 8. That we most heartily commend and warmly endorse the work of the American Sabbath Union and the Woman's National Sabbath Alliance, national organizations, in their efforts to preserve in its purity the Christian Sabbath.

Resolved, 9. That we earnestly recommend that each pastor of our communion preach a sermon in the month of April next on the subject of the Sabbath, and that at that time an offering be made for the work of the American Sabbath Union (which is the association organized by the coöperation of the General Assembly in 1888, and which represents the Presbyterian Church in the United States of America in this department of Christian work); or, in lieu of an offering, we recommend that the Union be placed upon the list of benevolences of the churches, contributions to be sent to Col. A. S. Bacon, Treasurer, 37 Liberty Street, New York City.

The Moderator and Stated Clerk were authorized to send a telegram of cordial greeting to the General Assembly of the Cumberland Presbyterian Church.

After a vote of reconsideration, the Report of the Special Committee on Forms and Services was made the Order of the Day for Tuesday at 4 o'clock P.M., and the Report of the Special Committee on Sustentation the Order for Wednesday at 4 o'clock P.M.

The Assembly took recess, and was closed with prayer.

MONDAY, May 21, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Committee on Bills and Overtures presented a Report upon papers referred to it, which was adopted, and is as follows:

Your Committee on Bills and Overtures respectfully recommends the following action on papers referred to it by this Assembly:

Overtures Nos. 1 to 4, from the Presbyteries of Bellingham, Olympia, Puget Sound and Spokane, respecting organic union with Reformed Churches in the U. S. holding the Presbyterian system. Inasmuch as this matter is under consideration in the Special Committee on Church Coöperation and Union, it is recommended that these Overtures be referred to that Committee.

Overture No. 84, from the Presbytery of Buffalo, asking for a Hungarian periodical. Its reference is recommended to the Committee on Publication.

Overture No. 253, from the Presbytery of Birmingham, asking for the erection of a Synod of Alabama. It is recommended that it be referred to the Committee on Church Polity.

Overture No. 270, from the Presbytery of Minneapolis, on the power of Presbytery over pulpits of churches. We recommend its reference to the Committee on Church Polity.

Overture No. 271, from the Presbytery of Chicago, on the California situation. Its reference is recommended to the Special Committee on California.

Overture No. 272, from the Presbytery of Newark, on reception of students by the New Brunswick Theological Seminary. Its reference is recommended to the Committee on Theological Seminaries.

Paper No. 274, being a memorial requesting a quit claim deed by General Assembly of certain property, to clear title on a sale by the Western Theological Seminary. It is recommended that it be referred to the Finance Committee.

Paper No. 278, being a telegram from the General Assembly of the Presbyterian Church in the U. S., relating to an alleged conflict of jurisdiction and operation in Home Mission fields. It is

recommended that it be referred to the Committee on Home Missions.

Overture No. 87, from the Presbytery of Newark, requesting an expression of disapproval of any appeal to our young people for gifts towards the Y. P. S. C. E. Million Dollar Memorial Building or Fund. It is recommended that inasmuch as the Sessions of particular churches have ample jurisdiction and authority in such matters, that no action be taken.

Overture No. 5, from the Presbytery of Stockton, requesting the formulation of a plan to provide financial relief for church members, so as not to pauperize them or offend their finer sensibilities. It is recommended that no action be taken, inasmuch as no further machinery is necessary to that end, beyond the present provision for Boards of Deacons in every congregation.

Respectfully submitted,

J. D. MOFFAT, *Chairman*.

The Clerks were authorized to print the Roll of the Assembly and the Lists of Committees.

The Standing Committee on Education, through its Chairman, Mr. Charles William Dabney, presented its Report, which was accepted, and, after addresses by the Chairman, by Rev. Edward B. Hodge, D.D., Corresponding Secretary of the Board; Samuel T. Wilson, D.D., and Cornelius M. Steffens, D.D., was adopted. It is as follows:

Your Committee on Education is thankful to be able to report an increase during the year in the number of candidates for the Gospel ministry. The Board of Education has enrolled since the last report 699 young men, of whom 219 are new men, an increase of 41 over the total of the year previous. News from the colleges encourages us to hope that the increase for the past few years marks the beginning of a revival of interest among educated young men in the calling of the evangelist. The spiritual awakening which as the result of evangelistic effort has come to many of our colleges during the year, is bringing forward many new candidates who have not yet been reported to the Board. In this increased interest in the profession of the minister, and in the character as well as the numbers of the students offering, there is evidence of improvement of condition, which leads us to believe that we may now expect a reasonable increase from year to year. Still we should not forget that this increase is merely in comparison with the distressingly low number in 1903.

We learn with gratification, also, of the new efforts of the Board to reach the students of the State Universities and other non-denominational colleges. These institutions are attracting large numbers of our Presbyterian youth, and they should be

followed, as far as possible, with the same loving care that they would receive at home or in our own colleges. The Church has too long neglected this duty, and we are rejoiced therefore to hear that the Board's Committee of Visitation has included these institutions in its plan. The Committee believes that this work should be extended and systematized, and therefore submits a resolution directing and authorizing this to be done.

While all these measures for bringing up young men for the ministry are good, and should be consistently and systematically followed, let us not forget that the Church must continue to rely chiefly upon the family, the Sunday-school and the regular ministrations of the pastors to develop the characters, and upon actual evangelistic work to inspire the hearts of young men for services as soul-winners.

Your Committee has examined the Minutes of the Board of Education and the accounts of the Treasurer, and finds that they have been carefully and correctly kept. We are gratified to learn that there was an increase during the year in the contributions of the churches, and that the receipts have enabled the Board to give to college students a maximum of \$100 per annum each. The net administrative expenses of the Board continue very low.

We learn with pleasure that the work for negroes is growing, and that for foreign-language-speaking candidates is bringing admirable results. In addition to German, there are now included among these men of strange tongues, Spanish, Italian, Scandinavian, Bohemian and other students. It is very important for the Christianization and proper assimilation as American citizens of the large body of immigrants coming to this country that this work be industriously continued.

The methods of educating medical missionaries and other Christian workers needs to be improved and systematized, and we therefore submit a resolution directing the Board to consider plans for doing this, and to report to the next General Assembly.

In case of the consummation of the union with the Cumberland Presbyterian Church, the Board must expect to be called upon to aid many students recommended by the Presbyteries of that branch. For this purpose, and for aiding the foreign-language-speaking students and medical students, the Board will next year need a largely increased fund. We should therefore enjoin it upon all Presbyteries, pastors and elders to lay this matter upon the consciences of their congregations. "Lift up your eyes and look on the fields; for they are white already to harvest." "Pray ye, therefore, the Lord of the harvest, that He will send forth laborers into His harvest."

Your Committee respectfully recommend the adoption of the following Resolutions;

1. That the election by the Board of Henry D. Moore and Samuel D. Oliphant, Esq., to take the places made vacant by the retirement of Charles H. Mathews, Esq., and George Pierce, Esq., and to serve from 1906 to 1909, be approved; also, that the term of office of the following members of the Board having expired they be reelected, to wit: Charles Wadsworth, Jr., D.D., William Henry Oxtoby, D.D., Rev. John Calhoun and George W. Bailey, M.D.

2. That the accounts of the Treasurer, having been carefully kept and properly audited, be approved, and the Minutes of the Board for the year 1905-6 be approved.

3. That the Board is authorized and directed to pay over to the children of Mrs. Emma L. Mansfield the sum of twelve hundred dollars (\$1,200), which under the will of Rev. M. A. Parkinson was bequeathed to their mother, but which, owing to the occurrence of her death before that of the testator, said Parkinson, had lapsed and come into the possession of the Board as residuary legatee.

4. That the rule providing for payment of the students on the "first days of October, January and April" be altered to authorize these payments on the "first days of November and March."

5. That in extension of permission given last year, the Board be given authority to make special provision for the assistance of certain of the foreign-language-speaking students, if found necessary.

6. That the fourth Thursday in January, 1907, be designated as the Day of Prayer for Colleges, and its observance be urged upon the churches.

7. That, in case of the consummation of the union with the Cumberland Presbyterian Church, authority is given the Board to use its discretion in dealing with exceptional cases of Cumberland Presbyterian candidates, and in the application of their rules to persons recommended by Presbyteries now of that connection.

8. WHEREAS, The importance of thorough preparatory professional and practical training for those who wish to dedicate their lives to the work of medical missions is very evident, and the medical missionary ought also to be in sympathy with the doctrines and principles of the Church to which his work is auxiliary, the question is of importance whether the training required should not be pursued under some degree of Church supervision and with some degree of Church assistance, especially as the full equipment for medical work is very expensive; and

WHEREAS, The Board of Education would seem to be the most suitable agency for rendering such aid;

Resolved, That the Board is directed, therefore, to inquire into the practicability of their undertaking such a work, and to report what changes, if any, are needed in their Constitution for the

purpose, what regulations and safeguards are necessary, and, if the way be clear, to prepare a plan to be laid before the next General Assembly.

9. That the Board of Education is authorized and directed to enter into correspondence with the Education Committees of the several Synods, with a view to all possible coöperation with them in the forming and forwarding of plans for the supply of the religious needs particularly of Presbyterian students in attendance upon State Universities and Colleges, and the proper presentation to them of the duty and privilege of preaching the Gospel to their fellow-men.

10. That the General Assembly commend the Board for their consistent efforts to encourage and promote in all the Presbyteries the maintenance of the high standard provided for in our Book for the Ministry of the whole Church, so that the minister ordained in any one Presbytery may have full credit in every other; and for all that they are doing to promote the thorough training of candidates for the holy ministry, in complete sympathy with the doctrines and government of the Presbyterian Church.

11. And, finally, that the General Assembly once more solemnly charges all our heads of families, pastors, elders and teachers with the responsibility of laying upon the consciences of youth the duty and privilege of giving the Gospel to their fellow-men; and enjoins upon all Presbyteries the duty of presenting to our people the new and urgent need of the Board of Education for means with which to do the rapidly growing work of the Church.

For the Committee,

CHARLES WILLIAM DABNEY, *Chairman*.

The Special Committee on Men's Societies, through its Chairman, Rev. John Clark Hill, D.D., presented its Report, which was accepted. After addresses by the Chairman, by Mr. Andrew Stevenson, Rev. S. Edward Young, D.D., and Rev. J. Gray Bolton, D.D., that portion of the Report which related to the Overture of the Presbytery of Bloomington was referred back to the Committee, and the remainder of the Report was adopted. It is as follows:

Your Special Committee on Men's Societies respectfully reports as follows:

The Committee was appointed by the last General Assembly in response to the following Overture from the Synod of Ohio:

"The Synod of Ohio respectfully overtures the One Hundred and Seventeenth General Assembly of the Presbyterian Church in the United States of America to appoint a Special Committee, which shall make full investigation of the question of Men's Societies, and report to the One Hundred and Eighteenth General Assembly, with the view to the formation of a Men's Order, or

Brotherhood, within the Presbyterian Church, which shall be distinctively Presbyterian in name and purpose, and providing for Presbyterial, Synodical and National Conventions, for the purpose of bringing Presbyterian men together in the interests of the Presbyterian Church, and in the interest of winning men to Christ."

A Committee of five was appointed and instructed "to report as desired," and the Stated Clerk was "instructed to place at its disposal such information as comes to his office in the regular reports of the Presbyteries."

The Committee has had three meetings. The first determined a method of investigation; the second reviewed the results of the investigation, and the third formulated the recommendations now presented for the consideration and action of this Assembly.

Your Committee felt from the start that the work it was asked to do was somewhat unusual in the history of our Church, and that it was an official recognition of a movement that would be full of great blessings if it were entered upon with a recognition of its importance and careful inquiry as to what our Lord would have us do.

In everything the Committee has been of one heart and one mind. At the last meeting, moved by the importance of its task, the Committee made very solemn and thankful recognition of Divine guidance in what had been done.

THE INVESTIGATION.—The present movement for the organization of Men's Societies for Christian work in connection with the local churches began about fifteen years ago. It was made the subject of a notable paper read at the Congress of Religions that was held auxiliary to the World's Fair in Chicago in 1893. This gave great impetus to the movement in nearly all Evangelical denominations. Many of our pastors welcomed this impetus, organized Men's Clubs or Leagues, most of which aimed specially at increasing the effectiveness of the Sunday evening services. The existence of these organizations was brought to the attention of the Assembly by the Narrative on the State of Religion in 1895 in the following terms: "The call is made for the organization of men. The men of our Church, as a class, are falling to the rear of the great host of God in both service and benevolence. This occurs largely because they are not organized into associations as the women are. To evangelize men, to pray and labor for their salvation, is the need of the hour, second to no other call in the sphere of Christian work." This was a notable utterance, but the Assembly did nothing definite to promote the needed organization.

Six years later, in 1901, the Narrative said: "The reports of the efforts in organizing the men of the Church into action present no great encouragement. In quite a large number of cases

the experiment is tried, but whatever it may accomplish in outward appearances for the local church, it has accomplished very little for the Boards of the Church. A great problem is to get very generally from men, for the kingdom of Christ, the plan, push, perseverance, enterprise and energy which business monopolizes. If the men in the churches were as are the women, the kingdom would come in leaps and bounds."

In 1902 the Narrative states that "A few men's societies have their bond in the love of Missions, and some support their own missionaries in home and foreign lands. Your Committee thinks that herein is a splendid opportunity for our Church, and through the General Assembly would call on the men of the Church for organized work along distinctly spiritual and missionary lines."

In 1903 the Narrative declares that "The societies organized for men are comparatively few and for the most part of a social nature. A few societies are reported which are distinctly spiritual, such as the Brotherhood of Andrew and Philip. It is a question of earnest consideration of each pastor whether or not this matter is receiving the attention which it deserves, and whether or not our young men are finding the spiritual culture essential to their growth, and are being marshaled and trained for Christian service as they should be. Here is a field that, in too many instances, is proving but fallow ground."

In 1904 the statement is made: "Very few societies exist for our men, but where they have been organized and faithfully maintained such encouraging results have attended their work that your Committee is hopeful that ensuing years may see a general movement toward such organization throughout our Church, and especially in the cities."

It is evident that the Assembly has always regarded these societies with much favor, but until last year took no definite steps to foster the movement and make it effective denominationally.

When the Committee entered upon the work of investigating the existing conditions, it was found that the data in the hands of the Stated Clerk of the Assembly were imperfect and a special inquiry was sent to the clerks of Presbyteries asking for as complete detail as possible. The responses to this showed that last year 435 Men's Societies were reported in existence in our churches. It has been ascertained, however, that a number of Men's Organized Bible Classes were not included and a conservative estimate would make the total number not less than 500 organizations of men in our churches, at the end of March last year, and of these about 230 were chapters of the Brotherhood of Andrew and Philip.

THE QUESTIONNAIRE.—In order to get at more definite detail as to the character and success of the existing societies the Com-

mittee sent out a Questionnaire containing the following questions:

1. Is there now, or has there been, a men's society of any kind connected with your church?
2. Of what nature? What objects?
3. Success or failure?
4. Causes: *a*, Success.
b, Failure.
5. Do you feel the need of organized work among your men?
6. On what lines?
7. What do you believe to be the attitude of the men of your congregation towards such an organization as is outlined in the overture to the General Assembly and quoted in the Chairman's letter?
8. What do you think is the attitude of ministers and laymen in other congregations?
9. What is your personal attitude towards the proposed Brotherhood?
10. What name would you propose for it?
11. What suggestions have you to make to the Committee as to a plan of organization?

About 550 of these Questionnaires were sent to pastors, elders and laymen in all sections of our Church, except foreign Presbyteries and Alaska. A careful effort was made to secure replies from truly representative men; the smaller churches were included as well as the larger. The average experience in receiving replies to such a Questionnaire is that less than one-half of those addressed respond. The fact that we received a larger proportion than this is an evidence of the widespread interest in the matter.

The most important questions were Nos. 5 and 9. It is remarkable that out of the 307 replies only one, a pastor, gave a negative reply to question No. 5, so that it may be safely concluded that the entire Church is virtually unanimous in feeling the need of organized work among our men.

In reply to question No. 9 the answers may be tabulated thus:

	<i>Pastors.</i>	<i>Laymen and Elders.</i>	<i>Total.</i>
Favorable.....	204	62	266
Adverse.....	5	7	12
Indefinite or no answer.....	18	11	29
			<hr/> 307

This shows that 86 per cent. of all replies are definitely in favor of the organization proposed by the Ohio Overture. Most of the indefinite replies were made by reason of what was regarded as insufficient information, but nearly all manifest a favorable disposition. Those who failed to reply to the questions really ought to be counted as favorable, because it would have been an easy

matter to register an adverse opinion if there was a definitely adverse sentiment. The Committee, therefore, feels that out of the entire 307 replies only twelve should be regarded as clearly adverse. This means that over 96 per cent. of the replies should be considered as favorable. This is regarded by the Committee as a remarkable consensus of opinion and plainly indicating a providential leading for this Assembly. It is, in effect, the unanimous response of the entire Church to the call of the Ohio Overture.

In reply to question No. 10, 116 replies were received; 42 different names were suggested. Those receiving more than one vote are as follows: Presbyterian Brotherhood, 33; Westminster Brotherhood, 12; Men's League of the Presbyterian Church, 12; Brotherhood of Andrew and Philip, 7; Westminster League, 4; Men's Association of the Presbyterian Church, 4; Men's Presbyterian League, 3; Presbyterian League, 3; Witherspoon Brotherhood, 2; Brotherhood of Aaron and Hur, 2; "Something without 'Presbyterian,' " 2; "Something Presbyterian," 2.

SOCIETIES.—The investigation covered the purposes and activities of the existing societies. These we may group under two general divisions:

1. Those that make prominent a definitely spiritual purpose and employ direct religious agencies.
2. Those that make good fellowship prominent as an indirect means of promoting the interests of the local church.

BROTHERHOODS AND BIBLE CLASSES.—1. In the first division we find organizations such as the following:

(a) *Chapters of the Brotherhood of Andrew and Philip.*—The Brotherhood was started among churches of the Reformed Church in the U. S., but not as a strictly denominational organization or under denominational control. Churches in other denominations organized Chapters. Our own Assembly in 1899 endorsed this organization and commended it to the favorable consideration of the Sessions of our churches.

The object of the Brotherhood of Andrew and Philip is the spread of Christ's kingdom among men, especially young men.

The rules of the Brotherhood are two: The Rule of Prayer and the Rule of Service. The Rule of Prayer is, to pray daily for the spread of Christ's kingdom among young men, and for God's blessing upon the labors of the Brotherhood. The Rule of Service is, to make an earnest effort each week to bring at least one young man within hearing of the Gospel of Jesus Christ, as set forth in the services of the Church, Young People's Prayer Meetings and Young Men's Bible Classes.

There are now over 250 active Chapters of this Brotherhood in our denomination. Some Chapters that were organized have ceased to be active; the reason most frequently given for this is

that the rules are regarded as too stringent, the average church seeming to need a type of organization that is more flexible in the requirements for membership, so that a larger number of men could be included in the organization. The testimony of most of those reporting active Chapters is to the effect that the influence on the members and the work of the local church has been of undoubted good.

(b) *The Organized Men's Bible Class.*—This type of work for men has had great and constantly increasing success. The Baraca Union of America has a large number of Men's Bible Classes under its care, with some in our churches, and, as a rule, doing effective service for Christ and the Church.

The Cook County (Illinois) Sunday-school Association, through a special department, has done much to make Men's Bible Classes popular throughout the whole country.

The most notable development of this type of work is seen in the Young Men's Presbyterian Union of Chicago. This paragraph is from its Constitution:

"The object of the Union shall be to establish fraternal relations between all Bible classes, clubs and kindred organizations devoted to work for young men, in the Churches holding the Reformed faith, within the limits of Chicago Presbytery; to foster religious education, spiritual development, denominational fealty and broad Christian citizenship, and to strengthen fellowship among all young men in such churches."

The Bible class is made the dominant feature, but auxiliary means are employed for reaching men. This work is accomplished through distinct departments, such as Devotion, Fealty, Education, Citizenship, Organization, Fellowship, Missions, Evangelistics and Athletics.

The work of this Union has created such enthusiasm that nearly all our churches in Chicago have organized their men on this basis. Quite a number of the clubs and leagues that had been organized for purely social or literary purposes, and had become weak or extinct, have been reorganized on the Bible class plan, with a decided increase of spiritual efficiency. The Union is spiritual at its core and has become a vital, aggressive and permanent force in unifying the Presbyterian men of Chicago, and has awakened a degree of denominational loyalty and evangelistic zeal never before known among them.

CLUBS AND LEAGUES.—2. The second class of societies are of what may be regarded the social type. These have employed all kinds of methods with the ultimate aim of strengthening the local church. Where the methods employed have, in a measure, kept the church and its spiritual objects largely in the background and the chief means employed were suppers and socials, the investigation shows that such societies last only a few short years.

It has been almost demonstrated by the Questionnaire that in order to permanency and efficiency there must be some clearly avowed spiritual purpose.

The most successful societies that have employed indirect means have followed many of the methods of the Young Men's Christian Association. This agency has given the churches an illustration of what men "can accomplish in practical Christian activities when they give themselves seriously to the task." Many of these methods have been employed by churches that are popularly called "Institutional Churches," which really means nothing more than that the church has organized agencies to do works of practical Christian usefulness in addition to the work of providing for worship, devotion and Scripture study.

It is generally recognized that the men of the average church do little or nothing, unless "officers in the church," in the way of service that would be a direct help to the church in increasing its influence in a community. It ought to be far easier for the men of any congregation to organize a thoroughly successful work than it is for the Y. M. C. A. to do so. In a congregation we have a definite constituency to appeal to and a church building as a centre for operations. There would seem to be a definite obligation to prosecute some such work in almost every congregation, duly adjusted to its equipment, environment and constituency.

The Questionnaire revealed the fact that most failures were attributed to "lack of a definite purpose"; "lack of proper organization"; "lack of coöperation"; "ignorance as to best methods to employ"; "too much of the social element," and "not enough religion."

Success has been constant where there was a well-defined purpose constantly kept in view, and where the pastor was able to secure the coöperation of earnest, enthusiastic helpers.

The methods employed by the successful organizations of this type have been such as these:

1. Plans to increase the efficiency of the Sunday evening service, by publicity, by looking after strangers and providing for the general social intercourse of the men of the congregation.
2. The organizing of Ushers' Associations.
3. The organizing of classes for the study of Missions.
4. The promotion of intelligence regarding the Boards of the Church.
5. The establishment of bath-rooms and gymnasiums; reading rooms and libraries; employment and boarding-house bureaus; sick and relief funds; savings banks; classes for physical culture; athletics; educational classes of various kinds.
6. The promotion of civic reform.
7. The creation and promotion of temperance sentiment.
8. Work for boys.

It is evident from the investigation that the men of our churches will effect through coöperation what they would not undertake alone. It is notable also that in small congregations there is a possibility of developing more enthusiastic leaders than in the larger congregations, by reason of the fact that through organization responsibility is placed upon them. Dr. John H. Converse has said: "When business men apply the same energy and intelligence to the work of Missions which govern in their commercial ventures, then the proposition to evangelize the world in this generation will be no longer a dream." That is also true with reference to the work of every local church. It can be made successful by applying to it the same shrewdness, energy, enthusiasm and intelligence that men employ in their ordinary business.

Denominational Brotherhoods.—The investigation included other denominations than our own.

The Brotherhood of Andrew and Philip has been already referred to in this report.

The Brotherhood of St. Andrew of the Protestant Episcopal Church is a strong denominational organization and is very definite in its avowal of spiritual aims. It has no organic connection with the General Convention, but is approved and has been eminently successful.

The Methodist Episcopal Church has two general organizations for men—the Brotherhood of St. Paul and the Wesley Brotherhood. These have no organic relation to the General Conference, but are commended officially to the churches.

These four Brotherhoods require the adoption by the local chapters of a type of Constitution which involves on the part of the members a pledge, a vow, or an agreement to perform certain specified duties.

It appears to your Committee that while these Brotherhoods have been more or less successful, there is found to be a widespread feeling in the denominations that foster them that the uniform requirements for membership prove to be a serious barrier to very general success. The opinion seems to prevail that the men of each congregation should have liberty to organize in a way that will be best adapted to local circumstances and needs, and to the general character of those who are expected to become members, and have federal relations with similar organizations within the lines of the denomination.

In addition to these denominational organizations note should also be made of the Interdenominational Federation of Men's Organizations of New England, which has been the means of doing much good in stimulating men's work by the organization of societies by holding conventions for mutual counsel and coöperation.

The Young Men's Guild of the Church of Scotland.—The denominational organization that most nearly fulfills what seems to be the ideal for us is The Young Men's Guild of the Church of Scotland. It was organized under the sanction of their General Assembly in May, 1881. It owes its origin to the energetic work of the Rev. Professor A. H. Charteris, D.D., LL.D. The thought that gave impulse to the movement was "that it was right and reasonable for the Church to unite her own young men under her own shelter." In reviewing the history of The Guild for twenty-four years, Dr. Charteris said: "It is now recognized everywhere that a young man owes his best devotion to the Church which has sheltered his early years, and that on the other hand the Church is bound to give her best guidance to her children. Thus the Guild of Young Men is as natural a part of a church's organization as her eldership or her Communion Roll." The aim, as expressed in the Constitution, is to "unite all societies, Bible classes and the associated bodies connected with the Church of Scotland which have for their object to serve the Lord Jesus Christ, by promoting the spiritual and intellectual life of young men, and by encouraging them to undertake works of Christian usefulness."

In the organization of the local branches the methods are intentionally so elastic as to allow of adaptation to the circumstances and requirements of any congregation, whether urban or rural. "One of the distinctive features of The Guild is that it carries on its work within the Church, subject to the Church courts, and is recognized as one of the Church's agencies. Every Parochial Branch is under the authority and direction of the Minister and Kirk Session of the Parish" (*The Guild Manual*).

The methods employed are similar to and as varied in character as those used by many of the organizations now in successful operation in Men's Societies in our own Church.

In addition to this, The Guild maintains a Foreign Mission and, under its educational work, publishes a number of "Guild Text-books" that have become standard in the Presbyterian Churches of the world, some of them having been reissued by our own Board of Publication for the use of the Young People's Training Classes. Annual competitive examinations on these text-books are held, and, in addition to the awarding of diplomas, prizes of substantial value are given for essays on assigned topics of practical interest.

The Guild has a button that bears an appropriate design and publishes a monthly magazine.

The chief agency for creating, maintaining and increasing interest in the work of The Guild is the Annual Conference—Local, Provincial and National. The local branches send delegates to these Conferences, which are always attended by large and enthu-

siastic gatherings of laymen, the last General Conference being attended by over a thousand.

The promotion and care of the work of The Guild is committed to the Standing Committee of the General Assembly known as the Christian Life and Work Committee, which maintains a permanent office in Edinburgh with a salaried Secretary.

The Men's League of the United Presbyterian Church.—The most recent effort in organizing the men of a denomination is that of The Men's League of the United Presbyterian Church of our own country.

This organization had its beginning in "The Men's Missionary League" of the Church, which for some years did a most successful work in arousing missionary zeal among their men; but it was forced upon the minds of the leaders of the movement that the time had come for organization on broader lines, for more general and effective Christian service. The movement took definite shape at a Business Men's Conference, held at Pittsburg, Pa., February 13-15, 1906. There was an enrolled attendance of delegates, from all parts of the country, numbering fully one thousand, almost all of them laymen.

A Constitution was adopted, the second article of which reads as follows:

"The object of the Men's League shall be (1) to enlist every male member of the Church in some form of active Christian service, and so to supervise the work of the League in all its departments as to enable each member to render his largest and best service to the kingdom of Christ. (2) To promote an intelligent grasp of the conditions under which America and the world can be evangelized, and so assist the officers of the congregation in securing adequate financial support for the entire educational and missionary work of the Church at home and abroad, every congregation paying as a minimum the full amount asked of it by the General Assembly."

A General Secretary was elected, and provision was made for an assistant and the continuation of the publication of the monthly journal, *The Men's Record*.

This movement and the marvelous enthusiasm awakened at the recent Conference is said, by one well able to judge, to have caused the whole Church to feel "the thrill of a new and unsuspected energy . . . The possibilities of such a movement are staggering in their magnitude, but I believe our men mean business and are willing to go ahead rapidly."

The League took steps to present itself to the General Assembly, asking for official recognition. There is no doubt whatever but that this will be most cordially granted.

The Presbyterian Church in the U. S.—While no official action

has as yet been taken by the General Assembly of the Southern Presbyterian Church, your Committee has been asked by those who are moving in the same direction as we are to furnish some information that might enable them to present the matter to their Assembly in such a way that they might take action similar to what might be taken in this Assembly. This information, as far as permitted, has been gladly given.

RECOMMENDATIONS.

In view of the results of your Committee's investigation, it is recommended:

1. That this General Assembly authorizes the formation of a Brotherhood within the Presbyterian Church in the United States of America, to include all men's organizations now existing or hereafter to be formed in connection with local congregations.

2. It is further recommended:

(a) That all existing organizations of men in our congregations which declare their adoption of Article 2 of the Provisional Plan, hereinafter given, be hereby recognized as charter organizations of the Brotherhood.

(b) That in all our congregations, where there is at present no such organization, steps be taken, wherever possible, to secure some organization of men.

(c) That all Presbyteries and Synods appoint a Standing Committee on the Brotherhood, for the purpose of fostering in whatever ways may be expedient organized work for men in the churches, and that these Committees arrange for Presbyterial and Synodical Conventions of the laymen within their bounds.

(d) That the General Assembly appoint each year a Standing Committee on the Brotherhood.

(e) That the Assembly appoint a Committee on Men's Societies, consisting of five Ministers and five Elders, for the purpose of perfecting and promoting this movement on the lines set forth in the Provisional Plan. This Committee shall arrange for the first convention, which shall be held without expense to the General Assembly.

(f) That a convention of the laymen of the Church be held, under the authorization and approval of the General Assembly, as soon as practical.

3. That this Assembly approves and adopts the following Provisional Plan for the organization of the Brotherhood:

(1) The name of this organization shall be The Presbyterian Brotherhood.

(2) The object of the Brotherhood shall be to secure the organization of the men of our churches, with a view to spiritual development, fraternal relations, denominational fealty, the

strengthening of fellowship and the engagement in works of Christian usefulness.

(3) Conventions shall be held from time to time for mutual counsel and inspiration. Each organization shall be entitled to at least one representative in such conventions, and one representative for each additional one hundred members or fraction thereof not less than twenty-five. Each convention shall plan for the meeting of the convention following, and shall appoint such committees and officers as may be necessary.

(4) The powers of the annual convention shall be advisory and declarative only, and no action taken by the convention shall be binding on any local organization unless adopted by regular action according to its Constitution.

(5) The Brotherhood shall report to the General Assembly annually, and shall employ such means as may be necessary to secure, in coöperation with the Stated Clerk of the General Assembly, detailed annual reports from all local organizations.

(6) It is distinctly declared that the purpose of this plan is, to bring all existing organizations in our churches into a close working union, without in any way imposing on them a definite form of organization, and leaving them absolutely free to prosecute any form or method of Christian activity that may be adapted to the local organization; provided, however, that the Constitution of the local organization shall declare that it is to be governed by the principles set forth in Chapter XXIII of the Form of Government of the Presbyterian Church in the U. S. A., and therefore "be under the immediate direction, control and authority of the Session of such Church."

THE BLOOMINGTON OVERTURE.

There was referred to this Committee an Overture from Bloomington Presbytery, asking that consideration be given to "The feasibility of organizing the beneficiary work of the Church on the basis of mutual financial aid, the gratuitous reception of financial aid being objectionable."

The preamble of this Overture says: "We believe it to be the duty of the Christian Church to be interested in the material as well as in the spiritual needs of her members; the diaconate, the oldest and only institution in the Church having in view the supply of material help, has in many churches been abolished, and in others turned from its original purposes; in lieu of this, nothing is left for many of our members to do, in times of financial distress, but to apply for help to the associated charities or beneficiary lodges, for which the Church is not unjustly reproached." A large quantity of printed matter on this subject has been placed in the hands of your Committee and it has been carefully studied.

This whole question appeals very strongly to the Church, but since it involves so many intricate financial problems, and since this would complicate the one main task of this Committee, we have felt we would be unable to present to this Assembly any detailed plan even for consideration; but we are strongly convinced that there is a very clear necessity for some plan whereby the members of our churches may be able to render help to each other in a proper way in times of financial distress.

Respectfully submitted,

The Special Committee on *The Assembly Herald* presented its Report, which was accepted, approved, and is as follows:

The Committee on *The Assembly Herald* beg to report as follows:

The financial statement for the year ending December 31, 1905, shows a net profit of \$183.05 and a gain in subscriptions of 6,301—the best showing we have as yet been able to present. The total number of subscriptions December 31, 1905, was 48,260. In connection with these figures it is interesting to note that in 1904 the total number of copies printed was 508,000, containing an average of 77 pages each, and in 1905 this had increased to 577,250 copies of 88 pages each. Looking at it in another way, in 1904, 39,116,000 pages were printed, and in 1905, 46,180,000. These are rather startling figures and give an idea of the largeness and importance of the work *The Assembly Herald* is doing. Of the copies printed, there are not above ten of any month remaining on the files, all others having been used.

The average number of copies printed per month was in

1904.....	42,333
1905.....	48,104

an increase of 14 per cent. in the year.

The average number of pages per copy during the last five years was as follows:

1901.....	49 pages
1902.....	54 "
1903.....	65 "
1904.....	77 "
1905.....	88 "

an increase in the five years of 80 per cent.; and 1905 over 1904, 14 per cent. Subscribers are therefore receiving each year far more for their money, and the subscription price of twenty-five cents, considered as remarkably low in 1901, is most emphatically so now when the magazine has been increased in size 80 per cent.

The enlargement of *The Assembly Herald* has naturally increased the cost of a complete copy delivered to the subscriber, so that while in 1904 the average cost of a subscription (twelve numbers delivered) was thirty-eight cents, in 1905 this had increased to an average of forty-four cents each, not including salaries or office expenses. Were it not for the receipts from advertisements and from the Boards for the use of pages exceeding the number originally allotted them by the Assembly, it would not be possible to publish the magazine except at a great loss.

By no means the least difficult part of the work in connection with the subscriptions is to maintain the list. It is possible to gather in a large number of subscriptions by some special effort, but it is a more difficult task to get the same people to renew when the year is up; hence we think it a matter of encouragement to notice that for three years past the list has steadily grown, and that the great majority of subscribers have renewed.

The greatest difficulty met in subscription work, after all, is the indifference of the average person for the missionary cause. This is due largely to lack of information, and we believe *The Assembly Herald* is the printed agency for increasing the zeal for Missions both at home and abroad.

There is unquestionably a greater and growing interest in *The Assembly Herald* on the part of pastors and people, as the comment from all parts of the country evidences. From the offices of the various Boards it is noticeable, not only by the kind words of approval from the Secretaries and others, but in the fact that many more copies are now required to supply the needs of their departments. The use of a greater number of pages each year by all the Boards speaks also of the increased value of *The Assembly Herald* as a means of correspondence between the Boards and the people.

That *The Assembly Herald* is appreciated by those who take the trouble to read it is indicated by the large number of letters which come to the office with their words of praise. The following is received just as this is being written and is a fair sample of many others:

"I find the April number of *The Assembly Herald* wonderfully interesting. The letters from India describe the development of a revival which in the mode of its unfolding is substantially like that which is occurring in Wales, and in its effects is eminently Biblical. We all need the 'baptism of the Holy Ghost and fire,' and to take place 'not many days hence.' Do call attention with increased emphasis to the spiritual phenomena transpiring in India, so encouraging to those in America who are wrestling for an answer to the prayer for the 'fullness of the blessing of the Gospel of Christ.'

"I wish you could in a leaflet give the substance of these letters

from India to the people of our congregation."—ALBERT B. KING, Park Avenue Hotel, N. Y.

We must again record our appreciation of the encouragement which has come from very many pastors, and from the large number of others who have been willing to represent *The Assembly Herald's* interest in their respective churches, and we hope that during the coming year those who have not responded to requests for subscriptions will see their way clear to do so, so that our report to the next Assembly may show a large increase in the list.

Respectfully submitted,

A. W. HALSEY,
JOHN DIXON,
WILLIAM H. SCOTT.

To the General Assembly's Committee on The Assembly Herald.

GENTLEMEN:—I beg to inform you that I have examined the accounts and vouchers of Horace P. Camden, Manager of *The Assembly Herald*, for the year 1905, and found them, together with the cash balance, to be correct and in good order.

CHARLES W. THOMAS, *Public Accountant.*

The Committee was continued, and was congratulated upon the success which had crowned its labors.

A Popular Meeting in the interest of our churches and institutions in California, which suffered from earthquake and fire, was made the Order of the Day for Wednesday at 4.30 o'clock P.M.

The Standing Committee on Home Missions, through its Chairman, Rev. A. B. Marshall, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Charles L. Thompson, D.D., Secretary of the Board; by Matthew Anderson, D.D., W. S. Holt, D.D., Rev. Arthur F. Bishop and G. S. Chambers, D.D., was adopted. It is as follows:

Your Committee on Home Missions would respectfully report that they have carefully examined the Annual Report and the official record of the Board, also the Annual Report of the Woman's Board of Home Missions, and the Report of the Young People's Department. We have also tried to catch a vision of the wide field in which our Church is operating through this agency, and to measure the magnitude of the work undertaken.

It naturally divides into many departments, such as evangelization, evangelism, school work, church and labor work among foreign-speaking people, our new possessions, literature, young people's work, and the Woman's Board. Your Committee is glad to bear testimony to the fidelity, wisdom and administrative ability shown by the officers of the Board in these several fields of operation.

The year just closed was one of much blessing and of encouraging progress. The total receipts for the year aggregate \$911,793.72. This is the largest sum received for current expenses during any year in the history of the Board, and when we add the receipts of the self-supporting Synods for local work we have a grand total of \$1,168,244.01 for Home Missions. It is also

worthy of mention that the year closed with a small balance in the Treasury.

Much of the progress made is due to the fact that the Woman's Board has had the most successful year in its history. By reason of its splendid organization, and of the many deeply interested supporters back of it, it has passed the half million mark in its receipts, and has made steady development in every part of the great field under its care.

During the year the Board has been represented by 555 teachers in 185 Mission schools and 1,269 missionaries who have ministered to 1,465 churches, and as a result 87 churches and 204 Sabbath-schools have been organized, 947 conversions have been reported from our Mission schools and 15,633 persons have been added to the membership of our Church. In the self-supporting Synods 1,010 missionaries have organized 31 churches and 70 Sabbath-schools, and have welcomed 10,681 persons to the membership of the churches under their care. Much of the effort of the Board is necessarily directed towards the further development of fields already entered, but during the year progress has been made in the expenditure of \$25,000 in new work and \$40,000 for the erection of buildings in our island possessions; and true to the watchword of the year, the young people, both in the Endeavor Societies and Sabbath-schools, have kept step with the advancing Church and have contributed to this great cause more than \$100,000.

The mortgage indebtedness of the Board on the Presbyterian Building has been canceled, and henceforth the income of the Board from this source will be steadily enhanced. There was not a vacant office in the building at the close of the fiscal year, and the rental saved to the Boards of Home and Foreign Missions plus the rentals collected closely approximate five per cent. upon the cost of the property.

The Department of Church and Labor has also made notable progress. Following the leadership of Rev. Charles Stelzle, the Church and workingmen are surely coming into closer relations. A series of leaflets calculated to remove misconceptions and give much information relative to "The Labor Problem" has been published and is having a wide circulation. This movement in our Church has met with most cordial endorsement of the American Federation of Labor and is one of the most hopeful indications in these times of industrial revolution. Progress has also been made in the effort to evangelize the foreign-born population of our country, a population which increased 1,000,000 last year and now numbers 14,000,000. A number of worthy workers have been discovered and sent into fields where they are already beginning to exercise a potent influence. The whole Church will feel indebted to the Board for having ascertained and exhibited in their report that already our Church is maintaining

524 churches and Mission stations among our people who are foreign-born, and the Board stands ready not only to undertake other work of this character but to join with other organizations operating in this field, if by so doing the end sought, the evangelization of the stranger, may be reached more successfully.

And as the year past shows great progress in the work committed to the Board of Home Missions, so does the future present both great opportunities and great obligations. New towns continue to spring up along the lines of our great systems of railways, or in places where agricultural or mining interests invite the coming of the immigrant, and every such town needs the missionary of the Cross. Like opportunities are presented and similar demands are made by the constantly growing population of our cities extending every year, and frequently several times in a year, to new sections, making new religious enterprises necessary.

By reason of our very great success in Cuba and Porto Rico, the duty of a wider occupation and a more extended effort to reach still larger numbers with the Gospel is made most manifest. The people seem to be just waiting for the coming of God's messenger. Could we but send a large number of missionaries to those fields, at once Cuba and Porto Rico would turn to Christ in a short time and cease to be Mission fields. And now that the field is white to the harvest as almost no other which we have entered, should not due effort be made to gather the sheaves before the harvest time has passed?

Another open door is the field of evangelism. Recognizing the need, this Assembly has commissioned the Board to encourage the missionary with the help of the evangelist. The step is taken in wisdom, for while each pastor or supply should be himself an evangelist in his work, there are places in which the work may be more successfully advanced by one who is a specialist among soul-winners in his message and his method. And for such workers calls, which must not be disregarded, have come from many parts of the field in which the Board is operating.

It is indeed a great mission upon which we have been sent and for the accomplishment of which our Home Board is in existence. The whole situation is well set forth in the report in these words: "No longer merely a question of occupying new territory, home missions has now become the endeavor to reform the older communities as well as to reach the new."

City evangelization must claim more attention than it has ever received, if the cities are to be saved from the many perils that threaten them. The lapsed communities in the older States must be cared for, if the experience in Southern mountains shall not be repeated in other parts of the Union. The tide of the labor classes away from the Church must be turned, and they must be made to recognize the friendship and willing helpfulness of the

Church of Christ. The immigrants, coming in upon us in such abnormal numbers, can be made good American citizens only by instilling in their minds the principles of truth and righteousness which come from Christian schools and Christian institutions.

In addition to these newer phases of the work, the infilling process in the Western States is going on more rapidly than ever, and by the opening of reservations, by the plans of irrigation on the part of private companies and of the Government, new and prosperous communities are making the desert to rejoice and blossom as the rose. The waiting islands beckon for the Gospel, not only for themselves but that they may be signal lights along the coasts of new national development.

Now to accomplish this great work the Board must be well supplied with funds, and for the coming year request the sum of \$1,000,000. It is a worthy goal which they have set. Let us hope that the Church will rise to the opportunity.

Some important changes have taken place in the office force of the Board during the year. Dr. George F. McAfee, the efficient Superintendent of School Work for the past ten years, on account of ill health was forced to resign, and Rev. Robert M. Craig has been chosen to fill the vacancy caused by the resignation of Dr. McAfee. Mr. John Willis Baer, having been urgently called to another important work, thought it wise to ask release from the office of Associate Secretary of the Board. It was with regret that the Board recognized the necessity of giving up the valuable services of Mr. Baer, but his resignation has been accepted, and another able worker, Mr. J. Ernest McAfee, of Parkville, Mo., has been elected to take his place.

The following recommendations are submitted for adoption:

1. That the records of the Board be approved.
2. That the following persons, whose term of service as members of the Board expires with this meeting of the Assembly, be re-elected: *Ministers*—Rev. D. Stuart Dodge, D.D., Rev. Lyman W. Allen, D.D., Rev. Wilson Phraner, D.D., Rev. Henry Sloane Coffin; *Laymen*—Frank L. Babbott, Titus B. Meigs, George H. Southard.
3. That the change of name from Assistant to Associate Secretary be approved, also the election of Mr. J. Ernest McAfee to succeed Mr. John Willis Baer as an Associate Secretary of the Board.
4. That the Board be authorized to provide for needed evangelistic effort in the fields under its care.
5. That we approve the operations of the Board through its Department of Church and Labor, having hope that our Church will in this way be enabled to teach an intelligent conception of the conditions existing between employers and employees.
6. That the Presbyterial Committees on Home Missions be

invited to appoint Subcommittees for the purpose of making a study of the problem of labor in its various aspects.

7. That our Mission Churches, Presbyteries and Synods, in the interest of the growing work committed to the Board, be urged to put forth effort to attain to self-support at the earliest day possible.

8. That all our stronger congregations be advised to take the helpful step of adopting some representative upon the field and providing for his support.

9. That all self-supporting Synods be urged to make fuller report to the Board of their Home Missionary operations and the results of their efforts, for publication with the Annual Report of the Board.

10. That the Presbyterian Committees on Home Missions be instructed to send copies of their reports to the Board of Home Missions.

11. That we congratulate the Woman's Board upon the marked success with which it has carried forward its work during the past year, and recognize the large devotion of Presbyterian women to Presbyterian Home Missions, which has enabled this Board to pass the half million dollar mark in its receipts.

12. That we hear with pleasure of many mission study classes, and other evidences of interest in Home Missions, among the young people of our Church, and commend the movement to develop the study class as worthy of the most favorable consideration.

13. That an effort be made to enlist a more general interest on the part of our young people in Home Missions, and to secure more systematic and intelligent contributions from them for this cause.

14. That on the Sabbath preceding Thanksgiving Day our Sabbath-schools be requested to make an offering for the school work under the care of the Woman's Board, and on the Sabbath nearest to Washington's Birthday an offering for the general work of Home Missions.

15. That the Board be authorized to plan and carry forward such efforts as may be necessary to the speedy completion of the evangelization of Cuba and Porto Rico, and that the expenditure of larger sums of money to that end be encouraged.

16. That we commend our Home Board to our Church for a contribution of \$1,000,000, to be expended this year in advancing the work committed to the care of the Board.

17. In answer to the Overtures from the Presbyteries of Corning and Southern Dakota, relative to the erection of a monument on Prospect Hill, Sioux City, Iowa, to commemorate an incident of the movement for the evangelization of the West, we recommend that the Assembly endorse and approve the project, and commend

the Committee of the Synod of Iowa, having the matter in charge, to the confidence of the Church.

In behalf of the Committee,

A. B. MARSHALL, *Chairman.*

The Standing Committee on Home Missions also presented a Supplementary Report, which was adopted, and is as follows:

There has been referred to us a telegraphic communication from the General Assembly of the Presbyterian Church in the United States, which reads as follows:

GREENEVILLE, S. C., May 19, 1906.

To the Venerable, The General Assembly of the Presbyterian Church in the U. S. A., Des Moines, Iowa—Greeting:

Three years ago complaint was made to the Assembly of the Presbyterian Church in the U. S. of aggression in the West on the part of the representatives of the Presbyterian Church in the U. S. A., alleging interference with our work, and the offering of a financial inducement to our churches to change their ecclesiastical relation. Thereupon Dr. Morris, Secretary of Home Missions, was appointed to correspond with Dr. Charles L. Thompson, Secretary of your Board, for the purpose of preventing further interference and of allaying friction caused thereby. The entire correspondence has been submitted to our Assembly and heard in full by its Standing Committee of Home Missions, and our Committee are unanimously of the opinion that if this whole correspondence could be submitted to the Standing Committee of your Assembly, they would agree with us that there is at least strong presumption of unjust interference with our work by representatives of your Board; and as we believe that there is no hope of securing the remedy of such conditions by further correspondence of the Secretaries, therefore we earnestly urge your body in the interests of brotherly love to take effective action to prevent further friction, and especially offers of financial inducement to churches to change their ecclesiastical relations. With cordial brotherly love and confidence in your earnest purpose to aid us in promoting the best interest of our common cause,

ALLEN G. HALL, *Moderator;*

W. A. ALEXANDER, *Stated Clerk.*

After careful consideration and examination, we recommend that the following answer be sent:

DES MOINES, IOWA, May 22, 1906.

To the General Assembly of the Presbyterian Church in the U. S.—Greeting:

After careful inquiry by our Standing Committee on Home

Missions, we are without evidence that there has ever been such interference as you have indicated in your telegram of recent date. We are prepared to deny that our Home Board has ever favored such action. We wish to assure you that financial aid, as an inducement to churches to change their ecclesiastical relations, has never been authorized by either the Home Board or any of its officers, and if such aid has been offered by any other person, it has never been with the approval of the Board.

With fraternal regard,

HUNTER CORBETT, *Moderator*;

WILLIAM H. ROBERTS, *Stated Clerk*.

The Stated Clerk was directed to send the above communication by telegraph to the General Assembly of the Presbyterian Church in the United States.

The Standing Committee on Bills and Overtures presented a Report upon papers referred to it, which was adopted, and is as follows:

Your Committee on Bills and Overtures respectfully recommends the following action on papers referred to it by this Assembly:

Paper No. 276, being a request from the National Anti-Saloon League that the Assembly send ten delegates to a conference to be held in November. It is recommended that the request be answered in the negative, reference being made to similar action by the General Assembly of 1860 (see *Digest*, p. 630), and by the Assembly of 1891 (see *Digest*, p. 325).

Overture No. 267, from the Presbytery of Morris and Orange, in regard to statistical blanks, asking direction that only moneys actually passing through the hands of church treasurers be reported by the particular churches. It is recommended that the following answer be given:

The purpose of the statistical tables in the Assembly *Minutes* is partly to record the total benevolence directly attributable to the spiritual influences at work in each particular church. There is therefore no valid reason why the gifts of individual givers directly to the Boards or other benevolent causes of the Church should not be credited to the church to which they belong, if such givers themselves do not object, particularly as such gifts often reach their destination and are capable of being used more immediately. But the Assembly does not hereby desire to approve any improper attempt to discover the secret charities and gifts of church members who for personal reasons prefer to give privately.

Overture No. 242, from the Presbytery of Shenango, urging

consideration of the needs of Magyar Workers, and *Overture No. 273*, from the Presbytery of New Brunswick, urging harmony and coöperation in Hungarian religious work. It is recommended that the Overture from the Presbytery of New Brunswick be adopted by this Assembly as setting forth its action in the premises, as follows:

WHEREAS, There are in the United States, Hungarian churches, missions, ministers, educational and publishing agencies connected with three distinct ecclesiastical bodies, the Reformed Church of Hungary, the Reformed Church in the United States and the Presbyterian Church in the U. S. A.; and

WHEREAS, These three denominations all hold the same Reformed system of doctrine, and are governed in accordance with the same Presbyterian polity; and

WHEREAS, It is very desirable that this unity should receive practical recognition and that there should be harmony and coöperation in Hungarian religious work; therefore,

The General Assembly of the Presbyterian Church in the U. S. A. hereby declares its assent to the following principles, and its willingness to join in the policy herein below indicated, and invites the governing bodies of the other Churches having similar jurisdiction, or their properly authorized representatives, to take like action.

1. Where any one of the denominations named is regularly carrying on work, neither of the other denominations should inaugurate work intended to draw from the same community or section of a city.

2. The right of congregations to determine their ecclesiastical connection should be recognized, but all attempts to alienate or disrupt congregations already affiliated should be forbidden.

3. The full qualifications for the ministry usually required in the respective denominations, should be demanded of those to be ordained for the Hungarian work.

4. There should be one well-equipped Hungarian religious newspaper representing all three denominations, and supported by them all.

5. There should be a Committee of Conference and Advice, consisting of nine members, three to be named by the highest judicatory of each of the denominations or its authorized representatives. This Committee may concert measures to promote the religious interests of the Hungarians common to the denominations, and may give counsel concerning any matters of controversy referred to it by the proper authorities of the respective Churches, but it shall have only the power of advice. The Moderator of this Assembly is hereby authorized to appoint three representatives, who may act on behalf of the Presbyterian Church

in case similar committees shall be appointed by either of the other bodies.

Paper No. 275, being a letter from the Secretary of the Chicago Tract Society. It is recommended that it be returned to the Stated Clerk, inasmuch as the official endorsement of the Presbytery therein referred to does not accompany the letter, and accordingly that no action be taken.

Overtures Nos. 250 and 250a, from the Presbyteries of East and South Florida, asking for the erection of the Synod of Florida. It is recommended that they be referred to the Committee on Polity.

Overtures Nos. 178 to 183, from the Synods of Baltimore and five others, asking that a Standing Committee of the General Assembly be erected, to which shall be referred for consideration and report the annual reports of the so-called self-sustaining Synods as to the Home Mission work by them conducted. We recommend that such a Standing Committee be constituted, to be known as the Committee on Synodical Home Missions, to consider and report on the Home Mission work of the self-sustaining Synods; that such Synods be and they hereby are directed to make annual reports to the Assembly through the Stated Clerk, and the Stated Clerk is authorized and directed to make the appropriate corrections and changes thereby necessitated in the *Manual and Rules*.

Overtures Nos. 91 to 176, 176a to 176z, 176a¹ and 176a², are known as the Cleveland Overture, asking that this Assembly appoint a Committee which shall take into consideration, and report to the Assembly to meet in May, 1907, the question of the consolidation of the Boards of the Church. This Overture is endorsed by 113 other Presbyteries. Whatever differences of opinion may exist as to the action that should finally result, it would seem to be wise for the General Assembly to respect a request of 114 Presbyteries, especially as they do not commit themselves to an approval of the consolidation of the Boards, but ask for such an investigation as should result in bringing together in one report the information the Church should have before it, before determining whether any consolidation is desirable, and, if so, to what extent and in what form.

In close connection with this same subject, it appears to your Committee that it would be wise to give any special Committee that may be created to consider the consolidation of the Boards, a wider scope. Our Church has been growing in size in recent years, and its work has been growing in complexity. In another year there will probably be a great increase in both size and complexity of work, with the consummation of the reunion of the Cumberland Presbyterian Church with our own. The One Hundred and Nineteenth General Assembly will probably number

one thousand members. Much of the administrative machinery of the Church is to-day what it was two hundred years ago, and many of the changes in it have arisen as temporary expedients. Of the three departments into which modern governments are divided, the legislative, the judicial and the executive, and which modern politics keeps distinct, our Church is particularly weak in its executive department. We are in the process of developing our judicial agencies to fit us to meet the demands of an enlarged Church, should we not give attention now to the improvement of all our executive agencies? It is therefore recommended that a Committee of ten ministers and eleven elders be appointed by the Moderator, which shall consider the two following matters and report to the next Assembly.

1. To consider the reorganization of the benevolent agencies of our Church, with a view to the greatest possible efficiency in collecting the benevolent contributions of churches and individuals, disseminating information, and superintending the various forms of work at present carried on by our Boards and Committees.

2. To consider additional improvements in the administrative agencies of the Church, or which may be called for by the growth that may reasonably be anticipated in the near future, and particularly any changes that may serve to give increased permanency and efficiency to executive oversight and direction.

The Committee would suggest that in appointing this Committee the Moderator may appoint, if the situation so develop, some members upon it who are now in the Cumberland Presbyterian Church.

The Committee has considered *Paper No. 269*, referred to it by the Assembly, containing a suggestion concerning the work that should be done in State Universities to give religious oversight to Presbyterian students, together with *Paper No. 277*, an Overture from the Synod of Ohio as to the relation to such work of the College Board.

We recommend that the report of the action of the recent Conference on Religious Work at State Universities be recorded as a part of this Report, as follows:

The Second Conference of the Representatives of Presbyterian Work in State Universities, assembled according to the adjournment of the Conference of last year, and having present representatives from the Synods of Ohio, Illinois, Iowa, Missouri, Kansas, Nebraska and Texas, and having before it the report of the Rev. A. M. Buchanan concerning his visit to the State Universities this spring, and having fully considered the demands of this work, adopted the following resolutions to be presented to the General Assembly:

Resolved, 1. That the Conference believes the time has come for the General Assembly to recognize the claims upon the Church

of those of her youth who are in attendance upon State Universities.

Resolved, 2. That these claims include the right to have opportunities for religious instruction and ministration, such as the Universities, because of their relation to the State, are not able to supply.

Resolved, 3. That conditions at the present time vary in different States so much that no uniform rule can be laid down by the Assembly governing this work, and therefore the primary duty of undertaking and supporting it rests upon the Synods in which the Universities are located.

Resolved, 4. That an organization be effected composed of the representatives of this work in the respective Synods, to meet before or during the sessions of the General Assembly, in consultation with the College Board, to consider the needs of this important work, and to present such reports to the Assembly as may be necessary.

It is also recommended, in the same connection, that the following resolutions be adopted:

Resolved, 1. That the Assembly, recognizing the pressing need of a careful and earnest endeavor to bring Presbyterian young people attending State Universities under Christian training and influence, instructs the various Synods in which such institutions are located to take measures to establish and maintain such agencies for this purpose as they may deem proper.

Resolved, 2. That the College Board be relieved of the financial or other responsibility for this work, placed upon it by the Assembly of 1904, except to provide for a conference of representatives of State Universities, to meet on the Wednesday before the meeting of the next General Assembly.

Overtures Nos. 263 and 264, from the Presbyteries of Omaha and Morris and Orange, touching the Women's Missionary Boards and their relation to the Boards of our Church. The Committee does not acquiesce in the assumption on which these Overtures are based, and in view of the action taken in respect to the Special Committee to consider the possible consolidation of certain Boards, it is recommended that no action be taken.

Overture No. 85, from the Presbytery of Lehigh, as to work among our foreign-speaking people. It is recommended that no action be taken, as the matter is sufficiently covered by recommendations heretofore made on other Overtures.

Respectfully submitted,

J. D. MOFFAT, *Chairman*.

The Moderator announced the Special Committee on Men's Societies as follows: *Ministers*—John Clark Hill, D.D., S. Edward Young, D.D., John Balcom Shaw, D.D., Alfred H. Barr and D.

M. Benham; *Elders*—William T. Ellis, Andrew Stevenson, Charles T. Thompson, Dwight H. Day and John W. Patterson.

A paper with reference to the granting of public money for sectarian purposes, and a resolution with reference to the use of the American revision of the Bible in the Lesson Helps published by our Board of Publication and Sabbath-school Work, were referred to the Committee on Bills and Overtures.

Upon recommendation of the Standing Committee on Leave of Absence, the following Commissioners were granted leave of absence: *Elders*—W. H. Phipps, of the Presbytery of Chippewa; L. C. Munger, of the Presbytery of Neosho, and H. G. Disbrow, of the Presbytery of Newark.

The Moderator appointed as a Committee to inquire after and care for the Commissioners who were injured by the fall of a platform last week the following: Messrs. William C. Lilley, Andrew Stevenson and Joseph R. Orr.

The Assembly took recess, and was closed with prayer.

TUESDAY, May 22, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

A Resolution on the subject of Polygamy was referred to the Committee on Bills and Overtures.

The Special Committee on the Two Hundredth Anniversary of the Organization of the First Presbytery presented its Report, which was adopted, and is as follows:

The Committee on the Celebration of the Two Hundredth Anniversary of the Organization of the First Presbytery of the Presbyterian Church in the United States of America, respectfully reports that it was appointed by the General Assembly of 1905, with power to arrange appropriate commemorations of this great historical event. The Committee consists of: *Ministers*—James D. Moffat, D.D., William H. Roberts, D.D., R. S. Holmes, D.D., J. Ross Stevenson, D.D., Edward Yates Hill, D.D.; *Ruling Elders*—N. W. Harkness, Robert Wardrop, George E. Sterry and Charles H. Matthews.

The Committee in pursuance of its instructions issued a circular letter, inviting the coöperation of all the Presbyteries in the anniversary celebration, and requesting the churches to arrange for

its observance on some Sabbath between April 29 and May 27, 1906.

The Committee found that the Presbytery of Philadelphia and the Synod of Pennsylvania had appointed Committees upon the anniversary. A joint meeting of the three Committees was held therefore, and all united in the arrangements for a celebration of the anniversary in the First Presbyterian Church in Philadelphia, within whose original edifice the First Presbytery met. The celebration was held on Tuesday, April 24, 1906, and the sessions were three in number, morning, afternoon and evening. The services were a success, and at the afternoon and evening sessions the representatives of eleven Christian Denominational Churches were heard in congratulatory addresses. Historical and other addresses were also delivered, and a copy of the programme is herewith submitted. The Presbyterians of Philadelphia are worthy of all praise for their concerted action in the conduct of the anniversary celebration. The expenses were provided for by voluntary contributions, and a memorial tablet is to be erected in the vestibule of the First Church.

The Presbyterian Social Union of Philadelphia, a most influential body of laymen connected with our Church, gave a dinner on Monday evening, April 23, in honor of the Two Hundredth Anniversary. The pastors of all the historic churches of Maryland, Delaware, Pennsylvania, New Jersey and New York were invited to be present as guests, also the officers of the General Assembly, and representatives of other Presbyterian and Reformed Churches. About three hundred persons were present, and addresses were delivered appropriate to the occasion by distinguished representatives of the Friends, the Baptists, the Cumberland Presbyterian Church, the Church of Scotland and the Church in Ireland. The occasion was one which will be long remembered in Philadelphia and vicinity, and hearty thanks are due to Mr. Alba B. Johnson, President, and the other officers and members of the Union.

The Committee, in view of the unique character of the Two Hundredth Anniversary, and by virtue of the powers conferred upon its members, has arranged also for a celebration by this General Assembly on Thursday, May 24, 1906. It is to be emphasized that the Presbytery organized at Philadelphia in the spring of 1706 was a General Presbytery, and as such was the supreme judicatory of the Church. Of that Presbytery the General Assembly is the legal successor. This meeting of the One Hundredth and Eighteenth Annual General Assembly is the Two Hundredth Annual Meeting of the Supreme Judicatory of the Presbyterian Church in the United States of America. It is, in the opinion of the Committee, highly appropriate therefore that this Assembly should give to this important historical event

the observance which is its due. The Committee submits the following programme, the service to begin at 11 A.M., and to continue until 5 P.M. on May 24, with the usual recess at 12.30 P.M.

PROGRAMME—*Morning Session.*

1. Invocation by the Moderator of the Assembly, who will preside, and devotional exercises.
2. Introductory words by the Chairman of the Assembly's Committee, Rev. James D. Moffat, D.D., LL.D.

4. Fraternal Message from the Church of Scotland, Rev. William P. Paterson, D.D., LL.D., Professor of Divinity, University of Edinburgh, Scotland.
5. Fraternal Message from the Presbyterian Church in Ireland, Rev. William D. Wallace, pastor of the First Church, Ramelton, Ireland.

4. Address: The Future of the Presbyterian Church, Rev. Robert F. Coyle, D.D., pastor of the Central Presbyterian Church of Denver, Colorado.

Benediction.

The following Resolutions are presented for adoption:

Resolved, 1. That the celebration of the Two Hundredth Anniversary of the Organization of the First Presbytery, arranged for by the Assembly's Committee, be held on Thursday, May 24, beginning at 11 o'clock A.M., and in accordance with the programme submitted by the Committee.

Resolved, 2. That the cordial acknowledgments of this Assembly be and hereby are tendered to the sister Churches, both at home and abroad, who by delegates and by fraternal letters have extended greetings to our own Church on this historic occasion.

Resolved, 3. That the addresses delivered at the anniversary celebrations in Philadelphia and in Des Moines, with an appro-

priate record of the proceedings, be published by the Board of Publication and Sabbath-school Work, the Stated Clerk of the Assembly to be the editor.

Respectfully submitted,

JAMES D. MOFFAT, *Chairman.*

The Standing Committee on Colleges, through its Chairman, Rev. Cornelius M. Steffens, presented its Report, which was accepted, and, after addresses by the Chairman, by Rev. James Stuart Dickson, D.D., Secretary of the Board, Rev. J. D. Moffat, D.D., and Rev. Robert Mackenzie, D.D., was adopted. It is as follows:

The Standing Committee on Colleges respectfully submits the following Report:

Your Committee has carefully studied the Twenty-third Annual Report of the College Board and also the written minutes for the year, and finds that the principles of coöperation and progress are its two most prominent characteristics. The prophecy of the "new policy" for the reorganized Board has become a reality. To Dr. Robert Mackenzie, an ideal President; Dr. James Stuart Dickson, the genial and able Secretary, and Dr. Edward C. Ray, the ever-faithful servant of Christian education, the college interests are deservedly committed. The wisdom of reorganization has been firmly established. The present Board has a strong and representative membership, men of unquestioned ability and consecration. The confidence of the Presbyterian Church in the small college should enable this Board to evolve the "begging college" into a self-respecting, thoroughly furnished and aggressive agency, in training young manhood and womanhood for the highest vocations in life.

We mention a number of changes in the executive management of the colleges. Mr. John Willis Baer, of the Board of Home Missions, has been elected President of Occidental College and will take up his new duties during the coming summer. Dr. Guy W. Wadsworth, the former President of Occidental, has taken the Presidency of Bellevue, and has finished his first year's work at that institution. President Dr. David R. Kerr, formerly of Bellevue, Neb., has taken up the work in Westminster, Mo., having gone to that institution at the beginning of the college year. In October, Rev. Harry R. Crooks became the President of Albany College, in Oregon; Rev. B. H. Kroese, D.D., who had been Vice-President of Lenox, Iowa, became the President of Whitworth, at Tacoma, Wash.; Dr. Henry D. Lindsay, of Allegheny, has become the President of the Pennsylvania College for Women, at Pittsburgh; and Dr. E. Van Dyke Wight, who has been for ten years pastor of our church in Hastings, Neb., and

for four years President of the college at that place, has resigned from the church in order to give his whole time to that institution.

Many churches and individuals have contributed for the first time to the cause of Christian education through the Board, so that a large increase in the gifts appear to the credit of the cause. Some of these gifts have been munificent and were given directly to the work of which the Board has charge, and so made possible a substantial enlargement of its sphere of activity.

Then there has been a marked advance in the ordinary offerings of the churches, enabling the Board to respond to many more appeals and to supplement the amounts appropriated early in the year. The increase of 271 in the contributing churches and 2,294 in the number of individual contributors, advancing the sum total of receipts \$1,188,500.32 beyond last year, a record unparalleled in the annals of the Board, calls forth our profound gratitude to the Head of the Church, who has thus moved upon the heart and purse of the members of His body.

We would call especial attention of the Assembly to the generous increase in large gifts that have been credited to a number of our institutions, making special mention of the \$200,000 added to the endowment of Occidental College, at Los Angeles, Cal., and an equal amount placed to the credit of the Pennsylvania College for Women, at Pittsburgh. We ask the Assembly to take note of the fact that generous gifts have been offered by Andrew Carnegie to a number of our institutions, on condition that like amounts be secured from other sources.

We would further call the attention of the General Assembly to the vast importance of the work among the non-English-speaking peoples that year by year crowd our shores. Probably one million immigrants, most of them speaking languages different from ours, will flow in upon us this present year. The supreme agency in transforming them from aliens into intelligent and vigorous American citizens and Christians is the simple Gospel of our Lord and Master, Jesus Christ. The Gospel must needs be first of all presented in their own language. Young men from foreign-speaking nationalities must be educated in college and seminary. To accomplish this tremendous task effectually a million of dollars would not be too much to put into such special educational institutions as are approved by The College Board.

We would also call the special attention of the Assembly to the increase of candidates for the Gospel ministry in our small colleges, eighty being referred to in four institutions, one of which had no candidate a year ago. This increase may be largely attributed to the spiritual efforts, notably in the work of Maryville College, where eighty-seven young people gave themselves to Christ; also at Poynette Academy, where forty were converted. These facts approve the aim of the Board in ever keeping her

institutions definitely Christian, also its insistence upon the highest forms of Christian development through special effort in reaching the unconverted.

We offer the following recommendations:

1. That the Assembly most heartily commends The College Board for the part it has taken in stimulating and developing interest in Christian education during the past year, and for its continuous correspondence in calling forth the unprecedented enlargement of gifts to the cause of Christian education.

2. That the Assembly urges the continuation of the plan of coöperation in the methods of securing gifts for the work.

3. That \$200,000 be the sum which the churches are asked to give to The College Board for appropriations to current expenses of colleges this year. This in addition to all such individual offerings as the influence and appeal of the colleges may call forth.

4. That the Assembly heartily endorses the plan so successful last year, by which large endowments have been secured, and that we commend to all the still wider use of the plan in securing increased gifts through such conditional gifts or pledges.

5. That the Assembly again expresses its hearty approval of the policy of the Board in requiring Bible study as a basis of coöperation, and would suggest in addition a curriculum designed to develop Christian belief and character.

6. That the Assembly commends the diligence of the Board in securing information from the colleges as to their needs and opportunities, and calls the attention of Presbyterian givers to the reliable information thus made accessible, enabling them to give intelligently to the cause of worthy institutions.

7. That the minutes of the Board and the reports of the Treasurer be approved.

8. That the Assembly heartily endorses the executive management of the Board in its faithful endeavor to promote the cause of Christian colleges.

9. That the Assembly acknowledges the heroism and efficiency of the teaching forces in the colleges, and hopes a corresponding spirit of consecration may be developed in our churches.

10. That the cause of Christian education and the representatives of The College Board are heartily commended to the pastors and officers of the churches.

11. That this Assembly herewith instructs its College Board to call another conference of the representatives of colleges under Presbyterian auspices, this conference to be held on the Wednesday preceding the convening of the next General Assembly.

12. That as the terms of office of the following members expire with this meeting of the Assembly, they be recommended for reelection: *Ministers*—Robert Mackenzie, D.D., LL.D., Cleland B. McAfee, D.D.; *Laymen*—Gates D. Fahnestock, William Harvey

Anderson, John H. Finley, Ph.D., LL.D., Prof. Thomas E. Hodges.

The Hon. Vance C. McCormick, whose term of service also expires at this time, declines reelection because of press of other duties. We recommend the election of Mr. G. A. Plimpton.

All of which is respectfully submitted,

CORNELIUS M. STEFFENS, *Chairman*.

The Standing Committee on Education presented a supplementary Report on *Overture No. 235*, from the Presbytery of Portland, with reference to the endowment of small colleges, which was adopted, as follows:

The Committee has considered this matter and, as recommendations already adopted have covered this subject fully, recommends no further action.

Paper No. 284, being a resolution on sectarian appropriations, was referred to the Committee on Bills and Overtures.

The Special Committee on Forms and Services, through its Chairman, Rev. Henry Van Dyke, D.D., presented its Report, which was accepted. It was ordered that in the discussion of the Report, Rev. W. F. McCauley, Litt.D., following the Chairman, should be allowed thirty minutes, after which speakers should be allowed ten minutes each, and the floor should be given alternately to speakers for and against the Report.

Pending the consideration of the Report the hour of adjournment arrived, and it was ordered that the Report be again taken up at the first hour not already designated for a fixed order.

The Assembly adjourned, and was closed with prayer.

TUESDAY, May 22, 7.45 o'clock P.M.

A Popular Meeting was held in the interest of Home Missions, and addresses were delivered by Rev. Henry Sloane Coffin, Rev. Robert McLean, Rev. R. M. Donaldson and Rev. Edward Marsden, D.D.

WEDNESDAY, May 23, 9.00 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The Minutes of yesterday's sessions were read and approved.

Upon report of the Permanent Committee on Commissions, Rev. Robert Reed Gailey, a Commissioner from Westminster Presbytery, was duly enrolled.

It was ordered that the afternoon session to-day be extended for one hour, and that the unfinished business, the Report on Forms and Services, be made the Order of the Day for 5 o'clock.

The Committee on Bills and Overtures presented a Report, which was adopted, and is as follows:

The Committee on Bills and Overtures respectfully recommend the following action on papers by it considered:

It is recommended that the following papers be referred to the Standing Committee on Polity, all of which relate to proposed amendments of the Book of Discipline, Form of Government, or Confession of Faith.

Overture No. 86, from the Presbytery of Vincennes, as to Section 40, Book of Discipline.

Overture No. 89, from the Presbytery of Erie, as to Chapter XV, Section 6, Form of Government.

Overture No. 241, from the Synod of Wisconsin, as to Chapter III, Section 2, Form of Government.

Overture No. 243, from the Presbytery of Winnebago, asking that elders may be authorized to administer the communion of the Lord's Supper.

Overtures Nos. 246 to 249d, from the Presbytery of Buffalo and seven others, as to the Permanent Judicial Commission.

Overture No. 251, from the Presbytery of Lyons, as to Chapter X, Section 5, Form of Government.

Overtures Nos. 259 to 259c, from the Presbytery of Logansport, as to Chapter XXXIII, Section 2, of the Confession of Faith.

Paper No. 252, from the Presbytery of Westchester, and *Paper No. 285*, from the Presbytery of New York, asking that an Overture be sent down making such amendment to Chapter X of the Form of Government as to permit any Presbytery so desiring to deprive ministers who have given up the work of the ministry of the right to vote at Presbyterial meetings.

It is also recommended that action be taken on other papers as follows:

Paper No. 279, being the Annual Report of 1906 of the Pan-Presbyterian Alliance. It is recommended that it be referred to the Committee on Correspondence, except that portion on pages 7 and 8, referring to the expenses of the Alliance for the Western Section under the readjusted plan, which imposes on this Church an annual payment of \$1,620, be referred to the Committee on Finance, to confer with the American Secretary, who is our Stated Clerk.

Overture No. 281, from the Presbytery of Mahoning, as to Hungarian Work. It is recommended that, in view of action already taken on this general subject, no further action is necessary.

Paper No. 282, being the Letter and Plan of the Interchurch Conference on Federation. It is recommended that the Stated Clerk be authorized to cause the Letter to be printed in the Appendix to the *Minutes* of this Assembly.

Paper No. 283, being a resolution as to the exclusive use by the Board of Publication of the American Revised Version in the Westminster Lesson Helps. Your Committee does not believe the time has yet arrived for a final deliverance by the Assembly as to this version, and we recommend that no action be taken.

Paper No. 284, being a resolution that the Assembly request the Congress of the United States to make no grants of public moneys for any sectarian purposes. It is recommended that no action be taken.

Paper No. 286, requesting a deliverance from this Assembly approving, in the name of our Church, the joint resolution proposing an amendment to the Constitution of the United States prohibiting polygamy within the United States, being a joint resolution introduced in the United States Senate May 9, 1906. The following action is recommended:

1. The General Assembly of the Presbyterian Church in the United States of America has heretofore repeatedly expressed its abhorrence of polygamy, and has appealed to patriotic Christian men and women of our land to use their united influence to secure the enactment of whatever laws may seem most wise and most efficient for the utter obliteration of this vice, as an organized system or as an individual practice, and did more particularly in 1881 (see *Minutes*, pp. 549 and 550) urge our own members, without respect to party lines, zealously to exert their influence in every lawful method for the enactment of an amendment to the national Constitution that shall forever forbid the existence of polygamy in the nation: Now this Assembly records its gratification and satisfaction in the proposed submission to the Legislatures of the several States of a new Article, to be known as Article 16 of the Constitution of the United States, prohibiting polygamy and polygamous cohabitation within the United States, and reiterates its former counsel to all the members of our Church to exert their influence in their several localities to secure the ratification of such amendment, if said joint resolution proposing said amendment be adopted by the Senate and House of Representatives.

2. We recommend that a copy of this action be officially laid before the President of the United States and the presiding officers of the two Houses of Congress, as conveying the sentiment and

desire of the Presbyterian Church in the United States of America.

In behalf of the Committee,
J. D. MOFFAT, *Chairman*.

The Stated Clerk was authorized to communicate the action of the Assembly on polygamy, contained in the above report, to other Christian bodies.

The Stated Clerk reported that the following telegram had been sent:

To the General Assembly of the Cumberland Presbyterian Church, Decatur, Ill.:

The General Assembly of the Presbyterian Church in the U. S. A. greets you cordially as brethren of the one household of faith. See I Corinthians i. 10.

HUNTER CORBETT, *Moderator*;
WM. H. ROBERTS, *Stated Clerk*.

Also that the following response had been received:

To the General Assembly of the Presbyterian Church, U. S. A., Des Moines, Iowa:

With prayerful good will and brotherly love we acknowledge gratefully your greetings. Read Second Thessalonians, second chapter, sixteenth and seventeenth verses.

IRA LANDRITH, *Moderator*;
J. M. HUBBERT, *Stated Clerk*.

The Standing Committee on Foreign Missions, through its Chairman, Rev. S. T. Wilson, presented its Report, which was accepted, and, after addresses by the Chairman, by Rev. Arthur J. Brown, D.D., Secretary of the Board, Rev. Otis A. Smith, D.D., Rev. T. H. Cleland, D.D., and others, was adopted. It is as follows:

We meet this year in a rare conjunction of anniversaries. This is the bi-centennial of our Presbyterial existence on the Western hemisphere. It is also the centennial of the Haystack prayer meeting, the birthday of American Foreign Missions. And just one hundred years ago Robert Morrison went to China, a forerunner of the forces of Western civilization and Christianity against the paganism of the hoary Orient. And this year, too, the Board in whose interest we are here gathered enters upon its seventieth year of service as the organized agency of our denomination. Were Makemie and Morrison, Mills and his four friends, and the fathers of threescore and ten years ago, permitted

to look out from this platform to-day on the mission work of our great Church, they would recognize as we cannot the miracles of modern missions.

Three mighty encouragements would thrill their hearts.

The first would be the amazing magnitude of our Church's work in the foreign field. They would behold established on four continents and on an archipelago of far Oceanica 27 extensive missions, with 137 stations and 1,876 out-stations; 889 American missionaries and 2,606 native helpers; 444 churches, with 63,480 communicants and an equal number of Sabbath-school scholars; 1,001 schools, with 32,512 pupils; 104 hospitals and dispensaries, with 445,683 patients; while they would hear the steady clank of eight great printing presses as they contributed their day's quota to the annual output of 167,492,203 pages of Christian literature.

And, best of all, they would hear the glad report that in the fields 10,000 souls were this year received into the Church of our Lord and Master. Accustomed to the days of no missions, or at least to "the days of small things" in missions, they would joyfully exclaim: "This is the Lord's doing; it is marvelous in our eyes!"

As they would cast their eyes over the Board's world-wide field, and see the valiant and conquering host of ministers and teachers, physicians and surgeons, translators and printers, zenana workers and Bible readers, colporteurs and other helpers, toiling hopefully and fruitfully in a Babel of languages, amid diversified races and colors, barbarisms and civilizations, they might cry from their mount of vision, as did the seer of old from the field of Jophim on the top of Pisgah: "Surely there is no enchantment against Jacob, neither is there any divination against Israel: according to this time it shall be said of Jacob and of Israel, 'What hath God wrought!'" When our ghostly visitors should hear that our single Church expended on these fields more than a million and a quarter of dollars, they might cry almost incredulously: "Behold, if the Lord would make windows in heaven, might this thing be?"

A second mighty encouragement that would thrill them would be the fact that the doors of the nations are now swung wide open to the entrance of the ambassadors of Jesus Christ. In their day practically all the Pagan, Mohammedan and Roman Catholic world was double-barred against the simple Gospel of the Redeemer of men. But in the providence of God a change has taken place. As on the dawn of the creation of this old Earth,

"Heaven opened wide
Her ever-during gates to let forth
The King of Glory in his powerful Word
And Spirit coming to create new worlds,"

so on the dawn of the creation of the new Earth for which God's

children of all ages have longed and prayed, Providence has again pushed far up the gates that open into the realms of religious Chaos and Old Night, and through those wide, uplifted gates, Christ the King of Earth is entering, to win back unto Himself and unto Gospel light the regions that have long been shrouded in the shadow of death. And Morrison, remembering the day when, Xavier-like, he stood before the rock wall of paganism and in the name of his God called upon it to break, would see with jubilation that his prayer has been answered, that the walls of the Chinese Jericho have fallen, and that the hammer of the Lord has broken and crushed the rock barriers that were in those olden days fixed as if for eternity. And as he heard the Board's missionaries report that China is at last awake; that just now by one stroke of the vermilion pen she has abolished forever the time immemorial system of competitive examinations in the musty and profitless Chinese classics; that she is turning Pagan temples into school-houses, and substituting modern school-books for the mouldy tomes of Confucius and Mencius—that, in short, the children of a nation of 400,000,000 of people are eagerly seeking for that which the missionary can best give—the old hero might well wish for a furlough from the joys of the skies to share in Earth's opportunity of ages, the making of the new China upon which will hang the destiny of the continent of Asia. He would rejoice as only a father could in the great Synods about to be erected into a national Church of China. And as he heard that convert leaving one of those blessed modern Presbyterian hospitals with the words: "I came burdened with pain and sin; I go loaded with happiness"; and as he saw the martyr quartette of Lienchow, like Paul the great missionary of olden times, counting not their lives dear unto them that they might finish their course with joy, and the ministry that they had received of the Lord Jesus, he would feel anew the unchanging and imperial power of the grace of Christ in winning a free course among the nations.

And so, if these corresponding members from the Church triumphant were to continue their view of the world, everywhere they would with happiness see the nations open to the Gospel. Korea open; providing all the native workers that are needed; rapidly developing self-support, and soon to establish a national Church: the Sunrise Kingdom, an Occidental power suddenly evolved from the heart of paganism, and advancing so rapidly that even we are dizzy at the sight, and her sons are intoxicated by this phenomenal advance: Siam honoring our work; legislating against gambling and slavery, and asking a missionary to write a tract against gambling; and even the Buddhist priests lending their temples to the propagandists of our religion: India controlled by a Christian government; troubled just now by plague and earthquake, but also visited by a new and mysterious Pentecost:

Persia, in the political toils of the nations, but responsive to the volunteers of Western Christianity, and almost canonizing the murdered Labaree: Syria, open in spite of the unspeakable Turk, and with a native Church of 225 native workers and over 2,500 communicants, giving fifty cents for every dollar invested in their work by our Board: Africa, under the equator, so free to effort that our missionaries have this year penetrated 800 miles farther into the interior than hitherto, and have preached the Gospel to thousands who never before heard it: and Latin America, extending from the Rio Grande to beyond the Rio de la Plata, and in a sense beyond the Indian Ocean to the far Philippines; with its countries once sealed against the Bible and its doctrine of justification by faith by the bloody laws of the Inquisition, but now so accessible to our missionaries that a great educational work is done and self-supporting Synods exist, as in the national Churches of Brazil and Mexico; and the work advances, as this year it advanced 71 per cent. in the Philippines.

The other great encouragement that would thrill these worthies of the past would be the manifest and abounding ability of the Church we love to do this work for God, as evidenced by its wealth in men, in money and in methods.

What a contrast in the number of men! In 1807, when the first statistics of communicants are given, there were only 20,000 Presbyterians in the United States, or less than one-half as many as are now connected with the Synod of Iowa. There are now 1,150,000 Presbyterians of our branch in our country, with enough wealth at their disposal to send twelves and even seventies to every important land of earth. In 1836, seventy years ago, our Church had in the foreign field only six ordained missionaries and a grand total of five communicants, not even one to each minister. Now it has nearly 1,000 American missionaries ministering to 63,000 native communicants! And they are as worthy missionaries as ever served our Master. Ninety-nine of them have been on the field for more than thirty-five years; eight of them longer than fifty years. Dr. H. H. Jessup, one of the eight, this year completes a half century of foreign service. And there is a host of volunteers ready to take, if need be, even martyrs' places in the ranks on the frontier line of Christendom's battle for its King. In one of the busiest spots in America stands, amid the rush and materialism of money-getters, a statue of Nathan Hale, inscribed with the words, "I regret that I have but one life to give to my country." Such patriotic devotion to Christ and His cause is found everywhere in the mission fields of our beloved Church, and in the noble body of native helpers that God has raised up to take part with us in our ministry of reconciliation. The Presbyterian stock is not running out. And what shall be said of the women whose unselfish devotion, indefatigable

labors, and abounding services in connection with the Women's Boards of Foreign Missions and their constituent and allied societies have been so blessed during the past year? Surely their fidelity would suggest the gracious memory of those loyal Galilean women who ministered to Jesus, and even pressed near His cross when many had forsaken Him.

The Church is rich indeed in its men and women of to-day. And how much greater, too, is the financial ability of the Church of this generation than was that of the Church of the epochs whose anniversaries we are celebrating! The resources of the present-day Church would seem almost incredible to our old-time leaders. They were accustomed to a few widows' mites; there are still widows' mites, but hosts of them, aggregating large sums; and there are many considerable contributions and some princely gifts.

The ability of the present-day Church in both men and money would be a glorious revelation to the Morrison who, much like his Divine Master, trod the winepress alone. But in nothing could there be more delight experienced than in witnessing the methods of foreign evangelization that have been perfected by the modern Church. Men have not merely contributed their money, but have so assiduously put their minds to the subject of missions that they have developed methods of prosecuting the work that originate, economize, and multiply the efficiency of the service rendered. Statesmanlike oversight and direction, systematic and strategic marshaling of the forces, and inspiring and aggressive leadership add vastly to the value and the victories of the men and the money that the Presbyterian Church consecrates to the work of God in mission lands.

As the Board's report says: "There is slowly being evolved a science of missions."

This science is exemplified in the "Home Department," as it is termed. The country is divided into three administrative sections for the purposes of the department, with a view to the speedy arousing of universal interest in foreign missions. The Forward Movement, under Mr. David McConaughy, is leading numerous churches to support in full or in part a "Parish Abroad," or a portion of the work of a station. The central thought of the movement is the inexorable duty of individuals and churches to help carry the great commission. It promises to be one of the most satisfactory methods ever employed for stimulating interest and promoting participation in the world's evangelization. This movement should, by the helpful coöperation of mission committees and pastors and Sessions with the agents of the Board, make substantial advance during the coming year; and it must do so, if we accomplish what is imperatively necessary to be done. It is a happy fact that during the past year the Board received the best

coöperation from Synodical and Presbyterian Committees that it has ever enjoyed. The appointment of Rev. Charles E. Bradt, D.D., as Assistant Secretary in charge of the district of the Central West, has been abundantly justified by his efficient labors.

The Educational Department has prospered under the wise leadership of Dr. T. H. P. Sailer. There have been 552 mission study classes, with 7,300 members enrolled. Dr. Sailer renders his invaluable services without compensation.

At the Board's offices in New York, the best and most thorough-going business methods prevail. Strenuous life is there a necessity in all of the rooms. The business men and the ministers composing the Board have rendered most laborious and conscientious service during the year, as the official records bear sufficient witness. Two of the members of the Board have been removed by death—Rev. Robert Russell Booth, D.D., the Nestor of the Board, after thirty-five years of the most useful service; and Mr. Albert J. Pitkin, who was a member for less than a year, but long enough to give promise of great usefulness.

The Presbyterian Building is now free from encumbrance, and will hereafter be a source of revenue to the Board.

Mr. Charles W. Hand, on February 1, tendered his resignation as Treasurer of the Board, to enter into other business relations in New York. The Church may congratulate itself on having had his wise and faithful services for so many years. Mr. Dwight H. Day has been elected as Mr. Hand's successor, and entered upon his duties two months ago.

Last year's deficit of \$38,000 has this year been increased to one of \$110,000. This was caused by the providential and magnificent expansion of the work on the foreign fields, necessitating some advance in expenditures; but it was caused principally by an unexpected decrease of legacies, to the amount of \$71,000, the deficit for the year being \$72,000. But where the dead hand of individuals failed, the living hand of the churches came forward with a most gratifying increase, the largest ever made in a single year. It amounted to \$73,000. This splendid increase is due to an advance in twenty-three out of thirty Synods, only a few of the smaller Home Mission Synods failing to make an advance. The most hearty acknowledgment is due the many faithful pastors and Sessions and churches scattered all over the country to whom this advance is to be credited. There have been small gains in the receipts from Sabbath-schools and Young People's Societies.

It is exceedingly gratifying to report that the native churches have in two years advanced in their contributions toward self-support from \$117,000 to \$243,000. Their increase this year was \$50,000.

In that for which our missions exist, the building up of the

body of Christ, the year is one of the greatest in our history. That 10,000 people from the lands of heathenism and superstitions were received into the churches upon profession of their faith in Christ during the year of revival is so inspiring a fact that it is not in our hearts to utter a single despondent word in this report. "When we look at Olympus," where the divine presence is, "Ossa," even if it be a deficit, "seems a wart."

The only thing to do with the deficit is to undo it, to extinguish it, to exterminate it. Not necessarily by a special offering, though there is no law against that method; but certainly by filling the treasury with such an increased flood of gifts as will smother the deficit, while providing for a generous advance all along the fighting line. Fifteen of our foreign missionaries contributed their lives to the cause this year, and among them were the four martyrs of Lienchow. We are the living to show forth God's praise, and to remove the debt and to advance the work as never before. That this consummation may be reached, earnest prayer must be made that the Holy Spirit may arouse the entire Church to activity as a divinely ordained missionary organization; and on the human side the entire machinery of the Church—Synodical, Presbyterial and Sessional—must be put to efficient use in developing the hearty and united efforts of the entire membership of our Church in behalf of this answer to God's challenge of His people.

God is sounding the advance. Above the din of daily toil and conflict rings forth the everlasting marching order of the Captain of our salvation, "Go ye into all the world and preach my gospel." Other policies come and go; other principles rise and fall; other banners advance and retreat; but ever forward and upward move the blessed policy, the changeless principles, and the fadeless banners of Christ and His Church. Our Master has never changed His mind about man's need of the Gospel, and He will never be satisfied till all have heard it, and until He shall see of the travail of His soul. His Church knows that fact, and is inspired by it. The mission motto of Presbyterianism for the year may well be the words of the dying Livingstone: "Take me anywhere, only forward!"

We offer the following recommendations for adoption:

1. That the printed report of the Board and its volume of Minutes, both of which we have carefully examined, be approved; and that we note with gratification the splendid business ability displayed in the management of the affairs of the Board.

2. That the following members of the Board, whose terms expire with this Assembly, be reëlected: The Revs. John Fox, D.D., William R. Richards, D.D., and Cleland B. McAfee, D.D., and Hon. Darwin R. James, Mr. W. P. Stevenson and Mr. Scott Foster; and that the Rev. Charles R. Erdman, D.D., be elected to succeed the late Robert R. Booth, D.D., in the same class.

3. That the election of Mr. Dwight H. Day as Treasurer of the Board, *vice* Mr. Charles W. Hand, resigned, be confirmed.

4. That the Assembly hereby expresses its appreciative recognition of the unfailing fidelity and efficient service of Mr. Hand during his eight and one-half years' occupancy of the office of Treasurer.

5. That the Assembly, in view of the large and widespread interest taken in the conference held on the Wednesday before the opening of the Assembly, hereby instructs the Board to provide for a similar conference, to be held on the day and evening before the next General Assembly.

6. That in view of the fact that the missions in South America have never been visited by a Secretary, the proposed visit to that field by a representative of the Board is hereby approved.

7. That in this notable transitional anniversary year, rich with the memories of seventy, of one hundred, of two hundred years of the mercies of our God, and hallowed with the baptism of recent martyrdoms, the General Assembly would call upon the great Church it represents to make the year a remarkable one in the history of Foreign Missions, by increasing the aggregate of its annual investment in the world's evangelization until that investment shall exceed by 33 $\frac{1}{3}$ per cent. the largest amount ever before contributed by the Church, thus clearing away the deficit, providing for the necessary expansion, and meeting worthily the emergency that great success has providentially created.

8. That in the opinion of the Assembly the living members of the Church should provide sufficient resources for the current support of the operations of the Board, so that all legacies may be employed in providing for the purchase of property, the extension of the work, and such other uses as the Board may deem practicable and proper.

9. That special efforts be made to secure general and generous special Foreign Missionary contributions from the Sabbath-schools on Christmas and Easter Sabbaths.

10. That in reply to a reference by the Board, the following answer be made: That in the matter of the doctrinal basis of theological seminaries and other institutions in which we unite with other denominations no further action is necessary, as the action of the last Assembly sufficiently covers the matter.

11a. That in view of the celebration of the centennial anniversary of the Haystack prayer meeting, to be held in October of this year, and of the centennial anniversary of the founding of Missions in China, to be held in April, 1907, every minister be urged to preach a special missionary sermon on either or both of these anniversaries, as he may find practicable; and that Synods in their fall meetings and Presbyteries in their spring meetings set aside a suitable time for appropriate anniversary exercises.

b. That the Moderator and the Stated Clerk be authorized to appoint a Committee to represent our Church in the Centennial of Chinese Missions, to serve without expense to the Board; and that said Committee convey to the brethren who may convene in that celebration our deep sense of God's wonderful providence in opening to Christian effort China's closed doors, in blessing those efforts so abundantly, and in awaking rulers and people to a desire for light and knowledge; and our confident hope that God will bring that stronghold of heathenism into allegiance with our Saviour and King.

c. That the Board be requested to extend the furlough of Rev. Hunter Corbett, D.D., LL.D., until after the Assembly of 1907, if his work in China will permit, that he may devote his time and influence to the stirring up of the home Church to a great forward movement in giving the Gospel of our Lord and Saviour to all mankind.

In behalf of the Committee,
S. T. WILSON, *Chairman.*

The Committee on Foreign Missions also presented a Supplementary Report, which was adopted, and is as follows:

In the two matters of *Overtures Nos. 260 and 285*, from the Synods of West Kwang Tung and Central and Southern China, requesting to be set aside that they may unite with the Union Synod of China, the Committee recommends the adoption of the following:

Resolved, 1. That the General Assembly, completing its action of 1904, approves the formation of the Union Synod of China, in which the various Presbyterian bodies in China propose to unite, for the purpose of forming the "Presbyterian Church in China."

While the Assembly regrets the consequent separation from the mother Church of the beloved and faithful brethren who under God have built up the kingdom of Jesus Christ in the Empire of China, it can but offer its heartiest congratulations to the new Church and its prayers and best wishes for God's richest blessings on the Presbyterian Church of China.

Resolved, 2. That in accordance with the request of *Overture No. 260* the Synod of West Kwang Tung, with the exception of the Presbytery of Manila, be set aside to unite with the Union Synod of China.

Resolved, 3. That the Presbytery of Manila, on the consummation of this union, be transferred to the Synod of Kansas.

Resolved, 4. That the Synod of Central and Southern China be set aside to unite with the Union Synod of China as requested.

Resolved, 5. That the Synod of North China, from which no formal Overture has been received, be granted permission to unite with said Union Synod of China, in case it so desires.

Resolved, 6. That the foregoing Synods shall report to the General Assembly their final action in this matter when consummated.

The Committee also reports on *Overture No. 83*, regarding the maintenance of religious services among American and European residents in the ports of the Far East, and recommend that the Overture be referred to the Board of Foreign Missions, which is already considering the matter proposed in the Overture.

The Assembly took recess, and was closed with prayer.

WEDNESDAY, May 23, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Committee appointed to care for the Commissioners accidentally injured on Friday last presented a Report, which was approved, and is as follows:

Your Committee appointed to look into the condition of the men injured in the accident on Friday last, beg to report that they find that all the men injured in that accident, except two, have returned to their respective homes or places of business. Rev. Johnston McGaughey, of the Presbytery of Des Moines, is in the city, suffering from a bruised knee and also from a broken rib on his right side. He is, however, able to be about the house and is making progress rapidly, and will be able to return to his home by the end of the Assembly. The Hospitality Committee of the Assembly will see that Mr. McGaughey is taken care of. Rev. William O. David, of the Presbytery of Grafton, is at the hospital, suffering from a broken bone in his left shoulder and also from a bruised hip. While he is not suffering a great deal of pain, it will be some time before he will be able to use his left arm and have the proper use of his right limb. He is, however, having the very best medical attention and care possible, and the Hospitality Committee of the Assembly will see to it that he is made as comfortable as possible, and as soon as he is able to return home, will see that he is properly started.

Your Committee assured both these brothers of the utmost sympathy of the Assembly and of its willingness to do anything that they could to assist them. We are assured, however, that nothing is expected of the Assembly, and beg to respectfully submit this as our report.

WILLIAM C. LILLEY,
ANDREW STEVENSON,
J. R. ORR.

The thanks of the Assembly were tendered to the Special Committee of three and also to the Hospitality Committee.

The Standing Committee on Publication and Sabbath-school Work, through its Chairman, Rev. Thomas V. Moore, D.D., presented its Report, which was accepted, and, after addresses by the Chairman and Rev. Alexander Henry, D.D., Secretary of the Board, was amended and adopted with the exception of Resolution 12, which was laid on the table until the Report of the Standing Committee on Young People's Societies should be received. The Report as finally adopted is as follows:

Your Committee on the Board of Publication and Sabbath-school Work respectfully reports as follows:

This Board carries on four lines of activities—Missionary and Sabbath-school Training, Literary and Commerical. In the last named it differs from all other Boards of the Church. It is organized into three distinct Departments: (1) The Sabbath-school and Missionary Department, which is immediately under the direction of the Secretary of the Board, Rev. Alexander Henry, D.D., who, in addition to his duties as general executive, superintends the work of this Department. The Rev. James A. Worden, D.D., who has been appointed by the Board Superintendent of Sabbath-school Training, is given in this connection the special work of developing greater efficiency in Sabbath-school organization and methods. (2) The Editorial Department, which is under the superintendency of the Rev. J. R. Miller, D.D., supervises, prepares and edits its publications of all kinds. (3) The Business Department, under the management of Mr. John H. Scribner, conducts a number of Book Stores, called Depositories, in different parts of the country, and attends to the printing, publishing and circulating of the publications of the Board. Two-thirds of the net profits of this Department are paid annually into the Sabbath-school and Missionary Department for its missionary work; the other third being added to the capital of the Board.

Your Committee has examined the Minutes of the Board, considered the papers transmitted to it, and conferred personally with the representatives of the Board. We find the Minutes kept in an entirely satisfactory manner, and that the accounts of the Treasurer of the Trustees and of the Treasurer of the Business Department have been duly audited and found correct. The officers and members of the Board have been faithful, diligent and efficient in the work committed to them, performing their duties in no perfunctory manner. This important branch of our Church's work seems to us to be administered with Christian wisdom and devotion.

In all three Departments the past year was one of gratifying progress. In the circulation of its literature, in the number of

workers on the field, in contributions received to the Missionary Department, and in the amount of sales at its Depositories, this has been the best year in the history of the Board.

THE EDITORIAL DEPARTMENT.—During the past year the Board has published few books. This is due partly to the decrease, as reported to us, in all quarters of the demand for certain classes of religious books, so that some recent publications of the Board have resulted in a financial loss, and partly to the difficulty in securing suitable manuscripts of the kind that our Board can publish. For the present, therefore, the Board deems it safer to use its resources in the line of Church publications, periodicals and Sabbath-school helps, rather than of general religious books.

In this latter line, however, we may point with pride to a set of periodicals and Lesson Helps which for completeness in scope to meet all the wants of schools using the International Lesson Series, and for quality in the various grades, are not, in our opinion, surpassed, if indeed they are equaled. Particularly would we call attention to *The Westminster Teacher*, and to the paper *Forward*, as being of the highest order of merit.

Your Committee feels that a restriction, for which the Board is not responsible, hampers its efforts after the highest degree of efficiency, from a pedagogical standpoint, in its Lesson Helps, by reason of the insistence of a large part of the Church upon adherence to the International Series of Lessons. The very form of this Series, fragmentary, limited to a few verses, and often interrupted by special Lessons, makes systematic Bible Instruction in Helps based upon it a practical impossibility. To meet this defect the Board has indeed prepared an excellent Series of Supplemental Lessons, which we strongly commend to Sabbath-schools. But we fear that so long as the Sabbath-school session is limited to one hour once a week, with devotional exercises, any attempt to introduce a double set of Lessons cannot hope for the largest measure of success, and must be regarded as an emergency device to meet an evil inherent in the present form of the International Lessons.

We feel, therefore, that with the rising demand for greater efficiency in Sabbath-school organization and methods, the time has come for our Church, through its representative General Assembly, to voice a protest against the continued employment of scrappy, disconnected or widely separated Scripture selections as a basis for Sabbath-school instruction, and also a demand for the adoption of a more scientific and systematic scheme of study which shall give the pupils a wider and more intelligent comprehension of the Bible as a whole, combined perhaps with the minuter study of its richer and more important sections in their natural place.

THE SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.—The

work conducted by this Department is Evangelistic, Pastoral, Sabbath-school Training and Development, and even at times the administration of physical relief. Its missionaries often go far in advance of the Home Missionary, finding the scattered sheep and lambs and shepherding them, gathering the nuclei of future churches into preliminary organizations, and cherishing them until they can have pastors. They are the circuit riders of Presbyterianism, its scouts reconnoitring for the advancing army.

We shall not weary you with many figures; these can be read in the Board's Report. Suffice it to say that last year 151 Sabbath-school missionaries and colporteurs were engaged in this work in all parts of our land, from New York to Washington and from Minnesota to Texas and Florida, in thirty Synods, among Americans and foreigners, whites and blacks, in cities, country districts and mining and lumber regions. They visited in homes, praying with the people, selling and giving away periodicals, tracts, books and Bibles; held evangelistic services, organized and cherished Sabbath-schools, conducted conventions and institutes, and distributed over four thousand dollars' worth of clothing to the needy.

In the Sabbath-schools under their care, during the year, they ministered to 135,798 persons, organized 715 new and revived 317 lapsed Sabbath-schools, and developed from former schools eighty-two churches, seventy-four of which were Presbyterian. An average of fifty-three churches a year for the past eighteen years has grown out of the work of these missionaries.

Two features of the work of this Department, in lines recently opened, especially attract our notice:

a. Most commendable efforts are made by our Board, with the limited resources at its command, to meet the religious needs of the vast numbers of foreign immigrants which are flooding some localities in our land. During the past year twenty-four colporteurs have labored among Italians, Magyars, Bohemians, Slovacs, Croatians, Ruthenians, Lithuanians, Russians, Poles, French, Spanish and other foreigners, in Pennsylvania, New Jersey, West Virginia, Delaware, Maryland, Illinois, Ohio, Texas, Nebraska and California. Special publications are provided in the languages of some of these peoples, including a weekly paper in the Bohemian and a monthly in the Hungarian languages.

b. Valuable work for improving the method and increasing the efficiency of our Sabbath-schools has been done by Dr. Henry, the Secretary of the Board, and by Dr. Worden, Superintendent of Sabbath-school Training. This has been sought by the holding of Sabbath-school institutes and conferences, by lecture courses delivered by Dr. Worden in theological seminaries, and by new emphasis laid upon the subject of teacher training.

Teachers adequately taught for Sabbath-school work are one

of the great needs in all Churches to-day. We would earnestly commend to the Sabbath-schools of our Church the *Westminster Teacher Training Course*, as the best book for the training of Presbyterian Sabbath-school teachers.

The General Assembly notes with profound regret the fact, reported by the Board, of the decreasing use of the Shorter Catechism. It is of the first importance that our young people be systematically instructed in the fundamental teachings of the Scriptures, as well as in a comprehensive knowledge of the book itself. No such concise, accurate and balanced statement of these teachings, within brief compass, exists in our language as that found in The Westminster Shorter Catechism.

THE BUSINESS DEPARTMENT.—The volume of business during the past year was larger than ever before, but the net profit was about \$13,350 less than last year. This was due to several causes, chiefly to the very conservative inventory of the Board's stock at the end of the year, and a forced sale of stock necessitated by the removal of the store in the Witherspoon Building to the second floor. The cost of the manufacture of books and periodicals has increased largely, reducing the rates of profit, so that even with larger sales smaller actual profits have accrued. In addition there have been some extraordinary expenses, among them that for literature supplied to the Temperance Committee and the Permanent Committee on Young People's Societies, in accordance with the direction of the last General Assembly. This Department has nevertheless been able to transfer \$17,995.29 to the Sabbath-school and Missionary Department, and to add \$8,997.64 to the permanent capital of the Board.

We respectfully present the following recommendations for adoption:

1. That the General Assembly approve the Minutes of the Board and the Treasurer's Reports, and commend the fidelity, efficiency and wisdom with which the officers and members of the Board have discharged their duties.

2. That the election of the Rev. Samuel McLanahan to fill the unexpired term of the Rev. Thomas McBride Nichols, resigned, be confirmed.

3. That the following members of the Board, whose terms expire next month, be reelected to serve three years: *Ministers*—William Brenton Greene, D.D., Loyal Y. Graham, D.D., Mervin J. Eckels, D.D., Samuel McLanahan; *Elders*—William W. Allen, Thomas W. Synnott, George Hale, M.D., John H. Converse, LL.D.

4. That this General Assembly approves the appointment by the Board of the Rev. James A. Worden, D.D., as Superintendent of Sabbath-school Training, in connection with the Sabbath-school and Missionary Department; and it earnestly recommends that

our Sabbath-school workers heartily coöperate with all these efforts of the Board to elevate and improve our Sabbath-schools.

5. That the thanks of the General Assembly be extended to the American Bible Society for its generous grants of Bibles and Testaments for distribution by our Sabbath-school missionaries among people destitute of the Scriptures.

6. That the General Assembly approves of the continuance by this Board of the publication of literature for the Permanent Committee on Temperance to the value of \$1,000.

7. That the General Assembly approves of the steps already taken looking towards coöperation between the Missionary Department of this Board and the Board of Home Missions, and recommends the continuance of efforts in this direction, and especially, where advisable, the placing of the work of the Sabbath-school missionary and the pastor at large, within the bounds of the same Presbytery, into the hands of one person, when a suitable man can be found.

8. That the efforts of the Board in prosecuting special work among foreigners be heartily commended, and the Board be encouraged to press forward as rapidly as possible in the same. In order to provide funds to enable it the better to do so, the General Assembly urges our Sabbath-schools to make liberal offerings on Rally Day for that purpose.

9. That the General Assembly commends the plan known as the Forward Movement in Sabbath-school Missions, by which the support of particular missionaries is assumed by Presbyteries, churches, Sabbath-schools and individuals, and recommends its wider adoption.

10. That in view of the nature and increasing importance of the work of the Sabbath-school missionary, and of the value of special training for those engaged in it, the General Assembly, in accordance with a suggestion from the Board, recommends to such institutions of learning under the control of our Church, as may find it desirable and practicable to do so, the inauguration of a Two Years' Course of Special Instruction and Training for persons intending to enter this work; and recommends that the Board of Publication and Sabbath-school Work should urge all such persons to avail themselves of such a course.

11. That this General Assembly reaffirms the action of former Assemblies in recommending the teaching of the Westminster Shorter Catechism, and urges upon parents, pastors, Sessions and Sabbath-school officers the importance of seeing that such instruction is given in the home and in the Sabbath-school.

12. There is referred to this Committee a joint request from the Board of Publication and Sabbath-school Work and the Permanent Committee on Young People's Societies, addressed to this Assembly, viz.: "That an additional Department of this

Board be created, to be known as a Department of Young People's Work, and a Secretary or Superintendent be employed by the Board for this purpose." We recommend the following action by this General Assembly:

This General Assembly does not approve of the employment of an official any part of whose duties shall be to attempt, for the present, to introduce new organizations among our young people, where existing organizations are doing the work in a satisfactory manner.

This General Assembly recognizes the great value of Christian Training Courses, such as have been inaugurated by the Committee on Young People's Work, but adapted and offered, as these are, not alone to young people, but to all who may desire such help; and this Assembly would strongly recommend the further development and perfecting of such courses by it, should the proposed new Department of this Board be formed.

With these definitions of its mind and purpose, the General Assembly refers the whole matter of the creation of such a Department and the development of such a work to the Board of Publication and Sabbath-school Work, to be carried out in such ways and at such times as it may deem best.

13. That in the case of moneys left or given to it without designation as to the use of such money or as to the securities in which it shall be invested, the General Assembly hereby authorizes the Board of Publication and Sabbath-school Work to apply such moneys, at its discretion, toward the reduction of the indebtedness secured by the mortgage on the Witherspoon Building.

14. That the General Assembly authorizes the Trustees of the Board, through the Board of Publication and Sabbath-school Work, as requested by them, to invest the funds derived from the estate of the late George W. Farr, according to the provisions of his will, in securities other than those known under the laws of Pennsylvania as "legal" securities.

15. *Overture No. 84*, asking for a periodical in the Hungarian language, has been referred to this Committee. In view of previous action by this Assembly involving the same subject, we recommend no action on this Overture.

Respectfully submitted in behalf of the Committee,
T. V. MOORE, *Chairman*.

The Special Committee on Sustentation presented its Report, which was accepted, and, after addresses by Rev. W. H. Roberts, D.D., Rev. H. E. Mott, D.D., Rev. J. R. Sutherland, D.D., and William E. Blake, Esq., was adopted. It is as follows:

The Special Committee on Sustentation, appointed by the Assembly of 1902 and continued by the Assemblies of 1903, 1904 and 1905, respectfully submits the following report:

The resolutions of the Assembly of 1905, continuing the Committee and indicating its sphere of action, are as follows:

"That the Committee be continued, or a new Committee be appointed, to consider the suggestions to be received in connection with the plan above printed; to revise the plan where deemed necessary; to carefully examine again the plans of other Presbyterian Churches, and to present a final report to the next Assembly.

"That the report of the Committee be printed separately, and that a copy be sent through the office of the Stated Clerk of the Assembly to each Presbytery and to each Synod." (*Minutes*, 1905, p. 136.)

The Committee has held several meetings during the ecclesiastical year and has endeavored faithfully to carry out the instructions of the Assembly. The report of the Committee was printed separately as directed, and copies were sent to the Stated Clerk of each Presbytery and Synod, and also to many ministers and elders. As a result of the distribution of the report numerous letters were received containing suggestions which were duly considered. Careful examination was also made of the plans of fifteen Presbyterian denominational Churches, and also of the plans of three other denominations. An outline of each of these plans was prepared, and the conclusion reached by the Committee was that there were in them no special features of value to our Church.

In connection with the general subject of providing for aged and disabled ministers and for the widows and orphan children of deceased ministers, attention is drawn to the fact that the matter has been in one way or another under consideration by the Presbyterian Church in the U. S. A. for a century and a half. In 1754 the matter was considered by the General Synod, and a plan was adopted by that body in 1755. In 1756 the General Synod applied to the Proprietors of the Province of Pennsylvania for a charter, and in 1759 the record appears in the minutes of Synod: "A Charter for a Fund for the relief of the poor Presbyterian ministers and ministers' widows and children, was brought in and read and thankfully accepted." For a time the corporation thus created reported to the General Synod. It is now known as "The Presbyterian Ministers' Fund," and is operated as an ordinary insurance company, independent of church control.

The Presbyterian Board of Relief was also established to accomplish in part the purpose of the present movement, the Old School Presbyterian Church taking the first steps in 1849 and the New School in 1861. It appears by the record of the proceedings of both Assemblies that full consideration was given to various plans for the relief of disabled and aged ministers. The matter took final shape in the Old School Church by a report made to

the General Assembly of 1857, Judge Leavitt being Chairman of the Committee. One passage in this report shows what was then the conviction of the Church with reference to the true ground of the claim upon it of Christian ministers: "It seems now to be conceded on all hands that, on grounds both of Church polity and Christian duty, an imperative obligation rests on the Church to make suitable provision in behalf of those suffering classes for whose benefit the present movement has been initiated. . . . In the last Assembly, though there were differences of opinion as to the wisest and most effective means to accomplish the end in view, no voice was heard in denial of the justice and expediency of ministering to the comfort and supplying the wants of the servant of God who, from age or disease, had been compelled to lay aside his armor without the means of support. Equally clear and cogent were the arguments urged in behalf of the claims of the bereft widow and fatherless children. And it was at once noteworthy and gratifying that these claims were not based on the ground of a charitable obligation, but on the immutable principles of strict right."

The same ground was taken in the New School Assembly of 1864. The Committee of that Assembly in its report asserts its views in the following language:

"These considerations plainly indicate ministerial provision to the end of life, by the Church of Christ, to be the just claim of Christ's servants and the duty of His people. Be it noted and kept distinctly in view, that it is a claim of the one and a duty of the other; not a charity received by one and dispensed by the other."

The work of Ministerial Relief was at first entrusted in both Churches to Committees, which were united at the Reunion in 1870. The Committee was changed into a Board by the General Assembly of 1876. Into the history of the Presbyterian Board of Relief we do not enter. It is sufficient to state that within prescribed limits it is to-day more widely useful and helpful than at any previous period of its existence.

The history of the movements for Ministerial Relief and Sustentation in the past by the Church are here given in order to draw attention to the fact that while the Church has been for a century and a half deeply interested in the needs of its ministers, it has not as yet come up to the full standard of acknowledged obligation. The present movement is not intended to discredit or displace the past, but simply to bring the Church to a higher level of achievement. Its purpose is well set forth in the principle adopted by the General Assembly of 1905, viz.:

"The adequate maintenance of the aged and disabled ministers of the Presbyterian Church, and the dependent families of the same, is to be regarded as much a moral obligation upon the

Presbyterian Church at large as the payment of salaries by particular churches." (*Minutes*, 1905, p. 134.)

In taking this action, the Assembly of 1905 was in full accord with the Old School Assembly of 1857 and the New School Assembly of 1864. The principle that has now been affirmed by three Assemblies is the one which has controlled the work of your Committee, and the formation of the plan of the Ministerial Sustentation Fund which is hereby submitted:

MINISTERIAL SUSTENTATION FUND.

I. Basis.

1. The adequate maintenance of the aged and the disabled ministers of the Presbyterian Church in the U. S. A., and the dependent families of the deceased ministers as hereinafter defined, is to be regarded as much a moral obligation upon the Presbyterian Church at large as the payment of salaries by particular churches.

II. Name.

1. A permanent fund is hereby created, to be known as the Ministerial Sustentation Fund (corporate title to be hereafter determined), which shall be sustained by congregational contributions, donations, bequests, devises, ministerial payments and other sources of income.

III. Object.

1. This Fund shall be devoted to the support of the aged and disabled ministers, and the widows and the minor orphans of the same, according to the provisions herein set forth.

IV. Members.

1. Every minister of the Presbyterian Church who is under sixty years of age is eligible to membership, subject to the rules of the Fund.

V. Classes of Annuitants.

1. Aged ministers are those ministers who have reached the age of seventy years, have served in the ministry of the Presbyterian Church in the U. S. A. thirty years, and have complied with the requirements of the Fund. Every such minister subject to the rules of the Fund becomes by virtue of these facts an annuitant, and the Presbytery of which he is a member shall issue him a certificate entitled "Retirement Certificate."

2. Disabled ministers are those under seventy years of age,

who have served the Presbyterian Church in the U. S. A. at least five years, have complied with the requirements of the Fund, and are either physically or mentally incapacitated for the active service of the ministry, as judged by the Presbytery of which each minister is a member. Upon such judgment, subject to the rules of the Fund, the Presbytery shall issue him a certificate entitled "Certificate of Disablement."

3. The widows of deceased ministers of the Presbyterian Church in the U. S. A. who have complied with the requirements of the Fund, so long as they remain widows, and the minor children, collectively as a family, subject to the rules of the Fund, shall receive from the Presbytery having jurisdiction a certificate entitled "Certificate of Eligibility."

4. The minor children of deceased ministers of the Presbyterian Church in the U. S. A. who have complied with the requirements of the Fund, collectively as a family, in the case of the death of the mother, and so long as they are minors, shall be entitled to the benefit of the Fund.

VI. Rates.

1. Every minister in the Presbyterian Church of the U. S. A. in order to become a participant shall pay into the treasury of the Annuity Fund, until he becomes an annuitant, an annual sum according to the tables of rates attached hereto, marked "Exhibit A."

2. The ministers' rate shall be paid yearly in advance from date of registry, or if the minister so elects he may make payment either quarterly, semi-annually or otherwise, subject to the rules of the Fund.

3. Ministers shall pay per cent. of the annual rates into the Annuity Fund (see "Exhibit A"), and the Church at large per cent. of such annuity rates, by congregational contributions, donations, devises and bequests. The rate named for each minister is based upon the experience of Presbyterian ministers as given in the authorized tables of mortality and disability, attached hereto and marked "Exhibit B."

VII. Withdrawals.

1. When a minister who is a contributor to the Fund ceases to be a member of Presbytery, he shall be entitled to receive one-half of the amount paid by him into the Fund, and forfeit all claim to further benefit

VIII. Valuation of Fund.

1. The rates fixed for ministers being on the actual cost basis according to the Tables of Mortality and Disability of the Ministers of the Presbyterian Church in the U. S. A., and according to the Standard Insurance Table so far as it relates to their wives, the Fund shall be valued on the basis of said Tables at the end of

each quinquennial period, and, if necessary, a readjustment be made in the rates of "Exhibit A" so as to maintain the absolute solvency of the Fund, and thus guarantee to every minister payment in full of the amount provided.

IX. Payments.

1. Upon reaching the age of seventy years every minister of the Presbyterian Church in the U. S. A. who has served the Church thirty years and who has complied with the requirements of the Fund, shall thereafter receive during his life the sum of five hundred dollars (\$500) annually, the same to be paid in quarterly installments.

2. Every minister seventy years of age, who has served the Presbyterian Church in the U. S. A. less than thirty years, and who has complied with the requirements of the Fund, shall receive during his life the sum of one hundred dollars (\$100) annually, and in addition thereto ten dollars (\$10) for each year of service, not exceeding in the aggregate five hundred dollars (\$500) per annum.

3. Every minister of the Presbyterian Church in the U. S. A. under the age of seventy years, who has complied with the requirements of the Fund, and is certified as disabled, shall receive an annuity during disablement of one hundred dollars (\$100) annually, and in addition thereto ten dollars (\$10) for each year of service over five years in the Presbyterian ministry, not exceeding in the aggregate five hundred dollars (\$500) per annum.

4. The widows of deceased ministers of the Presbyterian Church in the U. S. A. who have complied with the requirements of the Fund, so long as they remain widows, shall receive an annuity on the basis of three-fifths of the amount paid to the above classes respectively, as heretofore stated, such annuity to begin at the death of the husband. In case of the death of such a widow, her minor orphan children, collectively as a family, shall receive the annuity so long as they are minors, subject to the rules of the Fund.

5. The minor child or children of deceased ministers of the Presbyterian Church in the U. S. A. who have complied with the requirements of the Fund, so long as they remain minors, and in case of and after the death of the mother, shall receive the annuity to which she would have been or was entitled. The annuity shall be equally divided between said children, and payments of its share shall be made to each child until it reaches the age of twenty-one years, all payments being subject to the rules of the Fund.

X. Rules.

1. The management of the Fund shall have power to adopt rules for annuity rates, payments to annuitants and other matters connected with the business of the Fund, subject to review

by the General Assembly, and said rules shall be binding upon all persons and operative as to all agreements and contracts.

EXPLANATION OF THE PLAN.

1. The calculations of the General Assembly's Committee on Sustentation have been based on the tables published in the *Assembly Minutes* for 1904, pp. 216-218, which Tables were compiled from the experience of 5,862 Presbyterian ministers, were examined and classified by a competent actuary, and are entirely reliable.

2. The rate named for ministers in the Table herewith attached (Appendix A) is based upon the experience of Presbyterian ministers as given in the Table referred to under Item 1. An amount should be added for each minister to provide for the expenses of administration.

3. There is no way in which the end sought for—provision for the support of all aged and disabled ministers, their widows and orphan children—can be fully attained at once. If the Fund should be constituted immediately, and if one thousand ministers should be connected with it, no minister being admitted over the age of sixty years, the annual outlay required for the one thousand would be \$189,966. Of the total sum required to constitute the Fund, on the basis of one thousand ministers, viz., \$189,966, the sum of \$83,176 represents the annuities to widows and orphan children.

4. Under Article 5, "Rates," and in Section 3, there are blanks which are to be filled. The present Committee believes that these blanks should be filled by the Committee of the Ministerial Sustentation Fund, after due consideration of all the circumstances which will necessarily be connected with the carrying of the Plan into effect.

In connection with this Plan, the Committee offers the following recommendations for adoption:

1. That the Plan of the Ministerial Sustentation Fund be and hereby is approved.

2. That a Committee of Administration be appointed consisting of fifteen members, of whom seven shall be ministers, who shall have power to approve the details of organization and to take the other steps necessary to put the Plan into immediate operation. The Committee shall also have power to appoint a special representative, and shall be known as the Committee on the Ministerial Sustentation Fund. The expenses of the Committee shall be provided by voluntary contributions.

3. That the headquarters of the Committee be located in New York City, and that for the present the Stated Clerk of the Assembly be the Treasurer.

4. That the Board of Relief is hereby directed to give to the Committee such information and coöperation as may be desired.

5. That the Committee on the Ministerial Sustentation Fund be appointed by the Moderator in consultation with the Chairman of the Committee on Sustentation.

6. That the present Committee on Sustentation be and hereby is discharged. Respectfully submitted,

In behalf of the Committee,

HOWARD DUFFIELD, *Chairman.*

The following telegram was received from the General Assembly of the Cumberland Presbyterian Church:

DECATUR, ILL., May 23, 1906.

*To the General Assembly of the Presbyterian Church in the U. S. A.,
Des Moines, Iowa:*

The General Assembly of the Cumberland Presbyterian Church has just adopted the joint report of the Committee on Reunion and Union of the Presbyterian Church and the Cumberland Presbyterian Church, and it respectfully awaits notification of the same action on the part of your venerable body.

IRA LANDRITH, *Moderator*;
J. M. HUBBERT, *Stated Clerk*.

The Report of the Special Committee on Church Coöperation and Union was made the Order of the Day for to-morrow morning, immediately after the reading of the Minutes.

The consideration of the Report of the Special Committee on Forms and Services was resumed, and the Report was amended and adopted. It is as follows:

Your Committee on Forms and Services was appointed by the General Assembly of 1903, at Los Angeles, California, in answer to Overtures from the Presbytery of Denver and the Synod of New York, by the following resolutions:

Resolved, 1. That a Committee of eleven be appointed by the

Moderator, in conference with the Editorial Committee of the Board of Publication, to take into consideration, and if possible to prepare, in harmony with the Directory for Worship, a Book of Simple Forms and Services, which shall be proper and helpful for voluntary use in the Presbyterian Churches in the celebration of the Sacraments, in marriages and funerals, and in the conduct of public worship.

Resolved, 2. That in the preparation of these voluntary services the Committee be instructed to draw from the Holy Scriptures and the usage of the Reformed Churches; to avoid those forms which savor of ritualism; to embody sound doctrine in the language of orderly devotion, and to keep ever in mind the end of Presbyterian worship, which is that all the people should join in the service of God as He is revealed in Jesus Christ.

Resolved, 3. That this Committee shall report to the next General Assembly, and shall submit whatever work they have been enabled to complete to the Assembly for approval and disposition" (*Minutes*, 1903, p. 113).

For three years your Committee have been laboring with diligence and care to accomplish the task committed to them by the General Assembly. They have sought to make the work conform to the teaching and spirit of the Presbyterian Church, and to prepare a book which should be simple and clear in its arrangement, sound in its substance, reverent in its form, and adapted to the practical needs of as large a number of churches as possible. The difficulties of the task have been very great, and the labor involved has been heavy and long protracted. Thousands of letters have been written and answered. The subject has been studied carefully from all points of view, and the Committee have sought the opinion and counsel of many pastors, endeavoring to obtain the best advice and the broadest judgment available.

In 1904 they made a full report of their methods and the principles on which they were working to the General Assembly at Buffalo, submitting at the same time, as samples of their work, an Order of Morning Service and a Form for the Baptism of Infants. The Assembly approved the report unanimously, and ordered the Committee to "prosecute and complete its work in accordance with the instructions given in the resolution under which it was appointed."

In 1905 a still more extended report was presented to the General Assembly at Winona, including a proposed title-page and forms for the following occasions:

Morning and Evening Worship on the Lord's Day;

Public Worship on Land or Sea (where there are no regular Church Ordinances);

The Lord's Supper;

The Baptism of Infants;
The Baptism of Adults;
The Reception of those Baptized in Infancy to the Lord's Supper;
The Solemnization of Marriage;
The Burial of the Dead; and
The Ordination of a Minister.

There was added also a Treasury of Prayers for general and special uses. The Assembly, after full discussion, passed the following resolutions:

Resolved, That this Assembly, having received the Report of the Committee on Forms and Services, and approving the principles which have guided the Committee in following their instructions to prepare a Book of Service proper for voluntary use in Presbyterian churches, herewith recommitts the Book to the Committee with the following instructions: To revise the Form for Baptism in order to safeguard the doctrine of the Reformed Churches regarding the force of baptism, the birthright church membership of children of believers and the covenant engagement of believers to be the Lord's; to add further suitable prayers to those now provided for family worship; to add forms of service, according to the instructions of the Form of Government, for the ordination and installation of ruling elders and deacons, the licensing of candidates to preach the Gospel, the laying of the cornerstone and dedication of a church, and, if it be found wise, the Psalter as now published in the Hymnal.

For the purpose of further review and revision of the work, the Assembly orders the addition to the Committee of five members, of whom the Moderator shall be one, the remaining four to be active pastors, the entire Committee to be instructed to secure the opinion and counsel of pastors who may be available in the work of revision and completion of their work.

In case the enlarged Committee reach definite and satisfactory completion of their work during the present year, we authorize the publishing of the Book of Worship by the Board of Publication and Sabbath-school Work, in order that the Churches may have opportunity to consider and test the same, the Committee to make full report to the next Assembly.

In case the Committee do not reach definite and satisfactory completion of their work before the meeting of the next Assembly, they are instructed to report the work to that Assembly for further action.

Resolved, That the words "For voluntary use in the churches" shall be inserted on the title-page of the Book of Worship when issued by the Board of Publication.

Resolved, That the version of the Scriptures to be used in the Book of Worship be left to the discretion of the Committee.

The new members, added to the Committee under the first of these resolutions, were the Moderator, Rev. W. B. Jennings, Rev. W. R. Notman, Rev. J. H. Snowden and Rev. W. R. Taylor. The vacancy caused by the lamented death of the Rev. Douglas P. Putnam, a faithful, beloved and efficient member of the Committee, was filled by the appointment of the Rev. John Clark Hill. The addition of these new members, representing the pastorate in different parts of the country, greatly strengthened the Committee, and the value of their work did much to make possible the carrying out of the orders of the Assembly, of which a report has now to be made.

1. The forms for Baptism have been most carefully revised, according to the instructions; and other parts of the book have been corrected, after consultation with pastors, with a view to improvement in clearness, brevity, and conformity with the language of Scripture and the Standards of our Church. The additional forms called for by the Assembly have been prepared; and further additions have been made with the purpose of increasing the usefulness of the book, viz., The Ten Commandments, The Beatitudes, A Form for the Reception of Members by Letter from other Churches, An Order for the Installation of a Minister, and Brief Forms of Grace to be used at the household table. The Committee have also made some important changes in the Family Prayers, which it is hoped will add to their usefulness; and with the same end in view, the Treasury of Prayers has been transferred to the end of the book.

2. The Assembly's action in leaving the question of the version of the Scriptures to be used in the book to the discretion of the Committee, imposed a serious responsibility and much labor. After general consultation, full discussion, and careful study, the Committee voted unanimously that "it is expedient at this time to adhere to the Authorized Version, in view of the fact that this version is used in all our Presbyterian Standards, and is in general use in our churches."

3. At their meeting in December, 1905, the Committee unanimously reached "definite and satisfactory completion of their work"; and following the instructions given by the Assembly in regard to such a result, they appointed a sub-committee to coöperate with the Board of Publication in publishing the book, by the authority conferred by the General Assembly. The Board voted to accept the book, to reimburse the Stated Clerk of the General Assembly for the necessary expenses incurred in the work of preparation, and to assume the expenses of publication the copyright of the book to be vested in the Board. The work of printing has been delayed by recent troubles among the typographers, and by the care with which it is necessary to read the proofsheets of a book of this kind. But it is hoped, at the time

of writing this report, that the book will be ready for delivery by the end of April, in the current year.

4. It is the intention of the Board of Publication to present a copy of the book to each member of the Assembly of 1906; to have it printed in subsequent editions of larger and smaller sizes, suitable for various uses; and to keep the price of all editions at the lowest possible figure consistent with excellence of typography and manufacture.

In thus making final report of the completion of the task entrusted to them three years ago, your Committee would record their sense of gratitude for the Divine assistance, without which so heavy a labor could not have been accomplished, and for the wise counsel and fraternal encouragement of ministers and elders throughout the Church who have helped to make the work possible in the spirit of brotherhood. The Committee have spared neither time nor strength in their endeavor to serve the Church faithfully and obediently, by preparing the best book that it was in their power to make. In their deliberations they have felt and thankfully acknowledged the presence of the Holy Spirit, the Inspirer of all true worship, guiding them, through patient study and discussion of different opinions, to a happy unanimity and a definite conclusion. They are of one mind and heart in desiring that the book which they have been permitted to prepare shall be of some real use in the kingdom of the Lord Jesus Christ, promoting the reverence, order and beauty of the sanctuary, nourishing the spirit of devotion in private and in public, encouraging the revival of the sacred usage of family prayers, and increasing a voluntary unity among Presbyterians in their common services, without in any way impairing that liberty in the conduct of public worship which is a most precious privilege and inheritance. To this end the Committee would respectfully recommend to this Assembly the following resolutions.

I. *Resolved*, First: That the General Assembly hereby calls the attention of its ministers and congregations to the historic position of the Presbyterian Church in the United States of America in regard to liberty in the conduct of public worship. The minister is not confined to any set form of service, nor is he prohibited from using such forms, in harmony with the doctrine of this Church, as may seem to him convenient and appropriate. The Directory for Worship refers frequently to "the discretion of the minister," "the prudence of the minister," "the judgment and fidelity of the pastor" (chapters III, iii; IV, iv; V, iv) in the arrangement and proportion of the different parts of the service. The Assembly of 1882 asserted that "in view of the liberty which belongs to each minister to avail himself of the Calvinistic or other ancient devotional forms of the Reformed Church, so far as may seem to him for edification, it is inexpedient for this General

Assembly to make any special order in the premises''; and the General Assembly of 1884 reaffirmed the action of two previous Assemblies to the effect that "the whole internal arrangement of a Church as to worship and order is committed to the Minister and Session": all of which this Assembly reaffirms.

II. *Resolved*, Second: That the General Assembly calls attention to the fact that it has no power or authority to impose any particular forms of conducting worship, or any obligatory liturgy, upon the Church; and that the existing liberty of worship is safeguarded by the Constitution, which requires that any amendment to the Directory for Worship must be submitted to the Presbyteries, and receive an affirmative vote of a majority of them, before it can become effective.

III. *Resolved*, Third: That the General Assembly recognizes that the Committee appointed by the Assembly of 1903 "to prepare, in harmony with the Directory for Worship, a Book of Simple Forms and Services, which shall be proper and helpful for voluntary use in Presbyterian churches, in the celebration of the Sacraments, in marriages and funerals, and in the conduct of public worship," have reached that completion of their work contemplated by the Assembly of 1905; and that the Book of Common Worship is now published pursuant to the action of the last General Assembly, "in order that the churches may have opportunity to consider and test the same," as an orderly compendium containing helpful forms in harmony with the doctrines of our Church.

IV. *Resolved*, In order that there may be no misunderstanding the Assembly declares that, in view of the liberty which has always belonged to ministers and churches in the conduct of public worship, it is deemed inexpedient to make any recommendation in this matter, and it is directed that the following changes be made in the title-page and the Preface.

The title-page to read as follows:

OF
COMMON WORSHIP

Prepared by the Committee of the General Assembly of the
Presbyterian Church in the U. S. A.

FOR VOLUNTARY USE
Philadelphia

Presbyterian Board of Publication and Sunday-school Work.
1906

Also to change the last clause of the third paragraph of the Preface, beginning "its publication," etc., so as to read "it is now

published for the purpose contemplated by the General Assembly of 1905."

Respectfully submitted by the Committee,

It was also *Ordered* that upon making such changes as were adopted the Committee shall be discharged, with grateful recognition of their painstaking and scholarly service.

The Assembly adjourned, and was closed with prayer.

WEDNESDAY, May 23, 7.45 o'clock P.M.

A Popular Meeting was held in the interest of Foreign Missions, and addresses were delivered by Rev. L. F. Esselstyn, D.D., Rev. J. B. Rodgers, D.D., and others.

THURSDAY, May 24, 9 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The Minutes of yesterday's sessions were read and approved.

The Special Committee on Church Coöperation and Union, through its Chairman, Rev. W. H. Roberts, D.D., presented its Report, which was accepted.

Part V of the Report, being the Joint Report on Reunion and Union with the Cumberland Presbyterian Church, with all its recitals and resolutions, was adopted with only two dissenting votes. Rev. William Laurie, D.D., one of the dissentients, asked that his name be recorded as voting in the negative.

Upon the adoption of said Part V, the Joint Report on Reunion and Union, with all its recitals and resolutions, the Moderator, as required by the terms of Resolution 14 of said Report, made the following declaration, to wit:

"The joint report of the two Committees on Reunion and Union, and the recitals and resolutions therein contained and

recommended for adoption, having been adopted by the General Assembly of the Presbyterian Church in the United States of America and the General Assembly of the Cumberland Presbyterian Church, and official notice of such adoption having been received by each of the said General Assemblies from the other; I do solemnly declare and here publicly announce that the basis of reunion and union is now in full force and effect, and that the Cumberland Presbyterian Church is now reunited with the Presbyterian Church in the United States of America as one Church, and that the official records of the two Churches during the period of separation shall be preserved and held as making up the history of the one Church."

Upon invitation of the Moderator, Rev. W. H. Roberts, D.D., led the Assembly in a prayer of thanksgiving. The Assembly then united in singing "Blest be the tie that binds," followed by "Jesus shall reign where'er the sun."

Rev. William H. Black, D.D., and Rev. B. P. Fullerton, D.D., members of the delegation to this Assembly appointed by the General Assembly of the Cumberland Presbyterian Church, being present, were invited to the platform, and addressed the Assembly.

Parts I to IV of the Report of the Committee on Church Coöperation and Union were then adopted *seriatim*, and the Report as a whole was adopted. The Report is as follows:

The Committee on Church Coöperation and Union respectfully presents its Report to the General Assembly of 1906.

The Committee was appointed by the General Assembly of 1903, and continued by the Assemblies of 1904 and 1905.

The duties of the Committee in general are stated in the action of the General Assembly of 1903, as contained in the following Resolutions:

"WHEREAS, The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him as the only Head of the Church Universal to work together in harmony and love for the extension of His kingdom and the good of the world; and

"WHEREAS, This Assembly earnestly desires to commend and promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation and, where possible, by consolidation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization; therefore be it

"Resolved, 1. That a Committee of seven,* four ministers and three elders, be appointed by the Moderator to consider the whole

* Afterwards increased to 10.

subject of coöperation, confederation and consolidation with other Churches.

“*Resolved*, 2. That *Overtures Nos. 89-93, 101-105, 136 and 157* be placed in the hands of this Committee; and that they be instructed to enter into correspondence with any Churches of the Reformed family with whom, in the judgment of the Committee, such correspondence would be likely to promote closer relations; and also to confer with the Congregational Church in regard to the practical improvement of the plan of comity referred to in some of the Overtures.

“*Resolved*, 3. That this Committee shall report to the next Assembly such plans and measures as seem to them wise, proper and profitable for the advancement of fraternal relations, for the increase of harmonious work, and, if God shall open the way, and incline the hearts of the Churches thereto, for the reunion of those who hold the same faith and order in the service of Christ. Adopted. ’ (*Minutes*, 1903, pp. 90, 91.)

In pursuance of their instructions, the Committee entered into negotiations in 1903 as to Federation or Union with the Committees on Closer Relations of the General Assembly of the Cumberland Presbyterian Church, the Reformed Presbyterian Church (General Synod), the General Synod of the Reformed Church in America, and the Executive Board of the National Federation of Churches and Christian Workers. Conferences were also had with the Board of Home Missions and other parties on the subject of Comity and Coöperation between the different Protestant denominations on the Home Mission field. The results of these conferences and deliberations were reported to the Assembly of 1904, and action was taken substantially as follows:

1. A Plan of Coöperation and Rules of Comity in the work of evangelization in the U. S. A. between the different Protestant Churches were approved. (*Minutes*, 1904, pp. 123-126.)

2. A movement looking towards closer relations between the Presbyterian and the Reformed Churches in the U. S. A. was approved. (*Minutes*, 1904, pp. 126, 127.)

3. A proposal for the holding of an Inter-Church Conference on Federation in New York City, November, 1905, by representatives of the several Protestant Evangelical denominations in the U. S. A. was approved. (*Minutes*, 1904, pp. 127, 128.)

4. A Plan of Union with the Reformed Presbyterian Church, General Synod, was considered and recommitted. (*Minutes*, 1904, p. 129.)

5. A Plan of Reunion and Union with the Cumberland Presbyterian Church was adopted, and the Basis of Union was officially transmitted to the Presbyteries. (*Minutes*, 1904, pp. 135-139.)

The General Assembly of 1904 continued the Committee, recommitting to it certain matters upon which report was made to the Assembly of 1905.

The action of the General Assembly of 1905 upon the Committee's report was as follows:

1. The report on Union with the Reformed Presbyterian Church, General Synod, was deferred in order to hear from the General Synod. (*Minutes*, 1905, pp. 77 and 111.)

2. The subject of Comity and Coöperation was finally acted upon. (*Minutes*, 1905, pp. 77 and 111.)

3. The action of the Committee in the matter of the Arrangements for the Inter-Church Conference on Federation in New York City, November, 1905, was approved. (*Minutes*, pp. 77 and 111-113.)

4. The Plan of Federation of the Reformed and Presbyterian Churches in the U. S. A. was considered and recommitted. (*Minutes*, 1905, pp. 109 and 113-117.)

5. The Assembly having received and duly examined the vote of its Presbyteries on the Basis of Union of the Cumberland Presbyterian Church with the Presbyterian Church in the U. S. A., declared that more than the required two-thirds majority of its Presbyteries had approved the said Basis of Union, and then took the following action:

"Resolved, That this whole matter be now recommitted to the Assembly's Committee on Church Coöperation and Union, for conference with the Committee on Fraternity and Union of the Cumberland Presbyterian Church, or other similar Committee, appointed or to be appointed.

"That such Committee be increased in its number to twenty-one, and that the Moderator report to this Assembly the names of the additional members.

"That it be the duty of such Committee to ascertain what steps are necessary to complete the Union, and to report with its recommendations to the One Hundred and Eighteenth General Assembly, when convened in 1906, the particular details whereby organic union may be so effected as to assure to the united Church all the legal and corporate rights and powers which the separate Churches now possess" (see ¶ 2 of Basis, *Minutes*, 1904, p. 136), "and whereby the corporate rights now held by the two General Assemblies and by their Boards and Committees may be consolidated and applied for their several objects as defined and permitted by law" (see Seventh Concurrent Declaration, *Minutes*, 1904, p. 138).

"Resolved, further, That the said Committee be and it hereby is authorized to confer with the Trustees of the General Assembly, if and when necessary, in order to safeguard the corporate or property rights of the Presbyterian Church in the U. S. A. upon and after the completion of the proposed Union; and the Trustees of the General Assembly are hereby directed, if so requested to confer, to comply with such request." (*Minutes*, 1905, p. 68.)

The Committee has been actively engaged during the year in carrying out the instructions of the General Assembly. Two meetings have been held, one at St. Louis, Mo., December 27-29, 1905, and the other at Charlotte, N. C., March 14-16, 1906. Several members of the Committee were detained from both meetings by causes which were unavoidable. The meeting at St. Louis was a joint conference with the Committee on Fraternity and Union of the Cumberland Presbyterian Church; and a joint conference of subcommittees of the two Committees was held at Cincinnati, Ohio, April 19th and 20th, 1906. The meeting at Charlotte, N. C., was attended by the Committees on Closer Relations of the Reformed Presbyterian Church (General Synod), the Reformed Church in America, the United Presbyterian Church, the Presbyterian Church in the U. S., the Reformed Church in the U. S., and the Associate Reformed Synod of the South. The place of meeting was the First Presbyterian Church of Charlotte, N. C. Your Committee also met at Charlotte, N. C., in joint conference with the Committee on Closer Relations of the Reformed Church in the U. S. These meetings were all characterized from beginning to ending by a gracious fraternal spirit.

The Committee reports upon its work under five heads, viz.:

- I. Presbyterian Closer Relations.
- II. General Federation.
- III. Union with the Reformed Presbyterian Church, General Synod.
- IV. Relations to the Reformed Church in the U. S.
- V. Reunion and Union with the Cumberland Presbyterian Church.

I. PRESBYTERIAN CLOSER RELATIONS.

The Plan of Federation of Presbyterian and Reformed Churches submitted last year was carefully considered in joint conference by the Committees on Closer Relations of the interested Churches at Charlotte, N. C., March 14-16, 1906, as already stated. The deliberations of the seven Committees were characterized by the utmost frankness, cordiality and courtesy, and extended through three days. It was found advisable to alter the title of the Plan of Federation so that it should read "Articles of Agreement," and to verbally modify the Plan to agree with this change. The powers of the Council which the adoption of the Articles of Agreement will establish were made advisory, except as to Articles Nos. 6 and 7. The Articles were all approved by the Conference by a vote of 29 to 2, and as finally adopted are as follows:

ARTICLES OF AGREEMENT.

The Reformed Churches in America holding the Presbyterian System, desiring to evince and develop their spiritual unity and

to promote closer relations and more effective administrative coöperation among these Churches, hereby adopt the following Articles of Agreement in furtherance of these purposes:

1. For the prosecution of work that can be done better unitedly than separately an Ecclesiastical Council is hereby established, which shall be known by the name and style of "The Council of the Reformed Churches in America holding the Presbyterian System."

2. The Council shall consist of at least four representatives, ministers or ruling elders, from each of the constituent Churches, for each one hundred thousand communicants or fraction thereof up to three hundred thousand; and where a Church has more than three hundred thousand communicants, then four representatives, ministers or elders, for each additional two hundred thousand communicants or fraction thereof. These persons shall be chosen with their alternates under the direction of their respective supreme judicatories, in such manner as those judicatories shall respectively determine.

3. Every Church entering into this Agreement retains its distinct individuality, its own creed, government and worship, as well as every power, jurisdiction and right, which is not by these Articles expressly and exclusively delegated to the body hereby constituted.

4. The Council shall exercise only such powers as are conferred upon it by these Articles, or such as may hereafter be conferred upon it by the constituent Churches. It shall not interfere with the creed, worship or government of the Churches, and, in particular, all matters of discipline shall be left to the exclusive and final judgment of the ecclesiastical authorities of the Churches concerned. All acts of the Council affecting the interests of any of the constituent Churches shall have only advisory authority, except in matters covered by Articles 6 and 7.

5. The Council shall promote the coöperation of the constituent Churches in their Foreign Missionary work, and also in their general work in the United States of America, in connection with Home Missions, Work among the Colored People, Church Election, Sabbath-schools, Publication and Education. The Council may also advise and recommend in other matters pertaining to the general welfare of the kingdom of Christ.

6. The Council shall have power to deal with questions which may arise between the constituent Churches, in regard to matters within the jurisdiction of the Council, which the constituted agencies of the Churches concerned have been unable to settle, and which may be brought to the attention of the Council by the supreme judicatories of the parties thereto; and such differences shall thereupon be determined by the Council or by such agencies as it may appoint. If determined by an agency, such

as a Committee or Commission, there shall be the right of appeal to the Council for final decision. The representatives in the Council, of Churches which are parties to questions at issue, shall be excluded from voting upon such questions. Every final decision shall be transmitted by the Council to the supreme judicatories of the Churches concerned, which shall take such steps as are necessary to carry the decision into effect.

7. The Council shall have power to deal with any other matters of interest common to any two or more of the constituent Churches, which may be referred to it by the supreme judicatories of the Churches concerned for its action, with such authority in the premises and under such conditions as may be agreed upon by the Churches which make the reference. It may also initiate movements having coöperation in view, subject to the approval of the Churches concerned.

8. The Council shall have power to open and maintain a friendly correspondence with the Presbyterian and other Evangelical Churches for the purpose of promoting concert of action in matters of common interest; but nothing in this Article shall be construed as affecting the present rights of correspondence of the constituent Churches.

9. The Council shall give full faith and credit to the acts, proceedings and records of the duly constituted authorities of the several constituent Churches.

10. The officers of the Council shall be a President, Vice-President, Stated Clerk, Treasurer, and such other subordinate officers as may be necessary.

11. The Council shall meet in regular session at least biennially, and on its own adjournment, at such time and place as may be determined. In conduct of its meetings it shall respect the conscientious views of its constituent members. The President shall call special meetings at any time when requested so to do by a majority of the representatives of each of two or more of the constituent bodies; thirty days' notice of such meetings shall be given to all the members, and only such business may be transacted as is specified in the notice.

12. The incidental expenses of the Council shall be met by a fund to be provided by a *pro rata* apportionment on the basis of the representation of each Church in the Council. The expenses of the representatives shall be paid by their respective Churches. All the expenses involved in the settlement of any question between the Churches shall be borne equally by the Churches concerned.

13. When the representatives of three of the Churches, at a meeting of either the Council or its agencies, request a unit vote by Churches upon a pending motion, the vote shall be so taken.

14. The Council shall have power to make such regulations and by-laws as shall be deemed necessary for the conduct of its business.

15. After this Council shall have been constituted, any Church holding the Reformed Faith and Presbyterian Polity may be received into the Council by a majority of the representatives of the Churches, voting by the unit rule, and upon its adoption of the Articles of Agreement.

16. Any Church in the Council may withdraw therefrom on notice officially given, and on its observance of the same constitutional steps as were followed in its adoption of these Articles.

17. Any amendment to these Articles proposed to the Council shall before its adoption be approved by the Council, and receive the consent of two-thirds of the constituent Churches acting in accordance with their respective Constitutions. When the Council shall have been notified of such consent it shall declare the amendment to be a part of the Articles of Agreement.

18. These Articles of Agreement shall go into effect when any two or more Churches shall adopt the same by proper action, and elect their representatives in the manner herein provided.

The above Articles were adopted at Charlotte, N. C., March 16, by the Committees on Closer Relations of the Reformed Presbyterian Church (General Synod), the Reformed Church in America, the Presbyterian Church in the United States of America, the United Presbyterian Church, the Presbyterian Church in the United States, the Reformed Church in the United States, and the Associate Reformed Presbyterian Church.

J. PRESTON SEARLE, *Chairman*;
WM. H. ROBERTS, *Secretary*.

The Committee recommends in connection with these Articles the adoption of the following Resolutions:

Resolved, 1. That the Articles of Agreement between the Reformed Churches in America holding the Presbyterian System, submitted by the Committee on Church Coöperation and Union, and approved by the joint conference of the Committees on Closer Relations of seven Churches of the Presbyterian family, be and hereby are adopted.

Resolved, 2. That the Assembly refers to the Committee on Church Coöperation and Union the preparation of a plan for the nomination and election of the representatives of this Church to the Council of the Reformed Churches in America holding the Presbyterian System, established by the Articles of Agreement, report to be made to the General Assembly of 1907.

II. GENERAL FEDERATION.

Your Committee further reports that the Inter-Church Conference on Federation met as appointed in Carnegie Hall, New York City, November 15-21, 1905. There were present nearly five hundred delegates from thirty Protestant denominational Churches in the U. S. A., representing 18,000,000 communicants. The Conference was largely attended at all of its sessions, and the papers and addresses were of an exceptionally high order. The Christian Churches of New York City extended to the Conference a kindly welcome, and the Church Clubs and Unions gave to the delegates an elaborate reception on the evening of November 21st. The delegates originally appointed by this Assembly were present with one or two exceptions, but as absent principals were represented by alternates, the full number of delegates was in attendance during most of the sessions. The proceedings have been published in a volume of seven hundred pages.

In connection with this proposed Federation of the Protestant Churches in the U. S. A., the Assembly is reminded that a beginning of an effort in that direction was made by the Assembly of 1887, and was entrusted to the Committee on Church Unity of which the late Rev. Joseph T. Smith, D.D., was Chairman. The proposal was contained in certain Overtures from twelve Presbyteries which are found in the *Minutes* of 1887, pages 156 to 159, and the Assembly of 1890 approved a resolution contained in the report made to it by the Committee on Church Unity, which reads: "The Assembly declares its approval of the principle of Federation, as a step towards a closer union of the various Christian bodies, and authorizes the Committee to make known this approval in its correspondence." (*Minutes*, 1890, p. 104.) Federation is no new thing with Presbyterians.

The Committee presents to the Assembly a letter from the Inter-Church Conference accompanied by a Plan of Federation. The latter was approved by the Conference, and was ordered to be transmitted to the supreme legislative or advisory bodies of the respective Churches for their consideration and approval.

The Plan of Federation is as follows:

PLAN OF FEDERATION.

PREAMBLE.

WHEREAS, in the providence of God, the time has come when it seems fitting more fully to manifest the essential oneness of the Christian Churches of America in Jesus Christ as their Divine Lord and Saviour, and to promote the spirit of fellowship, service and coöperation among them, the delegates to the Inter-Church Conference on Federation, assembled in New York City, do hereby

recommend the following Plan of Federation to the Christian bodies represented in this Conference for their approval:

PLAN OF FEDERATION.

1. For the prosecution of work that can be better done in union than in separation, a Council is hereby established whose name shall be the Federal Council of the Churches of Christ in America.

2. The following Christian bodies shall be entitled to representation in this Federal Council, on their approval of the purpose and plan of the organization:

The Baptist Churches of the United States.

The Free Baptist General Conference.

The Christians (The Christian Connection).

The Reformed Church in the U. S.

The Reformed Episcopal Church.

The Seventh Day Baptist Churches.

The United Brethren in Christ.

The United Evangelical Church.

3. The object of this Federal Council shall be—

I. To express the fellowship and catholic unity of the Christian Church.

II. To bring the Christian bodies of America into united service for Christ and the world.

III. To encourage devotional fellowship and mutual counsel concerning the spiritual life and religious activities of the Churches.

IV. To secure a larger combined influence for the Churches of Christ in all matters affecting the moral and social condition of the people, so as to promote the application of the law of Christ in every relation of human life.

V. To assist in the organization of local branches of the Federal Council to promote its aims in their communities.

4. This Federal Council shall have no authority over the constituent bodies adhering to it; but its province shall be limited to the expression of its counsel and the recommending of a course of action in matters of common interest to the Churches, local Councils and individual Christians.

It has no authority to draw up a common creed or form of government or of worship, or in any way to limit the full autonomy of the Christian bodies adhering to it.

5. Members of this Federal Council shall be appointed as follows:

Each of the Christian bodies adhering to this Federal Council shall be entitled to four members, and shall be further entitled to one member for every 50,000 of its communicants or major fraction thereof. The question of representation of local Councils shall be referred to the several constituent bodies, and to the first meeting of the Federal Council.

6. Any action to be taken by this Federal Council shall be by the general vote of its members. But in case one-third of the members present and voting request it, the vote shall be by the bodies represented, the members of each body voting separately; and action shall require the vote not only of a majority of the members voting, but also of the bodies represented.

7. Other Christian bodies may be admitted into membership of this Federal Council on their request, if approved by a vote of two-thirds of the members voting at a session of this Council, and of two-thirds of the bodies represented, the representatives of each body voting separately.

8. The Federal Council shall meet in December, 1908, and thereafter once in every four years.

9. The officers of this Federal Council shall be a President, one Vice-President from each of its constituent bodies, a Corresponding Secretary, a Recording Secretary, a Treasurer, and an Executive Committee, who shall perform the duties usually assigned to such officers.

The Corresponding Secretary shall aid in organizing and assisting local Councils and shall represent the Federal Council in its work, under the direction of the Executive Committee.

The Executive Committee shall consist of seven ministers and seven laymen, together with the President, all ex-Presidents, the

Corresponding Secretary, the Recording Secretary and the Treasurer. The Executive Committee shall have authority to attend to all business of the Federal Council in the intervals of its meetings and to fill any vacancies.

All officers shall be chosen at the quadrennial meetings of the Council, and shall hold their office until their successors take office.

The President, Vice-Presidents, the Corresponding Secretary, the Recording Secretary and the Treasurer shall be elected by the Federal Council on nomination by the Executive Committee.

The Executive Committee shall be elected by ballot after nomination by a Nominating Committee.

10. This plan of Federation may be altered or amended by a majority vote of the members, followed by a majority vote of the representatives of the several constituent bodies, each body voting separately.

11. The expenses of the Federal Council shall be provided for by the several constituent bodies.

This Plan of Federation shall become operative when it shall have been approved by two-thirds of the above bodies to which it shall be presented.

It shall be the duty of each delegation to this Conference to present this Plan of Federation to its national body, and ask its consideration and proper action.

In case this Plan of Federation is approved by two-thirds of the proposed constituent bodies, the Executive Committee of the National Federation of Churches and Christian Workers, which has called this Conference, is requested to call the Federal Council to meet at a fitting place in December, 1908.

The above Plan was duly adopted by the Inter-Church Conference on Federation, New York, N. Y., November 20, 1905, and ordered to be transmitted to the Churches interested.

WM. H. ROBERTS,

Permanent Chairman of the Conference;

FRANK MASON NORTH, *Secretary;*

E. B. SANFORD, *Corresponding Secretary.*

Special attention is drawn to the sentence in Article five (5) of the Plan which reads: "The question of the representation of local councils shall be referred to the several constituent bodies and to the first meeting of the Federal Council." Your Committee unanimously recommend the striking out of this sentence from said Article five (5) of the Plan, and chiefly for the reason that when the idea of Inter-Church Federation was first submitted to the Churches it was upon a purely denominational basis. The letter sent to the Churches by the National Federation of Churches and Christian Workers, the organization which proposed the Federation, contains the following statement: "We do not ask you to

develop or adopt our organization. Ours is a voluntary Federation. What we propose is a Federation of denominations to be created by the denominations themselves." It is recommended that the Assembly adhere to the denominational idea, not only for the reason just given, but also for the welfare of the proposed organization. The Committee believe it to be vital to the success of the Plan that all the denominations to be represented in the Federal Council of 1908 be represented by delegates appointed solely through denominational action.

The Committee also recommends that the third paragraph of Article nine (9) of the Plan of Federation be altered to read: "The Executive Committee shall consist of at least one minister or layman from each Christian Church in the Federation, together with the President, all ex-Presidents, the Corresponding Secretary, the Recording Secretary and a Treasurer, the total number of members to be determined by the Federal Council." As the provision for the membership of the Executive Committee now stands, it will not be possible to have more than fourteen of the Churches in the Federation represented upon the Committee. We believe that each Church in the Federation should have at least one member in so important a body.

An endeavor was made during the Conference to so modify the Plan of Federation as to secure the admission of representatives of the Unitarian Churches. The proposal had been previously declined by the Executive Committee for the reason that invitations to the Conference had been limited to evangelical Churches. After an earnest debate the Conference decided, upon motion made by one of the delegates from this Church, to amend the Preamble to the Plan by inserting the word "Divine" before the words "Lord and Saviour." Further efforts looking to the admission of non-evangelical Churches received but a single affirmative vote. The Churches to be associated in the Federation are therefore those holding to the doctrines of historical and evangelical Christianity. Not only our own Church but all other Christian Churches are to be congratulated upon this manifestation made at the Conference of enthusiastic loyalty to Jesus Christ as the one Divine Lord and Saviour, by the representatives of an overwhelming majority of the Protestant Christians of the United States. Representing as the Conference did eighteen millions of church communicants, its witness to Jesus Christ, Son of Man and Only Begotten Son of God, the second Person of the Trinity, was most encouraging and inspiring.

The Committee recommends in connection with the Plan of Federation the adoption of the following resolutions:

Resolved, 1. That the Plan of Federation submitted by the Inter-Church Conference on Federation, which met in New York, N. Y., November 15-21, 1906, be and hereby is approved, with

the exception of the sentence at the close of Article five (5), which it is desired to omit and which reads: "The question of the representation of local councils shall be referred to the several constituent bodies and to the first meeting of the Federal Council"; and also with the exception of Article nine (9), paragraph three (3), which in the judgment of the Assembly should read: "The Executive Committee shall consist of at least one minister or layman from each Christian Church in the Federation, together with the President, all ex-Presidents, the Corresponding Secretary, the Recording Secretary and a Treasurer, the total number of members to be determined by the Federal Council." The Assembly expresses the hope that both these amendments approved by it will be adopted by the Federal Council. The Assembly is opposed to the representation of local councils in the Federal Council, and is convinced that the Executive Committee should be enlarged.

Resolved, 2. That the Plan of Federation is approved, upon the distinct understanding on the part of this General Assembly that the proposed Federation is to be composed only of Churches holding to historical and evangelical Christianity.

Resolved, 3. That the representatives to the Federal Council of 1908 be nominated by the Committee on Church Coöperation and Union, report to be made to the General Assembly of 1907.

Resolved, 4. That the Assembly hereby authorizes the Executive Committee which made the arrangements for the Inter-Church Conference on Federation, to make the arrangements for the meeting of the Federal Council in 1908.

III. UNION WITH THE REFORMED PRESBYTERIAN CHURCH, GENERAL SYNOD.

The Committee have to report that the negotiations begun with this Church were not renewed during the year. The Plan of Union between the two Churches, it is understood, is still under consideration by the General Synod of the Reformed Presbyterian Church. The Committee therefore recommends that the negotiations be continued, report to be made to the Assembly of 1907.

IV. RELATIONS TO THE REFORMED CHURCH IN THE UNITED STATES.

The fellowship between the Reformed Church in the U. S. and the Presbyterian Church in the U. S. A. has been for one hundred and seventy-five years of a fraternal and mutually helpful nature. Some of our best churches were originally German Reformed, and a considerable number of our ministers are of that blood. The Reformed Church in the U. S. further is not confined to one section of our country, but is found alike in the North and

South, the East and West. It is the largest of the Churches of the Presbyterian family next to our own, reporting in 1905 eight Synods, fifty-seven Classes or Presbyteries, 1,151 ministers, 1,730 congregations, 264,931 communicants and 243,313 Sunday-school scholars, officers and teachers. Your Committee met in conference with its Committee on Church Federation at Charlotte, N. C., March 16, 1906. While that Committee had no authority to enter upon negotiations with our Committee looking towards Church Union, it was thought to be expedient to adopt a joint resolution expressing the views of the members of both Committees. The following action was therefore unanimously taken, viz.:

“Believing that the time has come when the Reformed Church in the United States and the Presbyterian Church in the United States of America, two great historic Churches of the Reformation, holding in common the Reformed Theology and the Presbyterian Order, should come into closer relations with each other, in order to carry on more effectively the work committed by Christ to His Church, the Committees of the two Churches in this Conference hereby agree to recommend to our respective General Synod and General Assembly to appoint Committees to consider this whole subject of closer relations, either federal or organic, between the Churches.”

Inasmuch as the General Synod of the Reformed Church in the U. S. does not meet until 1908, it is recommended that this portion of the report of your Committee be printed in the *Minutes* for information, and that the subject be recommitted to your Committee.

V. REUNION AND UNION WITH THE CUMBERLAND PRESBYTERIAN CHURCH.

Your Committee met with the Committee on Fraternity and Union of the Cumberland Presbyterian Church at St. Louis, Mo., on December 27-29, 1905, and after careful consideration adopted a partial Report covering a Preamble and six Resolutions. Both Committees entrusted the completion of the Report to Subcommittees empowered to act. These Subcommittees met at Cincinnati, Ohio, April 19-20, 1906, and the results of their deliberations are contained in the Joint Report hereinafter submitted. Of the fourteen Resolutions of the Report, Nos. one (1) to five (5) and fourteen (14) were agreed upon at St. Louis, and Nos. six (6) to thirteen (13) at Cincinnati.

The instructions of the General Assembly to the Committee in this matter are found on page 83 of this Report. Attention is drawn first to the interests of the Missionary and Benevolent Boards of the two Churches.

THE BOARDS.—In connection with this part of the work of the Committee, we have to state that conferences were held by Sub-

committees with the representatives of the Boards of our Church both in New York and Philadelphia. The Boards directly concerned in the arrangements for this Reunion and Union are the Board of Home Missions, the Board of Foreign Missions, the Board of Church Erection, the Board of Publication and Sabbath-school Work, the Board of Relief and the Board of Education of our own Church; and the Boards of the Cumberland Church which conduct similar work, the Board of Missions and Church Erection, the Board of Publication, the Board of Ministerial Relief, and the Educational Society. Conferences were arranged, on the initiative of the Joint Committees on Union, between the representatives of the above named Boards, which were in the highest degree satisfactory both in their conduct and their outcome. The results reached indicate clearly a common purpose on the part of the Boards to carry out at as early a date as possible the arrangements affecting their interests contained in the Plan of Union and also in the directions of the Joint Report of the Committee. The Resolutions dealing with the Boards contained in said Joint Report are Resolutions Nos. two (2), five (5), six (6), seven (7) and nine (9).

With reference to the legal consolidation of the Boards, the Committee has to state that no obstacles appear to stand in the way, and submit, in connection with this subject, quotations from the reports of the Conferences of two of the Boards of each Church, viz., those having to do with Ministerial Relief and with Education. These are as follows:

Ministerial Relief.—"After a careful examination of the provisions of the charters of the two Boards, and the laws of the respective States from which their charters have been obtained, we find that it is perfectly feasible for the Board of Relief of the Cumberland Presbyterian Church to transfer all its trusts to the Presbyterian Board of Relief, after proper authority shall have been given to it so to do by the General Assembly of the Reunited Church and the Legislature of the State of Indiana."

Education.—"The representatives of the Educational Society of the Cumberland Presbyterian Church reported that they had examined into the feasibility of transferring to the Board of Education of the Presbyterian Church in the U. S. A. the property and trusts belonging to it. In their opinion such transfer was entirely practicable, and it could be accomplished at any time."

The other Boards reported substantially in similar terms as to the transfer of property and trusts.

CANDIDATES FOR THE MINISTRY AND COLORED CHURCHES.—Special attention is drawn to Resolutions 12 and 13 of the Joint Report, affecting the work of two of the Boards.

Resolution twelve (12) deals with proposed grants of aid by the Board of Education of this General Assembly to candidates

for the ministry who may be recommended by Presbyteries that prior to the Reunion and Union were connected with the Cumberland Presbyterian Church. As is well known, the standard of the Cumberland Presbyterian Church in connection with the educational qualifications of ministers has not been in several respects similar to that of the Presbyterian Church in the U. S. A. The two Committees unanimously request that time be given, as suggested in Resolution 12, for adjustment in this matter to new conditions on the part of our Cumberland brethren.

In relation to Resolution thirteen (13), the Committee has to state that they have had correspondence with the Committee on Union of the "Cumberland Presbyterian Church, Colored," and that their attention has been drawn by the Committee on Fraternity and Union of the Cumberland Presbyterian Church to the responsibilities which that Church has felt for said Colored Church. The attitude of the Joint Committees to this Colored Church was and is most fraternal, and it is believed that the Board of Missions for Freedmen and the Educational Society, both of which, after the declaration of Reunion and Union, will be agencies of this General Assembly, will be able to give adequate attention to the responsibilities of the Reunited Church for the colored Cumberland Presbyterian Christians. Resolution thirteen (13), if adopted, will require joint report by these two agencies to the Assembly of 1907, which can take such action as may appear to be proper.

TRUSTEES OF THE ASSEMBLY AND CORPORATE RIGHTS.—Your Committee was empowered to confer with the Trustees of the General Assembly in order to safeguard the corporate or property rights of the Presbyterian Church in the U. S. A. as a whole. The Trustees referred the matter to their solicitors, and these legal gentlemen drew up an opinion which was submitted to your Committee. From this opinion we quote as follows:

"The solicitors have not been advised as to the ecclesiastical effect of the proposed union of the Presbyterian Church and the Cumberland Church. It is a fact to be noticed, however, that these bodies were once united; they were disrupted; and they propose to unite. If the effect of this union be that the integrity of the organization of the Presbyterian Church shall be maintained and continued, and its doctrines, tenets and beliefs, as held in the years 1903, 1904 and 1905, be adhered to, the Cumberland Church becoming an integral portion of the Presbyterian Church, or merged into that body, then and in such case the property and various trusts which are held by the corporation of the Trustees of the General Assembly of the Presbyterian Church in the United States of America will not be affected or disturbed by such a union."

The Committee have also to state that it secured upon this subject of property rights and trusts the opinions of the legal

counsel of all the Boards of our own Church, and that these are in its possession. The counsel of the Boards located in New York advised that particular care be taken in the framing of the resolutions completing the Reunion and Union, so as to make it clear that the Presbyterian Church in the U. S. A. would continue its existence both ecclesiastically and legally, and that the Cumberland Presbyterian Church was reunited with and incorporated into said Presbyterian Church in the U. S. A. With this exception the opinions of the counsel of the Boards were all to the effect that no legal difficulties or obstacles existed in the way of the Reunion and Union of the two Churches. Further, it has been distinctly understood in all the joint meetings of the two Committees on Union that this particular union was a Reunion; that the continued ecclesiastical and legal existence of the Presbyterian Church in the U. S. A. was and is fundamental to the Reunion, and that the reunited Church would be the Presbyterian Church in the U. S. A. which existed in 1789, 1836, 1870 and 1903. It is believed that the continued ecclesiastical and legal existence of the Presbyterian Church in the U. S. A. has been acknowledged and secured by the resolutions of the Joint Report.

The Committee desires to make the additional statement, in connection with this matter, that it is impossible to assure the reunited Church against litigation. After consultation, however, with a number of prominent lawyers, it is believed that the reunited Church can be reasonably assured that litigation is not likely to be successful. Some legal gentlemen have questioned as to the constitutionality of the proceedings of both Churches in this whole matter of Union. Other questions affecting both Churches and their acts have been considered. To all matters submitted very careful attention was given by the Committees of both Churches, and legal opinions were secured upon all issues raised. These opinions were not of similar tenor, but the major part of them enabled the Committee to reach the conclusion that the only thing for the Churches to do is to go forward with this matter of Reunion and Union to completion. It is better for the Churches to reunite and risk litigation than to remain apart.

STEPS TO COMPLETE REUNION.—The Committee was instructed to ascertain the steps necessary to complete the Reunion and Union. The several steps are indicated clearly in the Joint Report, recommending the adoption by the two Assemblies of successive resolutions containing the following joint declarations and agreements, viz.:

1. A joint declaration that the standards of the Presbyterian Church in the U. S. A. have been constitutionally adopted by the Cumberland Presbyterian Church.
2. A joint declaration that said standards, upon the declaration of the Reunion and Union by the Moderators of the two

Assemblies, are obligatory upon the Cumberland Presbyterian Church in all its parts and as a whole.

3. The joint agreement that the General Assembly of the reunited Church to meet in the year 1907 is to be and will be the One Hundred and Nineteenth General Assembly of the Presbyterian Church in the U. S. A.

4. The joint agreement that all of the Presbyteries of the reunited Church are to elect Commissioners to the said One Hundred and Nineteenth General Assembly on the basis contained in the Form of Government of the Presbyterian Church in the U. S. A.

5. The joint agreement that all the Boards, Committees, Trustees and ecclesiastical agencies reporting to the General Assembly of the Cumberland Presbyterian Church are to report hereafter to the General Assemblies of the Presbyterian Church in the U. S. A.

6. The joint agreement that the consolidation of the Boards, Committees, Trustees and other ecclesiastical or corporate agencies of the Cumberland Presbyterian Church with the similar ecclesiastical or corporate agencies of our own Church shall be effected as soon as feasible, under the direction of the General Assembly of the Presbyterian Church in the U. S. A.

7. The joint agreement that all the Benevolent and Missionary Boards of the reunited Church are to carry on their work in harmony during the year 1906-07, report to be made by each of the said Boards to the General Assembly of 1907 of the Presbyterian Church in the U. S. A.

8. The joint agreement that the Stated Clerk of the General Assembly of the Presbyterian Church in the U. S. A. shall place the names of the Synods and Presbyteries connected with the Cumberland Presbyterian Church on the Roll of Synods and Presbyteries of the General Assembly of the Presbyterian Church in the U. S. A. of 1906, and shall make up the Roll of the Assembly of 1907, the said Stated Clerk to have the assistance in these matters of the Stated Clerk of the General Assembly of the Cumberland Presbyterian Church of 1906.

9. The joint agreement that a declaration of the Reunion and Union of the two Churches shall be promptly made by the Moderators of the two Assemblies of 1906, at such time in the sessions of the respective Assemblies as shall be determined upon by telegraphic messages duly transmitted and exchanged.

10. The joint agreement that after the declaration of Reunion and Union shall have been made, the Cumberland General Assembly shall adjourn *sine die*.

Such, concisely stated, are the steps needed to complete the Reunion and Union of the Cumberland Presbyterian Church with the Presbyterian Church in the U. S. A.

Before presenting the Joint Report your Committee gladly

acknowledges the delightful fellowship its members have enjoyed for more than three years with their brethren of the Committee on Fraternity and Union of the Cumberland Presbyterian Church. We have in truth dwelt together in unity. Our joint labors have been carried forward with faith towards God, and with brotherly affection towards one another. The object of our work has been the bringing together of long separated brethren, who, forgetting the things which are behind and reaching forth unto those things which are before, shall as one army of the living God press toward the mark for the prize of the high calling of God in Christ Jesus. In the hope that He who hath called us into an holy calling will bless our labors in their outcome, to the highest welfare of the reunited Church and to His own glory, we herewith submit the Joint Report of the two Committees on Reunion and Union.

JOINT REPORT ON REUNION AND UNION.

The Committee on Church Coöperation and Union of the Presbyterian Church in the U. S. A. and the Committee on Fraternity and Union of the Cumberland Presbyterian Church, earnestly recommend to their respective General Assemblies for adoption the following Preamble and Resolutions:

We recommend that the General Assembly of each one of the two Churches which shall convene in May, 1906, adopt the following preamble and resolutions:

WHEREAS, The Presbyterian Church in the United States of America and the Cumberland Presbyterian Church have from time to time since their separation made efforts looking toward reunion of the latter with the former Church; and

WHEREAS, The General Assembly of the Presbyterian Church in the United States of America which met in 1903, and the General Assembly of the Cumberland Presbyterian Church which convened in the same year, each appointed a Committee having in view a reunion and union of the said two Churches; and

WHEREAS, Said Committees, after conferring with each other, agreed upon a plan and basis of reunion and union of the Presbyterian Church in the United States of America and the Cumberland Presbyterian Church, and by a joint report presented the same to their respective General Assemblies which convened in 1904, and recommended its adoption; and

WHEREAS, The General Assembly of the Cumberland Presbyterian Church of 1904, by the constitutional two-thirds vote, adopted said report, including the plan and basis of reunion and union therein contained, and recommended and submitted said basis of reunion and union to the Presbyteries of the Cumberland Presbyterian Church for their approval or disapproval (*Minutes*, pages 30, 48 and 62a), as provided in the following resolutions:

Resolved, 1. That the foregoing Report and Supplemental Report of the Committee on Presbyterian Fraternity and Union, appointed by the General Assembly in 1903, be received and spread upon the *Minutes* of this General Assembly, and that the included Joint Report on Union be adopted; and that the Basis of Union be and is recommended to the Presbyteries of the Cumberland Presbyterian Church for their approval or disapproval.

Resolved, 2. That the Moderator and the Stated Clerk be instructed to submit the Basis of Union, contained in said report, to the Presbyteries of the Cumberland Presbyterian Church, in the usual constitutional manner, upon receiving official notification of the adoption of the said Joint Report on Union by the General Assembly of the Presbyterian Church in the United States of America.

The Plan or Basis of Union referred to in said resolutions is defined in Article I, Section 2, of the Joint Report on Reunion and Union, and was submitted to the Presbyteries of the Cumberland Presbyterian Church, as provided in Section 3, in the following words:

“Do you approve of the reunion and union of the Presbyterian Church in the United States of America and the Cumberland Presbyterian Church, on the following basis: The union shall be effected on the doctrinal basis of the Confession of Faith of the Presbyterian Church in the United States of America, as revised in 1903, and of its other doctrinal and ecclesiastical standards; and the Scriptures of the Old and New Testaments shall be acknowledged as the inspired Word of God, the only infallible rule of faith and practice? ”; and

WHEREAS, Each one of the one hundred and fourteen (114) Presbyteries of the said Church, except the Presbytery of Florida, did, before the 10th day of May, 1905, forward to the Stated Clerk of said General Assembly a statement of its action on said basis of reunion and union, which statements were submitted by the Stated Clerk to that Assembly; and

WHEREAS, Said General Assembly adopted the following resolution:

Be it *Resolved*, That this General Assembly does hereby find and declare that a constitutional majority of the Presbyteries of the Cumberland Presbyterian Church have voted approval of the reunion and union of said Churches upon the basis set forth in said joint report, and does find and declare that said reunion and union has been constitutionally agreed to by the Cumberland Presbyterian Church, and that the said basis of union has, for the purposes of the union, been constitutionally adopted (*Minutes*, 1905, pages 39 and 56); and

WHEREAS, The General Assembly of the Presbyterian Church

in the United States of America, at its sessions in 1904, also duly adopted said joint report, including the plan and basis of reunion and union therein contained, and did submit the basis of reunion and union to the Presbyteries of that Church for their approval or disapproval (*Minutes* of 1904, page 130), in the following words:

“Do you approve of the reunion and union of the Presbyterian Church in the United States of America and the Cumberland Presbyterian Church on the following basis: The union shall be effected on the doctrinal basis of the Confession of Faith of the Presbyterian Church in the United States of America, as revised in 1903, and of its other doctrinal and ecclesiastical standards; and the Scriptures of the Old and New Testaments shall be acknowledged as the inspired Word of God, the only infallible rule of faith and practice?”; and

WHEREAS, Two hundred and thirty-six (236) of the two hundred and forty-one (241) Presbyteries of that Church did each, before the 10th day of May, 1905, forward to the Stated Clerk of that Assembly a statement of its action on said basis of reunion and union, which statements were submitted by said Stated Clerk to the General Assembly of the said Presbyterian Church which convened on the 18th day of May, 1905; and

WHEREAS, That Assembly did adopt the following declaration, to wit:

“This Assembly having received and duly examined the vote of its Presbyteries on the basis of union of the Presbyterian Church in the United States of America and the Cumberland Presbyterian Church, does hereby find and declare that more than the required two-thirds majority of its Presbyteries have approved the basis of union submitted to them by the Assembly of 1904, to wit: ‘The union shall be effected on the doctrinal basis of the Confession of Faith of the Presbyterian Church in the United States of America, as revised in 1903, and of its other doctrinal and ecclesiastical standards; and the Scriptures of the Old and New Testaments shall be acknowledged as the inspired Word of God, the only infallible rule of faith and practice’; and that the Presbyterian Church in the United States of America has complied with all of the requirements of the plan of union adopted by the Assembly of 1904 (see joint report, *Minutes* of 1904, page 135 *seq.*), and this Assembly declares its readiness to take action accordingly”;

WHEREAS, The Moderator of said Assembly made the following declaration, to wit:

“I hereby declare that Overture No. 8, sent down by the Assembly of 1904 to the Presbyteries, in the form set forth at pages 119 and 136 in the *Minutes* of said Assembly, has been adopted by more than the required two-thirds vote in the affirmative, and accordingly constitutes the basis of the proposed union between

our Church and the Cumberland Presbyterian Church, according to the plan adopted by the Assembly of 1904" (*Minutes* of 1905, page 67); and

WHEREAS, Official notice has been given to each Assembly of the action taken by the other Assembly, as hereinbefore recited, which notice has been officially acknowledged; Now, therefore, be it
Resolved, 1. That the effect of the above-recited actions is:

(a) That the Confession of Faith of the Presbyterian Church in the United States of America, as revised in 1903, and its other doctrinal and ecclesiastical standards, have been adopted by the Cumberland Presbyterian Church, in accordance with its Constitution and in conformity with said plan and basis of reunion and union.

(b) That said joint report, including the plan and basis of reunion and union, concurrent declarations and recommendations therein contained, have been adopted by the constituted authorities and in conformity with the organic law of both of said Churches.

(c) That the reunion and union provided for in said joint report and in the basis of reunion and union has been agreed to by the constituted authorities and in accordance with the organic law of both of said Churches, and is binding and will become fully effective and operative when and as hereinafter declared.

Be it further *Resolved*, 2. That immediately after the declaration hereinafter provided for shall have been made, said Confession of Faith and other doctrinal and ecclesiastical standards of the Presbyterian Church in the United States of America shall become effective and operative as to all of the ministers, elders, deacons, officers, particular churches, judicatories, boards, committees and all other ecclesiastical organizations, institutions and agencies of the Cumberland Presbyterian Church.

3. That after the General Assembly of the Cumberland Presbyterian Church, meeting in 1906, shall have adjourned *sine die* as a separate Assembly, the One Hundred and Nineteenth General Assembly of the Presbyterian Church in the United States of America, which shall be composed of representatives from all the Presbyteries of the reunited Church, shall, upon the dissolution of the General Assembly of the Presbyterian Church of the United States of America, meeting in 1906, be required by its Moderator to meet on the third Thursday of May, 1907, at 11 o'clock A.M., as provided for by the Form of Government of the Presbyterian Church in the United States of America. 7. *Resolved*, That the benevolent and missionary Boards connected with the Presbyterian Church in the United States of America, and the Boards now connected with the General Assembly of the Cumberland Presbyterian Church, after the consummation of the reunion and union, are authorized and directed to confer with each other with a view to carrying on their work in harmony with each other during the year 1906-7, full report to be made by each of the above Boards to the General Assembly of the Presbyterian Church in the United States of America of 1907.

WM. H. BLACK, *Chairman*.

In behalf of the Presbyterian
Committee,

WM. H. ROBERTS, *Chairman*.

The Committee respectfully informs the Assembly that should the preceding report on Reunion and Union be adopted by both Assemblies, and the Reunion and Union therein recommended be completed, it will present a supplementary Report.

The Committee, in closing its Report, places on record its gratification over the increasing acknowledgment in all Churches, and especially in the Churches of the Presbyterian family, of the spiritual unity of the universal Church of Jesus Christ and the obligations of Christian brotherhood. The historic position of our own Church from its establishment has been clear as to Church Unity. We have always maintained that the visible Church, which also is Catholic or Universal under the Gospel (not

confined to one nation, as before under the law), consists of all those throughout the world that profess the true religion, together with their children; and is the Kingdom of the Lord Jesus Christ, the house and family of God. Expressing the hope that there may be increasing acknowledgment by all Christians of the true nature of the Church Universal and action in accordance therewith, your Committee respectfully asks to be continued, with a view to rendering further service to the great Head of the Church, in the realization of His desire for His people "that they all may be one."

The Report of the Judicial Committee was made the Order of the Day for 9.45 o'clock to-morrow morning.

The Report of the Standing Committee on Young People's Societies was made the second Order for to-morrow afternoon.

The Assembly adjourned, and was closed with prayer.

FRIDAY, May 25, 9 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The Minutes of yesterday's sessions were read and approved.

The Committee to Canvass the Vote of the Presbyteries upon Overtures sent down by the Assembly of 1905 presented the following Report, which was adopted:

Your Committee has been appointed to canvass the written answers to Overtures sent down by the last Assembly to the Presbyteries. These Overtures relate to certain amendments to our Form of Government and Book of Discipline amendatory of the scheme or plan for Judicial Commissions, incorporated into the Book of Discipline and Form of Government by the adoption of Overtures relating thereto, Nos. 1-5, sent down by the Assembly of 1904 to the Presbyteries. The obligation to canvass this vote, to report such canvass to the Assembly, and to declare through the Assembly that it has been adopted as a part of our Standards, is not itself imposed by those Standards, but by the resolution of the General Assembly of 1891 (see *Digest*, ed. 1898, pp. 602-603).

This Assembly has already declared (see Minutes of Friday, May 18, 1906) in effect that such amendments (to any of our Standards since the Plan of Union and Reunion, embodying a Basis of Union, was crystallized as of the time it was agreed to by the two contracting Churches) would in the event of the consummation of organic union be no longer operative until and unless resubmitted to all the Presbyteries of the reunited Church.

The Overtures submitted to your Committee, and those adopted by the last General Assembly after canvassing the answers to the Overtures sent down by the Assembly of 1904, fall within this category, and organic Union having been consummated, it would be an idle form to proceed along the lines indicated by the resolution of the Assembly of 1891, above referred to, and your Committee accordingly recommend the adoption of the following resolutions:

Resolved, 1. That the report of the Stated Clerk referred to this Committee be spread upon the Minutes,* to preserve the

* See p. 154.

record of the affirmative action of a constitutional majority of the Presbyteries.

Resolved, 2. That your Committee be excused from making the convass, and the Moderator relieved from the duty of making an empty declaration, in view of this Assembly's above-mentioned action of May 18, 1906.

Resolved, 3. That in order to effectuate legally the Plan as to Judicial Commissions, so far acceptable to the Church, and sought to be completed and perfected by the amendments specified in the Overtures referred to this Committee, free from any question of breach of faith to the one hundred and fourteen (114) Presbyteries yesterday received into and now belonging to our Church, which did not have in contemplation these modifications of our ecclesiastical Standards when they assented to the Basis and Plan of Union and Reunion, this Assembly proposes to all the Presbyteries of the reunited Church, by Overtures appropriate thereto, the amendment of the Book of Discipline and the Form of Government so as to embody the result of affirmative action by our Presbyteries upon the Overtures, Nos. 1-5 inclusive, sent down in the premises by the General Assembly of 1904, as affected and supplemented by the Overtures, Nos. 1-4 inclusive, sent down by the General Assembly of 1905; and that the Stated Clerk be, and he hereby is authorized to prepare such Overtures and to send them down, prefaced by the inquiry, "Shall the Book of Discipline or Form of Government (as the case may be, with proper reference to the chapter and section) be amended, from the form in which it stood at the time the Basis of Union between the Cumberland Presbyterian Church and the Presbyterian Church in the U. S. A. was agreed to, so as to read as follows?"

Respectfully submitted,

HENRY W. JESSUP, *Chairman*;

JOHN F. HENDY,

GEORGE C. YEISLEY,

E. E. BAKER,

R. B. BRINTON.

The Overtures on Judicial Commissions referred to in the above Report are as follows:

Overture No. 1.—(a) Shall Chapter xiii of the Book of Discipline, entitled "Of Judicial Commissions," so far as it applies to Judicial Commissions of Presbyteries and Synods, be changed to read as follows:

118. A Presbytery or a Synod may elect from the ministers and ruling elders subject to its jurisdiction a Judicial Commission, which shall be composed of not less than seven members for a

Presbytery and not less than eleven for a Synod, a majority of which members shall be ministers. The electing judicatory may transmit to such Commission any judicial case for hearing and decision.

119. The Commission shall elect from its members a Moderator and a Clerk; and, in the case transmitted to it, shall have the powers prescribed by, and conduct its proceedings according to, the Constitution and rules governing the trial of such cases before the electing judicatory, to which, also, it shall make a report.

120. The quorum of the Commission shall consist of not less than two-thirds of the members elected to it, provided that at least one-half the quorum shall be ministers.

121. The meetings of the Commission shall be held at such times and places as the electing judicatory shall direct; or if no directions shall be given, then at such times and places as the Commission shall determine.

122. The decision of the Commission, sitting in any case at the same time as the electing judicatory, shall be promptly reported to the judicatory, and shall, from the time of the rendering of the report, be held to be the final judgment of the judicatory. The decision of the Commission, sitting in any case during an interval between the meetings of the electing judicatory, shall, from the time of the announcement of the decision, be held to be the final judgment of the judicatory.

123. The Clerk of the Commission shall keep a full and correct record of the proceedings and decisions of the Commission; shall with the Moderator certify in writing such record to be full and correct; and shall forthwith transmit a certified copy of the decision to each party in the case, and file the certified record with the Stated Clerk of the electing judicatory.

124. The Stated Clerk of the electing judicatory, upon the request of the Commission in any case, or upon its failure to report the certified record of such case when called for by the judicatory, shall forthwith report the certified record to the judicatory; and shall preserve it as a part of the records of the same, and shall include it in the records sent up to the next superior judicatory for review.

(b) In addition, and as a part of Overture No. 1, Shall Chapter ix of the Book of Discipline be amended by adding at the close of Section 94, pertaining to Appeals, the following provision, to wit:

When a judicial case has been decided by a Judicial Commission of an inferior judicatory, sitting during an interval between the meetings of the electing judicatory, an appeal from the judgment of such Commission may be taken and prosecuted before a superior judicatory, in the same manner as if the judgment had been rendered by the judicatory.

(c) In addition, and as a part of Overture No. 1, Shall Chapter x of the Book of Discipline, pertaining to Dissents and Protests, be amended by striking out in Section 107 the phrase "under the provisions of Section 120 of this Book," and by adding at the close of Section 107 the following provisions, to wit:

And *provided*, that when a case has been decided by a Judicial Commission, sitting during an interval between the meetings of the electing judicatory, any member of such judicatory or of the Commission may, within ten days after the rendering of the judgment by the Commission, file his dissent from or protest against the judgment with the Clerk of the Commission; and the Commission or any member thereof may, within twenty days after the rendering of the judgment, similarly file an answer to any protest; and the Clerk of the Commission shall enter upon the record all dissents, protests and answers, or shall forward the same to the Stated Clerk of the electing judicatory, to be so entered by him.

•

Overture No. 2.—Shall Chapter xiii of the Book of Discipline, entitled "Of Judicial Commissions," so far as it applies to Judicial Commissions of the General Assembly, be changed to read as follows:

II. CONCERNING JUDICIAL CASES IN THE GENERAL ASSEMBLY.

125. The General Assembly shall elect a Commission, which shall be called "The Permanent Judicial Commission of the General Assembly," and shall be composed of eight ministers and seven ruling elders, of whom not more than two shall belong to the same Synod. At the first election fifteen persons shall be elected, five to serve for one year, five for two years and five for three years, and thereafter five persons shall be elected annually to serve for three years. The terms of the members of the Commission shall begin with the close of the General Assembly at which they are elected. No person having served a full term shall be eligible for reelection to the term next ensuing. Any vacancy may be filled by the General Assembly at any meeting thereof by the election of a person for the unexpired term. If a vacancy shall occur during an interval between two General Assemblies, it shall be filled by appointment by the Moderator of the General Assembly until the next ensuing General Assembly. The General Assembly may transmit to this Commission any judicial case for hearing and decision.

126. The Commission shall annually elect from its members a Moderator and a Clerk, and, in the cases transmitted to it, shall have the powers prescribed by, and conduct its proceedings according to, the Constitution and rules governing the trial of such

cases before the General Assembly, to which, also, it shall make reports.

127. The quorum of the Commission shall consist of not less than eleven members, of whom at least six shall be ministers.

128. The meetings of the Commission shall be held at such times and places as the General Assembly shall direct, or, if no directions shall be given, then at such times and places as the Commission shall determine.

129. The decision of the Commission in any case shall be held to be the preliminary judgment in that case, and shall be binding upon each party therein until the date of the final judgment of the General Assembly; *provided*, that the General Assembly may modify or suspend the preliminary judgment in any case remitted by it for further hearing.

130. The Clerk of the Commission shall keep a full and correct record of the proceedings and preliminary judgment of the Commission in each case transmitted to it; shall with the Moderator certify in writing such record to be full and correct; and shall forthwith transmit a certified copy of the preliminary judgment to each party in the case, and file the certified record with the Stated Clerk of the General Assembly.

131. The Stated Clerk of the General Assembly, upon the request of the Commission or upon its failure to report the certified record of any case when called for by the General Assembly, shall forthwith report the certified record to the General Assembly, and shall preserve it as a part of the records of the same.

132. The preliminary judgment in any case may be reviewed by the General Assembly to which it has been reported, and may be affirmed, reversed, modified, suspended or remitted for further hearing. On such review, if the case be not remitted, the decision of the General Assembly shall be held to be its final judgment. If the case be not reviewed by the General Assembly to which it has been reported, or if it be reviewed and no decision be reached, then at the dissolving of the same the preliminary judgment of the Permanent Judicial Commission shall be held to be the final judgment of the General Assembly.

133. The necessary expenses of the Commission shall be provided for by the General Assembly

134. Nothing in this chapter shall be so construed as to prevent the General Assembly from electing, at its own discretion, Special Judicial Commissions, which shall be subject to the rules, so far as they apply, that pertain to the Permanent Judicial Commission.

Overture No. 3.—(a) Shall the following provisions be added to Chapter xiii of the Book of Discipline, entitled "Of Judicial Commissions," to wit:

III. CONCERNING NON-JUDICIAL OR ADMINISTRATIVE CASES AND REFERENCES.

135. A Presbytery or a Synod may transmit to any Judicial Commission elected by it any non-judicial or administrative case founded on complaint, or any reference, or any case arising under Chapter xiv of the Book of Discipline, entitled "Of Differences between Judicatories," with such powers as the transmitting judicatory shall confer upon the Commission.

(b) In addition, and as part of *Overture No. 3*, Shall Chapter x, Section viii of the Form of Government, pertaining to the Presbytery, be amended to read as follows:

VIII. The Presbytery has power to receive and issue *all* appeals, complaints and references *that are regularly brought before it* from Church Sessions, *provided that cases may be transmitted to Judicial Commissions, as prescribed in the Book of Discipline*; to examine and license candidates for the holy ministry; to ordain, install, remove and judge ministers; to examine and to approve or censure the records of Church Sessions; to resolve questions of doctrine or discipline seriously and reasonably proposed; to condemn erroneous opinions which injure the purity or peace of the Church; to visit particular churches for the purpose of inquiring into their state and repressing the evils that may have arisen in them; to unite or divide congregations, at the request of the people, or to form or receive new congregations; and, in general, to order whatever pertains to the spiritual welfare of the churches under their care.

(c) In addition, and as a part of *Overture No. 3*, Shall Chapter xi, Section iv of the Form of Government, pertaining to the Synod, be amended to read as follows:

IV. The Synod has power to receive and issue all appeals, *complaints and references* that are regularly brought *before it* from the Presbyteries, *and to decide finally in such cases all questions that do not affect the doctrine or Constitution of the Church, provided, that cases may be transmitted to Judicial Commissions as prescribed in the Book of Discipline*; to review the records of Presbyteries and to approve or censure them; to redress whatever has been done by Presbyteries contrary to order; to take effectual care that Presbyteries observe the Constitution of the Church; to erect new Presbyteries and to unite or divide those which were before erected; generally to take such order with respect to the Presbyteries, Sessions and people under their care as may be in conformity with the Word of God and the established rules and may tend to promote the edification of the Church; and finally, to propose to the General Assembly for its adoption such measures as may be of common advantage to the whole Church.

(d) In addition and as a part of *Overture No. 3*, Shall Chapter

ix of the Book of Discipline be amended by adding to Section 83, appertaining to Complaints, the following provision, to wit:

When a non-judicial or administrative case has been decided by a Judicial Commission of an inferior judicatory, sitting during an interval between the meetings of such judicatory, a complaint against the decision of the Commission may be entered and prosecuted before a superior judicatory, in the same manner as if the decision had been rendered by the inferior judicatory; and if at least one-third of the members of the Commission recorded as present when the decision was made join in such complaint, the execution of the decision of the Commission shall be stayed until the final issue of the case by the next superior judicatory.

Overture No. 4.—(a) Shall the following provisions be added to Chapter xiii of the Book of Discipline, entitled “Of Judicial Commissions,” to wit:

III. CONCERNING NON-JUDICIAL OR ADMINISTRATIVE CASES AND REFERENCES.

136. The General Assembly may transmit to any Judicial Commission elected by it any non-judicial or administrative case founded on a complaint, or any reference, or any case arising under Chapter xiv of the Book of Discipline, entitled “Of Differences between Judicatories,” with such powers as the General Assembly shall confer upon the Commission.

(b) In addition, and as a part of *Overture No. 4*, Shall Chapter xii, Section iv of the Form of Government, pertaining to the General Assembly, be amended to read as follows:

IV. The General Assembly shall receive and issue all appeals, complaints and references that affect the doctrine or Constitution of the Church, *and are regularly brought before it* from the inferior judicatories, *provided that cases may be transmitted to Judicial Commissions of the General Assembly, as prescribed in the Book of Discipline.* The General Assembly shall review the records of every Synod and approve or censure them; *it shall give its advice and instruction in all cases submitted to it*, in conformity with the Constitution of the Church; and *it shall constitute the bond of union, peace, correspondence and mutual confidence among all our churches.*

Overture No. 5.—Shall the Committee of the General Assembly to Supervise the Publication of the Editions of the Constitution make such changes in the numbering of the sections of the Book of Discipline as shall become necessary by the adoption of any of the four preceding Overtures (*Minutes*, 1904, p. 175).

Also *Overture No. 6*, on Constitutional Rule No. 3, as follows:

Shall Section 1 of Constitutional Rule No. III be amended so as to read (*amendments in italics*):

Every applicant seeking to be taken under the care of Presbytery as a candidate for the ministry shall file his application at least three months before the meeting of Presbytery, *addressing the same to the Chairman of the Education Committee of the Presbytery, in the care of the Stated Clerk, in order that the Committee may have ample time to make a careful investigation of his Christian character, physical and mental qualifications and his previous education*; and no person shall be received by Presbytery as a candidate for the ministry who has not been recommended by the Session of the church of which he is a member, under whose care he shall have been for a period of at least six months. *And no exception shall be made to this rule without a unanimous vote of Presbytery (Minutes, 1904, pp. 62, 63).*

The Reception of the Delegation appointed by the General Assembly of the Cumberland Presbyterian Church before its adjournment, on Thursday, May 24, was made the Order of the Day for 10.30 o'clock.

It was ordered that the afternoon session to-day be extended half an hour; and the Report of the Committee on the Next Place of Meeting was made the Order for 5 o'clock.

The following Resolutions were adopted:

WHEREAS, The Mormon Hierarchy claims the right and authority to make constitutions, presidents and kings, also asserts that there is no lawful or authorized government but the government of the Mormon priesthood; and

WHEREAS, Its teachers, claiming inspiration, declare that the government of the United States and all other governments must be uprooted; and

WHEREAS, Reed Smoot, claiming to be an apostle of Jesus Christ, with all authority, is living in harmony with this teaching, and in harmony with the Prophet, Seer and Revelator, Joseph F. Smith, and other apostles, who have sworn that they were violating the law of God and of the State of Utah; and

WHEREAS, These violators of law are a treasonable organization; therefore

Resolved, That as citizens of this government we earnestly petition the Senate of the United States to declare his seat vacant, and thus help remove this treasonable menace to our free institutions.

Resolved, That we urge all of our ministers to inform themselves of the treasonable teachings of the Mormon Hierarchy in reference to civil governments and citizen rights.

Resolved, That a copy of this action of the General Assembly of the Presbyterian Church in the United States of America, in session at Des Moines, Iowa, be transmitted to the Senate and to the President of the United States.

The Judicial Committee, through its Chairman, Rev. James M. Barkley, D.D., presented its Report, which was adopted, and is as follows:

The Judicial Committee respectfully reports felicitating the General Assembly on the evidence of peace within all our borders, as indicated by the fact that so few judicial cases have been brought to our attention. But two cases have been referred to this Committee, both purely administrative, and involving, therefore, no questions either of morals or of doctrine.

These cases are as follows:

Case No. 1, being a complaint of the Rev. James S. Malone against a decision of the Synod of Kentucky. We recommend that the complaint be dismissed.

Case No. 2, being a complaint of the Rev. John Fernie against an action of the Synod of North Dakota. It does not appear that the notice of the complaint has been served on the Stated Clerk of Synod as required. We therefore recommend the dismissal of the complaint.

In behalf of the Committee,

JAMES M. BARKLEY, *Chairman*.

The Standing Committee on Education presented a Report upon a paper referred to it, which was adopted, and is as follows:

The Committee on Education has carefully examined *Overtures 254 to 256*, from the Presbyteries of Corning, Dubuque and Iowa City, asking for a rule by which the Board of Education shall require a written contract to be made by all candidates under their care, which shall bind them to offer themselves to the Board of Home Missions or to the Board of Foreign Missions for a service of at least three years at a given salary. The Committee recommends that in view of the fact that the Board of Education has already made a detailed study of this general subject, the matter be referred to it, to make a report to the next General Assembly with regard to the practicability of the scheme.

The Committee on Bills and Overtures presented the following Report, which was adopted:

Your Committee on Bills and Overtures respectfully reports on *Overture No. 287*, being a Memorial from the Presbytery of Phila-

delphia, requesting that the effort being made to adequately endow the First Presbyterian Church of Philadelphia to insure its permanent preservation, be recommended to the interest and liberality of the church at large.

We recommend that the Assembly grant this request, for the reasons specified in the Overture, viz.: the First Church of Philadelphia was organized in 1698, in its building met the first Presbytery of our Church, and also for many years the General Presbytery, the General Synod and the General Assembly, and in 1870 the Reunion Assembly.

The following Resolution was adopted:

Resolved, That this Assembly deems it most fitting at the bicentenary of the First Presbytery in the United States to call the attention of churches and communicants to the work of the Presbyterian Historical Society. For fifty-two years it has been the repository of most valuable books, manuscripts, portraits and souvenirs that treasure for all students the history of all branches of the Presbyterian family in America. It does much to preserve and quicken interest in our history, and deserves the sympathy and support of all who love and would cherish the worthy deeds of our fathers.

In accordance with action previously taken, the Special Committee on Forms and Services was discharged, with the cordial thanks of the Assembly (see page 123).

The Standing Committee on Benevolence, through its Chairman, Rev. Samuel C. Gunn, D.D., presented its Report, which was accepted, and, after an address by Rev. William H. Hubbard, D.D., was adopted. It is as follows:

The Report of the Special Committee on Systematic Benevolence was placed in our hands for consideration.

1. From this excellent Report we learn with great satisfaction that the membership of the Church is marching steadily forward. In 1890, fifteen years ago, her membership was 775,903, and in 1905 1,115,662, making a gain during the fifteen years of 339,759, or a yearly average of 22,651. The Church has prayed, "Arise, O God, plead thine own cause!" Though she has to contend against many hindrances, yet we rejoice that in answer to earnest believing prayer and by faithful effort her cords are yearly lengthened and her stakes strengthened.

2. We learn that the income of the Boards of the Church from all sources indicates a remarkable steadiness from year to year. The Report says that \$3,838,308 seems like a large sum to be given to the missionary and benevolent causes represented by our Church, but we have a large constituency back of this giving, and

we all recognize the fact that the 1,100,000 communicants might have done better. The past year marks an era in our beneficences. The aggregate income of the Boards passed the \$3,000,000 mark. We may rest assured that many gave out of their deep poverty, and that cheerfully, to the Lord's cause. We are called upon to exercise self-denial and to make sacrifices for the sake of Him who gave Himself an offering and a sacrifice of a sweet-smelling savour unto God on our behalf. If the membership of our Church realized more fully that they are not their own, that they were bought with a price, that all they possess belongs to God, and that they are but stewards, the income of the Boards would be much larger, and hundreds of thousands who are ready to perish for lack of the Bread of Life would be in possession of it, and joy would be brought to their hearts.

3. In the Report we are informed that one of the most important sources of income is that derived from legacies. Last year the large sum of \$538,112 was derived by the Boards from this source. We note with satisfaction that many who remembered our Boards in their last wills and testaments have contributed liberally during life, out of love to God, the Giver of all good. May we not say, "This they ought to have done"? And we are certainly pleased that they did not leave the other undone.

4. In the Report we are also informed that the income from church offerings is so steady that it can be determined in advance within a few thousand dollars what the Boards may reasonably expect to receive during the year. It seems to us from this statement that a considerable number of our churches can be depended upon in the matter of giving for the support of the missionary enterprises of the Church. Would that it were true of them all. We believe if proper methods were adopted, and systematic and proportionate giving were inculcated in all our churches, it would be true of a much larger number, and even a higher mark than that of the past year would be reached. In this age of progress, let all study the best methods to increase the contributions of the Church, put them into practice where they are not already used, and pray for a revival in the Church in this grace.

5. In the Report there are carefully prepared columns of figures on several subjects to which we call attention, and that are worthy of due consideration. From the Report and other sources we learn of large accessions to many of our churches. May we not reasonably expect that the funds necessary for the support of these churches will be greatly augmented, and that the contributions to the missionary and benevolent work of the Church will also be proportionately increased? Sometimes the officers of local churches and others are disappointed in this reasonable expectation, and this may arise in part from the fact that the

attention of the new members is not called to their duty and privilege in the matter of giving, and that envelopes are not placed in their hands in which they can place their offerings each Lord's Day, in connection with each service of the Church, in the contribution boxes or plates as they are passed around. Great care should be taken on the part of the pastors, and all religious teachers in every department of the Church's work, to teach the young, nay more the whole people, that giving is an act of worship. In some churches while the offering is secured the choir or some member of the church sings, as if the time spent in taking up the offering was otherwise of no account. Let all who come into her courts bring an offering and worship the Lord in sincerity.

The following recommendations are presented for adoption:

1. That the Sessions of all of our churches be reminded of their responsibility in connection with the stimulation and systematic development of Church benevolences, and be urged to devise and faithfully carry out some plan of annually canvassing the entire constituency of each church, for offerings in aid of all authorized missionary and benevolent causes of the Church.

2. That the Assembly's Special Committee on Systematic Beneficence be authorized to communicate this action to each of the Presbyterial Committees on Systematic Beneficence, and that these in turn be instructed to send a similar communication to each of the Sessions within the bounds of their respective Presbyteries.

3. That the faithfulness of the Synodical Committees on Systematic Beneficence in urging the claims of Systematic Beneficence upon Presbyteries and Sessions within their respective jurisdictions be heartily commended, and they be requested to coöperate in all possible ways with the General Assembly's Committee in carrying out the instructions of the foregoing resolutions.

4. That the Sessions of our Church make a larger use of the literature prepared by the several Boards of the Church and the Committee on Systematic Beneficence, for general distribution among members of their congregations.

5. That the Sessions of our Church make use of some form of the envelope system in taking offerings for the Boards of our Church.

6. That the membership of our Church be affectionately urged to set apart a definite portion of their income as well as a definite portion of their time for the Lord's work.

7. That the Committee be authorized to continue to send out free, on request of pastors and church Sessions, leaflets on systematic giving, subscription blanks and envelopes.

8. That the Finance Committee of the Assembly consider the appropriation of a sum not exceeding \$1,000 for the work of the Committee.

9. That the Committee on Systematic Beneficence be continued to consist of: *Ministers*—David G. Wylie, D.D., William H. Hubbard, D.D., George P. Williams, Chalmers Martin, C. T. Shaw, William R. Richards, D.D., William P. Finney, Charles E. Bronson, D.D.; with *Ruling Elders*—John Sinclair, W. L. Amerman, John Stewart, W. W. Smith, Laird H. Simmons, H. B. Silliman, H. C. Olive.

Respectfully submitted in behalf of the Committee,
SAMUEL C. GUNN, *Chairman*.

The Committee on Benevolence also presented the following Supplementary Report, which was adopted:

Overtures Nos. 238 and 239, from the Presbyteries of Platte and St. Louis, on offerings for all the Boards of the Church by Home Mission churches, were referred to the Committee for consideration. It is recommended that no action be taken, as it is not expedient and it is probably not competent for General Assembly, to make any requirement in regard to the gifts of churches receiving aid, which is not made of churches not receiving aid.

The Special Committee on the Reprinting of the *Minutes* presented a Report, which was adopted, and is as follows:

The Special Committee on the Reprinting of the *Minutes*, consisting of the Stated and Permanent Clerks, reports progress in the work of inquiry as to the existence of early documents which may be of value in connection with the Records of the Church, and asks to be continued.

Respectfully submitted,

WM. H. ROBERTS,
WM. B. NOBLE.

The Special Committee on the Digest presented a Report, which was adopted, and is as follows:

The Special Committee on the Digest of the Acts and Deliverances of the General Assembly reports that the work of compilation, with a view to a new edition, is being carried forward in the office of the Stated Clerk, according to the directions of the Assembly.

Respectfully submitted,

WM. H. ROBERTS,
WM. B. NOBLE.

The Special Committee on Editions of the Constitution presented a Report, which was adopted, and is as follows:

The Special Committee on Editions of the Constitution reports that the Board of Publication and Sabbath-school Work

has issued during the year, under the supervision of the Committee, a new edition of the Constitution.

WM. H. ROBERTS,
WM. B. NOBLE,
E. R. CRAVEN.

The Special Committee on New York University presented a Report, which was adopted, and is as follows:

The deputation appointed by the Assembly of 1905 to the Seventy-fifth Anniversary of the New York University respectfully reports as follows:

The General Assembly of 1905, having been informed that the New York University was to celebrate, in October of that year, its Seventy-fifth Anniversary, and having recognized the fact "that this institution is notable among the Universities situated in our chief cities for its large indebtedness for existence and maintenance to members of the Presbyterian and Reformed Churches," expressed its appreciation of the splendid record already made by the University, and bade Chancellor MacCracken and his associates Godspeed as they uphold the high standard of education under Christian auspices in our metropolis.

The Assembly also appointed the following deputation to represent the Presbyterian Church in the U. S. A. at the approaching celebration and to convey to the University authorities the congratulations of the Assembly: Rev. James D. Moffat, D.D., LL.D., Hon. John M. Harlan, LL.D., Rev. W. H. Roberts, D.D., LL.D., Rev. John Bancroft Devins, D.D., and the Hon. M. Linn Bruce.

Correspondence was had with the officers of the University, and we were informed that the University Council had decided that it would be wise to postpone the Anniversary until the year 1910. The Chancellor of the University informed the Chairman of this postponement, and also expressed the hope that the General Assembly would renew the appointment of the deputation for that year.

Respectfully submitted,

JAMES D. MOFFAT, *Chairman.*

The Special Committee on Presbyterian Work in Europe presented a Report, which was adopted, and is as follows:

Your Committee has confined itself during the past year to the fostering of the American Evangelical Church at Frankfort-on-the-Main, Germany. Preaching was begun there July, 1904, and the devoted members of the American Colony have never failed since that time to hear the Gospel preached in their own tongue every Lord's Day. The Rev. Ernest W. Shurtleff, D.D., took charge in April, 1905, and succeeded in organizing a Union Evan-

gelical Church of twenty-three members last December. Many difficulties were encountered, one of them being that the laws of Germany do not recognize independent communions, and such cannot incorporate. But the work has the sympathy of the large German-American element in Frankfort, and is being supported heroically by the American Colony. The attendance Sunday mornings averages fifty-five, the services being held in the Hotel Imperial.

The Rev. Dr. Shurtleff was called from Frankfort in December to take charge of the work among the art students in the Latin Quarter of Paris. In March, 1906, your Committee was fortunate in securing the services of the Rev. Jesse R. Ziegler, the successful pastor of the Presbyterian Church of Lock Haven, Pa. Mr. Ziegler is now at Frankfort, and the prospects are bright for a prosperous year.

We have encountered great difficulty in enlisting the interest of churches and individuals in this worthy enterprise. The raising of six hundred dollars to supplement the contributions of the Colony has consumed an amount of time and energy entirely disproportionate to the small amount secured. The crying need at Frankfort is a modest church building. The Church will be unable to do her best work until she can move from the hotel to a church edifice. Must Frankfort wait, like Berlin, for forty years before securing an American house of worship? One thousand dollars has been raised this year by the people of Frankfort towards a building lot.

A flourishing American Colony is found in Florence, Italy, during the winter months. Its leaders are looking forward to the opening up of American services from October to June. Shall the Assembly instruct us to open the work in Florence if the way be clear?

Your Committee was given authority "to take steps looking toward a continuous and organized work in behalf of the American Colonies in the cities of Europe," report to be made to this Assembly. The isolated and meagrely supported American churches and preaching stations at Paris, Berlin, Leipsic, Frankfort and The Hague must depend for a considerable portion of their support upon unrelated and often haphazard methods of solicitation and appeal. Will not the time soon come when the American Church will seriously address herself to the merging of these independent interests into one well-sustained and thoroughly equipped enterprise? The Free Church of Scotland has forty-five preaching stations in Europe and spends seventy-five thousand dollars a year upon them. And yet American tourists and colonists far outnumber the Scotch in the countries of Europe. It is a useless task to provide mere summer supplies for the average American summer tourist. It is unfortunately true that while in Europe he

wishes to be sight-seeing or resting, and not worshipping, on Sunday. But the increasing number of Americans making their homes in the cities of Europe should challenge the earnest attention of the American Churches. The Western Section of the Alliance of the Reformed Churches at its meeting in Philadelphia the past month, April, 1906, discussed this question after a strong appeal by the Rev. Dr. James F. Dickie, of the American Church at Berlin, and appointed a Committee to consider ways and means. While the task of coördination is exceedingly delicate and difficult, owing to its being neither Home nor Foreign Mission work, and undenominational at that, we believe that, if continued, this Committee will be able to present to the next Assembly a practical plan of support and oversight.

English-speaking services at The Hague were carried on last summer by the Reformed Church in America, with an attendance of from forty to fifty-two. The Rev. Dr. James I. Good expects to open these services this year also from June to October inclusive.

Your Committee deems it important to call the attention of the Assembly to the status of Protestantism in Europe as affected by the political and social changes of the past year or two.

In France the disestablishment of the Roman and Protestant Churches will deprive the Calvinistic and Lutheran bodies of an annual grant by the State of three hundred and twenty thousand dollars, the Reformed Church losing by far the greater share. But the cause of true religion will in the end be strengthened. Hundreds of priests are turning away from Rome, many of them becoming Protestants and entering Protestant homes for priests. The political reaction against the Roman Church in France is a heavy blow to the power of the Vatican and the great opportunity of Protestantism. The Reformed Churches of France at this critical time need the prayers of all Christians and the active support and sympathy of the American Churches. The Huguenot Churches will be struggling for the next few years for financial footing. If they should appeal to us to assist them in saving from annihilation their marvelously successful missionary work in Zambesi and Madagascar we should be ready to stand behind them.

The Waldensian Church, numbering more than one hundred thousand adherents, has been crippled in its resources through the failure of the Scotch Church to contribute to its maintenance as in past years. This noble communion, whose foundation stones were cemented by the blood of martyrs as noble as any the Church of Christ has produced, makes an appeal in this time of her critical need that should not fall on deaf ears.

The Protestant revival in Austria is a movement for which the Reformed Churches should offer up fervent thanks and

prayers. "Loose from Rome" has been the watchword, a thought that struck fire in the Austrian Parliament of 1898. Over thirty thousand Austrians have shaken off the shackles of Rome and attached themselves to the Protestant Churches of Austria. Beginning as a political policy, this movement has providentially issued in a mighty religious awakening.

In this year of grace, when England, Wales, Australia, Canada and the United States have seen kindled here and there the watch-fires of a new evangelism, and have felt in the cities the strong pulsations of revival power, shall we not lift up our eyes to those places whence our fathers came, and pray and work for the evangelization of those nations where rationalism, infidelity, papacy and absolutism have held sway for a thousand years? May it not be that God has been preparing the younger nations for a combined movement upon the continent of Europe in the name of Jesus Christ? We are inclined to think the world will be won when America is won, or when China or India or Africa are won; but the world will not be won until Europe, the mother of nations, has been dominated by Apostolic Christianity and yielded her balance of power to the King of Kings.

Your Committee would report the resignation of the Rev. Campbell Coyle, D.D., of Toledo, Ohio, and the appointment of the Rev. C. T. Edwards, D.D., of Portville, N. Y.

Respectfully submitted in behalf of the Committee,
JOSEPH W. COCHRAN, *Chairman*.

The Committee was continued, and consists of: *Ministers*—Joseph W. Cochran, D.D., S. S. Palmer, D.D., and C. T. Edwards, D.D.; *Ruling Elders*—Edward O. Emerson and Edward C. Stringer.

After a cordial handclasp by the two Moderators, Drs. Corbett and Landrith, Dr. Corbett led the Assembly in a prayer of thanksgiving.

The Stated Clerk was authorized, in making up the Roll of the Presbyteries and Synods, where two of the same name occurred, to append the letter "A" to those formerly connected with the Cumberland Presbyterian Church.

The Committee on Church Coöperation and Union presented the following supplementary Report, which was adopted:

WHEREAS, Some discussion has arisen in regard to the relations that may be hereafter established between the Theological Department of Cumberland University and the General Assembly of the Presbyterian Church in the U. S. A.; therefore,

Resolved, That the Committee on Church Coöperation and Union of the Presbyterian Church in the U. S. A. and the Committee on Fraternity and Union of the Cumberland Presbyterian Church recommend to the General Assembly of the Presbyterian Church in the U. S. A. of 1906, that it recommend to the General Assembly of the Presbyterian Church in the U. S. A. of 1907, that in accordance with the provisions of Concurrent Declaration No. 6 (see *Minutes*, 1904, page 138), it adopt the following paper as a settlement of the matter, viz.:

Upon the Trustees of Cumberland University so changing their charter, as amended in 1903, as to use the words "Presbyterian Church in the U. S. A." instead of "Cumberland Presbyterian Church," then the charter of said University, as amended in 1903, shall be accepted as the law defining the relations of the Theological Department of said University to the General Assembly of the Presbyterian Church in the U. S. A.; and thereafter it is to be a Theological School of the said Church, and its faculty and students entitled to full and equal recognition with those of all other Theological Schools of said Church; and said Theological Department shall not be separated from Cumberland University without the consent of the Trustees of said Cumberland University.

The Trustees shall require the Professors hereafter elected in the Theological Department, before assuming their duties, to adopt the Confession of Faith of the Presbyterian Church in the U. S. A., as containing the system of doctrine taught in the Holy Scriptures. At least two-thirds of the members of the Board of Trustees of Cumberland University shall be at all times members of the Presbyterian Church in the U. S. A.

In behalf of the Committee,

WM. H. ROBERTS, *Chairman*;

WM. H. BLACK, *Chairman*.

The following was adopted:

Resolved, That the hearty thanks of the General Assembly are due and are hereby tendered to the members of the Committee on Church Coöperation and Union, and especially to its Chairman, our honored and beloved Stated Clerk, and also to the members of the Committee on Fraternity and Union of the Cumberland Presbyterian Church, for the painstaking, business-like and gracious manner in which they have conducted the long-continued and delicate negotiations so happily consummated in the recent action of the two General Assemblies; and that we assure them of our heartfelt appreciation of their fidelity and success.

The following telegram was sent to the General Assembly of the Presbyterian Church in the United States, Rev. James M. Barkley, D.D., having been requested to unite with the Stated Clerk in sending it:

DES MOINES, IOWA, May 25, 1906.

*To the General Assembly of the Presbyterian Church in the U. S.,
Greeneville, S. C.:*

With deep gratitude to God for His guidance in the matter, the Presbyterian Church in the U. S. A. announces the completion, at noon to-day, of the Union with the Cumberland Presbyterian Church, in the reception by our Assembly of the fraternal Union Delegation appointed by the Cumberland Assembly previous to its final dissolution.

WM. H. ROBERTS, *Stated Clerk*;

J. M. BARKLEY.

The Stated Clerk was authorized to send notice of the consummation of the Union to all the bodies with which our Committee on Church Coöperation and Union are in correspondence, and to the General Assembly of the Canadian Presbyterian Church.

The Members of the Delegation just received were invited to the privileges of the floor and platform during the remaining sessions of this Assembly.

The Report of the Standing Committee on Church Erection was made the second Order for this afternoon, and the Report of the Standing Committee on Young People's Societies the third Order.

The Assembly took recess, and was closed with prayer and the benediction by Rev. Ira Landrith, LL.D., Moderator of the General Assembly of 1906 of the Cumberland Presbyterian Church.

FRIDAY, May 25, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Committee on Bills and Overtures presented the following Report, which was adopted:

WHEREAS, The Presbytery of New York, at its meeting in February, 1906, adopted the following resolutions:

The Presbytery of New York having learned with deep interest of the effort now being made to secure an adequate endowment for the First Presbyterian Church of this city; it is

Resolved, That we should regard with sorrow and dismay any proposal to move our Mother Church from its present commanding position. The beauty and dignity of its architecture make it a civic monument which should by all means be preserved, while its significance as a silent witness for the truth and as a house of prayer for all people can scarcely be overestimated.

To suffer this beautiful house to fall would be a public calamity and a reproach to the Presbyterian Church.

THEREFORE, Presbytery, now sheltered by its roof, most heartily endorses the effort to secure such endowment as will make it possible to maintain and extend the work of this Church according to the demands of the time and of the field.

AND WHEREAS, The Assembly has approved the similar effort to give permanence to the work of the First Presbyterian Church of Philadelphia, similarly situated; therefore,

Resolved, That the Assembly approves such movements to maintain our historic landmarks, and commends the effort to insure the permanence of the First Presbyterian Church of New York City.

A telegram was received from the General Assembly of the Presbyterian Church in the United States, and was referred to the Standing Committee on Home Missions.

The Standing Committee on Temperance, through its Chairman, Rev. E. Trumbull Lee, D.D., presented its Report, which was

accepted, and, after an address by Rev. J. M. Fulton, D.D., Secretary of the Committee, was amended and adopted. It is as follows:

Your Committee has examined the Annual Report of the General Assembly's Permanent Committee on Temperance. The Report marks the completion of twenty-five years of earnest and aggressive work, consists of thirty-eight pages, and is divided into the following subjects:

1. The march of progress.
2. The history of the work.
3. A question, Does it pay?
4. Our resources.
5. Questions answered.
6. A real church federation convention.
7. The duty of the church.
8. The burden of the curse.
9. The traffic the enemy of labor.
10. The traffic the friend of crime.
11. The traffic an organized foe.
12. The field in general.
13. How we stand.
14. A supplement dealing with the teaching of temperance in the schools.
15. Finance: A. Itemized account; B. General account; C. A statement of expense; D. Balance on hand.

The past achievements have been notable. The present outlook is encouraging. The prospect is promising. The temperance forces are organized, some of which are:

Good Templars.

The Prohibition Party.

The Inter-Collegiate Prohibition Association.

The Anti-Saloon League.

The National Temperance Society.

The International Reform Bureau.

The Young People's Christian Temperance Union.

The National Christian Temperance Union.

The Woman's Temperance Committee of the Presbyterian Church of the Synod of Pennsylvania and this Committee, whose work for another year is before us in the report.

This organization of the temperance forces is made necessary by the thorough organization and aggressiveness of the liquor traffic. That traffic has brains directing it, capital to carry it on, and a coöperation that commands watchfulness on our part, employs the printing press with discriminating intelligence and sends its awful literature everywhere. The emissaries of the traffic are active and animated by commercial enterprise that is merciless and menacing to the highest welfare of the nation.

This report of your Permanent Committee speaks very sensibly

on page 8 of the necessity of a real Church federation in the interests of temperance. Such a federation would be composed of the various denominational Committees or representatives, and other agencies similar to our own Committee, each under ecclesiastical authority and direction, and yet all moving forward as one body in the execution of such administrative methods as might approve themselves generally to the Churches. Such a federation of temperance effort would do much to make the Churches act as one compact body in the aggressive warfare which each denomination is making on this unholy business.

The Committee is greatly encouraged by recent decisions of the United States Supreme and State Courts, and also this encouragement is brighter by the action of insurance societies, beneficial orders, industrial and traffic companies, educators, boards of health, labor organizations and churches generally in favor of those who abstain from indulgence in the drinking of alcoholic beverages.

Legislatures have made progress in enacting helpful laws, and a public sentiment hostile to the traffic has grown to such an extent as to render the statement in the report possible that a little more than one-half the entire area of the United States is free from the legalized saloon, and that 33,000,000 of our people live under prohibitory laws.

Your Committee would acknowledge with gratitude that the Board of Publication has made an appropriation of \$1,000 for the publication of temperance literature. This is a great help to the Permanent Committee and is deeply appreciated by it.

Your Committee believes that the Permanent Committee of the Assembly is a strong agency of power to enable our beloved Church to achieve notable triumphs in this unceasing warfare on intemperance.

Your Committee submit the following recommendations for adoption:

1. That the books and Treasurer's report, which we have examined, having been found correct, be approved by the Assembly.

2. That the following gentlemen, whose term of office expires, be elected by the Assembly to succeed themselves, namely: Rev. John F. Hill, D.D., Rev. Edwin R. Worrell, Mr. William R. Zeigler, O. L. Miller, M.D., and that the vacancy caused by the death of Mr. Thomas McFadden, Jr., be filled by the election by this Assembly of Mr. Graham S. Wells, of Pittsburgh, Pa.

3. That the license system is wrong in principle, is contrary to the Gospel of our Lord Jesus Christ, and has proven futile in practice as a temperance measure.

Our members are hereby warned most solemnly against signing or presenting for citizens' signature, or in court, license petitions which tolerate the continuance of this unholy traffic, or in any

other manner abetting this terrible business. This Assembly is unalterably opposed to the license system.

4. Certain funds are sent from churches to the treasurers of our Boards, to be divided by them among the Boards according to the ratio established by a former Assembly. These are called "undesignated funds," because no particular object is named for their application.

It is recommended that of these undesignated funds one per cent. (1%) shall first be set aside for the Permanent Committee on Temperance, and that the balance, that is ninety-nine per cent. (99%), remaining be divided among the Boards according to the established ratio already referred to.

5. That this Assembly protests against the issuance of Federal tax receipts (construed by the holders as licenses) to sell liquor in States or communities where prohibitory legislation has been enacted.

And the Permanent Committee is instructed on behalf of this Assembly to memorialize Congress, asking that such receipts be no longer issued in such States or communities.

6. That this Assembly recommends that the last Sabbath in October be observed as Temperance Day in our churches, Sabbath-schools and Young People's Societies, and that so far as practicable offerings be taken at that time for the temperance work under the direction of the Assembly.

7. That the Permanent Committee be instructed to prepare an order of service for the use of Sabbath-schools and Young People's Societies on Temperance Day.

8. That the plan of Federation of Churches on temperance work, as outlined in the report of the Permanent Committee, is approved, to wit: "That the proper officials of one denomination shall issue an invitation to all other denominations to appoint the delegates to a National Inter-Church Conference to consider the feasibility of a Church Temperance Federation. When these delegates have formulated and agreed upon a basis of federation, and this basis shall have been ratified by the participating Churches, it shall then become operative. The Churches through their proper authorities will appoint or elect the officers of the Federation, according to the terms of the agreement. The Federation will be controlled and supported by the constituent Churches, and have such departments and pursue such lines of work as shall have been agreed upon in the Articles of Federation." "Any Church may pursue other lines of work, or adopt any policy which is not contrary to the spirit of the Federation."

9. That this Assembly calls attention to the temperance literature of the Permanent Committee (furnished without charge upon request), and to its Annual Report, which may be used as a valuable compendium of information; and also urges churches and

Sabbath-schools to make liberal distribution of the same for the purpose of creating temperance sentiment.

10. That in view of the large and rapidly increasing demand for temperance literature, the advisability of a monthly *Bulletin* of temperance facts and progress, the urgent calls from churches, Presbyteries and Synods for the services of the Committee's representatives, and to enable the Committee to conduct the temperance work of our Church on a scale commensurate with its importance, the Permanent Committee be recommended to the churches for the sum of \$25,000.

The following Resolution was offered and adopted as an amendment to the Report of the Committee on Temperance:

That inasmuch as it is the instruction of science that the use of tobacco is injurious, especially to the young, we urge our ministers and elders, both by precept and example, to discourage its use in any and all forms.

Respectfully submitted,

E. TRUMBULL LEE, *Chairman.*

The Standing Committee on Church Erection, through its Chairman, Rev. S. E. Wishard, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Rev. Anson P. Atterbury, D.D., Rev. D. J. McMillan, D.D., and Mr. Thomas H. Dickson, was adopted. It is as follows:

Your Committee, to which has been referred the report of the Board of Church Erection covering its work for the year ending March 31, 1906, would report as follows:

We have been deeply impressed with the great importance of this work. Since its inauguration by the Old School Assembly in the year 1844, it has been steadily growing in practical efficiency and in far-reaching results. We venture to say that without the work which the Board of Church Erection has done during these years, the Church whose Two Hundredth Anniversary we celebrate at this Assembly would be now but comparatively small, and with but limited contributions flowing to the support of its Boards and its work at home and abroad. This Board builds the material platform on which the rest of the work of our Church stands.

The Board of Church Erection reports this year substantial advancement at every point. The past year has been the greatest in its history.

Your Committee would call special attention to the admirable business methods adopted and enforced by the Board. Its policy is clearly defined (page 13)—to help principally feeble churches erect inexpensive buildings, mostly in the West. But the combination of general contributions, invested trust funds for specific objects, manse as well as church building, mortgage opera-

tions, insurance and loan transactions introduces a bewildering complexity into management and account keeping, the mastery of which by the Board commands our highest approval.

In addition to receiving and disbursing the contributions, which is a small part of its work, and correspondence involving many thousands of letters, it holds hundreds of active mortgages securing loans, many of them bearing interest, the interest and installments upon which must be annually collected; it holds more than 4,500 insurance policies to the amount of about \$2,500,000, which must be renewed and premiums collected at stated periods; it draws up and executes hundreds of legal instruments, such as deeds, releases, assignments, etc.; it holds, in addition to its active mortgages as above, about 4,000 liens upon churches, securing grants, of which a number each year must be enforced; it conducts correspondence as to architectural designs and furnishes plans every year to numerous churches, and much else.

In this work of conserving the best interests of the Church in these widely scattered properties is involved the larger part of the expense of the Board's administration.

Your Committee notes with gratification the fact that aid to the extent of more than \$40,000 has been given during the year, either by loan or grants, to churches in the building of manses, a work which we desire to commend and urge upon the attention of the Church. The value of a manse to a congregation is twofold. It not only provides a home for the pastor and his family, thereby relieving him from anxiety and expense, but it enables weak churches to secure stronger men than they otherwise could, and tends also to insure more permanent pastorates. The funds now at the disposal of the Board for this worthy purpose, while not sufficient to meet the many demands upon them, have nevertheless by wise management been the means of enabling many congregations to secure comfortable and convenient dwellings for their ministers.

Your Committee is fortunate in having in its membership an elder of experience in book-keeping matters. We requested him to examine critically the accounts of the Board as presented in its report, with reference to method, accuracy and clearness. It gives us great satisfaction to be able to report that while the accounts of the Board are elaborate and comprehensive, they are so simple and explicit that they are readily understood, and are in themselves a splendid exhibition of the care and economy with which the finances of the Board are managed. The funds of the Board have now increased to the sum of \$663,200; in addition to which the Board has a reversionary interest in various church properties amounting to \$2,484,000. It is difficult, owing to the various interests involved, to estimate accurately the cost of

administration; but basing such an estimate upon the receipts and disbursements of the past year, the expenses have been only 2.7 per cent. of the actual amount of funds handled.

It is an encouraging fact that the appropriations of this past year have reached thirty-six States and Territories, besides Cuba and Porto Rico, and have included 116 Presbyteries, thus extending over four-fifths of the United States and touching nearly one-half of our Church sections. The advance into Cuba and Porto Rico is especially interesting and suggestive; it proves that our Church is at least making an earnest effort to rise to the call of Divine Providence in these new political relations.

As to the outlook, your Committee, with the Board, shares hopes and apprehensions. The marked advance in the growth of our Church during the past years will evidently continue. Applications for grants are increasing in number, in connection with the work of the Board of Home Missions in Cuba and Porto Rico. Much help will be needed in housing the young and rapidly growing Protestant congregations. The California catastrophe has thrown a heavy burden upon this Board in demands for aid in replacing church buildings that have been destroyed. And indefinite possibilities of usefulness loom before the Board in connection with the union with the Cumberland Church.

The opportunities will be large; the work will be limited only by the resources supplied by the churches. There seems to be some inclination to make the annual contribution for this Board one of the last and least to be taken in our churches. Churches and Sunday-schools contributed during the last year only \$59,-766.04. Your Committee would urge the pastors and elders here assembled to lay this matter closely to their hearts, and to spread through the churches a sense of responsibility, which shall stimulate to larger contributions and more general response to the call of Christ through this Board.

We present the following recommendations for adoption:

1. That the Records and Annual Report of the Board of Church Erection be approved.
2. That the General Assembly join with the Board in its expression of sorrow at the death during the year of two members of this Board—Hezekiah King, Esq., and the Rev. Dr. R. F. Sample.
3. That the methods of the Board be commended, in view of the complexity of its business and the wide extension of its activities.
4. That the congratulations and thanks of this Assembly be extended to the Rev. E. N. White, D.D., who has just completed twenty years of service in this Board as Secretary, and to Adam Campbell, Esq., who has completed twenty-one years of service as Treasurer, for work done by them that shall stand in time and eternity.

5. In view of the recent calamity upon the Pacific Coast, which has destroyed many church buildings and in large measure impoverished congregations, your Committee recommends that in making grants or loans to aid in rebuilding these churches, the Board be permitted at its discretion to waive the rule in regard to the proportionate amount of aid to be extended.

6. Your Committee also recommends that in the case of loans to aid in providing manses for our missionaries upon the island of Porto Rico, the Board, in cases where such action seems necessary to secure the needed homes, be permitted to exercise its discretion in regard to the proportion of the entire cost to be advanced.

7. That the Commissioners to this General Assembly, and the Church at large, be urged to rise to the greatness of the opportunity presented in the appeal of this Board; and to prove this by an increase of contributions.

8. That the following members of the Board, whose terms expire at this time, be nominated for reelection for the ensuing term: *Ministers*—William Russell Bennett, David R. Frazer, D.D., John A. Ingham, David Magie, D.D.; *Elders*—Henry T. Bronson, William H. Parsons.

9. That the Rev. John McDowell, of the Presbytery of Newark, N. J., be elected in place of Rev. Dr. Sample, deceased; and the Rev. Frederic Campbell, Sc.D., of the Presbytery of Brooklyn, in place of Rev. J. D. Burrell, D.D., resigned; both of these to belong to the class whose terms expire in 1908. Also that J. Remsen Lane, Esq., of the Presbytery of Morris and Orange, be elected in place of Mr. Hezekiah King, deceased, of the class of 1909.

All of which is respectfully submitted,

S. E. WISHARD, *Chairman*.

The Standing Committee on Young People's Societies, through its Chairman, Rev. W. H. McCaughey, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Rev. A. E. Keigwin, D.D., and others, was amended and adopted. It is as follows:

Fathers and Brethren: Your Standing Committee on Young People's Societies would respectfully report that the Minutes of meetings held during the year by your Permanent Committee on Young People's Societies, together with the Minutes of the Executive Committee, were placed in our hands, and have been carefully examined. We have also carefully considered the very minute as well as voluminous report sent up to this Assembly, and we wish at the outset to express our appreciation of both the wisdom and fidelity with which your Permanent Committee has handled the interests committed to its care. The Minutes show

that the Committee has had a deep realization of the importance of the work in hand, and, while holding itself within the bounds set by the Assembly, though greatly hampered by a limited treasury, has yet done much to further this very important and hitherto sadly neglected department of our Church's work. Through the generosity of *The Assembly Herald* and of the religious Press, and the kindly aid of the Boards of Home and Foreign Missions, and the coöperation of the Board of Publication, a good start has been made in the direction of establishing a comprehensive study course, covering the fields of Biblical, Historical, Doctrinal and Missionary research. The report submitted shows that up to May 1, 1906, 2,325 copies of the study course books have been called for. While this is a small number as compared with what should be put out by a great Church like this, it is a start on an upward grade; and when we consider the limited time that could be given by the busy pastors who compose this Committee, together with the difficulties with which the Committee was compelled to contend, we see in even this number an indication of a demand that strikes a note of hope for the future.

The summary of statistics given in the report is only a partial presentation of the year's work. The method of reporting is itself somewhat complicated, and a near glance reveals the fact that only about one-half of the Presbyteries have made any report at all. A careful study of the reports from the Presbyteries reporting in 1905 and 1906, however, shows marked advance all along the line. In the 126 Presbyteries reporting both these years there was a net increase of \$8,084. From the statistics gathered there are 6,395 conversions reported, and the total money contributed for all objects as reported amounts to \$183,693.14.

As shown by the report which is in your hands, the Committee during the year opened correspondence with the Southern Presbyterian Church, and also with the Presbyterian Church in Canada, both of which declared deep interest in the work undertaken; and your Standing Committee can only here express the hope that these two steps taken may be speedily followed by others, leading first to the unifying of all the Presbyterian forces of our Continent, and second to the instruction of the rising generations in the principles of the doctrines and polity which made it possible for Presbyterianism to do so much for humanity and Christ in the past, and without which equipment our Church cannot expect to do a like work in the future.

It was a clear vision of vital issues and great responsibilities that led the Standing Committee on this subject to report as it did one year ago, when it declared that it saw something far greater than matters pertaining simply to education and statistics, and that led them to add: "There is an inspirational work to be done which shall kindle a new enthusiasm in the members of our

societies. There is an encouragement to be furnished to pastors who are perplexed and even despondent over the difficulties of the situation in their own churches. There is a creating of interest to be accomplished within the Church at large in her Young People's Work. There is needed a reviving of zeal and enthusiasm among the young people themselves which shall transform discouraging situations into opportunities for service." (See *Minutes*, 1905, p. 146.)

After a somewhat protracted discussion the Assembly of 1905 took the following action: "*Resolved*, That the whole subject of the employment of a Secretary for Young People's Work be referred to the Board of Publication and Sabbath-school Work and the Permanent Committee on Young People's Societies, to report fully to the next Assembly." (See *Minutes*, 1905, p. 148.)

From the Minutes and Report of your Permanent Committee it appears that at a joint conference of your Permanent Committee and the Board of Publication and Sabbath-school Work, held in November, 1905, in the Witherspoon Building, Philadelphia, Pa., the whole subject committed was carefully considered, and it was unanimously decided by these two bodies to recommend the transfer of work as suggested by the Assembly's reference. (See Minutes of Permanent Committee on Young People's Societies, December 12, 1905.)

Your present Standing Committee have carefully considered anew this whole subject, and unanimously present the following recommendations for adoption:

1. That the Minutes and Report of the Permanent Committee be approved, and that the thanks of the General Assembly be tendered to the Presbyterian Religious Press, and to *The Assembly Herald*, which without charge rendered such valuable aid during the year. And further, that the thanks of the Assembly be tendered to the members of the Permanent Committee, and especially to its Secretary, Rev. Hugh B. MacCauley, D.D., for faithful, efficient and self-sacrificing services.

2. That the General Assembly hereby assigns the work of Young People's Societies to the Board of Publication and Sabbath-school Work, and directs that when an additional department of the Board is created it shall be known as the Department of Young People's Work, and one of our strongest and best young men shall be employed by the Board as Superintendent.

3. That when such department is created then Resolutions 5 and 6 on this work, passed by the General Assembly of 1903 (see *Minutes*, 1903, p. 63), by which the Permanent Committee on Young People's Societies was created, and its constitution, etc., authorized, shall be rescinded; and that the Permanent Committee be discharged, and all its powers and effects, assets and liabilities be turned over to the new Department of Young Peo-

ple's Work of the Board of Publication and Sabbath-school Work, and that all expenses consequent upon such transfer be met by said Board.

4. That the Board of Publication, through its proposed new Department of Young People's Work, be directed to take up at once and push vigorously all those matters by previous Assemblies committed to the Permanent Committee on Young People's Societies, together with such new matters and methods as in its judgment would tend to develop and strengthen the work of these societies; and also that the various recommendations of past Assemblies pertaining to the Permanent Committee be now ordered to apply to the proposed new Department of Young People's Work of the Board of Publication and Sabbath-school Work.

5. In order that the Church should not lose the force of organization already operative, we recommend that present arrangements pertaining to the work of Young People's Societies in the lower courts of our Church shall stand, and that no change shall be made until the requirements of the work under the new plan be more clearly outlined and reported to the General Assembly. And we further recommend that in the future a place be given to this department on the programme of the General Assembly for a Popular Meeting.

All of which is respectfully submitted for the Committee,
W. H. McCAUGHEY, *Chairman*.

Resolution 12 of the Report of the Standing Committee on Publication and Sabbath-school Work, laid upon the table until action should be taken upon the Report of the Standing Committee on Young People's Societies, was taken up, amended and adopted. (See page 108.)

The Committee on Next Place of Meeting reported invitations from St. Louis, Mo., and Columbus, O., and recommended that the Assembly hear the parties to the invitations, and decide between them. Columbus was then chosen as the place of the meeting of the next Assembly.

The Assembly adjourned, and was closed with prayer.

FRIDAY, May 25, 7.45 o'clock P.M.

A Popular Meeting was held in the interest of Temperance, and addresses were delivered by Rev. S. Edward Young, D.D., Rev. J. M. Fulton, D.D., Rev. James A. Worden, D.D., and Prof. Charles Scanlon, M.A.

SATURDAY, May 26, 9 o'clock A.M.

JOHN E. ROLLER.

The Minutes of the Synod of Central China having been brought to the Assembly, were referred to a Committee with Rev. George Edwards as Chairman.

The Committee on Home Missions presented a supplementary Report, which was adopted, and is as follows:

*To the General Assembly of the Presbyterian Church in the U. S.,
Greeneville, S. C.:*

Greetings. We understood your telegram, wherein it speaks of "unjust interference by representatives of the Board," as making a charge against the officers of our Board of Home Missions, and it was our intention in our telegram to disclaim any knowledge of such acts of ecclesiastical interference.

In the absence of any statement of specific cases, we cannot make the denial more specific. We desire to repeat our assurance to you that if there have been any such acts, they have been without the official responsibility of this Assembly or its Board of Home Missions, and that it is and has been our purpose to prevent such acts as far as possible, whether by representatives of the Board or by workers on the field. We suggest that any cases in which you feel you have cause for complaint be submitted by you for investigation to this General Assembly at its meeting in 1907.

HUNTER CORBETT, *Moderator*;

WM. H. ROBERTS, *Stated Clerk*.

It was ordered that this action be transmitted to the General Assembly of the Presbyterian Church in the United States.

The telegram to which the above Report is an answer is as follows:

GREENEVILLE, S. C., May 25, 1906.

To the General Assembly, Des Moines, Iowa.

Greeting: We regret your impression that we have charged your Home Board or its officers with making or authorizing financial inducements to churches to change ecclesiastical relations. We did not mean to make such charge. We had hoped impartial investigation might be made of statements that it had been done by workers on the field, and if found true, a remedy suggested.

With fraternal regards,

ALLEN G. HALL, *Moderator*;

W. A. ALEXANDER, *Stated Clerk*.

The Special Committee on Christian Work among Seamen, through Rev. John Bancroft Devins, D.D., presented its Report, which was adopted, and is as follows:

The Special Committee on Christian Work among Seamen respectfully presents the following report:

Two subjects were specifically assigned to this Committee by the General Assembly of 1905:

First—To secure from the Presbyteries having sea, lake and river ports within their bounds a practical interest in seamen; and

Second—To secure from the President of the United States and the Secretary of the Navy:

(1) An expression of their views regarding an increase of the number of Naval Chaplains;

(2) A fuller representation, if possible, should there be new appointments, of Presbyterian ministers in the Corps of Chaplains; and

(3) Such coöperation between the Government and the General Assembly as will enable the Presbyterian Church, acting through this Committee, to feel sure that those who are appointed Chaplains in the Navy are the best men available, and that they are in every way fitted for the important office to which they are called.

To these subjects the Committee has added an inquiry which its members consider of extreme value, viz., an expression from the Chaplains now in active service as to the best methods of helping our brethren of the sea.

I. REACHING THE SEAMEN WITH THE GOSPEL WHEN ASHORE.—Concerning the first subject—an effort to interest every minister and every church in our communion in the men who go from their hamlets and towns and cities to follow a toilsome, dangerous and morally perilous occupation, as well as the million a year who come into our ports with seldom a Christian hand to welcome them—your Committee has prepared and sent out to every Presbytery a letter, a copy of which accompanies the present report, to be placed on file with it. Among other suggestions made are the following:

(1) Give thought, prayer and action in behalf of the seamen, whose labors and hardships are the price of our comfort and prosperity.

(2) Appoint a Special Committee on Christian Work among Seamen, to act in conjunction with the Assembly's Committee.

(3) Coöperate with societies laboring for the religious welfare of sailors.

(4) Begin definite spiritual and social work for seamen in sea-ports and in lake and river towns where none is now carried on.

(5) Assist in protecting sea-going men from the evils to which as a class they are especially exposed.

(6) Treat them as brother men who have hearts to feel, minds to cultivate and souls to save; and whatever is done, do it promptly and persistently, since the average life of a sailor is scarcely half that of a landsman's with his shore comforts.

The action taken upon these suggestions, and the work accomplished by the Presbyteries taking up the matter, will be told in subsequent reports of the Committee.

II. REACHING THE OFFICERS AND MEN OF THE NAVY WHEN

AFLOAT AND ASHORE.—Your Committee secured an interview with President Roosevelt and Secretary Bonaparte. We found, as we had expected, in both gentlemen a very deep and intelligent sympathy with our efforts to advance the spiritual welfare of seamen. The need of additional Chaplains for the Navy required no argument; it was freely admitted and already steps have been taken to meet it.

Mr. Roosevelt admitted that one Presbyterian out of twenty-four Naval Chaplains was not a fair proportion; but he explained that in his mind the Army and Navy were considered together, and he thought in the two branches the Presbyterian Church had been treated equitably, the number of Chaplains selected from our Church bearing a fair proportion to the number of officers and men in the service coming from the Presbyterian denomination.

Both the President and the Secretary expressed their pleasure that the Presbyterian Church had appointed this Committee and promised their hearty coöperation with it, offering to consult it concerning every application from Presbyterian clergymen seeking appointments as Chaplains. Two other religious bodies have a similar arrangement; their oversight not being limited to the actual appointment, but continuing with good effect upon the Chaplain himself.

The problem before the authorities is twofold:

First, to secure from Congress power to increase the number of Naval Chaplains; and

Secondly, to find the proper men to fill vacancies when they occur.

At present there are only twenty-four Naval Chaplains, including those on shore duty, the number not having been increased since the Civil War, while the ships of the Navy have greatly increased in number.

Secretary Bonaparte would add ten Chaplains a year for the next five years, and has made that recommendation to Congress. His report has been embodied in a bill, allowing the President to appoint for that service ten additional Chaplains annually; such Chaplains to serve for a period of five years only, unless during such period they are selected to fill vacancies in the list of Permanent Chaplains.

While this bill does not increase the list of Permanent Chaplains, the intention, it is understood, is to follow it with one allowing for such increase; but both the President and the Secretary feel that it would be unwise to increase the number of Permanent Chaplains until those appointed as Temporary Chaplains have indicated their fitness to fill such positions satisfactorily.

Your Committee has approved this bill, and also asked the Secretary of the Navy to recommend an additional increase of

the number of Permanent Chaplains by sixteen, making the full number forty, and to see that these additional Chaplains when appointed, together with those chosen to fill vacancies occurring in the present list, be selected from the Temporary Chaplains whose services warrant such endorsement.

Another bill before Congress, which has been approved by the entire Board of Chaplains, provides for the increase of the present staff from twenty-four to thirty, and makes provision for adequate educational advantages and pastoral experience before an application can be considered.

III. PRACTICAL SUGGESTIONS FROM NAVAL CHAPLAINS.—The following are among the very helpful suggestions which have come in response to the Committee's inquiries from some of the most efficient Chaplains in the service to-day:

"1. As to Ways to Assist Chaplains in the Navy Generally:

"a. It should be done *ashore*. This is, generally speaking, best, because of the peculiar situation, uncertainty as to opportunities for work aboard ship, limited and unreliable time of ship's stay in port, the unceasing work in parts of the ship and many causes of preoccupation of most of the men, lack of any seclusion and of facilities, prejudice, great variety of creeds, etc.

"b. A general feeling exists that religious work is out of place aboard, and that even Sunday's public services should not be too frequent. I well recall one of the first admonitions I received after entering the service was from a devout executive officer, who took occasion to say to me on one occasion, 'My dear Chaplain, you *must* remember that this ship is afloat as a fighting machine and not as a church.' This, because I objected to the noisy dumping of ashes overboard by the engine room force across the deck where church was spread during the hour of divine service on a Sunday morning.

"c. With improved personnel and conditions aboard ship, and the brevity of cruises and consequent frequency of visits to port, there is a feeling that the work which a Chaplain is supposed to accomplish aboard renders any further or special work uncalled for; and that any further work for the men should be done ashore.

"d. Prisoners and sick are sent ashore—to prisons and hospitals—as often as ships come into port.

"e. An efficient, consecrated Chaplain can accomplish the work he is sent to do with such Christian men of the crew as he is sure to discover and utilize—they are the best help he can have on board ship. So far then as personal assistance in evangelistic and other work is concerned, it appears best to attempt it ashore, while our men are on liberty or at their homes, sick in service hospitals, or prisoners in the service prisons. But assistance could be given by supplies of first-class reading matter, etc., when it is not already being supplied.

"2. Government now makes liberal provision, in some ways, for the work of Chaplains aboard ship; and if he makes himself acceptable, the officers lend reasonable assistance, and the generally improved personnel among the enlisted force and the improved sanitary, commissary and general conditions all tend to help him along in his moral and religious work.

"3. But, despite anything that may be done for our men aboard ship, they must fare badly if given over to the Devil ashore. So I am in the habit of saying to those interested in the service, 'We will take fairly good care of our men aboard ship, if you will only look out for them ashore.'

"4. In a word, to do religious work on board a Navy ship at sea, a man should be a regularly commissioned officer, regularly ordered to and billeted on the ship, recognized and accepted by all hands as the Government's representative in the matter of religion and morals. In such a peculiar situation, and among men accustomed to look at and act toward all things and persons through the military eye, no other would be possible.

"5. While Navy ships having no Chaplain are in port, and not torn up with extensive repairs, one or two wise and consecrated and well-accredited men workers could probably accomplish good results aboard—by quietly studying the situation at first visit and making the acquaintance of a few leading men; then, at the next visit, broadening this acquaintance and getting permission from the commanding officer to arrange a service on deck, and, if successful, other services. But they should never take sight-seers with them, nor manifest interest in anything but souls. Just two or three men are best for this, good singers, mixers and speakers. Often one such man will accomplish more among the men on a man-of-war's decks than a whole troop of men, women and children taken up more in the visit than in soul saving.

"6. Much might be done in the way of assisting Chaplains by supplying good, well-selected literature—reading matter for the men and officers; and also by correspondence with such men as are known to be religiously inclined, and such as have been converted.

"In a word, then, whenever the Government seriously wants an efficient corps of Chaplains in the Navy it will have no serious difficulty in securing it. Just a frank recognition of the necessity for the corps, a frank open backing up of it and its work, a settled coöperation with the Churches in selection, and proper provision for its maintenance and contentment—that is all required. And the foregoing answers in a measure the next question—

"7. How to help Chaplains in the Navy to keep up to a high standard of efficiency and character? For we must start with a high standard of man first. We can predict nothing of any other kind.

"Such men have a right to demand the provisions suggested above. Even the best of them will endure more certainly when they have advancement and improved material conditions to look forward to—to climb up to ; such things not only gratify and inspire good men, but they save them from killing worry and degrading humiliations.

"8. The Churches might indirectly help the Chaplains by rendering assistance to the Army and Navy League, whose headquarters are in Washington.

"9. They can be of inestimable service in insisting that only men of undoubted excellence of character, of good education, of winning personality be appointed Chaplains.

"10. The Church that sends its ministers to sea must hold on to them, and keep in touch with them, and make them feel their sympathy and brotherhood in all possible ways, just as if they had sent them to far India or forbidden Cathay. For if a Church brings forth and launches a successful Chaplain in the Navy it has done a large and glorious thing—a thing to exult over forever. The honor paid her Chaplains by the Church will be reflected to a great degree in the service where they are engaged.

"11. The Churches can help Chaplains by securing information from the Navy Department concerning the work each Chaplain is doing in his ship or on his station. This would show the Department that the Chaplains are not forgotten; and it would be looked upon by the Chaplains as an expression of sympathy. It would also stimulate the Chaplains to do better work.

"12. Whenever a man-of-war is lying in a harbor with no Chaplain aboard, to send cordial invitations, addressed to the commanding officer, for the men to come to the nearest churches would be a graceful thing to do; and whether the men came or not the invitations would not be without effect.

"13. Every real patriot in all our Churches must be aware of the ingratitude and disgrace attendant on the exclusion of sailors from hotels, restaurants, theatres, and other places on account of their uniform. Wherever this is known to have been done the pulpits should denounce such action as base.

"14. Journalists are in all the city Churches. A good hearty paragraph now and then, expressive of appreciation of the services of our officers and seamen, would strike the right chord in the service.

"15. For official bodies in the Churches to express Christian appreciation of the Naval service would do good. Notwithstanding much said to the contrary, the Navy backs up the missionaries. In trouble they have it to look to.

"16. The very fact that the Churches are interesting themselves in the religious welfare of the Navy will be helpful; and the fine thing about your letter is the cordial interest it shows. Whatever you do will in some way accomplish good."

IV. ENLARGEMENT OF THE SCOPE AND MEMBERSHIP OF THE COMMITTEE.—Since the President and other Government authorities consider both branches of the service, Navy and Army, in appointing Chaplains to either branch, and since the General Assembly has no Special Committee to carry on religious work among the soldiers of the country, it seems proper to suggest that the scope of this Committee be enlarged to take in the Army as well as the Navy.

As the work of the two departments will be done largely by sub-committees, it is suggested, further, that the membership of the Committee be enlarged by the addition of a few men from different parts of the country who are deeply interested in this subject, and who have expressed their willingness to serve if appointed by the Assembly.

Your Committee, therefore, recommends:

(1) That this Committee be known hereafter as the Permanent Committee on Christian Work among Seamen and Soldiers.

(2) That the Assembly expresses its hearty approval of the plan of coöperation, relative to the appointment of Naval Chaplains, between the President of the United States, the Secretary of the Navy and the Committee, and authorizes the Committee to act for the Assembly in this matter; and recommends that similar coöperation should be sought with the Secretary of War relative to the appointment of Army Chaplains.

(3) That the Assembly confirms the action taken by the Committee in seeking coöperation of all the Presbyteries in the interests of seamen, and suggests that similar action be taken in behalf of soldiers.

(4) That the Assembly recommends that each Presbytery, coming in touch with the classes designated, appoint a Standing Committee, to be known as the Committee on Christian Work among Seamen and Soldiers, to coöperate with the Assembly's Committee in promoting the religious welfare of these two classes of our citizens who are so largely deprived of religious and social privileges.

(5) That the Assembly records its approval of the excellent work done by the American Seamen's Friend Society, the local Port Societies, the Young Men's Christian Associations and other agencies, as well as that done by churches and individuals, and expresses the hope that this important work may be greatly increased.

(6) That the resignation of the Rev. E. R. Craven, D.D., as Chairman be accepted, with the thanks of the Assembly for his services, and that he be requested to retain his membership in the Committee; that the Rev. Henry F. Lee be appointed Chairman, and the Rev. J. H. Edwards, D.D., Vice-Chairman; that the following additional members be reappointed: the Rev. Donald

McLaren, D.D., the Rev. C. A. R. Janvier, the Rev. John Bancroft Devins, D.D., the Rev. George McPherson Hunter, Homer L. Pound, and Richard H. Wallace.

(7) That the Committee be increased to fifteen members, the new members to be appointed by the Moderator in consultation with the representative of the Committee presenting this Report.

(8) That the expenses of the Committee be met by voluntary contributions; and the Committee is recommended for contributions for its expenses to the beneficence of churches and individuals interested in the spiritual welfare of seamen and soldiers.

The Standing Committee on Church Polity, through its Chairman, Rev. John W. Dinsmore, D.D., presented its Report, which was amended and adopted, and is as follows:

The following papers have been referred to our Committee:

Overtures Nos. 6 to 82, asking the Stated Clerk to prepare and offer to the Church at large Removal Notices, substantially similar to the form appended, to be sent by a pastor to the pastor of the church within whose bounds an absent member locates. The Committee respectfully recommends that the Stated Clerk be authorized to prepare and the Board of Publication to publish such Removal Notices, and that the Assembly directs pastors and Sessions to use them.

Overture No. 86, from the Presbytery of Vincennes, asking for an amendment of Section 40, Book of Discipline, in the following words: "If any minister be deposed or excommunicated, it shall be the duty of the Stated Clerk of the Presbytery imposing the sentence at once to notify the Stated Clerk of the General Assembly of the action taken, and it shall then be the duty of the Stated Clerk of the General Assembly to notify by circular letter the Stated Clerk of each Presbytery connected with the General Assembly." The Committee is of the opinion that the point raised is already safeguarded, and therefore recommends no action.

Overture No. 89, from the Presbytery of Erie, asking that the call to the pastorate, Chapter 15, Section 6, Form of Government, be amended as follows:

"Believing that there is great need of guarding our congregations against the idea that the present standard of pastoral remuneration is up to what it should be, and that the prescribed form for issuing a pastoral call tacitly encourages the people in

assuming that no advance in salary is expected during the incumbent's term of ministry, and believing, therefore, that some method of remedying matters in these regards is highly desirable; the General Assembly of the Presbyterian Church in the U. S. A., in session at Des Moines, Iowa, is hereby overtured to take such steps as may be necessary to secure a change in the form of call to a minister to become a pastor of a church, by the introduction of the words 'at least,' immediately following the phrase 'to pay to you,' so that the clause in the call shall henceforth read: 'We hereby promise and oblige ourselves to pay to you at least the sum of'' The Committee is unanimously of the opinion that the point raised is covered by the question to the congregation found in Chapter 15, Section 13 of the Form of Government, and therefore recommends no action.

Overture No. 90, from the Presbytery of Puget Sound, as to the meaning and force of Section 51, Book of Discipline. The Presbytery of Puget Sound would respectfully inquire of the General Assembly, whether Section 51 of the Book of Discipline means that the Presbytery may, at its discretion, grant an immediate demission of the ministry, or that Presbytery must put the applicant on probation for at least one year? The Committee is unanimously of the opinion that an immediate demission of the ministry is not contemplated by Section 51 of the Book of Discipline; but that if any action whatever is taken upon a minister's request for demission, he must be put upon probation for at least one year.

Overtures Nos. 185 to 196, from the Presbytery of Buffalo and others, asking for a clear and specific deliverance upon the duty of the Session of a church when, in spite of timely and official admonition by a Session, members of said church persist in renting property for, signing petitions, endorsing bonds, and in other ways encouraging the traffic in intoxicating liquors. The Committee unanimously recommend that persons continuing in the renting of property, signing petitions, and endorsing bonds for the encouragement of the liquor traffic are subject to discipline, if such conduct is persisted in after timely admonition.

The Presbytery of Shenango further asks the following questions, viz.: "Has an attorney, who is a member of the Presbyterian Church in those States where the Courts grant license, the right under our Church government to prosecute such cases? Is there a valid distinction between defending a person charged with a crime and the transaction by an attorney of legal matters connected with the liquor or any other morally questionable business? What rights have the Session in such cases of complicity, not heretofore mentioned in the deliverances of the Assembly?" The Committee recommend that no answer be returned to these questions.

Overture No. 234, from the Presbytery of Pueblo, asking the General Assembly to answer the following question, as to the interpretation of a deliverance of the General Assembly of 1874 with reference to grouped churches. Shall the decision of the General Assembly of 1874, page 82, concerning two churches in two Presbyteries, united under one pastoral charge, be interpreted so as to apply to groupings mutually made by the Presbyteries or by the Home Mission Committees, in which the minister is not an installed pastor to any of the churches, but a Stated Supply for each—i.e., must a pastoral relation, rather than a Stated Supply relation, be constituted before this decision is operative? The Committee is unanimously of the opinion, and recommends the Assembly to declare, that the deliverance of the General Assembly of 1874 does not apply to congregations served by Stated Supplies.

Overture No. 236, from the Presbytery of New Albany, asking leave to erase the name of a missing minister from its Roll. "Whereas the whereabouts of the Rev. George V. Dickey, a member of this Presbytery, have been unknown to us for several years, and whereas we are unable to get into communication with him, we respectfully overture the Assembly, asking leave to erase his name from our Roll, without prejudice to his ministerial standing." It is recommended that the Overture be answered in the affirmative, and that the name above given be erased from the Roll.

Overture No. 240, from the Presbytery of Union, asking as to the proper Presbytery to ordain a candidate for the ministry. "The Presbytery of Union overtures the General Assembly to define more clearly the ordination of a candidate for the ministry who has been invited to labor under the supervision of the Home Mission Committee in another Presbytery, and who serves a Home Mission field simply as a Stated Supply. Should the Presbytery with which he is connected as a candidate, or the Presbytery within whose bounds he expects to labor ordain him? Does the last sentence of Section 10, Chapter 15, of the Form of Government cover all cases of ordination, including Home and Foreign missionaries who act merely as Stated Supplies?" It is recommended that the following reply be given:

1. The ordination of a candidate for the ministry who has been invited to labor under the supervision of the Home Mission Committee in another Presbytery, and who serves a Home Mission field as a Stated Supply, should ordinarily be conducted by the Presbytery within whose bounds he expects to labor.

2. The last sentence of Section 10, Chapter 15, of the Form of Government does not include Foreign missionaries.

Overture No. 241, from the Synod of Wisconsin, on the office of evangelist. "Realizing the Scriptural division of labor into pastors, evangelists and teachers, the Synod of Wisconsin overtures

that Chapter 3, Section 2, Form of Government, be amended to include the office of evangelist. Consecrated men who have not and cannot have the regular preparatory training may, under special care and instruction of Presbytery, be set apart for this work, which comprises preaching the Gospel in cities and out-of-the-way communities, under direction of Presbytery; this work to be kept distinct from the pastorate." The Committee recommend the following answer: The request in this Overture is denied, because we see no warrant for the creation of another office in the ministry.

Overture No. 243, from the Presbytery of Winnebago, asking that Ruling Elders be authorized to administer the sacraments when necessary. It is recommended that the request be not granted.

Overtures Nos. 246 to 249, from the Presbyteries of Buffalo, Columbia, Louisville and Solomon, with reference to the Permanent Judicial Commission, asking the General Assembly to postpone the election of a Permanent Judicial Commission. It is recommended that no action is necessary.

Overture No. 250, from the Presbytery of South Florida, and *Overture No. 280*, from the Presbytery of East Florida, asking the General Assembly to erect a Synod of Florida, by so readjusting the lines of the Presbyteries of South Florida and East Florida as to constitute three Presbyteries, the new Presbytery to be known as West Florida, and also to detach from the Synod of New Jersey the Presbytery of Havana, and to annex it to the new Synod of Florida; the new boundaries of the several Presbyteries are explicitly defined in the Overture. The Committee recommend that the requests in the Overtures be granted; that the new Synod of Florida be erected; that the boundaries of the several Presbyteries in the Synod of Florida be as requested in the Overture, and that the Presbytery of Havana be detached from the Synod of New Jersey and annexed to the new Synod of Florida.

BOUNDARIES OF THE SYNOD.—The Synod of Florida includes and is composed of the Presbyteries of East Florida, South Florida, West Florida and Havana. The boundary lines of the Synod shall be coterminous with the boundary lines of the State of Florida and of the Republic of Cuba.

BOUNDARIES OF PRESBYTERIES.—1. The Presbytery of South Florida includes, with the ministers and churches, the territory bounded on the North by the northern border of Pasco, Polk, and Orange counties, including all the territory of these counties; on the East by the eastern border of Orange, Osceola, De Soto, and Lee counties, including all the territory of these counties; on the South by the southern border of Lee county; on the West by the boundaries of the State back to the place of beginning.

2. The Presbytery of West Florida includes, with the ministers and churches, the territory bounded as follows: On the South

by the southern border of Hernando, Sumter, and Lake counties, including all the territory of those counties; on the East by the eastern border of Lake, Marion, Alachua, Bradford, and Baker counties, including all the territory of those counties; on the North and West by the boundary lines of the State of Florida, around to the place of beginning.

3. The Presbytery of East Florida includes all of that part of the State of Florida, with the ministers and churches, not included in the Presbyteries of West and of South Florida, being chiefly the counties on the Atlantic seaboard.

MEETINGS.—The Presbytery of West Florida is directed to meet at Eustis, Florida, on Tuesday, November 13, 1906, at 7.30 P.M., the Rev. Jas. T. MacLean (or some other minister in case of his absence) to convene the Presbytery, preach the opening sermon, and preside until the Presbytery shall be regularly organized.

The Synod of Florida is directed to meet at Eustis, Florida, on Wednesday, November 14, 1906, at 7.30 P.M., the Rev. Joseph K. Wight (or some other minister in case of his absence) to convene the Synod, preach the opening sermon, and preside until the Synod shall be regularly organized.

Overture No. 251, from the Presbytery of Lyons, asking a change in Chapter X, Section 5, of the Form of Government, so as to make it read: "Each congregation shall have one elder to represent them." It is recommended that this Overture be referred to the next General Assembly.

Overture Nos. 253 and 285, from the Presbyteries of Westchester and New York. Shall Section 2 of Chapter 10 of the Form of Government be amended to read as follows: "A Presbytery consists of all the ministers in number not less than five, and one ruling elder from each congregation, within a certain district. It shall be divided into active and associate members. Active members shall consist of all pastors and one ruling elder from each congregation within a certain district, also all ministers residing in such district appointed by the Presbytery or a superior judicatory to some particular work of the Church, under the control of the appointing judicatory while engaged in such work. Also all ministers who, having rendered long and faithful service to the Church, are by reason of age or disability laid aside from active service." The Committee strongly endorses the measure asked for in the Overture, but owing to the situation arising out of our union with the Cumberland Church deem it advisable to refer the whole subject to the next General Assembly, which action is recommended.

Overture No. 259, from the Presbytery of Logansport, with reference to an amendment of the Confession of Faith, Chapter 33, asking for the omission in Section 2 of the words "be cast into eternal torments." It is recommended that no action be taken.

Overture No. 253, from the Presbytery of Birmingham, asking for the erection of the Synod of Alabama out of the Presbyteries of Birmingham, Le Vere and Rogersville, all now in the Synod of Tennessee. The Committee recommend that the Overture be referred to the next General Assembly.

Respectfully submitted,

JOHN W. DINSMORE, *Chairman*.

The following telegram was received:

SHANGHAI, CHINA, May 26, 1906.

General Assembly, Des Moines:

United, Northern, Southern.

J. A. SILSBY.

The Standing Committee on Correspondence, through its Chairman, Rev. Josiah E. Kittredge, D.D., presented its Report, which was adopted, and is as follows:

The Standing Committee on Correspondence respectfully reports as follows: The credentials of the Rev. William P. Pater-son, D.D., LL.D., the delegate of the Church of Scotland; of the Rev. William D. Wallace, B.A., the delegate of the Presbyterian Church of Ireland; of the Rev. Edward M. Wherry, D.D., delegate of the Presbyterian Church in India; of the Rev. Duncan Brown, D.D., delegate of the Presbyterian Church in Mexico; of the Rev. E. P. Johnson, D.D., delegate of the Reformed Church in America; of the Rev. H. J. Christman, D.D., delegate of the Reformed Church in the United States; of the Rev. J. A. Wirt, D.D., dele-gate of the Evangelical Lutheran Church; and of the Rev. William H. Crawford, D.D., delegate of the Methodist Episcopal Church, have been placed in our hands and recognized as in order.

Each of these fraternal delegates was presented by the Chairman of this Committee, and was heard by the Assembly in connection with the memorable service of Thursday, in accordance with the programme arranged by the Assembly's Special Committee on the Two Hundredth Anniversary of the Organization of the Presbyterian Church in the U. S. A.

Letters of greeting to this Assembly have also been received from the following Christian bodies, viz.: The United Free Church of Scotland, the Presbyterian Church of England, and the Calvin-istic Methodist or Presbyterian Church of Wales. The Assembly has instructed the Chairman of the Correspondence Committee to prepare an appropriate reply to each of these fraternal greetings. The Waldensian Church of Italy, whose letter of greeting failed to reach us, will be included in this list.

In view of the limitations of time, it is recommended that the replies to these letters be prepared after adjournment of the

Assembly by the Chairman of this Committee and the Stated Clerk of the Assembly, and be transmitted in due form to the Churches.

Your Committee recognizes gladly that these are days of growing Christian fellowship. This present year is in this regard exceptional. We therefore recommend that delegates, to be named by the Moderator and Stated Clerk, be appointed to bear our fraternal salutations, without expense to the Assembly, to Churches in foreign lands and in the homeland that have in a similar manner just honored us, viz.:

The Church of Scotland,
The Presbyterian Church of Ireland,
The Presbyterian Church of India,
The Presbyterian Church of Mexico,
The Reformed Church in America,
The Reformed Church in the United States,
The Evangelical Lutheran Church,
The Methodist Episcopal Church.

The Report of the Western or American Section of the Executive Commission of the Presbyterian Alliance, which has been referred to this Committee, has been carefully considered. We are impressed with the thoroughness and comprehensiveness of the Report, and even more with the extreme value of the work accomplished by this able Committee.

We heartily concur in the recommendation of this Report and the action of the Assembly whereby our Foreign Mission Board is authorized to take into consideration the question of the needs of residents in foreign seaports, and whether it may include them in the scope of its missionary operations, and to report thereon to the General Assembly of 1907.

We warmly second the suggestion that we do, especially for the Reformed Churches of Austria and France and for the ancient Waldensian Church, all that is possible for us to do by our prayers, our Christian sympathy and our material aid. We note with pleasure the increase made necessary in the membership of the Executive Commission from 82 to 106 members. And we heartily endorse the delegates named by that body to the Conference to be held in Prague, Bohemia, in July or August next.

We have received from the Rev. William H. Roberts, D.D., LL.D., the American Secretary of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, certification that the Rev. James D. Moffat, D.D., is accredited as the delegate to this Assembly from the Executive Commission of the Alliance. Your Committee would recommend that Rev. Dr. Moffat and Rev. Dr. Roberts be heard at this time, and also

that we receive from the Rev. Antonio Arrighi the salutation of the Waldensian Church of Italy.

Respectfully submitted in behalf of the Committee,
J. E. KITTREDGE, *Chairman*.

In accordance with the Report, the Assembly was addressed by Rev. J. D. Moffat, D.D., and Rev. W. H. Roberts, D.D., representing the World Alliance of the Presbyterian Churches; and also by the Rev. Antonio Arrighi, representing the Waldensian Church.

The Standing Committee on Theological Seminaries, through its Chairman, Rev. Thomas S. McWilliams, D.D., presented its Report, which was accepted and adopted, and is as follows:

The Standing Committee on Theological Seminaries respectfully presents the following Report:

If the learned Professor, Dr. W. P. Paterson, who brought to us the greetings of the Church of Scotland, was right in saying that the Presbyterian Church lives by the preaching of the Word, the work of our Theological Seminaries is one of the most vitally important subjects claiming the attention of the General Assembly.

There are twelve Seminaries reporting to the Assembly. Each of these reports has been closely scrutinized by your Committee, and the general subject of the educating of our ministers has been given very earnest consideration. We have noted in the case of every one of our Seminaries grounds for congratulation and thanksgiving, and we have very frankly considered matters which appeal to the Christian statesmanship and consecrated ability of our Church to remedy. If we have departed from precedent in considering conditions that have not ordinarily been alluded to, and in presenting something more than a *pro forma* report, we do so in utmost humility and with the one desire of promoting the true welfare of our beloved Church.

The total number of students in our Theological Seminaries the past year was 630, apparently thirty-two less than last year, but really a few more, as last year's report evidently included the academic students in two of the institutions having Academic Departments. The total number graduated was 155, sixteen less than last year, distributed as follows: Princeton, 50; Auburn, 17; Western, 11; Lane, 4; Kentucky, 8; McCormick, 32; San Francisco, 8; Dubuque, 2; Newark, 2; Lincoln, 13; Biddle, 4; and Omaha, 4. The Seminary of San Francisco deserves the deepest sympathy of the Assembly and of the whole Church. The year, which began with unusually bright prospects, closed amidst the desolation and ruin of an awful earthquake. Great damage was done to the Seminary buildings, and yet greater loss was entailed in the destruction of the assets of the Seminary's natural constituency. It is evident, however, that this institution has

not lost heart, but is determined to rebuild, both in a material and spiritual way, upon broader, deeper and more commanding foundations than ever.

A comparison of Princeton's report with that of last year shows an increase in her material resources of \$1,681,584.25. It is understood that this is what is known as the Gelston-Winthrop Fund. It would have been a matter of interest to your Committee to know authoritatively whence this large increase of material resources came and how the income from it is being expended. The generous donors are entitled to the Church's grateful appreciation, and the Church is entitled to know how the proceeds of the gift are being applied.

McCormick's general endowment is larger than that reported last year by the magnificent sum of \$1,000,000, the gift, we are informed, of the Seminary's generous patrons, Madame N. F. McCormick and Messrs. Cyrus H. and Harold F. McCormick. Again, here, your Committee must complain of the meagreness of the financial statements furnished. While the blanks sent to the Seminaries are filled in, they owe it to themselves, as well as to the Assembly, to give such an itemized statement of receipts and disbursements as will enable us really to know whence the moneys of the Seminaries come, and how these sacred trusts are being administered. This demand for fuller information is made without any reflection upon the wisdom or the unselfishness of those who administer these funds.

Kentucky reports a splendid addition to her equipment in the completion of the Barret Memorial Library, erected at a cost of \$35,000. This Seminary has the unique distinction of being both a Northern and a Southern institution. With an enrollment of forty-three students, it is fulfilling a wide and ever-widening mission.

One section of Auburn's report is worthy of quotation and public commendation: "Students presenting from other Seminaries certificates which show conditions are not admitted until the conditions are removed at the institution which imposed them. No student is admitted without an A.B. diploma, or a satisfactory examination in studies prescribed and set forth in detail in our catalogue. In the application of these rules seventeen students failed of admission during the present year." It is thus evident that with Auburn quality counts more than quantity. In the long run that institution will attract the best class of students which maintains a high standard of scholarship, and refuses to lower those standards to let a larger number in.

For Omaha the year was signalized by the gift of \$50,000 by Mr. John H. Converse, that generous friend of so many good Presbyterian causes, to endow the Chair of Homiletics and Pastoral Theology. Omaha also reports that she has secured \$16,000

towards the \$50,000 needed to endow another Chair, upon condition that the whole amount be raised by January 1, 1907.

We especially congratulate the German Seminary of Dubuque, that at length its efforts have been crowned with success in obtaining the means to erect a new building in which to do its work, a building more adequate to its needs, and more comfortable in every way. We are glad to learn that the corner-stone of the building has already been laid, and that it will be hastened to its completion, which will probably be next May. We congratulate the financial agent, Rev. Cornelius M. Steffens, and the President, Rev. William O. Ruston, D.D., and their colleagues upon the happy accomplishment. We also rejoice that this institution is having good success in the erection of a Bohemian Department, and we hope that this may grow to be an important factor in the Christianization of that branch of the Slavic race which is so numerous in our Central West.

Every one of our twelve Seminaries is worthy of separate mention and comment, but the limits of our Report will not allow it. Several are making praiseworthy efforts to enlarge their course of training so as to include some modern methods of Church work. At least one has introduced what has been called a "Ministerial Clinic," the purpose of which is to acquaint students with the actual life and work of pastors and churches in the vicinity. Every Sunday, and sometimes during the week, students are sent to the city to visit the services of both Catholic and Protestant churches, with a view to studying at first hand the methods of their management. Reports of these visits are made to the Faculty the following evening, and an hour is spent in discussing them.

Your Committee notes with satisfaction that the recommendations of former Assemblies concerning training for evangelistic work have been heeded by most of our Seminaries. To what extent the Overtures adopted by the last Assembly concerning instruction in the principles and methods of modern Sabbath-school work have been regarded is not made very clear in the reports submitted.

The one discouraging feature of the reports submitted is the small number of students enrolled and of graduates sent forth. Only 630 students in our Seminaries, out of a Church numbering nearly a million and a quarter members! Only 155 graduating this year, sixteen less than last year, to fill the places made vacant by death and to carry forward our ever-growing work both at home and abroad! There are hopeful indications of a spirit stirring in our Presbyterian colleges which is leading many of our best youth in these institutions to offer themselves for the Gospel ministry. It is through the furtherance of this spirit and the strengthening of these qualities that the ranks of our theological

students, now so depleted, are again to be filled. But we are yet more deeply impressed with the fact that the great recruiting station for the ministry is the Christian home, where the first influences that meet the boy growing into consciousness are laden with the thought that nothing could be a sweeter reward to parental desire or a clearer answer to parental prayer, than that their boy should choose the ministry of Christ as a life calling, in preference to the material attractions of a commercial and industrial profession. It is, we believe, by a return to these principles and this atmosphere, which were so efficient a generation ago, that our Theological Seminaries are again to be adequately supplied with students.

One other remedy for the paucity of students for the ministry has, we fear, been very inadequately employed. It is suggested by the great Head of the Church Himself: "The harvest truly is plenteous and the laborers are few; pray ye therefore the Lord of the harvest that *He* send forth laborers into His harvest." Not only is the number studying in our Seminaries inadequate to the needs of our Church, but out of all proportion to the provision that has been made for educating our ministry. We have twelve Theological Seminaries, reporting this year material resources that aggregate \$10,624,878, also more than one hundred men withdrawn from the active pastorate to be professors and teachers; and the product turned out this year is 155! If the number of students cannot be speedily and largely increased, must not the Christian statesmanship and consecrated ability of our Church address themselves to the problem of consolidating or eliminating some of our Seminaries? If we are to retain the confidence of business men, upon whose contributions we must so largely depend, we cannot indefinitely continue to maintain a dozen plants, run at an annual expense of \$416,000, and manned by more than one hundred professors, to do what a very few Seminaries ought to do. Moreover, with the number of our Seminaries as large and the number of our theological students so small, the competition for students is keener than it should be. For example, it has come to the knowledge of your Committee that financial inducements, in the form of railroad tickets, have been employed to take students from Seminaries, where they had already gone so far in arrangements for entrance as to engage rooms. For our Seminaries to vie with one another in the provision of creature comforts to attract students, is apt to result in conditions that will unfit rather than fit our young ministers to "endure hardness as good soldiers of Jesus Christ, do the work of evangelists, and fulfill their ministry." If we cannot increase the number studying for the ministry, must we not ere long decrease the number of our Seminaries, and the cost of theological education?

Your Committee presents the following recommendations for adoption:

1. That the election of all Directors reported to the Assembly as elected during the past year be approved.

2. That the election or transfer of all Professors reported to the Assembly as elected or transferred be approved, viz.: PRINCETON, the election of Rev. Charles Rosenbury Erdman, A.M., to the Chair of Practical Theology; McCORMICK, the transfer of Rev. Herrick Johnson, D.D., LL.D., to the position of Professor Emeritus of Sacred Rhetoric and Pastoral Theology; SAN FRANCISCO, the election of Rev. E. A. Wicher, B.D., to the Chair of New Testament Interpretation; DUBUQUE, the election of Rev. William C. Laube to the Chair of German Language and Literature; John Zimmerman to the Chair of Mathematics and Science; Rev. David Griebler to the Chair of Symbolics and Homiletics, and Rev. Alois Barta to the Chair of Bohemian Language and Literature; LINCOLN, the transfer of President Isaac N. Rendall, D.D., to the Chair of Polemics and Evangelistic Work; the election of Rev. J. B. Rendall, D.D., to the Presidency, in place of Isaac N. Rendall, D.D., and the election of Rev. William H. Johnson, D.D., as Professor of New Testament Greek.

3. That the teachers and students of our Seminaries be urged to arrange conferences with students in the Colleges and Universities, at which the claims of the Christian ministry may be presented.

4. That the Seminaries be urged to give yet greater attention to the teaching of the English Bible, exhibiting the development of thought and underlying principles of the Book as a whole, and throwing the emphasis of instruction upon the Bible itself, rather than the mere tools employed in the study of the Bible; and also that they train young men for evangelistic work, teaching them to open the Scriptures and lead souls to Christ.

5. That to the Stated Clerk of the Assembly and the Chairman of this Committee be referred the matter of making such alterations in the blank sent to the Seminaries, as may to them seem necessary to secure more fully itemized statements of receipts and disbursements.

6. That the Seminaries be requested to furnish to subsequent Assemblies such itemized statements of disbursements, as will really inform the Church as to what use is being made of the funds entrusted to them.

7. Your Committee would recommend, with reference to the Overture from the Presbytery of Newark, regarding the reception of students by a Theological Seminary of a sister Church without a certificate or letter of transfer, that the Stated Clerk communicate with the Theological Seminary at New Brunswick, N. J., deprecating the alleged action, which seems to be in contravention of the Article added to the Articles of Correspondence between the General Synod of the Reformed Church in the U. S. A. and our Church (*Moore's Digest*, 1886, p. 272); and that the Stated Clerk

also communicate with the Newark German Theological Seminary, deprecating whatever ground there may ever have been for *tu quoque* complaints by the Seminary at New Brunswick.

Respectfully submitted in behalf of the Committee,

THOMAS S. McWILLIAMS, *Chairman*.

The Standing Committee on Mileage, through its Chairman, Mr. J. Herbert Jefferis, presented its Report, which was accepted and adopted, and is as follows:

The Committee on Mileage respectfully presents the following Report:

They have carefully examined and audited the accounts of each Commissioner, and the same have been paid by the Stated Clerk.

The number of Commissioners on the Roll is 693. The whole number of Presbyteries is 245; Presbyteries not represented, 8. The Presbyteries exempt from payment of the apportionment for mileage are Foreign Mission, Indian and Freedmen, and in addition advisory members representing Missions, making a total of 34. The Freedmen and Indian Presbyteries, however, do contribute to the Fund.

The Presbytery of Clarion has not contributed to the Entertainment Fund. In this connection the Committee states that it has considered the method of disbursing the Entertainment Fund of the Assembly, and recommends that the Stated and Permanent Clerks be directed to report upon the same to the next Assembly.

The receipts and disbursements, as shown by the Treasurer's books, are as follows:

All the balances are in the hands of the Assembly's Treasurer.

The Committee respectfully recommends to the Assembly the adoption of the following:

1. That the Assembly again urge upon all Presbyteries to contribute in full to the Mileage, Entertainment and Contingent Funds.

2. That the apportionment for next year be seven cents for each communicant, distributed as follows: To the Mileage Fund, three and one-half cents; to the Entertainment Fund, two cents; to the Contingent Fund, one and one-half cents.

3. That the Stated Clerk, as Treasurer of the General Assembly,

be authorized, at his discretion, to pay Commissioners such further sums as may be considered justly due to them, by reason of their having underestimated railroad charges or other necessary expenses in returning home.

4. That the General Assembly extend its thanks to such railroads, and other transportation companies, as have carried Commissioners at reduced rates. Respectfully submitted,

J. H. JEFFERIS, *Chairman.*

The Report of your Trustees shows that they have received in trust \$963,896.84, of which \$960,056.39 has been invested in mortgages and securities, and \$3,840.45 is still uninvested.

During the year a small supplemental payment on a legacy amounting to \$3.60 has been received.

Investments to the amount of \$61,700 have been paid off during the year, and reinvestments have been made to the amount of \$67,021.88. The income account shows receipts of \$44,893.06, and expenditures of \$45,081.19.

The Report of the Rev. William H. Roberts, D.D., LL.D., Stated Clerk, as Treasurer shows receipts for the year of \$64,433.29, and expenditures of \$57,631.54. His accounts with the Boards and Special Committees for the binding and distribution of the volumes of Reports show receipts of \$3,085.36, and expenditures of \$3,075.10.

Your Committee submits the following recommendations for adoption:

1. That the apportionment be seven cents per member to cover the expenses of the ensuing year; three and one-half cents of this to be for Mileage, two cents for Entertainment, and one and one-half cents for the Contingent Fund.

2. That the General Assembly allow two dollars per day for each Commissioner for entertainment, and that the Stated Clerk of the Assembly be directed to so arrange with future Committees on Hospitality of the respective places of meeting of the General Assembly, that said allowance shall secure for Commissioners full entertainment within convenient distance of the Assembly auditorium.

3. That the Stated Clerk be authorized to pay a sum, not exceeding \$1,000, to the Committee on Systematic Beneficence, and that he be also authorized to pay the sum of \$1,620 to the World Presbyterian Alliance.

4. That as the annual report of the Treasurer of the Trustees of the General Assembly is audited and certified to by Committees of the said Trustees, in addition to being certified to by certified accountants, before being presented to the General Assembly, that in like manner the annual report of the Stated Clerk as Treasurer of the General Assembly be audited and certified to by a Committee of the Trustees of the General Assembly, in addition to being certified to by certified accountants, before being presented to the General Assembly; and that the Trustees of the General Assembly be requested by the General Assembly to perform such work of auditing through their Committee.

5. That the matter of the request for the General Assembly to execute a deed of ratification and approval of a sale made by the Western Theological Seminary, referred to it by the Committee on Bills and Overtures, be referred to the Trustees of the General Assembly, with power to act in the matter, in such manner as shall to them seem best after due investigation thereof; and that the Stated Clerk be authorized to certify to whatever action may be taken.

6. That the Stated Clerk be authorized to expend, from time to time during the ensuing year, such sums of money as may be necessary for the ordinary expenses of maintaining and operating his office, said expenditure to be subject to the audit of the Trustees of the General Assembly.

7. Your Committee, when seeking for the authority for the expenditure of money for the expenses of the various special Committees of the General Assembly, which expenditure in the aggregate during the past year has amounted to \$4,274.47, were informed by the Stated Clerk that the only authority he knew of was the "custom of the past years," and the creation of the Committees by the Assembly. While such authority may be sufficient warrant for what the Stated Clerk has heretofore done

under it, we believe that hereafter, for his protection, the General Assembly ought to give the Stated Clerk, as Treasurer, positive direction for all expenditures for every such Committee.

Therefore, it is recommended, That the General Assembly, whenever it creates or continues for another year a special Committee, definitely state whether the expenses of said Committee are to be paid by the General Assembly; and when they are, that said expenses be limited to the actual traveling expenses of the members of the Committee incurred by attendance upon the regular meetings of the Committee; and that if any printing is to be done, authority be given to pay for the same. In this connection the Committee desires to urge upon the Assembly the importance of restricting the number and size of these special Committees.

Your Committee renews expression of the deep obligation of the Church to the Trustees for their long and efficient service, and to the Stated Clerk for the fidelity and ability with which during so many years he has acted as Treasurer of the Assembly.

Respectfully submitted on behalf of the Committee,

EDWARD A. HALSEY, *Chairman.*

The following Resolution was adopted:

Resolved, That the Treasurer of the California Relief Fund, as ordered by the General Assembly, be directed to publish in *The Assembly Herald* and our other religious papers, as promptly as possible, the amounts received from congregations and individuals for this fund. Also that he furnish the Stated Clerk of the Assembly a tabulated statement of such receipts for publication in the *Minutes* of 1907.

The Commissioners present in this Assembly were directed to urge this matter of the California Relief Fund upon the churches of their respective Presbyteries.

An invitation to the Assembly to visit Iowa City was declined with thanks, it being impossible for the Assembly to make the visit.

The following deliverance, presented by Rev. J. D. Moffat, D.D., was unanimously adopted:

The General Assembly of the Presbyterian Church in the United States of America, having added to its Rolls the Synods and Presbyteries and churches and ministers lately subject to the General Assembly of the Cumberland Presbyterian Church, and constituting said Church; and earnestly desiring to retain in the membership of each particular church every one in connection therewith prior to the consummation of the reunion; and being apprehensive that some of them may be reluctant to acquiesce in what has

now been effected, because of certain misapprehensions which should be removed if possible, now solemnly declares:

1. That in the Presbyterian Church no acceptance of the doctrines of the Church is required of any communicant, beyond a personal faith in Jesus Christ as Son of God and Saviour of the World, and a sincere acceptance of Him as Lord and Master.

2. That ministers, ruling elders and deacons, in expressing approval of the Westminster Confession of Faith as revised in 1903, are required to assent only to the system of doctrine contained therein, and not to every particular statement in it; and inasmuch as the two Assemblies meeting in 1904 did declare that there was then a sufficient agreement between the systems of doctrine contained in the Confessions of the two Churches to warrant the union of the Churches, therefore the change of doctrinal standards resulting from the union involves no change of belief on the part of any who were ministers, ruling elders or deacons in the Cumberland Presbyterian Church. Further, this Assembly specifically declares that, since the revision of 1903, by which the Confession of Faith was amended, by change of its text, by a declaratory statement and by additions, it is no longer allowable to interpret our system of doctrine in any fatalistic sense; nor are we willing to admit that such fatalistic interpretation was ever warranted, whatever misapprehension may have existed in the mind of any person.

3. In view of the fact that reunion involves no change whatever in the relations of communicants, ruling elders and deacons to their own particular churches; and, except in a few instances, none in their relations to their Presbyteries and Synods; and brings all into a General Assembly differing from their former Assembly only in size and its representation of a larger Church; this Assembly expresses the hope that all who have thus far opposed reunion may soon realize that they can engage heartily in the chief work that our Lord requires of us—the evangelization of the world—as never before, and with a prospect of a greater efficiency because they lay aside personal preferences in the interest of the union of Presbyterians in a great forward movement.

That portion of the Report of the Committee on Bills and Overtures which related to Congressional appropriations of money for sectarian purposes was reconsidered, and the following was adopted:

In view of the increasing sentiment in this country against the use of public funds for sectarian purposes, either in State or nation, and in view of the present pending legislation on this subject in Congress: therefore be it

Resolved, 1. That the General Assembly of the Presbyterian Church, in session May 26, 1906, at Des Moines, Iowa, most earn-

estly and respectfully petitions the Congress of the United States to refuse any appropriations of public moneys for sectarian purposes.

Resolved, 2. That a copy of this action be forwarded to the President of the United States and to the United States Senate and House of Representatives.

The Assembly took recess until 2.15 o'clock, and was closed with prayer.

SATURDAY, May 26, 2.15 o'clock P.M.

The Assembly met, and was opened with prayer.

The following, presented by the Chairman of the Standing Committee on Finance, was adopted:

Resolved, That it be one of the duties of the Standing Committee on Finance to report to the General Assembly with which it is connected, the total receipts and disbursements of each of the Boards and Permanent Committees of the Church, with a view to the presentation to the Assembly of the financial side of the entire benevolent and missionary work; and said Committee is further charged with the duty of considering and reporting upon to its Assembly, the appropriations asked for by each of the benevolent and missionary Boards, with the purpose of ascertaining what the entire financial demand will be upon the Church in any given year. The Finance Committee shall make, in connection with these new duties assigned it, such recommendations as to it may seem proper.

The Committee on the Next Place of Meeting presented the following additional Report, which was adopted:

The Committee on the Next Place of Meeting respectfully reports as follows:

The Assembly having accepted the invitation from the Presbyterian churches of Columbus, Ohio, said invitation being endorsed by the Presbytery of Columbus and the Synod of Ohio, the terms of the invitation are herewith stated, viz.:

The Presbyterian churches of Columbus will provide a commodious meeting place for the Assembly and for its popular meetings, without expense to the Assembly; will pay all the business expenses of the meeting and entertain the officers of the Assembly without charge; and will furnish entertainment to all Commissioners at \$1.50 per day, in houses convenient to the Assembly's place of meeting.

The following recommendations are offered for adoption:

1. That the General Assembly be appointed to meet at the Broad Street Presbyterian Church, Columbus, Ohio, or other convenient edifice in said city.

2. That the Committee of Arrangements for the next General Assembly be composed of Samuel S. Palmer, D.D., Chairman; William H. Roberts, D.D., Stated Clerk; James A. Patterson, D.D., R. G. Ramsey, D.D., Rev. Walter H. Houston, Rev. George A. Brewer, Rev. W. L. Staub, Mr. Foster Copeland, and Mr. David E. Putnam, with power to add to their number.

3. That the Stated Clerk transmit the hearty thanks of the Assembly to the churches, Presbyteries and Synods that have united in the several invitations for the meeting of the Assembly of 1907.

In behalf of the Committee,

HUNTER CORBETT, *Chairman*.

The Report of the Special Committee on the Indebtedness of the Witherspoon Building was taken up, and adopted. It is as follows:

The Committee on the Indebtedness of the Witherspoon Building respectfully reports to the General Assembly of 1906 that it was appointed by the Assembly of 1903, and continued by the Assemblies of 1904 and 1905.

The last Assembly directed that the Business Committee of the Board of Publication and Sabbath-school Work should co-operate with the Assembly's Committee, and ordered that any and all action taken be the result of joint action by the two Committees. (See *Minutes*, 1905, p. 150.)

The two Committees have held several meetings, and as a result of their deliberations a Statement and Appeal with a Circular Letter have been prepared, clearly presenting the grounds upon which the movement for the discharge of the indebtedness is based. These grounds in brief may be thus stated:

The Witherspoon Building is named for the Rev. John Witherspoon, D.D., patriot, preacher, scholar and statesman, the only clerical signer of the Declaration of Independence, and the first Moderator of the General Assembly. It not only perpetuates his memory, but is also a fit exponent of the strength and responsibilities of our historic Church.

The property belongs to the Church, and is held in fee. The building was erected in the interest of the entire Church, at a cost, the ground included, of about \$1,000,000. The work of construction was thorough, and was done at the least cost possible commensurate with excellence. A considerable part of the debt originally resting upon the property has been discharged, but there is still a mortgage amounting to \$410,000.

It is the headquarters not only of local Philadelphia Presbyterian interests, but also of the Stated Clerk of the General Assembly, of the Board of Publication and Sabbath-school Work, the Board of Education, the Board of Ministerial Relief, the Presbyterian Historical Society, and the Woman's Foreign Missionary Society of the Presbyterian Church, all of which, except the Business Department of the Board of Publication, have free use of such portions of the building as are needed for carrying on their work in the interest of the entire Church.

The indebtedness represents the value of those parts of the building which is given rent free to the Church agencies named above. The space set apart for them is of the annual value of \$26,938, while the interest upon the mortgage of \$410,000 at five per cent. per annum amounts to \$20,500. The appeal, therefore, is in part an appeal to the friends of all the Boards and agencies located in the building.

Contributions were made by Presbyterians residing in all parts of the country for removing the debt which rested upon the Presbyterian Building in New York City at the time of its completion, but which has now been happily discharged. In this conspicuous instance the principle was recognized that the Presbyterian Church at large is interested in removing the debt resting upon any of its properties, wherever they may be located.

As an additional fact of great importance, it will be seen that, as in the case of the New York building, a contribution to the removal of the indebtedness on the Witherspoon Building is, at the same time, a contribution to the missionary work of the Presbyterian Church. By a formal resolution of the Board of Publication and Sabbath-school Work, it has been determined that whenever the debt now resting upon the Witherspoon Building shall have been paid—after setting aside a reserve fund to meet unforeseen contingencies affecting the building—the net income shall be given to the Sabbath-school Missionary Work of the Board.

This matter, therefore, presents a twofold appeal to Presbyterians:

1. The desirability of removing the indebtedness resting upon a building that belongs to the Presbyterian Church, and that is used so largely by the Boards and other agencies of our Church; and
2. The assurance that a contribution to remove this debt is, at the same time, a permanent investment added to the missionary fund of the Board.

In connection with contributions the Committee has to suggest that they be made, so far as practicable, without conditions, and directly for the payment of the indebtedness. It may be, however, that some persons who would be willing to contribute would prefer to make their contributions by installments; if so,

the Committee will be glad to receive gifts made in that way. It has been also suggested that there are members of our Church who would prefer to contribute upon an annuity plan. The Committee has favorably considered this suggestion, and will receive gifts of \$1,000 and upwards, with the understanding that they shall yield the donors, or persons named by them, a life annuity of five per cent.

The seeming delay on the part of the Committee in urging upon the Church the discharge of this indebtedness is to be found chiefly in the fact that it was only within the year that the indebtedness on the New York building was finally removed. Both the Assembly's Committee and the Board of Publication and Sabbath-school Work are now agreed that the proper time has come to undertake this important enterprise.

The General Assembly of 1903 voted that the expenses of the undertaking should be provided for either by private subscription or from contributions to the fund.

The following resolutions are submitted for adoption:

Resolved, That the Report of the Committee on the Indebtedness of the Witherspoon Building be approved, and the Committee continued.

Resolved, That the Assembly's Committee and the Business Committee of the Board of Publication and Sabbath-school Work coöperate in the work, and that all action taken be the result of joint action on the part of the two Committees.

Resolved, That the Joint Committee shall have power to appoint a representative to present the cause entrusted to it to the Christian public and to the ministers and members of the Presbyterian Church.

Respectfully submitted in behalf of the Committee,
WILLIAM H. ROBERTS, *Chairman*;
ALEXANDER HENRY, *Secretary*.

The Special Committee on the Statistical Tables and the Narrative presented its Report, which was accepted and adopted, and is as follows:

The Committee on Statistical Tables and the Narrative respectfully reports to the General Assembly as follows:

The Committee was appointed by the General Assembly of 1905. The record of the appointment reads:

1. "It was ordered, That a Committee of five ministers and two elders be appointed to consider the advisability of reframing the Statistical Tables in the *Minutes*." [*Minutes*, 1905, p. 182.]

2. "WHEREAS, The reports submitted to the Committee on Narrative are incomplete and seem to show serious defects in the method of submitting Sessional reports to Presbytery, and Presbyterial reports to the Assembly, we recommend that the

Assembly appoint a Committee to consult and cooperate with the Stated Clerk of the General Assembly in investigating the whole matter of the Narrative of the State of Religion, and that the Committee present its findings and recommendations to the Assembly of 1906." [*Minutes*, 1905, p. 212.]

The Moderator appointed the following persons to serve as members of the Committee:—*Ministers*, William H. Roberts, D.D., Robert Hunter, D.D., John Bancroft Devins, D.D., Frederic E. Shearer, D.D., and Richard Montgomery; *Ruling Elders*, William H. Scott and Carroll Robbins.

The Committee has held several meetings, and has assiduously and earnestly considered the matters submitted by the Assembly.

Attention is directed first to:—

I. THE STATISTICAL TABLES.—Inasmuch as the Stated Clerk of the Assembly was the Chairman of the Committee, and in view of the power given the Committee to reframe the Statistical Tables in the *Minutes*, the Committee took up not only general questions as to the columns in said Tables, but in addition the proposed column for the Permanent Committee on Temperance, a matter which was referred at first by the Assembly to the Stated Clerk. [*Minutes*, 1905, p. 180.]

Further, as it would not be possible to modify or change the Statistical Tables without considering in detail all matters connected therewith, the Annual Report of the Church to Presbytery was considered, and also the explanations as to the manner of reporting (a) funds contributed and (b) the statistics of membership, found in the *Minutes* for 1905, p. 399k.

One of the most troublesome items of the Committee's work was the column in the Statistical Tables entitled "The Reserve Roll"—first as to its relation to the balancing of the returns of membership, and second as to its name. The balancing of the returns has been provided for by the Committee through the insertion of a new column to be entitled "Restored," in which the number of the persons may be placed who have been restored to the list of regular communicants. The name of the column was and is a more serious matter, for the reason that it has not been properly understood by some church Sessions. The "Reserve Roll" is based upon the provisions of Section 49 of the Book of Discipline. That section has to do solely with non-resident communicants who have been absent for two years or more, who have not asked for or received the regular Certificate of Dismission to another church, and who do not reply, for one cause or another, to letters from the Clerk of Session advising them to apply for such Certificates. The Session is authorized, upon report duly made, to place the names of such negligent non-resident communicants on the Roll of Suspended Members, until satisfied of the propriety of their restoration. It is evident from

these provisions of the Book of Discipline that the action taken by the Session in such cases is of the nature of a judicial case without process.

That such is the fact appears by Chapter 7 of the Book of Discipline, which includes Section 49, and is entitled "Of Cases without Process." The persons whose numbers are reported in the column known as the Reserve Roll are therefore dealt with judicially, though in an informal manner, and the charge against them is "prolonged absence without excuse." The Committee feels that in order to remove all apprehension as to the character of the column it should be entitled hereafter "Suspended Roll." This change appears to be required not only because of misunderstanding, but also because of the express provisions of the Book of Discipline.

The Committee has also given special attention to the report in the Statistical Tables of the contributions to "Home Missions." These contributions are distributed between two columns, one entitled "Board and Miscellaneous," the other "Presbyteries and Synods." Under the first head are placed all moneys collected, whether for the Board or for any general home missionary operations; under the second, all contributions for Presbyterial and Synodical Home Missions. The existence of these two columns in connection with offerings to the same great cause is out of harmony with the general principle which has heretofore controlled the arrangement of the Statistical Reports, in so far as contributions of the churches to benevolent and missionary work are concerned. The Statistical Tables have been as a rule used not for gifts to special interests, such as those of the Boards, but for general causes. This has been and is the fact as to all the columns excepting those now headed "Home Missions." In the interest, therefore, of consistency and harmony in reporting contributions, the Committee has concluded to recommend to the Assembly that only one column be hereafter given to the cause of Home Missions, and that in said column be placed all contributions for that general cause from any and all sources.

There has been for some years a laudable desire on the part of many in the Church to have a column in the Statistical Tables assigned to the cause of Temperance. The last Assembly instructed the Stated Clerk to confer with the Permanent Committee on Temperance upon this matter. This conference has been had through one of the officers of the Committee on Temperance. The chief reason why in the past a column has not been given to this important cause has been the mechanical difficulty arising out of the crowded condition of the pages of the Assembly's *Minutes* devoted to the Statistical Tables. The consolidation into one column of the contributions for Home Missions, if approved by the Assembly, will remove the mechanical difficulty and open the way for the Temperance column.

With reference to the request of the American Bible Society for a column in the *Minutes*, the Committee, while greatly regretting the necessity of so doing, feels obliged to state to the Assembly, that it is not feasible with the present size of page to accord a column to that important interest, and that for the present it is best to continue the reporting of gifts thereto in the same manner as in preceding years.

The Committee in addition recommends, in order to secure greater clearness of statement, that in the Report of Communicants the columns be arranged as follows: Additions, three columns: (1) Examination, (2) Certificate, (3) Restored. Losses, three columns: (1) Dismissed, etc., (2) Suspended Roll, (3) Deceased; Net Total, one column. The explanations of these columns are given farther on. Under the head of Baptisms, it is recommended that the two columns there placed be entitled (1) Confession and (2) Infants, and also that the column of Sabbath-school Membership read Sabbath-school Members, Teachers and Officers.

In view of the conclusions reached by the Committee and above stated, it is recommended that the Assembly adopt the following resolutions with reference to (1) the statistics of membership, and (2) the method of reporting contributions to the funds:

Resolved, 1. That the columns in the Statistical Reports of the Churches and Presbyteries for membership be changed as recommended by the Committee on Statistical Tables and the Narrative.

Resolved, 2. That a column to be entitled "Temperance" be inserted in the Statistical Reports of the Presbyteries to the General Assembly, and that there be only one column headed "Home Missions."

Resolved, 3. That the following explanation of the statistics of membership, to be prefixed to the Annual Report of the Churches to Presbytery, be and is hereby adopted, viz.:

The *statistics of membership* are to be reported as follows:

1. *Additions*.—In the additions to church membership, distinguish between those by Examination, those by Certificate, and those by Restoration. The column headed "Restored" is to include all those who have been reinstated, whether from the Suspended Roll or on restoration after full judicial process.

2. *Losses*.—In the losses, distinguish between those dismissed, those placed upon the Suspended Roll, and those deceased. The column headed "Dismissed, etc.," is to include the members dismissed to other churches, also those erased from the roll under Section 52, Book of Discipline, and also those excommunicated. The column headed "Suspended Roll" is to include the number of non-resident members whose cases were acted upon during the year by the Session under Sections 49 and 50, Book of Discipline; also those suspended after full judicial process.

3. *Baptisms*.—In the baptisms, distinguish between the persons baptized upon confession and those baptized as infants.

4. *Balancing of Returns*.—Compare your report of communicants with that of the previous year and adjust the return so that it will balance. For example: Total members previous year, 205. Additions, "Examination" 22, "Certificate" 16, "Restored" 5, total 43. Losses, "Dismissed," etc., 12, "Suspended Roll" 18, "Deceased" 6, total 36. Gain, 7. Net total this year, 212.

5. *Sabbath-school Membership*.—To include officers, teachers and scholars in all Sabbath-schools connected with the congregation, not including the "Cradle Roll" nor the "Home Department." [Note.—A separate statement of the details of Sabbath-school Work is to be made for the use of the Board of Publication and Sabbath-school Work.]

Resolved, 4. That the following explanation of the method of filling the columns for funds contributed, to be prefixed to the Annual Report of the Churches to Presbytery, be adopted, viz.:

Funds.—The columns for the Funds Contributed are to be filled as follows:

1. *Home Missions*.—To include all moneys paid to the Board, all moneys paid for Presbyterial and Synodical Home Missions and Sustentation, also all moneys paid to any general Home Mission object; including contributions of societies, value of boxes, etc.

2. *Foreign Missions*.—To include all moneys paid for the spread of the Gospel in foreign fields, whether given to the Board or other agencies; including contributions of societies, etc., and gifts to institutions connected with the Board.

3. *Education*.—To include all moneys paid for the education of candidates for the ministry, whether to the Board or other agencies, and also gifts to Theological Seminaries.

4. *Sabbath-school Work*.—To include all moneys paid to the Board of Publication and Sabbath-school Work for its missionary operations, and to other Sabbath-school organizations. The contributions for the support of the Home Sabbath-school are to be placed in the column headed "Congregational."

5. *Church Erection*.—To include all moneys paid for church erection outside of the congregation, whether through the Board or otherwise.

6. *Relief Fund*.—To include all moneys paid for the support of disabled ministers and missionaries, and in aid of their families, whether to the Board or otherwise; including contributions of societies, etc.

7. *Freedmen*.—To include all moneys paid for the evangelization and education of Freedmen, whether through the Board or otherwise; including contributions of societies, etc., and gifts to institutions connected with the Board.

8. *Colleges.*—To include all moneys paid to Colleges, Academies and Schools, whether to the Board or otherwise. Contributions to the institutions connected with Foreign Missions and Freedmen are to be placed under those heads.

9. *General Assembly, etc.*—To include all moneys given for ecclesiastical expenses, whether for Presbytery, Synod or General Assembly. Give both dollars and cents in this column.

10. *Congregational.*—To include all moneys collected in or by the congregation for expenses—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts and other purposes. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included.

11. *Temperance.*—To include all moneys given to the Permanent Committee on Temperance or to other Temperance agencies.

12. *Bible Society.*—To include all moneys paid to the American Bible Society, or to other Bible agencies.

13. *Miscellaneous.*—To include all moneys paid to Tract Societies, Christian Endeavor, Young Men's Christian Associations, Hospitals, and general benevolence.

Individual Gifts.—If the donors do not object, the direct gifts of individuals to any of the Boards or to the causes they represent, should be reported with other gifts under the proper head. Individual gifts for religious and charitable causes not included in the regular schedule should be placed under the head "Miscellaneous."

Resolved, That the Stated Clerk be directed and authorized, so far as necessary, to print the above explanations as to Statistics of Membership and Funds in the *Minutes* of the Assembly, and upon the Annual Reports of Churches to Presbyteries and of Presbyteries to the General Assembly.

II. THE NARRATIVE.—The Committee also gave careful consideration to the Presbyterian Narrative of the State of Religion, and has modified the questions and the form of the Narrative in several particulars. It was felt that a change in the title of the Narrative was advisable, that the statistical table at the close might be properly omitted, that certain inquiries could be made more definite, and that space should be given for replies. The Committee also investigated "the methods of submitting Sessional reports to Presbytery and Presbyterian reports to the Assembly," with a view to remedy any serious defects which might be found. This involved the consideration of the Congregational Narrative, upon which the Presbyterian Narrative is based.

One of the chief causes of the alleged imperfections in the Narrative is the limited time between the close of the church year and the dates of meetings of many Presbyteries. The last

Assembly instructed its Stated Clerk to investigate the feasibility and wisdom of making the church year close with the calendar year (*Minutes*, 1905, p. 84). The Stated Clerk brought this matter likewise to the attention of the Committee, for it was seen that the question of the time of closing the church year was intimately connected with the usefulness and timeliness of the Narrative. It was found, however, upon inquiry that the majority of the officers of the missionary and benevolent Boards was opposed to any change of the date of the close of the ecclesiastical year, and for several reasons. A large number of the congregations hold their annual meetings in the spring, and the Sessions and Trustees as a rule throughout the Church are accustomed to the present usage as to the time of the annual reports of the work of the congregations. The Presbyteries also, it is believed, would largely oppose the change, for reasons connected with both convenience and custom as to the time of their meetings and their methods of transacting business. It is admitted that it might be a good thing to change the date of the church year, as suggested by the Presbytery of Dayton. The weight of opinion, however, now questions the wisdom of such a change. The Committee has yielded to the views of those who oppose a change.

There is, however, an aspect of this matter of reporting which affects the Presbyteries. It is with those judicatories that the General Assembly deals directly in the matter of both the Narrative of the State of Religion and the Statistical Tables. A considerable number of them meet about April 15, just about thirty days before the meeting of the Assembly. The transmission of the Narrative to the Stated Clerk of the Assembly involves further delay. As a result, a large number of the Narratives reach the office of the Assembly during the week preceding its meeting. This does not leave time sufficient for a proper classification of their contents, not to speak of an adequate study of them. It is the opinion of the Committee that if all the Home Presbyteries could arrange to hold their spring meetings before April 15, that decided progress might be made in securing an earlier transmission of the Narratives to the Assembly's Stated Clerk. If all the Narratives could be transmitted to his office on or before April 20, an adequate study of them would be feasible.

A further important consideration in this matter of the Narrative has to do with the presentation of the facts contained in the Presbyterian Narrative to the General Assembly. The Standing Committees on the Narrative, which from year to year have considered these documents, have been able to examine them only in a partial and unsatisfactory manner. The reports made by them all evidence the resolute effort made by the Chairmen and other members to overcome the obstacles involved both in the mass of material submitted and the limited time for its examination.

That these Committees have done as well as they have is a fact which approves them worthy of all praise both for willingness and ability. The situation which confronted the Committee on the Narrative of the last Assembly, in no respect dissimilar from that which previous Committees encountered, was one reason why this Special Committee was constituted.

In the Church of Scotland this matter of the State of Religion throughout the Church has been in part considered and satisfactorily reported upon annually by a Committee known as The Committee on Christian Life and Work. This Committee has as some of its duties the following: "To inquire as to the progress of Christian Work in the country; to consider and report as to the best means of promoting evangelistic efforts; to secure the coöperation of the office bearers of the Church with the ministry in voluntary Christian Work, etc."

It is the opinion of your Committee that a similar Committee could well be established by this Assembly, and that its existence would be of decided value in conserving the welfare of all general spiritual interests. The efficiency of such a Committee would be increased if the Moderator of the Assembly were made its Chairman, especially in view of the fact that the establishment in our larger cities of social organizations known as Presbyterian Unions has led to visits by the Moderators to many and widely separated parts of the Church. It would also add to efficiency of work if the Stated Clerk of the Assembly were made the Secretary. To these officers should be added a number of ministers and ruling elders, and at least one-third of these members should be changed every year, in order to secure as widespread a representation as possible from the Church as a whole.

It is recommended that the following resolutions be adopted:

1. That the Narrative on the State of Religion be hereafter known as the Narrative of Christian Life and Work.

2. That a special Committee on Christian Life and Work is hereby appointed to consist of eleven members, of whom two shall be the Moderator for the time being and the Stated Clerk; the other nine members to be appointed by the Moderator. Of the nine members to be appointed one-third shall be changed each year. The duties of the Committee shall be to consider and report upon the Narratives of Christian Life and Work from the Presbyteries, annually prepared for the Assembly, and also to report from their own knowledge upon any related matters connected with the general spiritual condition of the Church. The Committee shall not report upon any matters within the jurisdiction of other Committees or of the Boards and agencies of the Church. The Stated Clerk of the Assembly shall be the Secretary.

3. That the Narrative of Christian Life and Work shall hereafter read as follows:

ANNUAL NARRATIVE OF CHRISTIAN LIFE AND WORK.

*Inquiries for the Guidance of Church Sessions in the Preparation of

[Note.—It is not intended that the Narrative shall be restricted to bare and formal answers. It should be, however, very concise, consisting of statements of facts rather than reflections. The Special Committee on Marriage and Divorce presented its Report, which was adopted, and is as follows:

The Special Committee on Marriage and Divorce respectfully submits to the General Assembly its Fourth Report.

The Inter-Church Conference on Marriage and Divorce, with which your Committee has been instructed to confer and coöperate, held a meeting in New York, December 13, 1905.

We had the pleasure of receiving into the Conference the representatives of the Presbyterian Church in the U. S. (South), and also of the Church of the New Jerusalem. These additions manifest an increasing interest in the subject of Marriage and Divorce on the part of the Churches.

The Conference is now composed of the representatives of sixteen Protestant denominations, and also of representatives of the Alliance of the Reformed Churches.

The important questions that continue to occupy the attention of this Inter-Church Conference were ably discussed by the Inter-Church Conference on Federation, which met in New York in November, 1905, whose discussions and action created a world-wide interest. In this Conference 18,000,000 Protestant communicants were represented.

We present with this report a complete exhibit of the proceedings and recommendations of our own Inter-Church Conference during the four years of its existence, together with the actions of the several supreme church judicatories represented in the Conference. We also submit the several addresses and appeals that have been made to the public, and to State and National officials.

It being the unanimous conviction of the Conference that the most effectual way to meet and overcome the divorce evil is by education, with a view to elevating the moral sentiments of the people, the question of a campaign of education, for the influencing of public opinion as to divorce, was referred with power to the Executive Committee.

Inspired doubtless by the action and appeals of this Inter-Church Conference, emphasized by the action of ecclesiastical courts, ministers are organizing in cities and States, and binding themselves to carefulness in the performance of the marriage ceremony.

The representatives of various Churches met recently in the city of Portland, Maine, and adopted rules for the guidance of ministers throughout the State. The marriage of persons unknown to the officiating minister was condemned. Great caution was advised when divorced persons asked for remarriage, and ministers were urged to refuse to marry persons divorced unless they presented satisfactory evidence that divorce had been granted on Scriptural grounds.

People generally seek the sanction of the Church when they desire to make marriage contracts. It is in the power of ministers to prevent, in a large measure, the miseries of hasty and questionable marriages. Magistrates may be found who will give the sanction of the State with indifference, but the cautious conduct of ministers will at least save the Church from scandal. We cannot expect the Gospel to prevail as the power of God unto salvation, if those entrusted with the proclamation of its righteous laws and principles fail to impress men and women with the sanctity of the Church and its condemnation of alliances that disregard the commands of Christ.

The most hopeful manifestation of deepening interest, and of a determination in many quarters to put a check upon the alarming conditions that have disgraced our nation and dishonored the Church, is the action of the Divorce Congress which met in the city of Washington, February 19-22, 1906.

This Congress was the echo of our Inter-Church Conference. The agitation created by this Conference, and the resolute action taken by the Churches which it represents, have had not a little to do with arousing the sentiment and power which have found expression in the forward movement inaugurated by the representatives of the States who composed the Divorce Congress. Forty-four States and Territories responded to the call of the Governor of Pennsylvania, and their representatives, with remarkable unanimity, resolved to advocate and to do all in their power to accomplish such uniformity of divorce legislation as might be possible to cure existing evils, and to promote the welfare of the State. Governor Pennypacker of Pennsylvania, who was chosen President of the Congress, deserves the thanks of every good citizen for inaugurating this movement, and for promoting it with wisdom and zeal. Upon the invitation of the Congress, Bishop Doane, the Chairman of this Conference, together with the Secretary and other members, presented the views of the Conference, and were invited to remain through the sessions and to take part in the deliberations. Such a recognition was significant, and this exchange of views between the representatives of the Congress and the Conference has awakened deeper interest and produced important results. We may not attain all that we desire, neither can we hope at present to secure National or State

legislation which will be in conformity with the Scriptural standards (which should determine the laws of the Church and the conduct of its ministers and members), but the Divorce Congress, aided by the influence of the Churches, will surely secure vastly better legislation.

Important and recent decisions of the Supreme Court of the United States also have called a halt upon lax and ruinous legislation, and have filled with fear the men and women who have disregarded family obligations, risked the dishonor and disinheritance of their children, and defied the laws of States in which they claimed residence to find release in other States whose legislation promised greater license. One of these decisions boldly declares that America is a Christian nation, and that Christian standards should determine the validity of legislation. Those who want a larger freedom than that which may be provided by the principles of Christianity must find it, it is hoped, outside this Christian nation, or be quietly content with less license. Those who have paid Christian blood for this refuge and for the *religious liberty* which was secured, should not submit to laws framed to secure a godless laxity which destroys this liberty. There is an overwhelming majority of Christians in this Christian nation who are pledged to this reform, and who are set for the defense of the family. Divorce evils are in the sweep of the vast current of reform which is carrying away graft and fraud, with everything else that is destructive of virtue and honesty.

The Divorce Congress gave particular attention to the wide variance existing in the divorce laws of the several States, and the complications and wrongs which such variance occasions. The comity that should exist among States was strongly commended and rules of action suggested which, as far as possible, might make it impossible for citizens of one State, restricted by the laws of their State in efforts to procure divorce, to claim a pretended temporary citizenship in another State whose lax laws made the procuring of divorces less difficult.

The Congress took very decided action in the direction of reducing the number of causes for divorce to be recognized in the several States, with New York willing to recognize but one cause, and some States recognizing a score of causes. The difficulty of finding a minimum, to which a majority even would agree, is discouragingly apparent. But the trend of sentiment is towards stricter legislation and the necessity of comity is manifest. A copy of the resolutions adopted by the Congress is herewith submitted.

Legislation, however, is not the first hope of reform. Higher standards and stricter judgment in the Churches will compel legislation. Our laws will be as high, and no higher, than the purity of the people who make the legislators who make the laws.

One of the most significant and satisfactory signs of the times is the high stand taken by the Bar Association of the country. When ministers and churches, when lawyers and judges, when all appointed to protect the people and to defend righteousness, combine forces for reform, we may hope for deliverance from the evils we deplore and to attain the purer family and the better citizenship which it was the aim of the Divorce Congress to secure.

The following resolutions are recommended for adoption:

Resolved, 1. That the Committee on Marriage and Divorce be continued, to report to the General Assembly of 1907.

Resolved, 2. That this General Assembly rejoices in the greatly awakened interest on the part of the Churches and the public in the important subject of Marriage and Divorce, and heartily approves of the campaign of education for the influencing of public opinion proposed by the Inter-Church Conference on Federation, as the most effectual way to meet and overcome the divorce evil, to guard the sanctity of the marriage relation, to preserve the family, and to secure the highest welfare of the State.

Resolved, 3. That this General Assembly hereby reaffirms the deliverances upon Divorce, and Remarriage after Divorce, adopted by previous General Assemblies.

In behalf of the Committee,

CHARLES A. DICKEY, *Chairman*.

The Special Committee on a Church at Washington City presented its Report, which was approved, and is as follows:

At the last session of the Assembly the following Preamble and Resolution were adopted:

"WHEREAS, The National Capital is a field of commanding and strategic importance for the assertion and vindication of the doctrines and mission of the Church of Christ; and

"WHEREAS, It is the high duty and privilege of the Presbyterian Church in the United States of America to do its full share in the effort to seize and sanctify the opportunity offered at the seat of the National Government for a larger evangelism and for the more secure building up of the Church and State; therefore,

"*Resolved*, That, while recognizing that the whole matter presented for the action of the Assembly in the Memorial of Mr. Justice Harlan, in which he proposes 'a plan for establishing a church large enough and sufficiently endowed to enable it, in the name of our common Presbyterianism, to do a full share of the work of influencing and guiding the life of the nation at its governmental centre,' properly belongs in its origin and development to the Presbytery of Washington City, this Assembly, without in any wise committing itself in advance, does appoint a Committee, consisting of three ministers and three elders, who shall be authorized to advise with the Presbytery of Washington City; and in the

event of that Presbytery's favorable consideration of the whole movement, to define more clearly and to develop more fully what is desired in a report which the Committee shall make to the Assembly for 1906 for its approval or disapproval."

During the past fall and winter, while the plan of such a church in Washington was under consideration by myself and others in this city, a movement was inaugurated for the consolidation of the New York Avenue and Assembly Presbyterian Churches of Washington into one church. Pending that movement, I did not deem it appropriate to call the Committee together for the purpose of bringing before the Presbytery of Washington City the subject of such a church as that outlined in my Memorial of last year. The movement for the consolidation of the New York Avenue and Assembly Churches was sanctioned by those two churches at congregational meetings regularly called, and at the recent meeting of Presbytery the action of those churches was unanimously ratified, the Presbytery not then committing itself for or against the plan suggested in my Memorial to the Assembly. Under the circumstances I have not deemed it necessary to summon the Committee appointed at the last General Assembly to meet for the purpose of advising with the Presbytery of Washington in relation to the proposed new church. Those more immediately and locally interested in that church are of opinion that the time has not arrived for bringing before Presbytery the particular plan suggested in my Memorial. But as that plan has not been abandoned, I respectfully ask that the Committee appointed be continued until the next meeting of Assembly.

Respectfully submitted,

JOHN M. HARLAN, *Chairman.*

The Special Committee on Christian Education presented its Report, which was adopted, and is as follows:

The Committee on Christian Education respectfully reports that it has not deemed it necessary to meet during the year, and that it requests to be discharged.

EBEN B. COBB, *Chairman.*

The following, presented by the Stated Clerk, with reference to the assignment of new Presbyteries to their appropriate electing districts, was referred to the Stated Clerk and the Committee on Administrative Agencies with power:

The Stated Clerk respectfully draws attention to the fact that he is required by the Standing Rules of the General Assembly having to do with the election of the members of Standing Committees, to assign their places in electing districts to new Presbyteries which may be erected during the intervals of the meetings of the Assembly. He submits to the Assembly two important

questions connected with the electing districts, to one of which he has no authoritative relation under the Rules.

1. The fact that 114 Presbyteries have just been added to the Roll of the General Assembly, and should be assigned to their appropriate electing districts.

2. There is considerable inequality in the size of certain of the electing districts, for instance electing district No. 13 having but twenty-six Commissioners, and electing district No. 19 having forty Commissioners. This inequality should be adjusted.

The Assembly is requested to give the necessary authority to deal with both the above matters.

The Stated Clerk, as Chairman of the Committee on Editions of the Constitution, requested that he be allowed to prepare and submit to the Assembly of 1907 a Preface to the new edition of the Constitution, to be published for the reunited Church.

The request was granted.

The following Report was submitted and approved:

The Stated Clerk respectfully reports to the General Assembly, in the matter of the binding and distributing of the Reports of the Boards, that the same has been attended to, in accordance with the directions of the Assembly of 1905, and that the accounts for the same have been duly audited, the expenditures being \$3,075.10, the receipts \$3,085.36, and the balance on hand being \$32.63. These accounts were also submitted to the Finance Committee of the Assembly.

The Stated Clerk requests authority from this Assembly to bind and distribute 7,000 copies of the Reports of the Boards and Permanent Committees for the ecclesiastical year 1905-06.

The Stated Clerk presented the following additional Report, which was accepted and approved:

The Stated Clerk would respectfully report to the Assembly as follows:

1. That since the last Assembly the following Presbyteries have been erected: By the Synod of Arizona, the Presbytery of Pecos Valley; by the Synod of Tennessee, the Presbyteries of LeVere and Rogersville; and by the Synod of Washington, the Presbytery of Bellingham.

2. A letter has been received from the General Assembly of the Presbyterian Church of Australia, giving notification of its formation and of the organization of the Church of which it is the supreme judicatory. It is recommended that this letter be printed in the Appendix to the *Minutes*.

3. It is recommended that the original letter with reference to

the General Federation of the Christian Churches of the U. S. A. be printed in the Appendix of the *Minutes* of this Assembly.

It was ordered that the *Minutes* of this Assembly be sent to the Stated Clerks of the 114 Presbyteries added by this Assembly to the Roll of the Presbyteries of the Church, and that they also be supplied to the ministers whose names shall be furnished by said Stated Clerks.

The Moderator announced the following as the Committee on the Consolidation of the Boards, etc., to be called the Special Committee on Administrative Agencies: *Ministers*—James D. Moffat, D.D., LL.D., William H. Roberts, D.D., LL.D., S. J. Nicolls, D.D., LL.D., W. R. Richards, D.D., W. L. McEwan, D.D., George B. Safford, Ph.D., Robert Hunter, D.D., George S. Chambers, D.D., George B. Stewart, D.D., and J. M. Hubbert, D.D.; *Ruling Elders*—Hon. William M. Lanning, Reuben F. Smith, Hon. John M. Gaut, Henry W. Jessup, John L. Severance, Rush Taggart, Hon. Wm. P. Potter, Pres. Charles W. Dabney, Hon. William B. Martin, Robert Wardrop and James E. Defebaugh.

The following Resolutions were severally adopted:

Resolved, That the Stated Clerk be directed, as usual, to publish the *Minutes* of the General Assembly.

Resolved, That the General Assembly is responsible only for the expenses of its Commissioners and officers in connection with its annual meetings.

Resolved, That the Stated Clerk be authorized to furnish the *Minutes* to such Presbyteries only as have paid in full their quotas to the Contingent Fund.

Resolved, That the Stated Clerk forward a copy each of the *Minutes* and *Reports* to the ruling elders who are Commissioners to this Assembly; provided that the ruling elders forward to the Clerk their post-office addresses, and that the Presbyteries which they represent have paid their full quotas to the Mileage and Contingent Funds.

Resolved, That the Stated Clerk prepare a new edition of the *Manual* for the use of the next Assembly.

Resolved, That the Moderator be authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees.

Resolved, That the Stated Clerk be authorized to pay the usual bills and salaries.

Resolved, That, as customary, all matters connected with railroad rates and arrangements for the next meeting of the Assembly be committed solely to the Stated Clerk.

Resolved, That the Stated Clerk be authorized to pay the actual

traveling and entertainment expenses of the members of Special Committees appointed or continued by this General Assembly, incurred by attendance upon the regular meetings of the Committees, said expenses to be kept within as low a limit as possible, and that he be also authorized to contract for the printing of their Reports to the next Assembly and pay the bills for the same.

Resolved, That the Stated Clerk be authorized to contract for the usual printing of the Manuals of the Assembly, Lists of Commissioners, Lists of Overtures, and all blanks and papers connected with the current work of the General Assembly.

The following, presented by Mr. Louis H. Severance, was unanimously adopted:

Resolved, That Rev. William H. Roberts, D.D., LL.D., the Stated Clerk of this Assembly, be granted two months' leave of absence, to be taken at such time in the year as may be most convenient to him.

The Standing Committee on the Narrative, through its Chairman, Rev. Samuel Parry, D.D., presented its Report, which was approved, and ordered to be printed in the Appendix to the *Minutes*.

The Ministerial Necrology for the past year was read by the Stated Clerk, and Rev. Alexander Scott, D.D., upon invitation of the Moderator, led the Assembly in prayer.

The Stated Clerk, by unanimous consent, was authorized to cast the ballot for the following as members of the Board of the Church Erection Fund: *Ministers*—William Russell Bennett, David R. Frazer, D.D., John A. Ingham and David Magie, D.D.; *Elders*—Henry T. Bronson and William H. Parsons, all for the full term of three years. Also to the Class of 1908, Rev. John McDowell and Rev. Frederic Campbell; and to the Class of 1909, J. Remsen Lane, Esq.

The Moderator was authorized to appoint three additional members upon the Special Committee on Church Coöperation and Union, to be chosen from those formerly in the Cumberland Presbyterian Church. He announced as the appointees the following: *Ministers*—William H. Black, D.D., and William J. Darby, D.D.; *Elder*—Hon. E. E. Beard.

The Stated Clerk as Treasurer was empowered to pay out sums of money on the Entertainment Fund.

The following was adopted:

Resolved, That if the Stated Clerk of the late Cumberland Presbyterian General Assembly feels at liberty to do so, it would be acceptable and gratifying to this Assembly to see the Resolutions presented by Dr. Moffat, and adopted at this morning's session, printed in some suitable place in the *Minutes* of the Cumberland Presbyterian Assembly for 1906.

The Records of the following Synods were approved without exceptions: Atlantic, Baltimore, California, Central China, Colorado, Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Montana, Nebraska, New Jersey, New York, Ohio, Pennsylvania, South Dakota, Tennessee, Texas, Utah, Washington, West Kwantung, West Virginia and Wisconsin.

The Records of the Synod of Catawba were approved with the following exceptions:

1. That they fail to show that the Minutes of the last day's session were approved by the Synod.
2. That they do not show the nature of the report made on the Minutes of Yadkin Presbytery, pages 9 and 17.

The Records of the Synod of Indian Territory were approved with the following exceptions:

1. That the Stated Clerk was authorized to commission delegates to the American Anti-Saloon League.
2. That the Synod pledged affiliation with the Oklahoma Anti-Saloon League.

For the reason that it is not our custom to appoint delegates except to ecclesiastical bodies, or to have affiliation with non-ecclesiastical bodies.

In taking this action the Assembly intends no reflection upon the Synod.

3. That a page is not reserved at the end of the Minutes proper, according to rule of the General Assembly.

The Records of the Synod of New Mexico were approved with the following exception:

That the Synod elected delegates to a convention having no ecclesiastical status or any connection with any church.

The Records of the Synod of North Dakota were approved with the following exceptions:

The Records are neither properly nor neatly engrossed, being composed of corrected printers' proof, printers' programmes and typewritten copy pasted on the pages of an ordinary blank book.

We would refer the Stated Clerk of that Synod to the *Digest*, ed. 1898, pp. 246-259, 681, 683, 685 and 688.

The Records of the Synod of Oregon were approved with the following exceptions:

1. That on page 251 it is recorded that at the morning session Synod heard a report on judicial business; on page 252 it appears that it had been in executive session, but there is nothing to show where said session began.

2. That many of the benevolent Boards are indicated by initials, when they should be written in full.

The Standing Committee on Leave of Absence, through its Chairman, Rev. William S. Holt, D.D., presented its Report, which was accepted, and ordered to be printed in the *Minutes*. The figures following the names of Commissioners indicate the day on which leave of absence was granted. The Report is as follows:

NARRATIVE

OF THE STATE OF RELIGION WITHIN THE BOUNDS OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES OF AMERICA
FOR THE YEAR ENDING MARCH 31, 1906.

The Standing Committee on Narrative would respectfully present the following report:

A Narrative compiled from Presbyterian Narratives must necessarily be incomplete and indefinite. Reports from about thirty Presbyteries have not come into the hands of your Committee, and of those which have passed under our examination, while some show great care and diligence on the part of the compilers, others leave important questions unanswered, or return answers which are generally unsatisfactory, often ambiguous, and sometimes absurd. It is to be remembered, too, that many Sessions fail to send their congregational narratives to their Presbyterian Committees. It is to be hoped that a plan will be perfected which will insure a report from every Session to its Presbytery and from every Presbytery to a Permanent Committee of the General Assembly, who shall have time carefully to examine and compile such reports with something like scientific precision. It is not necessary, however, to drink the whole ocean in order to discover that its water is salt, and so we may be able to get a general view of the state of religion within our bounds even though we may not have full and accurate reports from all parts thereof.

We shall consider the subject under the seven heads found in the Presbyterian Narratives.

I. CHURCH SERVICES.—It is to be noted that the congregations within our widely extended bounds are of varied character and of all degrees of strength and weakness. The reports generally represent them as regularly supplied with the preaching of the Gospel. This is a good sign, for if a church has regular preaching and a place of worship, it is not likely to die. Some report an average attendance of seventy per cent. of the membership at the morning service. The evening service is not so well attended and often proves to be a perplexing problem. To what extent the children and youth are present at the church services your Committee cannot say with accuracy, for most of the reports content themselves with the reply, "Generally" or "To a fair degree." It is doubtless true that there is great room for improvement in this matter, and that parents could and should bring their children to church more than they do. Neglect of this important duty will be hard to repair in future years. Almost all the churches hold prayer meetings during the week, but the attendance is usually small, some reporting ten and some twenty-five per cent. of the membership.

II. SABBATH-SCHOOLS.—This important agency seems to be fully appreciated by all the churches, many having under their care one or more branch or mission schools besides their church school. The members of many of our churches, especially in rural communities, are engaged in work

in union schools. The Westminster Lesson Helps are generally used, and this fact may be taken as a proof of their excellence. Your Committee, however, is amazed to find in how few schools, less than one-half of the whole number, the Westminster Shorter Catechism is taught. Inasmuch as at least one question from the Catechism is found in the Lesson Helps for each week, it looks like negligence on the part of superintendents and teachers if it is not learned.

The Board of Publication and Sabbath-school Work gives a handsome Bible to every scholar eighteen years old, or younger, who will memorize the Shorter Catechism. Where one of these is awarded it becomes an advertisement of the plan, and more are pretty sure to follow.

We believe that one who grows up without knowing this form of sound words has missed something of great value. Teachers' meetings are rare, and Sabbath-school libraries are not so popular as they were a few years ago. Reports are not full enough to enable us to say how many scholars are communicants, or how many became such during the year. We know, however, that in this country the great majority of those who are added to the Church by examination come from the Sabbath-school. In the multiplicity of societies for the young, this old and well-tried agency for grounding the young in the knowledge of the Word of God should never lose its place in the work of the Church, and it should be the aim of all concerned to make the instruction more systematic, efficient and helpful.

III. SOCIETIES.—We have learned that there are about 600 societies of men within our bounds, or on the average one to every thirteen churches. Their objects are, according to our reports, fellowship, entertainment, local aid, missionary aid, Bible study, debate, literature, music, good citizenship and physical culture. When we come to the societies of women we always feel sure of finding a good report. They include in the objects of their work missionary and local aid. Were the whole Church as well organized for missionary work, and as zealous in its prosecution, as are the Women's Societies, our Boards would be relieved of much anxiety. Young People's Societies are popular throughout the Church, and include in their work social, spiritual and missionary objects. They are doubtless a mighty means of bringing the young to Christ, bringing them up in Christ, and training them for work for Christ. The reports say that "practically" these societies and the Sabbath-schools are under the supervision of the Session, but that not all of them report to the Session. It would not seem to be a difficult task for each Session to request reports from such organizations and, on approval, order them to be copied in the *Minutes*. They will be valuable to the local church historian in future years.

IV. SPIRITUAL CONDITIONS.—The true spiritual condition of the Church can be discerned only by Him who "seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart." Yet there are reports in many places of unusual religious interest, and in some places of great revivals. Especially is this true of those cities and regions where the Evangelistic Committee of the General Assembly has conducted its campaigns of simultaneous meetings. In many places where this Committee has not gone, Synodical and Presbyterian Committees have kept the duty before pastors and Sessions, and the stimulating literature issued by the Assembly's Committee has aroused many a pastor to a more earnest effort to win souls for His Lord. The result is seen in the addition of the largest number by far ever added to the Church in a single year, being in round numbers about 79,000, the largest number previously being 74,826 in 1894. Do we realize how large this number is? If all these new communicants were placed in a single Synod, it would rank in number as the fifth Synod in our Church, coming immediately after and nearly equaling in the number of its members the great Synod of Illinois. The difficulties in the way of the progress of religion in a country as vast and varied as ours are interesting enough to enumerate. The reports mention the following: worldliness and indifference of church members, greed of gain, Sabbath desecration, lack of Sabbath laws, scarcity of pastors, short pastorates, infrequency of church services, isolation, scattered people, shifting population, foreign peoples, foreign languages, infidelity, intemperance, the saloon, summer resorts, doubtful amusements, gambling,

secret societies, Mormonism, old heathen customs, superstition and depravity.

V. BENEVOLENCE.—The reports say that Sessions generally give opportunity to the congregations to contribute to each Board of the Church, and that “in many instances” the congregations contribute regularly to such Boards. But it needs only a glance at the columns of the Reports in the *Minutes* of the General Assembly to see that many do not contribute to the various causes therein indicated, much less to the Boards of the Church which represent those causes. The reasons given for failure to contribute are financial weakness, local losses, the burden of self-support, lack of system and lack of interest. Nevertheless a growth in giving is generally reported, and this is corroborated by the figures furnished by the Stated Clerk. In 1899 the total contributions of the Church to all objects were \$18,777,717; in 1905 they were \$18,638,750; the grand total for the six years, 1900 to 1905, is \$102,386,748. The grand total for the six preceding years, 1894 to 1899, is \$82,388,612, showing an increase in the gifts of these six years over those of the preceding six years of \$19,998,136. In 1906 the total is \$18,542,122, and the increase over 1899, \$4,764,405.

There is an impression in the minds of some that the attempt to raise a Twentieth Century Fund of twenty million dollars was a failure, but here we see that the increase in gifts since the raising of the Fund was begun already amounts to \$24,762,541. The plans in use for securing offerings are the envelope system, special collections, collections distributed *pro rata* among the Boards according to the percentage recommended by the General Assembly, and personal solicitation. Not many Sabbath-schools contribute to all the Boards of the Church. Men's Societies do not seem to have contributed much to the Boards. Women's Societies and Young People's Societies generally contribute to Home and Foreign Missions and Freedmen. The answer is wellnigh universal and very positive that adequate provision is made for the poor of the Church. The cause of systematic giving is growing more and more important. If the Boards of the Church, with their increasing needs, are to have a regular and reliable income, God's people must rise to a higher degree of consecration, give from principle, give as a privilege and give in proportion to their income. If Christians would voluntarily adopt the Bible plan and consecrate to the Lord one-tenth at least of their income, not only would the local churches be well supported, but the treasuries of the Boards would be filled to overflowing with means for the prosecution of their noble work, and the givers themselves would receive the promised blessing of God.

VI. FAMILY RELIGION.—Christian parents are reported generally to be faithful in presenting their children for baptism. If so, family religion is not optional with them but obligatory, for they have taken upon themselves vows before God and man to perform their duties with respect to the children whom God has given them, and to train them up in the nurture and admonition of the Lord. The head of a family is the divinely appointed prophet, priest, and king of that family. As a prophet he is to furnish instruction to his family, as a priest he is to lead them in worship, and as a king he is to exercise government. The family is therefore a school, a church and a State in miniature, and if all the families on the earth were perfect there would be everywhere a perfect school, a perfect church and a perfect State. We should open our eyes, in such a case, look around us and exclaim, “The millennium is here!” Suppose that all the foreigners who are coming to us in such vast numbers should establish Christian homes, where the scenes should be enacted which are portrayed in the “Cotter's Saturday Night,” who would then be afraid of immigration? The Christian head of a family is a *quasi* officer in the Church, which is defined as consisting of believers and their children, and he ought conscientiously to discharge the duties of his office. Family religion is the right arm of the Church work. Not only is it a powerful means of promoting conversions, but the family is also the best means of guarding and training young converts. We do not hesitate to receive children into the Church at an early age, if we know that there is a good Christian atmosphere in their homes. Presbyterians have a good reputation for family religion; we should endeavor to maintain it. Pastors, Sessions and parents cannot better promote the good

of the Church than by seeking to further the interests of family religion in every home.

VII. MISCELLANEOUS.—There is remarkable unanimity in the reports in declaring that the financial obligations of the Church are met with fidelity, but some qualify this by adding “but not with promptness.” The temporalities of the Church are in nearly all cases managed by trustees, in only a very few cases by deacons. As to the special days appointed by the General Assembly, Children’s Day is very generally observed. Not so much can be said of the other special days.

In conclusion, this has been a wonderfully good year, a year of the right hand of the Most High. There has been progress all along the line. But we must remember that “there remaineth yet very much land to be possessed.” Growth brings larger responsibility. Our Lord rewards His workers by giving them more work. In a certain battle an excited young officer rushed up to the General in command and enthusiastically exclaimed, “Sir, we have taken a battery from the enemy!” “Very well,” was the reply, “go and take another.” Let us not be content with past success, but, with renewed confidence in God, let us joyfully address ourselves to the work set before us, and resolve that by His grace we will do our best to make the next year’s work better than the last.

Respectfully submitted in behalf of the Committee,

SAMUEL PARRY, *Chairman.*

CORRESPONDENCE.

I. REPORT OF THE EXECUTIVE COMMISSION OF THE
ALLIANCE OF THE REFORMED CHURCHES
THROUGHOUT THE WORLD HOLDING
THE PRESBYTERIAN SYSTEM.

PHILADELPHIA, PA., May 8, 1906.

To the General Assembly of the Presbyterian Church in the U. S. A.:

FATHERS AND BRETHREN:—The Western or American Section of the Executive Commission of the Alliance of the Reformed Churches holding the Presbyterian System, respectfully presents to your venerable body its annual report.

The Commission first places on record its deep sense of the loss sustained by it through the death of the Rev. Robert H. Warden, D.D., of the Presbyterian Church of Canada. Dr. Warden was the financial agent of that Church, and had been in connection with the Commission of the Alliance from the beginning, and had rendered increasingly valuable services to the Church and to the Alliance from year to year.

MEETINGS.—The Commission has held during the past ecclesiastical year two meetings, one in the Marble Collegiate Reformed Church, New York City, October 25-28, 1905; the other in Westminster Hall, Wither-spoon Building, Philadelphia, Pa., April 11-12, 1906. At the meeting in New York City the distinctive social features were the generous hospitality of the men of the congregation of the Marble Collegiate Reformed Church, and the popular meeting held in the church on Wednesday evening, October 25. At the meeting in Philadelphia, Pa., the members of the Commission were the guests at dinner on Wednesday evening of the Princeton Presbyterian Church of Philadelphia, and at Thursday noon were welcomed to lunch by the Hon. John Wanamaker. The Commission was also tendered a reception by the Presbyterian Historical Society, to whose rooms the members greatly enjoyed their visit.

At the two meetings above mentioned, special attention was given to certain matters of decided importance. They are as follows:

COÖPERATION IN FOREIGN MISSIONS.—Upon this subject an admirable report was submitted by the Committee on Foreign Missions, of which the Rev. John H. Prugh, D.D., of the Reformed Church in the U. S., is Chairman. After hearing the report the Executive Commission placed upon record an expression of "its great joy and gratification that the Alliance of the Reformed Churches throughout the world holding the Presbyterian System, has ever been in deep sympathy with this idea of co-operation, and has had some share in the work already accomplished. The fond hopes and earnest prayer are again expressed for the practical unity of all Christ's followers, to the end that the whole world may believe that He is the Son of God, the Saviour of all men."

RESIDENTS IN FOREIGN SEAPORTS.—The spiritual needs of American and European residents in foreign seaports were also earnestly considered. The report on this subject was submitted by a Committee, the Chairman of which is the Rev. S. H. Chester, D.D., of the Presbyterian Church in the U. S. The following resolution was adopted by the Commission in connection with the report:

"Resolved, That the attention of the supreme judicatories of the Churches represented in the Western Section of the Pan-Presbyterian Alliance be called to the spiritual needs of those of their members who are residents in foreign seaports; and that they be requested to give this matter serious attention in connection with the consideration of their Foreign Missionary work, and that, if necessary, action be taken author-

izing Foreign Mission Boards and Societies to include this work in the scope of their Missionary coöperation.

Attention on the part of your venerable Body is requested to this important subject, and it is hoped that you will take some action thereupon.

REFORMED CHURCHES OF EUROPE.—The condition of the Protestant Churches on the Continent of Europe is the subject of serious thought on the part of the Section. In this connection we are glad to state that the efforts for the establishment of American Churches in certain of the principal cities on the Continent of Europe are meeting with a success which is gratifying. That they are greatly needed goes without saying. The Americans in Europe increase greatly in numbers, and the Churches for their spiritual welfare are far too few. A most important department of the work of this Commission is found, however, in the native Churches of the Continent, the great Reformed Churches and the ancient Waldensian Church, having altogether between eight and nine millions of adherents. Their energies are often paralyzed by State control, and large parts of them are honeycombed by rationalism. We should endeavor to do for them all that is possible. While all need attention, your Committee deem worthy of mention at this time the Waldenses and the Churches of Austria and France. Especially should attention be given to the last field named. Not only Roman Catholic but Protestant Churches have been disestablished in that country. It is likely that the Reformed Church of France will be in financial straits for several years to come, until its people, who have always been accustomed to State help, develop the spirit of self-help and systematic benevolence. The Commission feels deeply the critical condition of this sister Church, and recommends that not only sympathy but financial assistance be extended to its ministers and congregations.

The Commission, further, believes that much could be done for the evangelization of the Continent of Europe. There are signs that the Continental Churches themselves are ripening for some such effort. Other great fields of Christ's Church Universal are occupied by our different denominations through Foreign Missions, Home Missions, Sunday-school Missions, etc. Here is a field, however, for the Presbyterian family of Churches which is practically unoccupied, and in which the Churches of the Alliance can do vast good and leave a permanent record in history of valuable work accomplished for our Lord and Saviour. Will not benevolent members of our household of faith contribute of their means for the spread of spiritual religion in these ancient lands?

CONFERENCE AT PRAGUE.—The Eastern Section has appointed a Conference at Prague, Bohemia, in July or August, 1906, with a view to the encouragement of the Reformed Brethren in that portion of Europe. The Chairman of the Western Section and other members have been named as delegates, and helpful results are looked for from the gathering.

EVANGELIZATION OF FOREIGN-SPEAKING POPULATIONS.—The Committee on Home Missions has been recently engaged in inquiries into the spiritual needs of the foreign-speaking population both of the United States and Canada. The Chairman, Rev. F. R. Beattie, D.D., of the Presbyterian Church in the United States, presented a comprehensive and highly interesting report on this subject at the April meeting in Philadelphia. This report it is hoped to have printed in the Religious Press, and also as a separate leaflet for distribution to the Churches. The Western Section has requested its Home Mission Committee to secure further information with reference to this inviting field of work, especially including the Yiddish-speaking Jews, with a view to making recommendations as to methods of work that are found effective.

SABBATH-SCHOOL WORK.—The Committee on Sabbath-school Work, through its Chairman, Rev. James A. Worden, D.D., LL.D., presented a report upon Church Federation and Coöperation as illustrated in the history of the modern Sabbath-school movement. The report was most acceptable, as showing how under the guidance of the Holy Spirit through more than 125 years of effort, Sabbath-school workers have been able to coöperate with each other without reference to denominational lines; and yet have been enabled so to do without discord, without interference with the individuality of any Christian denomination, with highly gratifying practical

results, and with distinct emphasis upon the maintenance of the fundamental doctrines of historical and evangelical Christianity. It is hoped that this report also will be published in leaflet form.

INCREASE IN MEMBERSHIP.—After due consideration the Commission has felt it wise to increase its membership. Hitherto the smaller Churches have had but one member; from this time forth they will have two members. The total membership has been increased from 82 to 106, distributed as follows:

Presbyterian Church in Canada,	10 members
Presbyterian Church in U. S. A.,	40 "
Presbyterian Church in U. S.,	10 "
Reformed Church in America,	9 "
Reformed Church in U. S.,	12 "
Cumberland Presbyterian Church,	8 "
United Presbyterian Church,	7 "
Reformed Presbyterian Church General Synod,	2 "
Reformed Presbyterian Church Synod,	2 "
Associate Reformed Church Synod, South,	2 "
Presbyterian Church of Brazil,	2 "
Presbyterian Church of Mexico,	2 "

CHURCH COÖPERATION AND UNION.—The Western Section has appointed a Committee on the mutual relation of the Churches constituting the Alliance. The Chairman, the Rev. R. H. Fleming, D.D., of the Presbyterian Church in the United States, reported at the April meeting on the proposed union of the Presbyterian, Methodist and Congregational Churches of Canada. Reference was also made to the Conference on Coöperation held by the Committees of six of the American Churches in the Alliance at Charlotte, N. C., March 14-16, 1906. Mention was also made of the great Conference in New York City, November 15 to 21, of the representatives of thirty Protestant Churches in the U. S. A., and of the adoption of a Plan of Federation which has been transmitted to each of the constituent bodies. Seven of these Churches are members of the Western Section of the Alliance. This Committee in closing its report says that "there is a manifest longing for more of a fraternal union. It does not become this Western Section of the Alliance to express any opinion concerning the particular method in which this unity may be expressed. It is a pleasure, however, to make report of these movements, and to rejoice in the desire to see the unity of the Reformed Church, which already exists, exhibited to all the world."

EXPENSES AND REPRESENTATION.—The expenses consist of two principal items: (1) the general expenses of both Sections of the Alliance, including the salary of the General Secretary, Rev. Dr. George D. Matthews; (2) the expenses of the Western Section of the Alliance. These latter were increased by the Liverpool Council from £385 to £445 per annum, equivalent to about \$2,200. The traveling and contingent expenses of the Western Section amount to about \$1,600 per annum; the American Secretary, the Rev. Dr. Roberts, serving without salary. The amount needed, therefore, for the expenses of the Alliance, so far as the Western Section is concerned, is \$3,800 per annum.

This has been divided among the Churches on the basis of \$20 for each representative to the General Council of the Alliance.

It was felt that inasmuch as the expenses had been adjusted in the past in proportion to representation, that it was wise to adhere to the same rule in the present. A change, however, has been made in the representation in the General Council. The number of delegates assigned to the Western Section by the Liverpool Council is 190. After careful thought the Commission has increased the number of representatives in the Council of the Presbyterian Church in the U. S. A., which means also an increase in its share of the expenses of the Alliance. It is hoped that the new adjustment of expenses and representation will meet general approval. It is as follows:—

	Members.	Annual Payment.
Presbyterian Church in Canada,	19	\$380
Presbyterian Church in U. S. A.,	81	1,620
Presbyterian Church in U. S.,	19	380
Reformed Church in America,	11	220
Reformed Church in U. S.,	21	420
Cumberland Presbyterian Church,	16	320
United Presbyterian Church,	16	320
Reformed Presbyterian Church, General Synod,	2	40
Associate Reformed Presbyterian Church,	2	40
Presbyterian Church of Brazil,	2	40
Reformed Presbyterian Synod,	2	40
Presbyterian Church, Mexico,	2	40

APPORTIONMENTS.—It is respectfully requested that provision be made for the payment of the apportionment of your Church for the annual expenses of the Alliance. The amount is \$1,620, and should be sent to the Treasurer, F. K. Hipple, Esq., LL.D., President Real Estate Trust Company, Philadelphia, Pa.

DELEGATES.—The Commission has appointed as delegates, to carry to your venerable Body fraternal greetings, the Rev. James D. Moffat, D.D., LL.D., and the Rev. Wm. Henry Roberts, D.D., LL.D.

GENERAL CONDITIONS.—Reports from all parts of the world show that the Reformed Churches, wherever found, as never before have great opportunities for service to God and to mankind. The world is open to the Gospel. The heathen nations are in a marked state of political and religious unrest. Nominally Christian nations are undergoing notable and in one or two cases revolutionary changes. The hopes of the masses of mankind in many lands for a betterment of social and religious conditions are being recognized in a marked manner. May the Churches holding the Reformed faith and the Presbyterian order, who have done so much in the past for mankind, in both civil and religious spheres of action, be privileged in this present time to bring the priceless blessings of pure and undefiled religion to those people and lands that either have never known, or, having once known them, have suffered serious loss. To revive spiritual religion in some portions of our globe, and to win the unbelieving world for Christ, these in a peculiar sense are the opportunities and duties of the hour.

Now unto Him who is of power to establish us according to His Gospel, to God only wise, be glory through Jesus Christ forever. Amen.

In behalf of the Committee,

RALPH E. PRIME, *Chairman.*

WM. H. ROBERTS, *American Secretary.*

II. FRATERNAL LETTER FROM THE PRESBYTERIAN CHURCH IN IRELAND.

ASSEMBLY BUILDING, BELFAST, IRELAND, May 1, 1906.

To the General Assembly of the Presbyterian Church in the U. S. A.

BELoved BRETHEN:—It was with great satisfaction that our General Assembly at its annual meeting in June last received your letter of brotherly love and sympathy. It was joy to us to have brought to our remembrance the name of the Rev. Francis Makemie, and to recognize how your Church honors him as in reality the founder of organized Presbyterianism in the United States. He was ordained by the Presbytery of Laggan, Ireland, and was the chief agent in organizing your General Presbytery. Our old Presbytery of Laggan exists under that name no longer, but has expanded into several Presbyteries; while your old General Presbytery has developed into a great General Assembly. As we look at the figures you

have sent us, showing how marvelously your Church has grown during the two hundred years of her organized existence, we say "What hath God wrought!"

We feel as you do that the bonds of sympathy between your great Church and ours should indeed be strong. Your roll of ministers has received many additions from our Church, and many Irish Presbyterians of the laity have made their homes in the United States and have helped to swell the membership of your congregations. And if there has been little official interchange of Christian courtesies between your Assembly and ours, frequent visits to the old land of your ministers and people have done much to maintain the feeling of brotherhood between us. It encourages us to hear from time to time that the Scotch-Irish are recognized in the States as an element in your population characterized generally by integrity, energy, industry, public spirit, submission to duly constituted authority, and devotion to the cause of truth and righteousness; and that this important section of your population is largely to be found in the Presbyterian Churches of America.

We have carefully considered that part of your letter which invites us to increased coöperation with you for work in the present and in the future, and have commissioned two deputies to attend your Assembly which meets on the 17th of May. Perhaps you will have some definite practical suggestions to make to them in regard to coöperation.

We express our cordial congratulations on the great expansion and flourishing condition of your Church. We tender to your ministers and people the fraternal regards of the Irish Presbyterian Church, and we pray that your coming Bi-Centenary celebrations may be an occasion of great spiritual blessing throughout your whole communion. May peace be within your walls and prosperity within your palaces, and may the God of all grace enrich you abundantly with His favor.

We desire to express through you the deep sympathy of our people with the American nation in regard to the terrible catastrophe that has come upon San Francisco.

As for our Church in Ireland, we have to say that the tide of emigration from our shores, though diminishing in volume, carries away every year some of our strongest and healthiest young people. The population of Ireland is decreasing, but the decrease is less relatively for the Presbyterian Church than for most of the other communions. Yet our people show their love for their Church and its ordinances by increased support for the ministry at home and larger liberality for our missions abroad. Our missions and our colportage work in those parts of Ireland, where the evangelical Gospel as Protestants know it is not preached, are carried on among many difficulties, yet with much interest and with a varying measure of success; proselytism is not our aim, but the presentation of the simple Gospel of the grace of God. In this department we receive valuable aid from a strong association in Scotland on behalf of Irish Missions.

In June last our splendid pile of New Assembly Buildings was opened by His Grace the Duke of Argyll, and this Church House has already become the great throbbing centre of our Church's activities. So that we in our measure have reason to say, like you in yours, "The Lord hath done great things for us, whereof we are glad."

In common with many in three kingdoms, we long and pray for a great outpouring of the Holy Spirit. Blessed results have followed the revival in Wales. May the wave of spiritual quickening roll out to all lands; the gracious Spirit of power is behind it. May your Church and ours in faith seek for and share in abundance of spiritual blessing.

The twentieth century is still young, and we are confident that as its years go on the love of the old Gospel will deepen and widen; that lands now heathen will receive the Gospel and cherish and obey it; and that in Christian lands where the new learning has shaken faith or smitten Christian effort with partial paralysis, a revived demand for positive preaching which has already begun will grow and strengthen, and the living Church of Christ will gird herself with increasing ardor to the glorious work of winning the world back to Him whose right it is. No doubt much will arise to try our faith and discourage workers, but He that is with us is

more than all that can be against us. In the coming triumph of our Lord Jesus Christ over all nations, may your Church and ours, as sections of the great Presbyterian Church of the world, have a worthy share.

With much respect and affectionate regard, we are,

Moderator, Fathers and brethren,

Yours in the love of the Lord.

WILLIAM McMORDIE, *Moderator*;

WILLIAM JAMES LOWE, *Clerk*.

III. FRATERNAL LETTER FROM THE CALVINISTIC METHODIST OR PRESBYTERIAN CHURCH OF WALES.

THE PRESBYTERIAN CHURCH OF WALES,
MENAI BRIDGE, April 10, 1906.

To the General Assembly of the Presbyterian Church in the U. S. A.

FATHERS AND BRETHREN:—We desire in all sincerity to thank your Assembly for the generous expression of Christian good will conveyed to us in your address, and to signify to you in this manner the general sense of deep gratification with which your fraternal greetings were welcomed by all in our General Assembly.

As brethren in Christ Jesus, realizing our devotion to the service of the same Master, we salute you in return; and we wish to rejoice with you especially on the eventful occasion of the celebration of the Two Hundredth Anniversary of your first Presbytery. From the small beginnings of 1706 the Lord has prospered you greatly, and you have been abundantly blessed with great and good men, whose names are held in honor in all lands. We are naturally proud to know that many of these were of Welsh ancestry; but of whatever nation, we recognize in them kindred souls with whom, though apart, it has been our privilege to work in Christian fellowship. Your history, as well as that of other great Churches in America, is but the Lord's doing; and like all His work, "it is marvelous in our eyes." And we trust that most cordial relations will continue, not only between our respective Churches, but between the people of America and of Great Britain, who hold in their hands the destiny of the world.

We pray earnestly that the great wave of spiritual awakening which has so mercifully touched all parts of our beloved land may reach also in equal power the shores of that great country in which it has pleased God to call upon you to labor. It is impossible to give any adequate account of the size and growth of this great and glorious revival, for which we in common with all our Christian brethren had prayed so long and so earnestly. The manifestations of the Spirit were not confined to any one denomination, and though it first started in one of our own Churches, and though one of our ministerial students has been its acknowledged leader, the strange movement spread quickly through all Churches, and all sectarian differences were happily forgotten. The converts—most of whom, we are thankful to find, show signs of true conversion—are numbered by thousands. A new spirit and tone which cannot be defined, but which will be instantly felt, now pervade our Churches, and our young people have preëminently felt the compelling power of the Holy Spirit, enlisting all their varied gifts in Christian service.

We hold our friendly relations to your great Church in true veneration and esteem, and we are glad beyond words to learn of your aggressive labors and your success in the work of our Lord Jesus Christ. You will allow us to add that a great responsibility rests upon our shoulders, as the Church to which the care of so many souls in Wales has been entrusted by God. And our work is, in spite of much unfaithfulness on our part, steadily increasing. We claim to be the one and only denomination which is purely Welsh in spirit and origin, and both in the Principality and in connection with our Missionary work in India and in Brittany new problems continually arise.

Whilst we pray therefore that the Great Head of the Church whose we are, and whom we both endeavor to serve, may continue for many generations to guide, to help and to bless your Church, we humbly beg of you to continue in prayerful sympathy with us, that all our plans may prosper for the furtherance of His Kingdom.

And now, dear fathers and brethren, we "commend you to God and to the word of His Grace, who is able to build you up and give you an inheritance among all them which are sanctified." May grace, mercy and peace from Father, Son and Holy Spirit, one God, abide with you forever.

We are yours, in behalf and by command of the General Assembly of the Calvinistic Methodist Church of Wales,

With all brotherly greetings,

T. CHARLES WILLIAMS,
JOHN OWEN THOMAS.

IV. FRATERNAL LETTER FROM THE PRESBYTERIAN CHURCH OF ENGLAND.

LONDON, ENGLAND, May 1, 1906.

To the General Assembly of the Presbyterian Church in the U. S. A.

DEAR AND HONORED BRETHREN:—The Synod of the Presbyterian Church of England has empowered us to write in its name, and to assure you of the interest our Church takes in the most interesting event of the Two Hundredth Anniversary of the Organization of the first Presbyterian Church in the United States of America.

We find ourselves unable to send a deputy to your General Assembly. But we none the less heartily assure you that we rejoice in your prolonged existence as a Church, and in the large dimensions which you have attained. Your manifold activities at home and abroad have received the Divine blessing in the past, and we pray that these essential blessings may multiply as your years increase and your work expands.

We further warmly assure you that between our Churches, as between the people of our respective countries, we desire to cherish the closest and strongest bonds of Christian brotherhood.

With cordial fraternal greetings, we are, on behalf of the Presbyterian Church of England,

BENJAMIN BELL, } *Joint Conveners of the Committee on*
JAMES MELLIS, } *Intercourse with Other Churches.*

V. FRATERNAL LETTER FROM THE UNITED FREE CHURCH OF SCOTLAND.

To the General Assembly of the Presbyterian Church in the United States of America.

BELoved BRETHREN:—On behalf of the Assembly Arrangements Committee of the United Free Church of Scotland, to whom a remit was made by last General Assembly of the Church to consider the communication received from you in regard to the Bi-Centenary of the Foundation of your Church, we desire on behalf of the United Free Church of Scotland to tender to you their most hearty congratulations on the interesting event which is to be celebrated by you this year. We rejoice in the great and ever-growing prosperity of your Church, which from small beginnings is now the largest Presbyterian Church in Christendom, and in the provision which you have been able to make for overtaking the needs of the vast territories which form the sphere of your labors, and we congratulate your

Church on the noble and successful Mission work carried on by you in heathen lands.

All our Churches have received a valuable stimulus from the energy with which you have faced the enormous task of founding and maintaining Christian institutions for the ever-expanding population of the United States. Not less have our Mission enterprises benefited from the example and the fellowship of your Missionaries, from their zeal, their enterprise and their success. And our theological literature looks to yours, and must more and more look, for aid in the task of combining sincere and serious inquiry with loyalty to the faith once delivered to the saints.

As authorized by the Assembly we appointed the Rev. Prof. Alexander Martin, D.D., of the New College, Edinburgh, to represent our Church at the meetings of your General Assembly; but owing to the illness of his wife, Prof. Martin has, to our great regret, intimated his inability to leave Scotland at this time, and we have found it impossible at this late date to get a suitable representative to appear for us at your Assembly, which unfortunately meets about the same time as our own, which (owing to the trying circumstances in which we are placed by the adverse decision of the House of Lords reversing the unanimous decision of the Scottish Judges) is likely to be one of peculiar interest. We tender our thanks for the messages of sympathy which we have received from various quarters of the United States, and trust that more frequent opportunities may be found for interchange of delegates between the two Churches, which have so much in common.

In closing, we express the hope that the memory of your past successes will incite your Church to renewed effort at home and abroad, and that the richest blessings of the great King and Head of the Church may crown all your labors with abundant success.

We are, Moderator, Fathers and Brethren, yours in the faith and love of our Common Lord,

ROBERT RAINEY, *Moderator*;
R. R. SIMPSON, *Secretary*.

VI. LETTER FROM THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH OF AUSTRALIA.

PRESBYTERIAN CHURCH OFFICES, 23 YORK STREET,
SYDNEY, NEW SOUTH WALES, 23d August, 1905.

To the Clerk of Assembly, Presbyterian Church, U. S. A.

REV. AND DEAR SIR:—In view of recent events in connection with the Churches in Scotland, and also having regard to the desirability of keeping in close touch with the various sections of our Presbyterian Church throughout the world, we have the honor to make the following representation for the consideration of the General Assembly of your Church, or any Commission or Committee thereof having authority to deal with matters of the nature hereinafter referred to.

In the light of certain information which we have received and having regard, first, to the complications in Scotland to which reference has already been made, and, secondly, to the possibilities in the same direction in the future, we deem it wise to approach the authorities of the various Presbyterian Churches, making clear and definite intimation, for the information of all concerned, that the Presbyterian Church of Australia, constituted by deed of union signed on the 23d day of July, 1901, and now represented, first, by the General Assembly of the Presbyterian Church of Australia, and secondly by the State General Assembly in each of the six States of the Commonwealth, to-wit: New South Wales,

Victoria, Tasmania, South Australia, Queensland and Western Australia, is the Church representative of Presbyterianism within the Commonwealth of Australia, and that the said Church is the representative Presbyterian Church recognized by your Church and with which your Church is in correspondence.

We do not consider it necessary to go further into detail, as we believe that, under present circumstances, you will readily understand the meaning of what we intend to convey, and that you will take the earliest opportunity of bringing this communication before the proper authority, and we trust that the suggestion made may be adopted and speedily carried into effect.

We have the honor to be, reverend and dear sir,

Your obedient servant,

DAVID BRUCE,
*Moderator-General Presbyterian Church of
Australia.*

VII. LETTER FROM THE NATIONAL FEDERATION OF CHURCHES AND CHRISTIAN WORKERS.

[*Printed to complete the Record.*]

NEW YORK, N. Y., December, 1903.

To the General Assembly of the Presbyterian Church in the U. S. A. :

FATHERS AND BRETHREN :—Permit us to address you on the subject of the coöperative relationship of the Churches of Jesus Christ in Christian work.

The National Federation of Churches and Christian Workers has for its object to promote the coöperation of churches of various communions through the formation of State and local federations, in order to secure united and effective effort in religious and moral movements vital to the welfare of churches and communities. In the four years of its existence the National Federation has accomplished much in fostering the principles and giving an impetus to the practical workings of federation. In a number of cities and towns the federated churches have in concerted effort taken a religious census of the population, organized successful coöperative parish work, discovered and directed to the churches of their choice, families that had dropped away from church attendance, and thus saved many who otherwise would have been utterly lost to the churches. In some cities the work of local federations has been directed to the concentration of effort for the removal of social evils, the cleansing of the centres of vice and corruption, and the promotion of temperance, Sabbath observance and general morality. The affiliation of the local churches has often proved a beneficent moral force in the administration of civic affairs. In a number of the States the National Federation has aided in the formation of State organizations, which direct the work in their several States. This has required the approval and aid of the State Synods, Conferences and Conventions of the several denominations, and their coöperation has been freely given. These State and local federations have made somewhat clearer to the world outside what is the essential unity which underlies denominational diversity.

We believe that the growing interest in federation and the widespread conviction of the great possibilities contained in federative movements indicate that the time is opportune for the extension and strengthening of the principles of federation. A national society like ours, however, cannot undertake the immense task of organizing coöperative work in the thousands of cities and tens of thousands of towns in our country. It has neither

authority nor desire to intervene in the great questions which vitally concern the various denominations as denominations. We believe that the great Christian bodies in our country should stand together and lead in the discussion of, and give an impulse to, all great movements that "make for righteousness." We believe that questions like that of the saloon, marriage and divorce, Sabbath desecration, the social evil, child labor, relation of labor to capital, the bettering of the conditions of the laboring classes, the moral and religious training of the young, the problem created by foreign immigration, and international arbitration—indeed all great questions in which the voice of the Churches should be heard—concern Christians of every name, and demand their united and concerted action if the Church is to lead effectively in the conquest of the world for Christ.

It is our conviction that there should be a closer union of the forces and a more effective use of the resources of the Christian Churches in the different cities and towns and, when feasible, in other communities and fields, with a view to an increase of power and of results in all Christian work.

The experience of the National Federation has made it clear that very many of the Churches of the several communions are ready to come closer together in the common service of the Master. This has led us to raise the question whether a more visible, effective and comprehensive followship and effort is not desirable and attainable.

And yet we might not have considered it to be our duty to propose action to this end if the suggestion and request had not been directly brought to us through formal ecclesiastical channels. It has been said to us that it might seem presuming for any one denomination to make such a proposal to the other denominations, but that such a proposal could better come from an organization like ours which includes representatives of the various denominations.

We, therefore, take the liberty to address you.

In order to secure an effective organization of the various Protestant communions of this country for the practical ends indicated, we would suggest that a Conference of representatives accredited by the National bodies of said Protestant denominations meet in New York City, November, 1905, to form such a representative organization as may seem proper to them. It is understood that its basis would not be one of creedal statement or governmental form, but of coöperative work and effort. It is also understood that the organization shall have power only to advise the constituent bodies represented.

We invite your hearty coöperation and participation by representation.

We would take the liberty more definitely to suggest that the number of representatives from each denomination be 50 for such as number 500,000 and upwards, 10 for such as number 100,000 and upwards, and not more than 5 for those numbering less than 100,000.

We do not ask you to develop or adopt our organization. Ours is a voluntary federation. What we propose is a federation of denominations, to be created by the denominations themselves. We have no elaborated plan or scheme of organizations to present for approval. That would not be proper.

We do not desire to present arguments in support of such a federation. We doubt not that all will agree that the different Christian communions, largely one in spirit and devoted to one Lord, should by united effort make visible to the world their catholic unity, that the world may know "Him whom the Father hath sent," and at length His prayer for the oneness of His people may be more fully answered. If this seems to you, as it does to us, an object to be partly achieved in the way we suggest, we ask your consideration and approval of our proposal.

We also suggest, if this proposal be approved, that you authorize the National Federation to act in making arrangements preliminary to the meeting of the Conference of the representatives of the Churches; and it is requested, in that case, that you appoint one person who shall be your special representative for purposes of correspondence with the Committee of Arrangements for the Conference.

Wishing you the Divine blessing on your deliberations and on the Churches which you represent, we are, Fathers and Brethren,

Yours in the service of our common Lord and Master,

VIII. LETTER FROM THE INTER-CHURCH CONFERENCE ON FEDERATION, CARNEGIE HALL, NEW YORK, NOVEMBER 15-21, 1905.

NEW YORK, November 21, 1905.

To the General Assembly of the Presbyterian Church in the U. S. A.

BELoved, BRETHREN:—The Inter-Church Conference on Federation, assembled in the City of New York, Greeting, in the name of Jesus Christ, our Divine Lord and Saviour:

It is our privilege to formally announce to you that, through the leadership of the Holy Spirit, the Evangelical Churches of America represented in this Conference have at length realized that for which they have long devoutly prayed, namely: the perfection of a Plan of Federation in Christian service, by which they may the better manifest the unity of Christ's Church and extend the Kingdom of God.

The National Federation of Churches and Christian Workers, at its session in Washington, D. C., February 4 and 5, 1902, adopted a resolution, "That a Committee of Correspondence be appointed to act in behalf of the Federation in requesting the highest ecclesiastical or advisory Boards of the Evangelical denominations in our country to appoint representative delegates to a Conference to be held in the autumn of 1905." The intention from the beginning, it will be seen, was to seek the Federation of Evangelical Churches only already in fraternal relations and in substantial agreement as to fundamental Christian doctrines. In reply to the letter of invitation sent out by the Committee, an affirmative response was received from twenty-eight denominations, which are represented by their duly appointed delegates in the Inter-Church Conference on Federation, sitting in the City of New York, November 15-21, 1905. This Conference is, therefore, no voluntary gathering of individuals or of societies, but a meeting of the appointed delegates of the participating Churches. The action of the Conference, reached with approximate unanimity, and with many expressions of essential unity in the one Divine Master and Lord, who so evidently presided over the deliberations of an assembly where all stood on the common level of brethren, is accordingly communicated for approval to the supreme governing or advisory bodies of the denominations concerned.

In communicating to you the Plan of Federation, recommended for adoption by the constituent Christian bodies, we desire to draw your attention to the fact that the Plan was prepared with great care and deliberation by a large Committee of forty members, on which all the Churches uniting in the Inter-Church Conference on Federation were represented. The Report came before the Conference as the unanimous recommendation

of this large and wise committee, and, after careful consideration in several sessions of the Conference, was, with slight modification, adopted with great cordiality and a unanimity broken by but one dissenting voice. The Conference is hopeful that the conclusions thus harmoniously reached by the delegates of the Churches may prove the happy augury of like action on the part of the constituent Churches to which this communication is sent.

Allow us to say that from the beginning to the close of our sittings the spirit of Christian brotherhood and the sense of oneness in our common Lord have ruled the intercourse and consultations of the delegates of the Churches. In the moment of the adoption of the Plan of Federation now submitted for your ratification, the hearts of all flowed together as the heart of one man, and the Conference spontaneously united in singing "Praise God from Whom all Blessings Flow."

Since the beginning of our Conference there has been a manifest oneness of conviction on the need of Federation, that the Church might array her united forces against the gigantic evils of the times. Only with united voice and by concerted action can the Church successfully antagonize such evils as the liquor traffic, unscriptural divorce, desecration of the Lord's Day, and the social evil; or can she hope to solve such problems as arise out of the needs of city evangelization, the relations of capital and labor and the influx of foreign immigration. Accordingly, the labors of the Conference have been directed throughout to devising a practicable Plan of Federation through which all these and other desirable and urgent ends may be achieved. This Plan, the best that the wisdom of your delegates could frame, is now submitted to you, with the confident belief that the favorable action of the constituent bodies thereupon will be an important forward step in unifying the Churches and making them more effective against the common foe.

When your body shall have taken action on the Plan of Federation, a copy of which is appended to this communication, it is respectfully requested that your Secretary shall forward an attested copy of said action to the Rev. Elias B. Sanford, D.D., Secretary, 81 Bible House, New York, N. Y.

We further request that, immediately upon the approval of the Plan of Federation, you will elect your delegates, with alternates, to the Federal Council, and forward to the Secretary their names and post-office addresses.

We trust that we are not overbold, brethren, in interpreting the significant unanimity of this Conference to mean that Christians of the several communions are nearer than ever before to their common Lord; and we pray that, speaking the truth in love, we may continue to grow up into Him in all things who is the Head, even Christ; from whom the whole body fitly joined together and compacted by that which every joint supplieth, according to the effectual working in the measure of every part, maketh increase of the body unto the edifying of itself in love.

On behalf of the Committee on Correspondence,

JOHN J. TIGERT, *Chairman*;
J. E. CLARKE, *Secretary*.

On behalf of the Inter-Church Conference,

Alexander and a company of his evangelistic helpers occupied one of the Sabbath morning chapel services with a presentation of Evangelism. Through the provision of Prof. Erdman the whole Senior Class was given a trip to Philadelphia and entertainment over Sunday, that they might attend the Torrey-Alexander evangelistic meetings. On the Day of Prayer for Colleges, the Rev. Francis Palmer, of Trenton, addressed the Seminary at the morning meeting for reports from colleges, and preached in the evening.

The three hundredth anniversary of the death of Beza was made the occasion of a chapel service devoted to his memory, when Prof. John De Witt, D.D., delivered an address on "The Life and Work of Theodore Beza."

II. AUBURN THEOLOGICAL SEMINARY.

REPORT OF THE BOARD OF DIRECTORS.

THE Board of Directors of the Auburn Theological Seminary, Auburn, N. Y., report as follows for the year ending May 10, 1906, to the General Assembly of the Presbyterian Church in the United States of America :

On February 8, 1906, it pleased God to take out of this life the Rev. Timothy Grenville Darling, D.D., Richards Professor of Christian Theology. Dr. Darling came to the Seminary in 1888 to succeed the late Dr. Anson J. Upson as Professor of Sacred Rhetoric. He was then forty-five years of age, and had had seventeen years of experience in the pastorate, two years as assistant to Rev. Dr. John C. Backus, in Baltimore, and fifteen years as pastor of the First Presbyterian Church, Schenectady. When he came to the Seminary he was in the fullness of his powers and was rich in a valuable experience. Upon the Richards Chair of Christian Theology becoming vacant in 1890 through the death of Prof. Welsh, Dr. Darling was chosen to fill the vacancy. Few men were his peers in ripeness of scholarship and mastery of the art of expression. He was the personal friend of the students and was tenderly loved by all. His genial spirit and versatile mind made him a coveted companion and valued friend. He was a faithful servant of the Seminary, ever loyal to its interests and untiring in his devotion to every task.

A memorial service was held in the chapel Monday evening, February 5, 1906; and a more formal service, addressed by the Rev. John Sparhawk Jones, D.D., a life-long friend of Dr. Darling, was held May 9, 1906, in the chapel.

One of our Seniors, Frank Lee Putnam, died after an operation for appendicitis, February 18, 1906.

The important event in the history of the Seminary was the granting of a new charter by the Legislature of New York, which became a law March 15, 1906. By this charter the two Boards of control, known as the Board of Commissioners and the Board of Trustees, were consolidated and the number of members reduced. The new Board is styled Board of Directors, and is composed of the President of the Seminary, eighteen Directors, elected one each by the eighteen Presbyteries owning the Seminary, and nine elected by the Board itself. All of these excepting the President are elected on the rotary system in three classes, each class serving for three years.

The corporate name of the Seminary is changed by the new charter from "The Trustees of the Theological Seminary in the State of New York" to "Auburn Theological Seminary."

The change in the government of the Seminary in no wise affects the relation of the Seminary to the Presbyteries, but will doubtless largely increase the efficiency of the governing body.

Four Social Service Scholarships have been founded and are awarded to men of high attainments in the department of Sociology. The recipients of these Scholarships spend the summer vacation in studying social conditions and rendering service in connection with Settlement Work in the large cities. In this way the students particularly interested in Sociology have the opportunity of concentrating their classroom work in the Seminary year and their practical work in the summer. One of the appointees this summer goes to London, England, one to New York, one to Chicago and one to the George Junior Republic, Freeville, N. Y. It is expected that other similar Scholarships will be founded as needed.

During the past year there have been forty-six lectures and addresses by thirty-three speakers, supplementing the curriculum.

A Committee was appointed last year to formulate a plan for conferring the degree of Bachelor of Divinity. Their recommendation was adopted, and the matter was referred to the Trustees of the Seminary, with the request that they proceed to have the charter amended to provide for the grant of such degree, if there be no legal objection to so doing. The matter is still held under advisement by the Trustees.

The Faculty are of the opinion that the number of students will be increased if the Seminary receives the right to confer this degree.

Messrs. Bovard and H. A. Rhodes were at their own request dismissed to Princeton Theological Seminary.

The total attendance for the year has been 67, a gratifying increase, distributed as follows: Prize Fellows, 2; Graduates, 8; Senior Class, 11; Middle Class, 23; Junior Class, 25; Special, 3.

Two graduates, Rev. F. H. Ridgley, 1904, and Rev. J. S. Kunkle, 1905, have been studying at foreign institutions on the Post-graduate Scholarship; the latter at Mansfield College, Oxford, and the former at the United Free Church Divinity Hall, Glasgow.

The prize scholarship for the year 1906-07 has been assigned to Mr. Theodore Scott Stuart, a graduate of Grove City College.

Mr. T. M. T. Wilson is under appointment of the Board of Foreign Missions to a field in the Philippines.

During the last year six foreign students have been enrolled. Prof. John B. Kelso has conducted special classes for these students in Beginners' New Testament Greek, Systematic Theology, and Higher English Grammar. The work of the special instructor and the general experience of the Faculty indicates the necessity of special care and instruction for those students whose mother-tongue is other than English, and who have had only a partial preparatory course for the Seminary work.

In view of the good results accruing from the work of the special tutor for foreign students in 1905-06, the Directors have appointed Mr. D. E. Culley, prize fellow of 1904, as such tutor for 1906-07, at a salary of \$1,000. The extra expense for this appointment is provided for by a special donation from Dr. John H. Converse, secured by President Gregg.

The special work in the Musical Department has been very satisfactory. Four concerts have been given under the direction of Prof. Boyd in the chapel of the Seminary. An innovation was the public concert in the First Presbyterian Church of Pittsburgh, March 1, 1906, to illustrate church music.

The following special lectures have been delivered by invited speakers before the student body:

Rev. Joseph P. Calhoun, D.D., "Evangelism."
 Rev. A. Grant Evans, "The Indian Problem."
 Rev. Edmore Harris, "The Book of Exodus."
 Hon. Thomas O. Lowe, "Rules of Interpretation, Legal and Biblical."
 Rev. M. P. Talling, Ph.D., "Public Prayer" (six lectures).
 Rev. Edwin S. Wallace, D.D., "Jerusalem" (illustrated).

Rev. S. W. Zwemer, D.D., "Missionary Work in Moslem Lands."

Rev. Frank W. Chalfant, "The New China."

The students have been faithful in the performance of all their duties and their conduct has been exemplary.

The closing exercises of the Seminary were held this year on the evening of May 3, in the Second Presbyterian Church, Pittsburg, Pa., Rev. W. L. McEwan, presided; Rev. William E. Slemmons, D.D., pastor of the First Church, Washington, Pa., delivered the Address; and the diplomas were delivered to the students by Dr. Gregg, President of the Seminary.

The following students, members of the Graduating Class, received the diploma of the Seminary:

Mr. Alexander Nizankowski was given a qualified certificate, stating the courses which he had completed and on which he had passed examinations.

The members of the outgoing Class of 1906 were reelected to succeed themselves and to form the Class of 1910.

During the year two members of the Board were removed by death, Mr. S. P. Harbison and Rev. John C. Holliday, D.D. Mr. Harbison was not only a member of the Board of Directors, but was also President of the Board of Trustees.

In addition to these—

The Fellows.

Mr. Herbert A. Whitlock, Bernardine Orme Smith Fellow, has studied during the year at Glasgow, Scotland, and having finished his work has now returned.

Mr. Samuel K. Mosiman, Nettie F. McCormick Fellow, 1905-1907, is studying at Halle, Germany, and has made satisfactory reports of progress. He has suffered a great affliction in the loss of his wife, who died suddenly on the voyage to Germany.

Mr. John F. Lyons, T. B. Blackstone Fellow, 1905-1907, began his studies in Germany, returned to this country, and has been taking work at Hartford Theological Seminary.

Mr. Frank E. Nurse, Nettie F. McCormick Fellow, 1904-1906, has been studying in Heidelberg, Germany, and has completed his work.

The Seminary Life.

The Faculty report shows the same diligence and attention to duty on the part of the students as in former years. The men have been engaged in various forms of religious work in and around the city, so far as the regular engagements of the Seminary have permitted. The interest and activity evinced by the students in mission work are very gratifying, and indicative of the reserve force which the Seminary possesses for larger and more aggressive plans in connection with its life.

Some form of institutional or settlement work which could be properly coördinated with the curriculum would, it is felt, enlist the enthusiasm and strength of the men, and would enable the Seminary to supply a need in the Church which is being widely and deeply felt.

The following students have been accepted by the Foreign Board and will go to the fields named:

Edwin Allen Beck, to Hunan, China; sent by the Board of the German Reformed Church.

James Hector McLean, to Chile.

Gift.

Mr. John H. Converse, of Philadelphia, contributed again this year \$300 for the lectureship on Missions, for which gift the Board of Directors joins the Board of Trustees in returning thanks.

Fellowships.

(1) The Nettie F. McCormick Fellowship in Old Testament Hebrew was awarded to Mr. T. J. Meek.

(2) The T. B. Blackstone Fellowship in New Testament Greek was awarded to Mr. E. H. Thias.

IX. PROFESSORSHIPS.

Rev. Herrick Johnson, D.D., LL.D., having resigned the Chair of the Science and Art of Preaching, was elected Professor Emeritus of Sacred Rhetoric and Pastoral Theology.

Dr. Johnson, finding his health would permit him to do so, undertook work in the Homiletical department with the Middle and Senior Classes, thereby giving to the Seminary the strength and influence of his presence and counsel as in former years.

Rev. James G. K. McClure, D.D., LL.D., entered upon his work in October as President and Professor of Pastoral Theology and Church Polity. He has conducted his classes and carried on the administrative duties of his office, and on May 4, 1906, was publicly inducted, with appropriate ceremonies, into the office of President of the Seminary and to the above Chair.

The Board of Directors voted to amend Section 4 of Article II of the Constitution by adding a clause as follows:

"Such President shall be *ex-officio* a member of the Board of Directors and of the Executive Committee, and also of the Board of Trustees, taking the latter position upon election thereto, and not increasing the number of Trustees to more than nine. He shall have a general oversight of the internal affairs of the Seminary, and when present may preside at all Faculty meetings, carry out the policy of the institution as agreed upon by the Board of Directors and the Faculty respectively; discharge such duties as a teacher as the Board of Directors shall see fit to impose, and represent the Seminary before the public in suitable ways."

The Section as thus amended will read as follows:

"SEC. 4. The Board of Directors shall have power to elect and duly induct and inaugurate into office the Professors of the Seminary; to receive their resignations; also to remove them from office; such elections and removals to be subject to the veto of the General Assembly. The Board shall also have power to suspend temporarily a Professor, preliminary to and pending an investigation of charges against his conduct or doctrine.

"The Board shall have power to elect a President of the Seminary, who shall be a member of the Faculty, and subject to all the Rules and Regulations which apply to other members of the Faculty.

"Such President shall be *ex-officio* a member of the Board of Directors,

and of the Executive Committee, and also of the Board of Trustees, taking the latter position upon election thereto, and not increasing the number of the Trustees to more than nine. He shall have a general oversight of the internal affairs of the Seminary, and when present may preside at all Faculty meetings, carry out the policy of the institution as agreed upon by the Board of Directors and the Faculty respectively; discharge such duties as a teacher as the Board of Directors shall see fit to impose, and represent the Seminary before the public in suitable ways."

The amendment is submitted to the General Assembly for approval.

Respectfully submitted,

SAMUEL J. NICCOLLS, *President.*

CHARLES M. HOWE, *Secretary.*

The year that has just closed has been, perhaps, the most checkered in the history of the Seminary. Never in recent years have the prospects in the opening of the year seemed brighter or the outlook more hopeful, and never has the year closed under circumstances so fraught with anxiety as does this.

When the Seminary began its work in the fall of 1905, everything seemed to indicate that a new era of prosperous work had begun. The Faculty had been strengthened by the addition to its ranks of the new Professor of New Testament Interpretation, the Rev. E. A. Wicher, M.A., B.D. The indomitable efforts of President MacIntosh to arouse and deepen interest in the Seminary throughout the three Coast Synods had been crowned with signal success, and the Seminary had a place in the hearts of our pastors and people such as it had not held for years.

In the midst of our prosperity God in His infinite wisdom was pleased to lead us into the shadows. The sudden and deeply lamented death of the President was a crushing blow to our rising hopes, and while we were yet struggling to emerge from the gloom into which his loss cast us, there came to us the overwhelming disaster of the earthquake and the fire of April 18. This catastrophe is as yet too recent for us to be able to measure the extent to which the work of the Seminary will be crippled, but it is no exaggeration to say that the loss to the Seminary itself and to the constituency to which it largely looks for support is almost incalculable.

REVIEW OF THE YEAR'S WORK.

The Seminary year opened most auspiciously with an address by our new Professor, the Rev. E. A. Wicher, B.D., on "The Value to the Minister of the Study of New Testament Greek." Eighteen students were enrolled, of whom eight were Seniors, four Middlers, and six Juniors.

During the first term every member of the resident Faculty was at his post, the students were earnest and industrious and the work of the Seminary prospered.

On January 6, 1906, just as the work of the second term was beginning, our much beloved President MacIntosh was called from us by death. This

unexpected event cast a dark shadow not only over the Seminary but over the entire Pacific Coast. No language is too strong to express the esteem and affection in which Dr. MacIntosh was held throughout the three Pacific Coast Synods. By his enthusiasm, his clear judgment and his warm-heartedness he had won for himself and for the Seminary a place in the affections of the Church such as is given to few to obtain in so brief a period. His zeal and unremitting labor on behalf of the Seminary doubtless hastened his end, but they remain with us as an imperishable heritage.

In order to carry on the work of the Chair of Systematic Theology held by President MacIntosh to the end of the year, the Board of Directors invited the Rev. William Martin, M.A., minister of the Presbyterian Church at Santa Rosa, to conduct the classes for the remainder of the term, which he did with great satisfaction.

One or two new features mark the work of the year and have contributed to its success.

A monthly conference of Faculty and students, where all meet to dine together and then confer on subjects of practical interest, has been especially profitable. Besides affording opportunity for delightful fellowship, it has been the occasion of bringing into the life of the Seminary many stimulating influences from without. Interesting speakers have addressed these meetings on topics of practical importance.

At the Wednesday conference, Seniors take their turn with members of the Faculty in conducting the discussions. When the leader has spoken the entire student body is encouraged to participate in the discussion of the topic. The plan has worked well, the interest has been maintained and the range of subjects broadened.

The mission work carried on by the students in San Francisco has continued throughout the year. A closer relation between pastors of churches and the students. Some of these latter have been assigned to a particular church to labor under the direction of the pastor, assisting in the Sunday-school, and at the same time making a study of conditions in other parts of the city.

SPECIAL LECTURES AND ADDRESSES.

One of the most important and helpful features in the work of the year has been the course of lectures delivered by the Rev. John Q. Adams, pastor of the Presbyterian Church of Waterloo, N. Y., on "Christian Ethics." In addition to this series, lectures will be given from time to time by the following:

Rev. J. C. Garrett, of Hang Chow, on "Foreign Missionary Work of the Church."

Rev. J. H. Holcomb, of Jhansi, India, on "Missions in India."

Rev. D. E. Potter, of Oakland, on "Preparation for Larger Service."

Rev. T. F. Burnham, Vallejo, on "Historic Incidents connected with Early Presbyterian History in California."

Rev. T. H. P. Sailer, Ph.D., of the Foreign Mission Board, on "Why Study Foreign Missions?"

Other addresses have been given by various prominent pastors and Christian worker, not only of our own but of sister Churches, from time to time.

LIBRARY.

For years there has been no need of the Seminary more urgent than that of its library. Through the efforts of our late President some little alleviation of that need has been attained during the past year, but it is only an alleviation. The sum of \$1,200 was raised among the churches and pastors of the Coast, and by this means a valuable and sorely needed addition to our library shelves has been made possible. In addition to these, through the generosity of Mrs. MacIntosh, the entire library of her late husband, consisting of about 1,200 volumes and con-

taining many choice works, has been donated to the Seminary. This is only one of many generous gifts made to the Seminary by Mrs. MacIntosh and family, for which we are deeply grateful.

We regret to say that in the wreck caused by the recent earthquake the library has suffered severely. Many volumes were crushed under the falling masonry, and many more were damaged by the rain that followed and found entrance through the broken roof.

GRADUATING CLASS.

The closing days of the Seminary year were widely different from what had been planned. Elaborate preparations had been made for Commencement week. An Alumni Conference had been planned, and a programme arranged which promised an intellectual and spiritual treat of a high order. But the earthquake put an end to all such arrangements; and only the simplest ceremonies marked the sending forth of a band of young soldiers of the Cross, of whom the Seminary Directors are, and the whole Church may be proud. We are deeply thankful that it was possible to send these young men forth with all the work of the year completed. Of the eight graduates, one goes to China, another to Japan, another to Utah, two to Idaho, and three remain in California. Nothing could better illustrate the far-reaching character of the work and influence of this Western theological school, or better demonstrate the importance to the whole Church that these should be maintained and extended.

CONCLUSION.

The Board is scarcely in a position as yet to say to what extent it has suffered financially by the recent disaster. It is with profound gratitude to God that we record that no one connected with the Seminary has been injured in person. But the material loss is very great. Our beautiful Scott Hall is badly wrecked, and in its wreckage our library is involved. Montgomery Hall is also severely damaged, and all of our Professors' houses are injured. To what extent our endowments have suffered through the destruction of property in San Francisco we are unable as yet to say. Our books and papers are as yet within the safe of the Board and cannot be reached in time for this report; hence, also, no financial statement is possible this year.

But there is no despondency in the mind of the Board as to the future. No loss has been suffered that will prevent the work of the Seminary from going forward vigorously next year. The Board and the Faculty are naturally "cast down," but they are not by any means "in despair." On the contrary they rejoice in the new and larger opportunities that will come

with the period of reconstruction that is beginning around the Golden Gate, and are prepared to make use of these with courage and enthusiasm. We confidently ask for the sympathy of the whole Church, and for her prayers, that San Francisco Theological Seminary may be worthy of the new responsibility that God has laid at her door.

The Board asks in conclusion that the appointment of Prof. Wicher be confirmed by the Assembly.

Signed on behalf of the Board of Directors,

WILLIAM MARTIN, *President*.

JAMES CURRY, *Clerk*.

6. GENERAL REMARKS.

It is with gratitude to God that we report to the General Assembly the progress of the School during the last year. We have entered upon a new era, marked by the erection of a substantial building upon a commanding site. The cornerstone of this structure was laid with impressive services during the meeting of the Board of Directors on April 25. The building is specially planned for our work, and will be a means of enlargement both in the quality of the work done and in the number of students. Accommodation will be provided for 150 students, who will find every convenience for boarding and for instruction. This enlargement is imperatively demanded. The old building is in a bad state of repair and is altogether too small. Its capacity has been taxed to the utmost this year and some students have been obliged to room outside. The new building will cost over \$80,000 without furnishing, to meet which some \$70,000 has already been pledged. We need the support of liberal friends to bring this undertaking to a successful completion.

The effort to secure a new building has necessarily interfered with the canvass for endowment, yet considerable addition has been made to this fund, and much interest has been kindled in the cause represented by this School, which ultimately will manifest itself in gifts.

Many generous contributions have been received. A year ago Mr. T. W. Synnott and Mr. John H. Converse each gave \$2,500 to found scholarships, which are devoted at the request of the donors for the present to the Endowment Fund. A detailed account of the Building Fund may be expected next year. At present it is proper to state that the School is largely indebted to Mrs. Thaw for the beautiful campus which has been secured. Two contributions to the Building Fund may also be noted, a gift of \$15,000 from Mr. Andrew Carnegie and of \$10,000 from Mr. John H. Converse.

We desire to commend to the confidence of General Assembly our Financial Secretary, Rev. C. M. Steffens, who has wrought with great faithfulness and success. The Assembly is earnestly requested to renew its approval of the effort to endow the School, and also to do what it can to open the way for our Financial Secretary to the churches and to the hearts of Presbyterians.

The students have numbered 48 during the year, the largest attendance in the history of the School. The body as a whole is exceedingly promising. The best spirit is manifested and the progress has been exceptionally good. One result of the change of curriculum and the strengthening of the Academic and Collegiate departments, which was reported last year, has been the reception of students of less advanced age, with whom better work can be done and who will be more thoroughly prepared for the theological department than was possible with older men.

The Directors chosen at the annual meeting for the Class of 1909 are reported in the list of Directors. The vacancy caused by the death of Rev. Henry Schmitt, Sr., of the Class of 1907, was filled by the election of Rev. Bernhard Bracker.

We also report that the Board of Directors has chosen the following Professors to fill vacancies in the Faculty: Rev. Albert Kuhn, of the Presbytery of Dubuque, as Professor of the Classic Languages and Literature; Rev. William C. Laube, of the Presbytery of Dubuque, as Professor of the German Language and Literature; John Zimmermann, a member of the German Presbyterian Church in Dubuque, as Professor of Mathematics and Science; Rev. Daniel Grieder, of the Presbytery of Dubuque, as Professor of Symbolics and Homiletics; and Rev. Alois Barta, of the Presbytery of Dubuque, as Professor of the Bohemian Language and Literature. The approval of the Assembly is requested.

The Bohemian department has been abundantly justified. Six students have been in attendance, and they have beautifully harmonized with the other branches of work covered by the School.

It is hoped that a larger number of students will be in attendance next year.

5. GENERAL REMARKS.

Fully appreciating the generous response made to our needs as engendered by our polyglot work, we are persuaded that our support is too largely dependent upon individual subscriptions and church offerings. We ought to have, to carry out the work on the lines indicated by the General Assembly and thrust upon us in the providence of God, an endowment of at least \$200,000 over and above our investments in real estate.

Respectfully submitted on behalf of the Board,

D. R. FRAZER, *President.*

*Rev. WILLIAM DEAS KERSWILL, D.D., Henry A. Kerr Professor of Hebrew Language and Exegesis.

Death of Prof. William Deas Kerswill.

On the 6th day of September, 1905, Rev. William Deas Kerswill, D.D., Professor of the Hebrew Language and Exegesis of the Old Testament, after a short illness, died in Oakville, Ontario, on his way back to the University after the usual summer vacation. Prof. Kerswill had occupied this chair since September, 1893. He brought to his work of instruction a mind acute in discernment, patient of labor and spiritually harmonized with the Word of God. While not unskilled in criticism, he devoted his abilities and learning to the task of unfolding to his students the rich treasures of revelation embodied in the Scriptures by a word by word study of the sacred text, and by a minute and comprehensive study of the manner in which the divine thoughts respecting salvation in the various Books of the Old Testament are expressed in human language. Under his guidance his students felt that they were miners in the treasure veins of heavenly wisdom and of saving knowledge. Hebrew became to them a time-saving instrument of research. Lincoln University has suffered a severe loss by his early and unexpected death. During the academic year just closed the late President conducted the Hebrew studies of the class. The Trustees have not as yet elected a Professor to occupy the vacant chair.

Resignation of President I. N. Rendall and Election of J. B. Rendall to the Presidency.

At the annual meeting of the Board of Trustees, held in Lincoln University on the 10th day of April, 1906, the Board of Trustees, having previously accepted the resignation of the Presidency offered by the former President, Isaac N. Rendall, two years ago, elected the Rev. John B. Rendall, D.D., as his successor in that office. This election, according to the laws of the University, makes the new President the President of the Faculty of Theology. At the same meeting the Board of Trustees further elected the recent President of the University, Rev. I. N. Rendall, D.D., to a Professorship in the University, to be entitled "The Chair of Polemics and of Evangelistic Work." The attention of the General Assembly is hereby invited to these changes and its approval of them is respectfully desired.

4. COURSES OF STUDY.

The curriculum of study for the degree of S.T.B. includes the following courses distributed through three years :

English Bible.

No student is graduated from the Theological Department of this institution who has not acquired a practical knowledge of the Bible in the English language. To this end the Board of Trustees has enjoined it upon the Faculty of Theology to require the students under the direction of the incumbent of this chair to read the whole Bible carefully and studiously, and to commit to memory such passages as may be assigned to them with this design.

Hebrew.

Hebrew is taught throughout three years. Chief emphasis is placed upon Exegesis as a means of discovering the exact meaning of the Old Testament Scriptures, and also for the purpose of furnishing material for homiletic use. Instruction is also given regarding the Hebrew canon, text, manuscripts and the early versions.

Church History.

The study of Church History extends through two years of the course, and includes the whole period from the founding of the Church to the twentieth century. The design of the course is to trace the growth of the Church in missionary expansion, in doctrinal definition, in organization, in life and worship, with just emphasis on the critical and epochal events, that the student may be able to grasp the salient features of ecclesiastical history, and estimate intelligently the great movements which urge the Church forward in its universal mission.

New Testament Greek.

Exegesis of the various Books of the New Testament is given the most prominent place, and special effort is made by the careful reading of selected books to train the student in a sound exegetical method, which shall be of practical value to him in the ministry.

Systematic Theology.

Systematic Theology is taught throughout the three years. The course presupposes the usual undergraduate training in Philosophy, Literature and Science, and is intended to impart an adequate knowledge of Christian doctrine in general and the system of theology embodied in the Westminster Standards in particular.

Pastoral Theology.

The course of study in Pastoral Theology covers two years of the cur.

riculum, and has been arranged with a view to the practical treatment of every phase of activity and influence which belongs to the Christian pastorate. The Pastoral Epistles are carefully studied at the outset as the foundation for the whole course of instruction, and special emphasis is laid upon the personal and spiritual elements of ministerial training.

Biblical Archæology.

A definite and accurate knowledge of the social, religious and political life of the nations of the East in Bible times is the object of this study. Special attention is given to the rapidly accumulating testimonies of modern discovery and research; and whenever necessary the subject matter of the text-book is supplemented by lectures and stereopticon illustrations.

Church Government and the Sacraments.

One hour a week throughout the Senior year is given to the study of Church Government and the Sacraments.

Ecclesiastical Latin.

One hour a week in Ecclesiastical Latin is assigned to the Junior class. The author read and discussed is Thomas à Kempis. The day has not yet come when Protestant Christians can afford to lay aside the knowledge of the tongue in which the Latin Church publishes its dogmas and decrees to the world. Our own Church still exacts a Latin thesis from her candidates for the ministry. As a part of this course such a thesis is required of each member of the Senior class.

Sacred Rhetoric.

All the classes are trained in the preparation and delivery of sermons. Instruction is given by lectures, by the analysis of texts and the making of plans, and by criticism of the sermons delivered by the students. Ex-tempore as well as written sermons are required from the students, who are taught and trained in elocutionary expression. During the Middle and Senior years students are required to preach without manuscripts.

Lectures and Addresses.

Rev. E. W. Rice, D.D., "Early American Household Literature."
President Joseph Swain, Swarthmore College, "Egypt."
Prof. C. M. Herrick, "Social Science."
Rev. James A. Worden, D.D., five lectures on Sabbath-school Work.

WANTS OF LINCOLN UNIVERSITY.

Endowment.

In accordance with the plan of the General Assembly of the Presbyterian Church for the government of theological seminaries, the Board of Trustees has put the Theological Department of the University, by a change in its charter, under the control of the Presbyterian Church of the United States of America.

This change of our charter, requiring the funds of the University held for theological education to be under the control of the General Assembly, and to be exclusively used for theological purposes, necessitates the full and separate endowment of the Theological Department.

To carry this plan of the Assembly into practical effect in Lincoln University, the General Assembly which met in Winona, Ind., in 1897 took the following action :

"*Resolved*, That the General Assembly hereby expresses its deep interest in Lincoln University, and especially in its Theological Department, and commends this school of learning for young colored men to the churches for the liberal support of its whole work and for the separate endowment of its Theological Department."

The separate and adequate endowment and equipment of the Theological Department would require about \$250,000. A beginning could be made with any contribution to the Professorship Fund, the Scholarship Fund or the Building Fund.

WANTS OF THE THEOLOGICAL DEPARTMENT.

A Dormitory for the Students, estimated minimum cost,	\$25,000 00
A Recitation Hall, estimated minimum cost,	25,000 00
Endowment of the Chair of Polemics and Evangelistic Work,	30,000 00
The more adequate endowment of the existing Chairs,	60,000 00
Forty-five Scholarships, each \$2,500,	112,500 00
	<hr/>
	\$252,500 00

The University has in addition to its Theological Department the care of a well organized and partially equipped Collegiate Department. Candidates for the ministry enjoy the benefit of this equipment in their Collegiate course of study.

The pecuniary advantage to the Theological Department of this association is large and untransferable. It consists in the use of all the resources of the University.

Campus and Farm,	\$15,000 00
Buildings,	163,000 00
Professorships,	60,000 00
Scholarships,	90,000 00
Fayerweather Fund,	95,000 00
<hr/>	
Total,	\$423,000 00

These educational advantages are available for all candidates for the ministry during the four years of their Collegiate course. The total charges for one year in the Collegiate Department, including instruction, board, laundry and furnished and heated room, are only one hundred and twenty dollars (\$120).

IMMEDIATE ENLARGEMENT.

The full and prompt endowment of Lincoln University in both departments has received the approbation and sanction of the Church. The Synod of Pennsylvania has often recommended the churches within its bounds to promote its complete endowment. As an expression of its judgment, on one occasion the Synod established and collected in an inter-lucutory manner a Scholarship of the State of Pennsylvania in Lincoln University. The General Assembly has repeatedly and urgently approved and advised the separate endowment of the Theological Department and also the complete endowment of the whole University; and has commended the institution to the churches, and to philanthropic and benevolent citizens of our country, as worthy of their confidence and contributions. These Christian friends of the negro have sustained the work of Lincoln University for fifty years at an average annual cost of not less than \$20,000. In addition to this expression of their approval, they have endowed the University, in part, to the amount of more than \$750,000.

In response to this benevolence Lincoln University has admitted and educated in a high degree more than 1,200 young men in the Collegiate Department, most of them for four years, and more than 400 in the Theological Department, most of them for three years in addition to the four years in the Collegiate course. Seventy-eight of our students are now on the roll of the Board of Missions for Freedmen. Forty-two of these occupy high positions as principals in schools and as preachers of the Gospel.

The book of *Minutes* of the General Assembly has the names of 132 of our former students on its roll.

Fifteen Synods of the Church have fewer members.

Twenty-seven are engaged in ministerial work in the Northern States; seven are missionaries in Africa, and one in Porto Rico. Two are now under appointment to go as missionaries to the Sudan, and if the long neglected negro population of our Southern States in reality constitutes a mission field, the remaining 128 are in a valid sense missionaries of the Cross. At least they have missionary salaries and missionary privations, and missionary hardships; but with all the rest missionary encouragements.

It is our domestic foreign mission field, and ought to have a prominence in the plans of the Church proportioned to its awful necessities, and to its dangerous proximity, and to the foreboding increase of its unsaved numbers. We plead again for the moral and financial support of the cause represented by the total work of the Board of Missions for Freedmen, and by the assisting work of Lincoln University.

Everywhere the negro race is pushed almost to the verge of despair by the forces of Christian civilization which he serves, but which he cannot control to his own safety or advantage.

The Gospel of Jesus Christ affords to the negro a full share in all its blessings and responsibilities. They include the honest rewards of honest toil, the free development of all his God-given capacities and powers of body and mind, and the enlightenment of his conscience by the possession and study of the Word of God.

The Presbyterian Church has not merely said to the negro, "Be ye warmed and filled," but is continuing to give to him those things which are needful to his body and to his soul. The Board of Missions for Freedmen and the Theological Department of Lincoln University are harmonious agencies of the Church to convey all Christian benefits to the negro race in our own country, scattered among the islands of the sea and in their ancestral continent. It would be well if our duty were done quickly. The Christianized negro will take care of himself and will help others. The neglected negro will be God's suffering witness against both our delay and our failure.

The blessing of God upon our educational work has justified the favor and rewarded the liberality of the Church. The efficiency of our accomplished and successful graduates inspires us with confidence and courage. The increase of our resources in a fraction of the first decade of the twentieth century emboldens us to ask Him who owns the earth to give to His trustees in the Presbyterian Church a liberality equal to the wants which He creates when he multiplies a race, and to direct its beneficence towards Lincoln University.

In behalf of the Faculty of Lincoln University,

J. B. RENDALL, *President.*

The Head of the Church still favors Biddle University. The year closing has not been exceptional, but in every feature of the work of the institution the institution has been highly favored.

The facilities for manual training are better and the students taking advantage of this have profited accordingly.

The literary schools are doing their work well and the policy of increasing thoroughness is being wrought out.

The several seasons of prayer observed by the University and the evangelistic efforts put forth among the students resulted in a number of conversions. The percentage of professing Christians is larger than that of last year, and there is also an increased number of candidates for the ministry.

The faithfulness and diligence of the students are highly commendable. The next Annual Commencement will be held June 13.

Very respectfully,

D. J. SANDERS.

2. THE FACULTY.

The Faculty for the year now closed was constituted as follows :

- Rev. MATTHEW B. LOWRIE, D.D., *President* and Professor of Homiletics and Pastoral Theology.
 Rev. JOSEPH J. LAMPE, Ph.D., D.D., Professor of Hebrew, Old Testament Literature and Exegesis.
 Rev. DANIEL E. JENKINS, Ph.D., Professor of Didactic and Polemic Theology.
 Rev. CHARLES A. MITCHELL, Ph.D., Professor of New Testament Literature and Exegesis.
 Rev. CHARLES HERRON, D.D., Professor of Ecclesiastical History and Missions.

NOTE.—The subjects of Apologetics, Church Government and English Bible are distributed among the Professors.

3. STUDENTS.

Twenty-two students, including one taking a post-graduate course and one special, were in attendance during the past year.

The entering class numbered eight :

- George Arthur Beith, under approval of Presbytery after a partial course in Bellevue College.
 John Young Crothers, a graduate of Colorado College, 1905.
 Stuart McKelven Hunter, a graduate of Bellevue College, 1905.
 Ansel Ernest Nutting, a graduate of Parsons College, 1905.
 James Albert Slack, a graduate of Macalester College, 1905.
 Frank Wesley Throw, a graduate of Bellevue College, 1905.
 DeWitt Clinton Williamson, a graduate of Bellevue College, 1905.
 George Hinsdale Winn, a graduate of Occidental College, 1905.
 James Hamilton, who matriculated in 1903 and finished the Junior year, returned after a year's absence and entered the Middle Class.
 Thomas Jones, from Yale Divinity School, and Matthew Hale Wilson, from the McCormick Theological Seminary, were upon certificates of dismissal from those institutions received into the Middle Class; and Rev. Griggs Holbrook Rawson and William Robert Coventry were in attendance as special students.

The following members of the Senior Class having completed the full course of study were, upon recommendation of the Faculty, granted the usual diploma :

Henry Willard Lampe,
David Sharp,

Frank Albert Lewis,
Howard Lucius Smith.

The work in all departments has been carried on successfully during the year. In addition to the incidental instruction upon the importance and work of the Sabbath-school, which ordinarily pertains to the Chair of Pastoral Theology, the Seminary has enjoyed six lectures on modern Sabbath-school methods by the Rev. James Avery Worden, D.D., LL.D.

Each class has also had regular teaching in the English Bible, and a competent teacher has been employed to give instruction in voice training and in sacred music.

The most urgent need of the Seminary is adequate endowment. It has always been the faith of the Board that in due time this would be provided if the institution can be maintained meanwhile. Once again the Seminary has closed the year with all current expenses paid. The year was signalized by the generous contribution in January of \$50,000 by the Hon. John H. Converse to endow the Chair of Homiletics and Pastoral Theology. This record is made with gratitude to God and to the large-minded benefactor who has given to the Seminary this great encouragement to persevere in the endeavor to place the work upon secure and lasting foundations. A canvass has been begun to obtain \$50,000 for the endowment of another Chair, and of this sum \$16,000 has already been pledged upon condition that the whole amount be secured by January 1, 1907. The General Assembly is asked to renew the commendation, previously given, to churches and individuals in furtherance of this effort to put this Seminary upon a basis of permanence. Every passing year serves to emphasize the more fully the value of the institution to the Presbyterian Church and its importance as an agency for meeting the needs of the constantly growing work of Home Missions, and for raising up a ministry on the field itself and adapted to its special requirements.

Signed by order of the Board of Directors,
MATTHEW B. LOWRIE, *President.*

XIV. CUMBERLAND UNIVERSITY—THEOLOGICAL DEPARTMENT.

[LEBANON, TENN.]

Under the provisions of the Plan of Union between the Presbyterian Church in the U. S. A. and the Cumberland Presbyterian Church, the Theological Department of the Cumberland University is hereafter required to make report to the General Assembly of the Presbyterian Church in the U. S. A. (*Minutes*, 1906, p. 146).

Further, the General Assembly of the Presbyterian Church in the U. S. A. on May 25, 1906, recommended to the General Assembly of the Presbyterian Church in the U. S. A. of 1907, that in accordance with the provisions of Concurrent Declaration No. 6 (see *Minutes*, 1904, p. 138), it adopt the following paper upon the relations between the Theological Department of Cumberland University and the General Assembly, viz.:

"Upon the Trustees of Cumberland University so changing their charter as amended in 1903, as to use the words 'Presbyterian Church in the U. S. A.' instead of 'Cumberland Presbyterian Church,' then the charter of said University, as amended in 1903, shall be accepted as the law defining the relations of the Theological Department of said University to the General Assembly of the Presbyterian Church in the U. S. A., and thereafter it is to be a theological school of the said Church, and its Faculty and students entitled to full and equal recognition with those of all other theological schools of said Church; and said Theological Department shall not be separated from Cumberland University without the consent of the Trustees of said Cumberland University.

"The Trustees shall require the Professors hereafter elected in the Theological Department, before assuming their duties, to adopt the Confession of Faith of the Presbyterian Church in the U. S. A., as containing the system of doctrine taught in the Holy Scriptures. At least two-thirds of the members of the Board of Trustees of Cumberland University shall be at all times members of the Presbyterian Church in the U. S. A." [*Minutes*, 1906, p. 172.]

ABSTRACT OF THE ONE HUNDRED AND FOURTH ANNUAL REPORT.

The Board of Home Missions presents to the General Assembly its One Hundred and Fourth Annual Report. It indicates very imperfectly the reach and variety of the work of evangelizing our country. That work has become complex and difficult, but more inspiring and glorious than ever. It is an effort to save America, on every level of it and in every part of it, for its own sake and for the salvation of the world; for we are no longer a refuge, we have become a power for the moulding of the millions at home and the sending of saving truth to the nations of the world.

It will be the aim of this Report to set forth in briefest outline the missionary problems that are confronting the Church at home at the present time. Before taking up the story of our work we pause for grateful mention of those whose work is done—who during the year ceased from their labors. The names of these victors in heaven should also be treasured in the Church below:

Rev. G. Baptisto Giambruno,	Oakland, Cal.
Rev. John H. Hope,	Charleston, Wash.
Rev. Leonard E. Jesseph,	Kettle Falls, Wash.
Rev. Louis Mazawakinyanna,	Peever, S. D.
Rev. J. Milne Smith,	Herman, Minn.

FINANCES.

Our books closed April 1st with all obligations met and \$2,411.06 in the treasury. For eight successive Assemblies the favor of the Head of the Church has permitted us to make this report. This gives occasion for the more gratitude in that we have reached this result without wholly failing to make progress. During the year just closed we appropriated \$37,668.00 for new work.

In addition to new work on the field we have felt called upon to expend \$40,840.97 in new churches and school buildings in Porto Rico, Cuba and the West. The Board of Church Erection has generously aided us, especially in the islands; but, as the people themselves have been unable to assist much in securing churches or manses, and as the demands therefore were far in excess of what the Board of Church Erection, under the rules of the Assembly, could meet, our Board has been obliged by special effort to secure the necessary aid. The responses have been generous and work that otherwise would have been in jeopardy has been established and strengthened.

The mortgage indebtedness of the Boards of Home and Foreign Missions on the Presbyterian Building has been canceled. This great result, achieved even earlier than we dared to hope, has been secured by generous gifts from widely distributed sources. Special mention will be made in the Treasurer's statement of individuals to whose efforts and gifts the Boards are largely indebted, but grateful mention is here especially made of the invaluable services of Mr. John S. Kennedy in the inception and prosecution of this important undertaking. He had previously during a critical period in our finances secured, by his personal guarantee and at unusually favorable rates, large loans needed to maintain the credit of the Board; and when the new building was proposed he subscribed \$100,000, and by his representations and business sagacity was chiefly instrumental in the selection and purchase of the present advantageous site. He became Chairman of the Building Committee, and unstintingly devoted his energies to all the details of construction until the building was completed at a cost much below its present value.

The interest on annuity gifts in considerable amounts is still a charge upon the income of the building, but, as by the lapse of time these successively fall into the treasury, our income from this source will be steadily enhanced. We believe the time is not far distant when all the administration expenses of the Home Board will be covered by our share of the income from the Presbyterian Building.

DEPARTMENT OF CHURCH AND LABOR.

This department has been in operation for three years. The first two years our representative, the Rev. Charles Stelzle, spent most of his time studying conditions throughout the country and making such suggestions to churches as seemed warranted by the circumstances, besides preaching to workmen in shops and halls and churches.

During the past year notable progress has been made in organization and in definite lines of work for the bringing of the Church and workmen into closer relations. The headquarters of this department has become a clearing house. Into it come from various and world-wide sources the latest and most exact information affecting every phase of the workman's problem, as it concerns the Church. This information is being carefully digested and tabulated, and is at the service of ministers and Christian workers.

A series of leaflets has been prepared which meets the criticisms and misapprehensions of workmen concerning the Church. Another series has been issued which deals with practical methods of work for workmen. There has been a great demand for both series, probably 2,000 requests for such material having been received within six months. Many of these requests have come from other denominations. One leaflet—"Is the Church Opposed to Workingmen?"—has had a circulation of nearly a quarter of a million copies.

Mr. Stelzle has come into helpful touch with the various labor organizations by writing each week a syndicate article which has been printed in nearly every labor paper in the United States. In this way he has been speaking to millions of workmen and their families.

By plans carefully prepared very many of our ministers preached especially to workmen on the last Labor Day Sunday, and it is said that on that day more workmen attended church than on any previous Sunday in the history of the labor movement. Many pastors write that the men are still attending the services.

Ministers appointed as fraternal delegates to labor unions by various ministerial bodies have been seated in seventy-five or more cities in our country, all the way from New York to Portland. In some instances the labor unions have created the office of chaplain for the ministers and the regular meetings are opened with prayer. This phase of the work is still in its infancy; no one can prophesy to what extent it will influence the entire labor question.

A large number—possibly one-half—of the Presbyteries have appointed sub-committees to coöperate with the department.

During the last few months Mr. Stelzle has been organizing and conducting shop campaigns, when simultaneous meetings were held in a large number of shops at the noon hour. They have been largely attended, and in many cases the workmen have manifested a decided interest in having them repeated. The most remarkable shop campaign of the winter was held during ten days in January in Chicago, where leading ministers and laymen gave the movement their generous support.

EVANGELISM.

Our Church is historically an evangelistic Church. The early generations of Home Missions were essentially evangelistic. Before there were professing Christians enough to constitute churches in the scattered Western communities the home missionary gave himself to evangelism, the fruit of which rapidly appeared in church organizations.

One of the best signs of the times in our Presbyterian history is the movement in this historic direction. Specially gratifying is the intelligence which during the past year has come from nearly all of our missionary Synods. Evangelistic services have been very generally held, and the tabulations will probably tell of large additions to our membership on confession of faith.

Our work in the mountains has been strengthened by these services. Meetings at five places in Kentucky resulted in 140 professions of faith. In Tennessee special meetings have been held in most of the churches and outposts, with large net results, and the evangelistic spirit is spreading in West Virginia.

In Minnesota, aside from the three evangelists supported in part by the Evangelistic Committee, five were appointed under the care of as many Presbyteries and received their support from the fields they served.

In North Dakota evangelistic fires have been kindled all over the prairies. Union simultaneous meetings have been held in some of the larger towns, with results that it is thought will tell over the whole State for years to come. Meetings in Bismarck resulted in about 150 conversions.

South Dakota reports meetings in at least one-third of the 123 churches. The evangelistic spirit is manifestly increasing and spreading throughout the Synod.

In Nebraska in one small town more than 300 persons are reported to have been converted, and large accessions made to several churches.

In Kansas the gospel tent has been used for evangelistic purposes and a healthy growth of churches has been the result.

More churches have held special services in the Indian Territory than ever before and splendid results have been realized in many places.

From Colorado it has been reported that the meetings have given new life to the churches. Even the Mexican churches by special arrangement have been visited by an evangelist and with good results.

Tent services and other evangelistic services have been held in the difficult fields of Utah.

In Montana twelve of the Home Mission churches have enjoyed these special services.

In Washington likewise there has been much activity, and the reports of meetings at Ilwaco, Moscow, Sandpoint, Cœur d'Alene and South Bend are of an encouraging character. South Bend enjoyed the greatest awakening ever known in that town, and in most of the other places there have been large accessions to the churches.

Do not the results here outlined point the way of a large opportunity for our Church? A revived Church will be a missionary Church. The call of the Spirit is the quickest way to self-support and to missionary activity for the salvation of others.

FOREIGNERS.

The most difficult and in some respects the most important of all missionary problems is how to give the Gospel to the foreign-speaking peoples who have come to our shores. There are probably not less than 14,000,000 people in our country who are foreign born. This number does not include the Filipinos nor the Porto Ricans. Of these 11,000,000, 10,000,000 speak a language different from our own. In our report to the General Assembly of 1904 we presented in tabulated form an extract from the twelfth census giving the number and country of birth of all our foreigners. No later data are available.

This work may be summarized, with the addition of the Indians, Mexicans, Porto Ricans and Cubans, as follows:

THE CANAL ZONE.

In January we sent the Rev. J. J. Kilpin Fletcher to the Canal Zone to report on moral conditions there and the need and opportunity for mission work. After a month of very careful investigation he reported to us a mission field of pathetic urgency. He found the total white population to be about 3,000 and constantly increasing; the colored population to be about 15,000 and also constantly increasing, about one-half of whom are English-speaking negroes.

The only Protestant Churches on the Zone are the Protestant Episcopal, the Methodist and the Baptist. The call for missionary help is loud, and there are some peculiar difficulties to be encountered which our representative summarizes in these words:

"The sad moral condition prevailing; the entrenchment of the forces of evil; the past two years of neglect; the general spirit of indifference; the enervating climate; the fact that most of those who are on the Zone are there principally to make money; the migratory character of the population at each centre, and the consequent lack of interest in local affairs, or of any community feeling; the cosmopolitan character of the population, gathered from almost every State and country; the many denominational interests involved; the conflicting ideals of Christian life and work; the need to devote a good deal of strength to promoting pure and healthy recreations for the men; the trials incidental to pioneer work in a new field—all these are indications of difficulties which will call forth all the faith and heroism of any Christian minister."

What is needed is, of course, vigorous prosecution of ordinary church work, together with a good deal of attention to the peculiar social conditions which prevail, and a strong effort to provide innocent amusement and recreation, and thus wean the men from places of evil resort which abound on every hand. The Church will have to care for the whole man in a special manner on the Canal Zone, or fail of her saving mission. Mr. Fletcher says:

"I believe this field is one which the Presbyterian Church dare not neglect. By the duty laid upon it as an aggressive army in the Master's Kingdom, by the claim presented by the uncared-for condition of many hundreds of Americans (many of whom are the sons of her churches at home), and by the indications that God has a great field for pioneer mission work for her on the Canal Zone, I believe she is called upon to advance—at once and vigorously. And I believe that God's abundant blessing will crown her labors in behalf of those who are ready to perish."

And, indeed, one may look beyond the Canal strip and consider that the Church that lays a good foundation there and builds well upon it is the Church that in coming years will be a great power for righteousness and possibly a centre for missionary activity throughout Central America.

The Board appeals for special funds for the securing of Church property and the support of the missionary, to enable it to continue the work thus begun.

WOMAN'S BOARD.

The Woman's Board is to be congratulated on the most successful year of its history. By reason of its splendid organization it has passed the half million mark in its contributions, and its work in every part of its great field is steadily developing. The Annual Report has been received and approved by the Board, and is herewith presented as follows:

Grateful to God for His guidance and blessing during the past year and for the loyal support of the women of the Presbyterian Church, the Woman's Board submits its Twenty-seventh Annual Report.

Advance has been the watchword of 1905 and 1906. The momentum of twenty-six years of continuous service has been felt in the strengthening of the organizations which centre in the Woman's Board.

The total receipts for all purposes are \$505,830.97, an increase over last year of \$31,897.18, \$11,000 of which is an annuity gift and not available for current work. Of the total amount \$70,910.93 has been transmitted to the Board for Freedmen.

The active coöperation of synodical officers, and through them of presbyterial and auxiliary societies, in the plans for advance adopted at the last annual meeting have made possible this splendid increase in gifts.

THE OFFICE.

We are called upon to note several changes in the personnel of the office force. Dr. George F. McAfee, who served efficiently as Superintendent of School Work for ten years, tendered his resignation in September on account of ill health.

All regretted his going, for by his gentlemanly bearing, his uniform courtesy and his Christian character he had greatly endeared himself to the workers on the field and in the office. We follow Dr. and Mrs. McAfee with our prayers and good wishes.

To meet the need caused by the retirement of Dr. McAfee, Mrs. John F. Pingry was elected School Secretary.

The Rev. R. M. Craig entered upon his duties as Assistant Superintendent of Schools in June, and since September he has been on the field or in the office, wherever needed, and we are glad to report his election to the office of Superintendent of School Work of the Woman's Board. He enters upon his duties after years of experience as a home missionary, and as synodical missionary for New Mexico he was in close touch with the school work. We predict for his administration a conscientiousness in the performance of his duties, enthusiasm that will win others for the cause, and faithfulness to his trust.

IN MEMORIAM.

Five vice-presidents have been called from service to reward during the year—Mrs. A. E. W. Robinson, one of the vice-presidents at large and for so many years a missionary among the Creek Indians; Mrs. C. B. Farwell, of Illinois; Mrs. M. B. Cleland, of Kansas; Mrs. Samuel Minor, of California, and Mrs. E. N. Crosby, of New York. We also record with sorrow the death of Miss Mary E. Holmes, known throughout the Church as a representative of the work for Freedmen. Her interest was not confined to that work, for she had been for many years a presbyterial president. All of these women have been identified with the work for Home Missions from the beginning, and their home going emphasizes the need for recruits from the younger women, who with the same consecration and zeal will continue the work.

OUR MAGAZINES.

The *Home Mission Monthly* celebrates this year its twentieth anniversary. In honor of this event the women of the Church were asked to bring in 1,000 subscriptions as a birthday present. Here the advance has been greater than was hoped, the total increase for the year being 2,600. The record of the *Home Mission Monthly* under the able management of Mrs. Finks, its only editor, has been that of a steady advance from year to year. The magazine is not only self-supporting but, after paying all expenses, has been able from its surplus to pass over \$2,500 this year to the Woman's Board. This is sufficient to support five day school teachers in Porto Rico and Cuba.

Over Sea and Land, the magazine for children, which is published jointly by the Woman's Home and Foreign Boards, has added 4,000 names to its subscription list this past year. The plans for the coming year look forward to advancement, and especially to adapting it for use in Sunday-schools.

CONCLUSION.

A study of the foregoing report will not fail to impress upon the careful reader the complexity and gravity of the Home Mission problem. No longer merely a question of occupying new territory, Home Missions has now become the endeavor to reform the older communities as well as to reach the new.

City evangelization claims more attention than it has ever received, if the cities are to be saved from the many perils that threaten them. The lapsed communities in the older States must be cared for, if the experience of Southern mountains shall not be repeated in other parts of the Union. The tide of the labor classes away from the Church must be turned, and they must be made to recognize the friendship and willing helpfulness of the Church of Christ. The immigrants, coming in upon us in such abnormal numbers, can be made good American citizens only by instilling in their minds the principles of truth and righteousness which come from Christian schools and Christian institutions.

In addition to these newer phases of the work, the infilling process in the Western States is going on more rapidly than ever, and by the opening of reservations, by the plans of irrigation on the part of private companies and of the Government, new and prosperous communities are making the desert to rejoice and blossom as the rose. The waiting islands beckon for the Gospel, not only for themselves but that they may be signal lights along the coasts of new national development. For this immense work we ask the Church for \$1,000,000 of money; and we plead for the godliest of our consecrated young men and women, who will find in evangelistic and educational labors for the evangelization of our country an opportunity fruitful in itself and strategic for the salvation of the world.

After twelve and a half years of service, the Rev. George F. McAfee, D.D., Superintendent of Schools, felt constrained to offer his resignation on account of impaired health. For that reason, also, the Board was constrained to accept it. By his devotion, his diligence, and his energy he has been a great helper in the development of the school work of this Board. He parted from us with the comforting reflection in his mind and in ours that not one moment in the many years of our fellowship has been marred by a single note of discord. He has been true and faithful and carries with him the respect and affection of the Board. The Rev. Robert M. Craig, formerly synodical missionary for New Mexico and later Assistant Superintendent of Schools, has been elected Superintendent of Schools and entered upon his work.

With regret the Board has accepted the resignation of the Rev. L. Mason Clarke, D.D. To fill the vacancy thus made in its membership it has elected the Rev. Joseph Dunn Burrell.

The terms of service of the following members of the Board expire with this General Assembly:

Ministers.

Rev. D. Stuart Dodge, D.D.,
 Rev. Wilson Phraner, D.D.,
 Rev. Henry Sloane Coffin,
 Rev. Lyman Whitney Allen, D.D.

Laymen.

Respectfully submitted by order of the Board,

CHARLES L. THOMPSON, *Secretary.*

ABSTRACT OF THE SIXTY-NINTH ANNUAL REPORT.

The record of the year marks a distinct epoch in the history of the Board of Foreign Missions. On November 23, 1905, the Rev. Robert Russell

Booth, D.D., LL.D., a member of the Board, died. He was the last survivor of the Board as constituted by the General Assembly of the reunited Church in 1870. For six years previous to that date he had been a member of the Committee on Foreign Missions of the New School Presbyterian Church. He was broad-minded, large-hearted, a man of God, intensely loyal to his Divine Master and zealous for the triumph of His kingdom.

Mr. George S. Garrison, for thirty-seven years connected with the offices of the Board in New York, has prepared for this report a table showing the advance made in the work of the Board during the period covered by Dr. Booth's term of service. [See full Report of the Board.]

In 1870 the receipts of the Board from all sources were \$310,348.14. In 1906 the receipts from the same sources were \$1,145,230.35. In 1870 there were 101 missionaries, native workers, teachers, evangelists and preachers. In 1906 there were 889 missionaries, 1798 native workers and teachers, and 813 evangelists and preachers.

It is a most striking coincidence that the youngest member of the Board in point of service, Mr. Robert J. Pitkin, preceded Dr. Booth to the heavenly rest by only a few days. Mr. Pitkin died November 16, 1905. Although his term of service was very brief, being elected June 5, 1905, he took up the work of the Board with interest and enthusiasm and gave promise of large usefulness.

The death roll of missionaries on the field is a long and illustrious one :

Mr. Peter Menkel, West Africa; appointed 1872, died April 10, 1905. Mrs. W. B. Hunt, Korea; appointed 1897, died May 13, 1905. Miss Kate N. Fleeson, Laos; appointed 1887, died June 3, 1905. Miss Charlotte G. Montgomery, East Persia; appointed 1886, died June 10, 1905. Mrs. W. B. Toy, Siam; appointed 1891, died June 23, 1905. Mrs. C. B. Newton, Punjab; appointed 1889, died August 2, 1905. Joseph P. Cochran, M.D., West Persia; appointed 1878, died August 18, 1905. Mrs. A. A. Pieters, Korea; appointed 1902, died January 4, 1906. Rev. Hubert W. Brown, D.D., Mexico; appointed 1884, died February 15, 1906. Mrs. J. C. Hepburn, Japan East; appointed 1840, died March 4, 1906. Mrs. Charles C. Walker, Siam; appointed 1904, died April 21, 1906. Mrs. E. C. Machle, Canton; appointed 1889, died October 28, 1905. Eleanor Chesnut, M.D., Canton; appointed 1893, died October 28, 1905. Rev. John R. Peale, Canton; appointed 1904, died October 28, 1905. Mrs. John R. Peale, Canton; appointed 1904, died October 28, 1905.

Rarely has the Board had to report to the Assembly in a single year the deaths of so many missionaries. The last four named on the list were massacred at Lien-chou, Canton Mission, China, on October 28, 1905. Amy Machle, the 10-year-old daughter of Dr. and Mrs. Machle, was also killed with her mother.

It is well to note that the report which chronicles this sad event in the history of the Canton Mission also contains the record of the best year in the history of this Mission—1,564 additions on confession of faith. In 1890 there were but 600 communicants in this Mission; now there are 6,835. The additions in the seven Missions in China were 2,942. The total additions for the year in all the Missions were 9,860.

On February 1, Mr. Charles W. Hand resigned the office of Treasurer of the Board. The following minute, adopted by the Board, will show the esteem in which Mr. Hand was held :

"In the eight and one-half years of his service as Treasurer of the Board, Mr. Hand has commanded the entire confidence of the Board and of the Church, and has greatly endeared himself to those with whom his office has brought him into relations. The Board would make mention especially of Mr. Hand's patience and geniality, his justice and fairness of view, his sound judgment, his temperate mind and his Christian devotion. The Board laments the necessity of Mr. Hand's withdrawal, but rejoices in the assurance of his abiding interest in the great cause, and of his readiness to continue to serve it as a member of the Church.

With an interregnum of a single month, in which Mr. John Stewart, a member of the Board, acted as Treasurer without charge, a successor was found in the person of Mr. Dwight H. Day.

The Board believes that in Mr. Day it has one thoroughly in sympathy

with the work of Foreign Missions, and fully qualified to perform the arduous duties entrusted to the office of Treasurer. The Assembly is requested to confirm the election of Mr. Day.

On January 31, 1906, the balance remaining of the share of the Board's original mortgage, and that of the Board of Home Missions, on the Presbyterian Building, 156 Fifth Avenue, was paid, thus leaving the property free and clear of such encumbrance.

The building has more than justified the wisdom of its founders. Five of the Boards of the Church are now sheltered under its roof, and it has become a centre of Christian activity whose influence is felt to the ends of the earth. The thanks of the whole Church are due to Mr. John S. Kennedy and his able colleagues who had so much to do with the inception and prosecution of this important undertaking.

The scope of the Home Department has been greatly enlarged during the year. A territorial division of the work was made. First, the Eastern Section, which is to include the territory east of and including the States of Ohio, Kentucky and Tennessee. Second, the States of the Central West from Indiana to Colorado, including Michigan, but not Kentucky and Tennessee. Third, the remaining States of the Union. Mr. David McConaughy, Assistant Secretary of the Board, in charge of the Forward Movement, was assigned to the Eastern Section.

The Forward Movement, under the leadership of Mr. David McConaughy, has made good progress during the year. He has persistently insisted upon the fundamental principles of the Movement, namely: that every church in its entirety is essentially a missionary society; that every member is under covenant to help carry out the Great Commission; and that the best basis for giving is the Scriptural Rule of Three (I Corinthians 16: 2), that it should be individual, systematic and proportionate, as an act of worship. The churches are being called upon to put the support of the "Parish Abroad" on a no less stable basis than the local church.

In the working out of the Forward Movement plan, more and more attention has been given to the developing of Presbyterial and Synodical Committees, so as to push the work under the direction of these Committees in a systematic and thoroughgoing way. Thus campaigns have been conducted with the coöperation of returned missionaries in a large number of Presbyteries, with the most gratifying results. With a view to training for such work, institutes are arranged for the Central District at Winona Lake, Indiana, the last week in August; for the Eastern District at Pocono Pines, Pennsylvania, September 4-7.

The Forward Movement magazine, *All the World*, has met a felt need and has been well received throughout the Church. Care has been taken to adhere strictly to the sphere which it is meant to fill, as a medium for the exchange of experience between those who are engaged in the Forward Movement for Foreign Missions, and as a channel of communication between the Church at home and the "Parish Abroad."

The Rev. Charles E. Bradt, D.D., so long the successful missionary pastor of the First Presbyterian Church at Wichita, Kansas, was appointed Assistant Secretary and assigned to the district of the Central West, with headquarters in Chicago. He entered upon his duties in June with his well-known enthusiasm and energy.

The Rev. Walter C. Erdman was appointed Assistant Secretary to have charge of the work in connection with the Sunday-schools. The funds for Mr. Erdman's salary and all expenses connected with his department were specially contributed by friends of the Board. Mr. Erdman has now been appointed a missionary of the Board and assigned to Korea. While regretting to lose his services in the Home Department, the Board rejoices that he feels called to this important field.

The Educational Department has greatly developed under the wise leadership of Dr. T. H. P. Sailer. On April 12 there were 552 classes reported as studying Foreign Missions, with over 7,300 members enrolled. This is nearly double the number reported at the corresponding time last year. The mere figures by no means represent the actual growth of the

past twelve months. Quality has improved as well as quantity; leaders have been training for what we hope may be a long life service; momentum has been gathering, and an atmosphere is being created in which our campaign work may hope to live and thrive.

We feel that we have now a work which if given a fair chance ought to yield striking results in the next few years. By means of the intelligence and enthusiasm developed through the systematic study of Missions, we should raise up a generation of workers both willing and able to instruct and inspire all ages in the Church, from the children in the primary classes in the Sunday-schools to the mature men and women who lead the activities of our congregations.

During the year a Conference was held with representatives of the Women's Boards and Societies, and a free and frank discussion was had in regard to all matters relating to the work. The amount raised during the year by the women's organizations will be found in the Treasurer's Report.

In grateful recognition of the valuable professional services, extending through a period of years, of David Bovaird, Jr., M.D., of New York City, in examining and treating without charge many candidates for appointment and many foreign missionaries, the Board directed that his name be published in the Annual Report as the Medical Adviser of the Board.

Many evidences have been given during the year of a deepening interest on the part of the home Church in Foreign Missions. The members of the Foreign Mission Committees of Synods and Presbyteries have rendered more and better service than in any previous year in the history of the Board.

The Foreign Missions Conference, held the day before the opening of the last General Assembly, was the largest and most successful in all the history of these Conferences. So manifest is the growing interest in many quarters in Foreign Missions that one pastor said to a member of the Board, "Why, the Church is honeycombed with Foreign Missions."

The earnestness shown by the Committee appointed to raise the funds for the Memorial erected to the late Boon Boon Itt, of Siam, and the generous response to the appeal is another gratifying indication of the development of Foreign Missions in the home Church.

The heartiness with which the friends of Missions responded to the invitation, extended by the various Boards having work in China, to a dinner given to the Imperial Chinese Commissioners visiting this country for the purpose of inspecting American institutions, was an indication of the trend of the missionary current. A leaflet has been published giving a full account of the addresses delivered at this dinner. The Board has advised its missionaries in China under no circumstances to interfere in any judicial case affecting Chinese Christians without previously obtaining consent of the Mission or its Executive Committee.

Representatives of the Board attended and took part in the Annual Conference of Mission Boards and the Fifth Meeting of the Student Volunteers, held at Nashville, February 28 to March 4. The reports brought back from these gatherings indicated great enthusiasm on the part of the youth of the Church in Foreign Missions.

Great as has been the interest in the home Church, it has not kept pace with the work in the foreign field. The Board has not been able to maintain or to expand the work, or to increase the laborers, foreign and native, as it ought to do, through lack of funds.

The Board, anticipating the possibility of a union being effected with the Cumberland Church, has had a number of conferences with the Committee of the Assembly on Coöperation and Union, with a view to arrange any adjustments which may be necessary in the Foreign Mission work of the two Boards. All the questions involved have been carefully considered, and the Board will be ready to proceed at once with the work of consolidation when the two Assemblies deem it wise to consummate the proposed union.

The record of the year in the foreign field has been most gratifying. The Church at home has been stirred by reports of revivals in various parts

of the land. Similar reports have also come from the regions beyond. In India a great revival, marked by much prayer, confession of sin, restitution and witness bearing for Christ, has blessed many of the Missions.

The Japanese Convention of November 17, by which Japan virtually assumed control over Korea, developed some problems of special delicacy. An official of the United States Government assured the officers of the Board that the missionaries had been most wise in their treatment of the Japanese and the Koreans as well. A revival, attended by no excitement whatever, has added large numbers to the Church of Christ. It is significant that the question of self-support in Korea has advanced during the year in a most remarkable way, notwithstanding the political disturbances.

In other places there has been gratifying increase, notably in the Philippines, where even the remarkable progress of former years has been exceeded. It is but six years since the Mission was opened and the record shows over 4,000 church members. During the year the Ellinwood Training Schools have been completed. Funds have been raised for the American chapel at Manila. New stations have been opened, and the work has progressed far beyond the expectations of the most sanguine.

By way of contrast the work in the Guatemala Mission seems small, but the laborers are few and the adversaries are many. The faithful service of the beloved missionaries there will surely bring forth fruit in due season.

In Mexico there has been a marked development of self-support, especially in the Presbytery of the Gulf of Mexico. In Colombia and Venezuela the disturbed condition of the country and the absence of missionaries on furlough have interfered seriously with large results.

Chile reports 153 converts, with the ever widening influence of the educational work.

The Church in Brazil has grown in spite of the schism of a year ago and the unusual activity in the Romish Church, caused by the coming into the country of friars sent from the Philippines.

The report of a Committee of Exploration sent out by the Africa Mission, showing the vast need of the regions in the interior, remote from our stations, has called forth a generous gift from Miss MacLean, the founder of the Mission Station at Lolodorf, which will enable the Mission to open a new station as soon as a proper site is found.

The results of the Russian-Japanese war have more or less affected the work in many lands. In Persia there has been continued unrest. This together with the fact that the murderers of the Rev. B. W. Labaree have not been brought to justice, and difficult relations with the Government officials, have made the year a trying one. Self-denying work in the Kurdistan mountains has been carried on by a faithful missionary with the result of many conversions.

In Syria, our important institutions, notably the Mission Press at Beirut, the Gerard Institute at Sidon and the medical and evangelistic work in many stations, have shown progress.

The political situation in China has caused much anxiety. The end is not yet. A Conference was held at 156 Fifth Avenue, at which representatives and missionaries of all Boards at work in China considered the whole situation. The conclusions reached at that Conference were sent to the missionaries of the Board in China. These faithful missionaries need the special prayers of the Church in this time of unrest and surpassing opportunity.

The report will give in full the result in the various Missions, but the progress shown in the field has been something more than a mere increase in the number of converts or of new stations opened. There is slowly being evolved a science of Missions, and the large problems of missionary statesmanship are being carefully studied.

A Conference called by the representatives of various Boards having work in Mohammedan lands was held at Cairo on April 4th to the 10th. The Board was represented by missionaries from Moslem lands and by the

President of the Board, who was specially appointed for this purpose. The evangelization of the Mohammedan world is one of the great problems before the Church. It is hoped that this Conference will aid not a little in the furtherance of plans for this great undertaking.

The union movement in Mission lands, reported to the last Assembly and meeting with its hearty approval, has gone on with increasing strength during the year. Korea Mission has advanced beyond the position taken last year. The Mission and the Board are now considering plans involving the union not merely of all the Presbyterian bodies at work in Korea, but with the Methodist bodies as well. In educational, medical and publishing lines tentative union has already been effected. The Board has followed in this matter the principles cordially approved by the General Assembly and rejoices in a movement which promises such large results for the Kingdom.

It is significant that both in India and in Korea the attempt on the part of the Church to realize in some degree the Master's prayer "that they all may be one," has been followed by a gracious outpouring of the Spirit of God.

The situation in Japan is interesting. A hopeful crisis has been reached in the history of the native Church. The Board and the Mission are giving the subject much thought and earnest prayer. The need of Divine wisdom at this time for the missionary and the Japanese Christian is most pressing.

The Board approved heartily the action of the North China Mission in uniting with the London Missionary Society, the Women's Foreign Missionary Society of the Methodist Church and the American Board in the instruction of women in medicine in connection with the North China Union College.

The proposed new Synod of Central China, composed of representatives of various Presbyterian bodies at work in China, plans to meet at Shanghai in May. The Assembly will be asked to approve the withdrawal of our Presbyteries in Central China to join this Synod, which is another step looking to the union of all Presbyterians in the great Empire of China.

The Conference on Federation, which met in Peking in September and included representatives from more than twenty-five missionary organizations at work in the Chinese Empire, was the most notable union movement of the year. While it was a Conference and not a formally legislative body, and its actions should be considered as advisory rather than authoritative, yet it is significant that without dissension these representatives of the great missionary bodies in China considered a union hymn-book, union terms for God and the Holy Spirit, union designations for names of churches and chapels, and the federation of all Protestant Churches.

The record of the year shows the growing esteem in which the missionaries and the work of the Board are held. Two of the Board's missionaries have been offered Consular positions. The Kaiser-I-Hind medal was bestowed by King Edward VII on a missionary of the Board, Dr. J. C. R. Ewing, for meritorious work in connection with the Earthquake Fund in India; the significant fact being that the editors of the Hindu and the Moslem papers gave their hearty approval to this honor thus conferred on a missionary.

The relief sent to the famine sufferers in Persia and Japan; the generous gift of the Maharajah of Gwalior, enabling the missionaries to complete the church at Morar, North India; the honors showered on the Laos missionaries by the Crown Prince of Siam at the laying of the cornerstone of the new college at Chieng-Mai, and the notable utterance of the Chinese Minister in the United States, commenting on the Board's refusal to accept indemnity for the loss of the martyred missionaries at Lien-chou, all attest the honor in which the missionary is held.

The President of the Board was instructed to write a letter of congratulation to the Rev. H. H. Jessup, D.D., of the Syria Mission, who in February, 1906, completed fifty years of missionary service. It is a noteworthy fact that of the missionaries now in the service of the Board eight have served more than fifty years, forty-two more than forty years, and

forty-nine more than thirty years. There is no age limit in the missionary service. The church or the individual possessing the mission spirit can never lose true enthusiasm nor grow weary in well doing.

The term of service of the following Board members, in Class 1903-1906, expiring, the Assembly is respectfully requested to re-elect them :

Rev. John Fox, D.D.,
Rev. W. R. Richards, D.D.,
Rev. Cleland B. McAfee, D.D.,

Hon. Darwin B. James,
Mr. W. P. Stevenson,
Mr. Scott Foster.

TREASURER'S REPORT.

[*Abstract.*]

In the light of the great progress in the work of the Board, the deficit which must be reported this year will be more clearly understood, and it is not altogether discouraging since the very success of the work itself is the chief cause of the financial lack. Special attention is called to the large increase in donations from the churches, amounting to \$73,122.61 over last year. There has been a falling off in the total from the Women's Boards and from individual givers, but the largest decrease is found in legacies, amounting to \$71,619.50, almost the total amount of the deficit which amounts to \$72,538.

The appropriations and disbursements (Schedule 3) amounted to \$1,241,821.20, and receipts applicable to this large expenditure amounted to \$1,169,283.20, leaving a deficit for the year 1906 of \$72,538. The deficits remaining from the years 1904 and 1905 amount to \$38,380.71, leaving a present deficit of the Board of \$110,918.71.

The increase in receipts for the year were as follows :

From Churches,	\$73,122 61	
Sabbath-schools,	3,312 97	
Young People's Societies,	5,155 07	
	<hr/>	\$81,590 65
The decrease amounted to		97,484 07
Leaving a net decrease from all sources of		<hr/> \$15,893 42

The number of individual givers during the year, with approximate amounts, was as follows :

Giving less than \$100,		545
" \$100 and less than \$250,	250,	78
" 250 " " 500,	500,	26

Receipts by months and quarters are scheduled below :

May,	\$36,931 14	
June,	30,911 54	
July,	47,092 97	
	<hr/>	\$114,935 65 1st quarter.

August,	\$31,882 51		
September,	47,432 44		
October,	44,426 94	123,741 89	2d quarter.
<hr/>			
November,	\$62,662 47		
December,	96,109 09		
January,	131,952 05	290,723 61	3d quarter.
<hr/>			
February,	\$112,534 24		
March,	186,009 85		
April,	318,079 84	616,623 93	4th quarter.
<hr/>			

In this connection it will be noted that by far the largest quarter is at the end of the year, half a million dollars coming in during the last two months. This is no doubt due to the fact that a great many churches take their annual collection at this time of the year, making it necessary for the Board to borrow funds during the second and third quarters.

The net profit to this Board from operating the Presbyterian Building was \$16,649.31.

In January, 1906, the mortgages on the building were paid by both Boards, leaving it free and clear of all indebtedness. This is the culminating act in the financing of the building known throughout the world as the Presbyterian Building, and Presbyterians everywhere will rejoice that this property has emerged from the severe struggles of former times and been placed on a basis where it produces a fair income.

The mortgage of this Board amounted to \$60,000 at the close of the year 1905. The payment was made up as follows:

From special gifts received for the reduction of the mortgage debt,	\$30,468 29
Balance of profit from operating building, 1905,	15,446 12
From profit from operating building, 1906,	14,085 59
	<hr/>
	\$60,000 00

There remains a balance of the profits of 1906 of \$1,610.11.

From the operation of No. 5 West Twentieth street, the annex to the Presbyterian Building, there is a profit for the year of \$2,209.19.

It is interesting to note that during the year Special Gift Agreements have been issued to double the number issued last year, twelve in all, aggregating \$23,800.

EXPENSES.

An analysis of the expenses of the year will be found in Schedule 5 of the report.* The percentages of disbursements in New York to the total sum received are as follows:

Administrative expense,	4.18 per cent.
Disbursements not administrative,	1.85 "
Disbursements directed by General Assembly,	1.04 "

ABSTRACT OF EIGHTY-SEVENTH ANNUAL REPORT.

The Board of Education respectfully report that they began the year with a cash balance of \$402.89, belonging to the current account; that they have received in the course of the year from all sources \$89,034.05, of which \$52,360 came from churches, Sabbath-schools, Young People's Societies and individuals, being an increase of \$32,99.53 from churches, etc., and a decrease of \$453.98 from individuals. The amount received from legacies was \$20,944.79.

The amount of scholarship aid was fixed at one hundred dollars for candidates in colleges and theological seminaries, and ninety dollars for the exceptional cases taken under the care of the Board in the academical course.

The Board report the resignation of Charles H. Mathews, Esq., and George Peirce, Esq. Henry D. Moore and Samuel D. Oliphant, Esq., have been elected to fill these vacancies. On June 12, 1905, Rev. James M. Crowell, D.D., was elected President; Rev. Charles Wadsworth, Jr., D.D., Vice-President; Rev. Edward B. Hodge, D.D., Corresponding Secretary, and Mr. Jacob Wilson, Recording Secretary and Treasurer.

The term of service of Charles Wadsworth, Jr., D.D., W. H. Oxtoby, D.D., Rev. John Calhoun, and George W. Bailey, M.D., having expired, the Board recommend their reelection.

The total number of candidates enrolled under the care of the Board during the year is 699, of whom 480 are renewals and 219 new men. This is a net increase of forty-one over last year. The number of candidates of foreign extraction, including Spanish, Germans, Italians, Hungarians, Bohemians and others, is seventy-seven. The number of negro candidates is sixty-four.

A conference of Corresponding Secretaries was held in New York in November, 1905, at which representatives were present from the Reformed Church in America, the Congregational Church, the Protestant Episcopal Church, the Methodist Episcopal Church, the Baptist Church, the Lutheran Church, the Reformed Church in the United States and the Presbyterian Church in the U. S. A. So much interest was manifested that arrange-

ments have been made for a similar conference to be held in Philadelphia in the Fall of 1906.

In view of the action of the General Assembly with regard to the religious interests of students in State universities, the Board appointed a Committee to confer with the representatives of the several agencies interested in this special work. The Rev. H. C. Minton and the Corresponding Secretary of the Board attended the meeting in New York, and a report of the conference was presented to the Board and will be found in full upon their Minutes. The matter appeared to be of so much importance that it was determined to supplement the work of visitation of schools, colleges and universities, which has been a part of the duty of the Corresponding Secretary, by sending representatives of the membership of the Board to as many institutions as could be reached. Accordingly tours have been made by Dr. Minton to institutions in the South and Southwest, and by Dr. Cochran in the Northwest, in addition to the visits which the Corresponding Secretary has been able to make to the Eastern institutions and to Biddle University and Lane Seminary. It is evident from the reports made to the Board concerning these visitations that a deep impression was made upon the minds of the students with regard to personal religion and the duty and privilege of giving the Gospel to their fellow-men.

At the request of the General Assembly's Committee on Church Coöperation and Union, the Board referred to a Special Committee a consideration of the question "whether there are any legal and corporate rights and powers of the Board which must be safeguarded" in connection with the proposed union with the Cumberland Presbyterian Church. The Committee presented an extended report, which will be found spread upon the Minutes of the Board.

After conference with the Subcommittee of the General Assembly's Committee on Coöperation and Union, it was determined to arrange for a conference between representatives of the Board of Education and representatives of the Educational Society of the Cumberland Presbyterian Church. Such a conference was held in Cincinnati, March 22, 1906, the object being to agree upon a *modus vivendi* for the conduct of the operations of the two agencies during the coming year and until such time as legal consolidation can be effected. Entire harmony prevailed throughout the discussion, and the plan agreed upon will be found printed in full in the Report of the Board for 1906.

In view of that feature of the plan agreed upon at the above-mentioned conference, relating to the policy of the Board with regard to the granting of scholarship aid to candidates from the Cumberland Church, the Board requests that the General Assembly accord them a certain amount of discretion in the application of the rules to candidates who may be recommended by Presbyteries previous to this time in the Cumberland Presbyterian connection, until the newly received Presbyteries, with their candidates, have learned to adjust themselves to their new conditions; and, in particular, they ask authority to make payments to duly recommended candidates studying at the theological seminary at Lebanon, Tenn., provided that assurance is given that any changes in its Constitution necessary to make it eligible to the approval of the General Assembly will be made.

In view of the practical impossibility of carrying out the rule of the Board which provides that payments to candidates be made on the first days of October, January and April, the Board ask that the rule be altered so as to provide that payments be made on the first days of November and March.

The Board calls attention again to the subject of the education of medical missionaries, believing that great advantage would be secured if candidates for medical work were to take their course under the supervision of the Church, and the question is raised at this time whether the Board of Education may not wisely be authorized to accept and apply for this purpose any funds that may be specially designed for the work. Whatever is undertaken on this subject should be done after very careful consideration and with formulation of well-guarded plans.

The Board have taken duly into account the report of the Special Committee of the Alliance of Reformed Churches throughout the World hold-

ing the Presbyterian System (Western or American Section) on the subject of candidates for the ministry. They find that their own views are generally in harmony with the statements contained in the report as to the cause for the decline in the number of candidates for the Gospel ministry and the remedies suggested. The facts brought out in the report emphasize in the strongest manner the necessity of importunate prayer throughout the Church on the part of congregations, church courts, families and individuals, and of constant diligence on the part of ministers, parents, teachers and others in positions of influence, in bringing the subject of the evangelization of the world to the attention of young men as a matter of high privilege and pressing obligation.

By order of the Board,

EDWARD B. HODGE, *Corresponding Secretary.*

ABSTRACT OF THE SIXTY-EIGHTH ANNUAL REPORT.

April 1, 1905, to March 31, 1906.

I. SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.

MISSIONARY WORK.

The Sabbath-school missionaries of this Board labored during the year in 39 States and Territories, and for seven months in the island of Cuba. The Board has had at work 127 Sabbath-school missionaries and 24 col-

porteurs, laboring within the bounds of 90 Synods and 113 Presbyteries. Of these 16 were Synodical and 135 were Presbyterian workers, making a total of 151. They have organized 715 new Sabbath-schools and revived 317, a total of 1,032, into which have been gathered 3,461 officers and teachers and 33,022 scholars; making a total membership of 38,483. Our missionaries have also cared for and nurtured 2,581 Sabbath-schools which they had organized in previous years. The membership of these schools is 99,815. These missionaries have made 110,352 visits to families, and have held 5,022 evangelistic services, in which 2,881 conversions came under their observation. Sabbath-school institutes and conventions to the number of 592 have been held.

In the homes and Sabbath-schools which they have visited, the missionaries have distributed large numbers of periodicals and tracts; and in addition have sold and given away 19,045 volumes. They have also distributed, by gift and sale, 8,920 Bibles and Testaments. This includes the literature distributed by our missionary colporteurs.

The number of churches developed by our missionaries from their schools during the past year is eighty-two, of which seventy-four are Presbyterians and eight of other denominations.

The number of Presbyterian buildings erected last year as the outgrowth of the labors of Sabbath-school missionaries is seventy-five. The value of these buildings is \$127,310. Thus through the efforts of our Sabbath-school missionaries over eighty per cent. of the entire cost of the Sabbath-school and missionary work was returned to the Presbyterian Church in the money value of the buildings erected.

In addition to the hundreds of struggling Sabbath-schools aided during the year by grants of periodicals, hymnals, libraries and other supplies, 57 new Sabbath-schools, organized by other than Sabbath-school missionaries, have taken advantage of the Board's offer to furnish supplies free for the first year. Without this help it would have been impossible in many cases to maintain the school.

Through the generosity of Women's Missionary Societies, Mission Bands and Sabbath-schools, our Sabbath-school missionaries have been able to relieve much distress among those who were found without sufficiently warm clothing. The Woman's Board of Home Missions has taken formal action extending their cooperation in such work, and has offered to do what they can to furnish such help as may be needed by the families of Sabbath-school missionaries who may require such assistance. Our Sabbath-school missionaries distributed during the year 100 boxes and barrels, valued at \$4,191.

REVIEW OF EIGHTEEN YEARS' WORK.

The value of Presbyterian Sabbath-school Missions is demonstrated by the simple statement that in eighteen years 966 Presbyterian churches have grown from our mission Sabbath-schools, an average of fifty-three new Presbyterian churches every year. Other denominations also have shared in the fruits of the work and have gathered from them 513 churches. The whole number of churches organized since 1887 is 1,479—an average of over eighty-two churches every year.

PRESBYTERIAL COMMITTEES.

We have been gratified to note the cordial response to the special efforts which we have made during the year to magnify the office and work of our Presbyterian Committees on Publication and Sabbath-school Work. The Secretary of the Board has prepared and distributed a manual for the guidance of such Committees. It is planned to hold a Sabbath-school institute annually in each Presbytery, for the improvement and training of Presbyterian Sabbath-school workers, and to bring the Sabbath-school missionary work of our Board more prominently before the pastors, elders and congregations.

THE FORWARD MOVEMENT OF SABBATH-SCHOOL MISSIONS.

Our plan of securing the support of newly appointed missionaries, and of missionaries already at work, has met with encouraging responses. There are fifty-four of our missionaries now supported by churches, Sabbath-schools and generous individual contributors; and in some cases by the combined gifts of all the Sabbath-schools of a Presbytery. In this way intelligent information is imparted, and the constituency at home is brought into living touch with the work on the field.

During the past year our contributions from churches, Sabbath-schools and individuals showed an increase of \$4,968.45 over the contributions of the previous year. This increase in our funds enabled us to make corresponding increase in our expenditures for missionary work amounting to \$4,752.52. Thus it will be noted that as our receipts have increased, we have enlarged our work proportionately. The percentage for administration is 5.50. This expense is more than covered by the appropriation from the profits of the Business Department.

The total amount expended in carrying forward the work of the Sabbath-school and Missionary work is \$27,512.39 in excess of the total amount contributed by churches, Sabbath-schools and individuals, showing that the Board itself added twenty-one cents to every dollar given for this work.

GRANTS.

Grants amounting in value to \$9,770.46 were made as follows:

Periodicals, books and tracts to Sabbath-schools, churches, pastors and missionary workers,	\$6,446 32
Bibles as rewards for memorizing Shorter Catechism,	1,104 34
For publication of Bohemian Sabbath-school paper,	800 00
For publication of Bohemian weekly paper (<i>Christian Journal</i>),	1,570 44
Grant of <i>Westminster Teacher</i> to foreign missionaries,	849 86
	<hr/>
	\$9,770 46

Contributions to the amount of \$2,291.13 were made through the Board to aid in the erection of chapels, and to other special objects, as designated by the donors.

CHILDREN'S DAY AND RALLY DAY.

An increase in the interest of Sabbath-schools in our work is evident from the generous gifts of the past year on Children's Day and Rally Day, the total receipts from these celebrations amounting to \$64,272.29. The number of Sabbath-schools using our programmes on Children's Day was 4,050; 905 Sabbath-schools used our Rally Day programmes, and took an offering for our work among foreigners, in accordance with the recommendation of the General Assembly.

MISSIONARY BIBLE FUND.

The total amount credited to the Missionary Bible Fund, from the interest on the Benjamin, Guthrie and Pinkerton legacies for the "distribution of Bibles and Testaments among the destitute," is \$1,467.60.

MISSIONARY WORK AMONG FOREIGNERS.

During the year we have had twenty-four colporteurs laboring among Italians, Hungarians (Magyars), Bohemians, Slovaks, Croatians, Ruthenians, Lithuanians, Russians, Poles, French, Spanish and other foreigners in Pennsylvania, New Jersey, West Virginia, Delaware, Maryland, Illinois, Ohio, Texas, Nebraska and California.

In the performance of their labors they visited 81,727 families, distributing 14,647 religious books and 497,123 pages of tracts, besides 4,800 Bibles, Testaments and Gospels in many different languages. The total sales of Bibles, Testaments, books, tracts, etc., by these colporteurs among foreigners amounted to \$1,873.53.

SABBATH-SCHOOL TRAINING.

The value of the work being done by the Sabbath-school is being more and more highly appreciated by the Church.

It is being recognized that the Church has no more important or profitable work than the improvement and development of its Sabbath-schools.

In the recent reorganization of the Board of Publication and Sabbath-school Work, it was possible for us to give greater prominence to this work than it had heretofore received.

The Rev. James A. Worden, D.D., as Superintendent of Sabbath-school Training, has given his entire attention during the past year to this important phase of our work. Efforts have been made in various ways to instruct and inspire the Sabbath-school workers of our Church, setting before them the most approved methods of Sabbath-school work, and encouraging them to make use of these methods.

This has been done by the preparation of leaflets on various subjects, which have been sent to pastors and superintendents; by correspondence, by visits to Presbyteries and Synods, and by encouraging Presbyteries to hold annual Sabbath-school institutes.

A plan for the organization of a Presbyterial Sabbath-school Association has been prepared, and already a number of Presbyteries have adopted it.

Special attention has been given to Teacher Training.

It is our desire and our effort to introduce, whenever it is possible, the Westminster Teacher Training Course prepared by our Board.

The General Assembly of 1905 recommended our Theological Seminaries to provide instruction for their students in the principles and methods of modern Sabbath-school work.

To assist the Seminaries in carrying out this recommendation, a series of lectures on Sabbath-school topics has been prepared.

SHORTER CATECHISM.

We regret to report that the teaching of the Shorter Catechism seems to be decreasing in our Sabbath-schools. Out of 8,681 schools only 3,326 report that the Catechism is being taught. This is 272 less than last year. An effort will be made to keep this subject before the minds of our Sabbath-school workers.

One way to do this is by the more general distribution of our Catechism Reward Bibles. To enable us to do this without drawing too largely upon our missionary funds, an effort is being made to secure a fund of \$25,000, the interest of which shall be used for the purchase of these Reward Bibles.

We have received two subscriptions of one-tenth each of the entire sum. We hope during the coming year to secure the entire amount.

GROWTH OF INCOME.

The Board notes with gratitude the steady increase in contributions to its Sabbath-school missionary work, from \$89,879.39 in 1898-99 to \$130,119.00 in 1905-06—an increase of more than forty-four per cent. in seven years.

The Westminster Intermediate Quarterly is designed for scholars of the intermediate grade. It contains full lesson text, with notes, questions, and practical teachings. In it are found also maps, orders of service, etc. Each number contains 42 pages. School subscriptions to one address, 12 cents a year; single copies, 20 cents.

The Westminster Junior Quarterly is designed for younger children in the Junior department. School subscriptions to one address, 12 cents a year; single copies, 20 cents.

The Westminster Primary Quarterly is for the little folk of the primary grade. It gives explanations of the lessons, with hymns and music, and is beautifully illustrated. It contains 38 pages. School subscriptions to one address, 16 cents a year; single copies, 20 cents.

The Westminster Home Department Quarterly is prepared for the use of those who, though unable to attend the sessions of the Sabbath-school, yet desire to study the lesson, week by week. This quarterly contains in each number 38 pages. Subscription price, 12 cents a year for school subscriptions to one address; 20 cents for single copies separately mailed.

The Westminster Normal Quarterly was issued to cover a two years' course of lessons for use in advanced and normal classes. This course has been completed, and the eight quarterly numbers are furnished to those desiring them. The price is 40 cents a year for a single subscription; two or more subscriptions to one address, 24 cents each. The two years' course, bound in cloth, \$1.00, postpaid.

The Westminster Lesson Leaf is prepared with special reference to intermediate and younger scholars. It is issued monthly, but is so prepared

that, if desired, the leaves can be separated and distributed to scholars weekly. Each leaf contains one lesson complete, with Scripture, Golden Text, Catechism, Notes on the Lesson, Questions and Practical Teachings. School subscriptions to one address, 5 cents a year; single copies, per year, 10 cents.

The Westminster Lesson Card contains a brightly colored lithographic picture, illustrating the lesson of the day, with Lesson Title, Golden Text, Lesson Hymn, Lesson Story and Questions. It is adapted in grade to younger children and to primary classes. School subscriptions to one address, 10 cents a year, 2½ cents a quarter; single sets, 20 cents a year.

The Westminster Beginners' Lessons cover the two years' International Course for young children of the kindergarten age. The lessons are arranged with reference to the seasons. They can be taken up at any time. The *Beginners' Lessons*, with the cards for teachers and scholars, were issued in eight illustrated numbers. These numbers were first issued as a quarterly, covering two years.

Accompanying the *Beginners' Lessons* is a series of large picture cards (12 x 15 inches in size), especially prepared for this course. Both the quarterly and these cards are solely for the teacher's use in teaching the lesson. For the scholars there are smaller Golden Text picture cards to be given out each week.

Running parallel with the *Beginners' Lessons* is a series of *Supplemental Beginners' Lessons*, which are to take the place of the formal opening exercises used in the other departments of the school. This Supplemental Course, which covers a period of ten months only, includes a series of lessons for the teacher, published in pamphlet form, elaborating the *Supplemental Lessons*, and a series of large pictures for use in teaching the *Supplemental Lessons* (7 x 9 inches in size).

ILLUSTRATED PAPERS.

Forward continues to grow in interest, as its increasing circulation, now considerably above a quarter of a million, attests. It is admittedly, both as to form and matter, a paper of the highest class. It is filled every week with the choicest things for its readers. While intended primarily for older classes in Sabbath-schools, *Forward* is adapted also for young people in the home, the school, and everywhere. It has a Christian Endeavor department, with brief notes on the weekly topics and articles from time to time on the work of Christian Endeavor societies. The low price at which *Forward* is furnished brings it within the reach of all. In clubs it costs less than one cent a number. Single subscriptions, per year, 75 cents; subscriptions for two or more copies addressed to one person, 50 cents a year each.

The Sabbath-School Visitor is the oldest of the periodicals of the Board. It is adapted to a younger class of readers than *Forward*. It is an illustrated four-page paper, each number containing attractive and interesting matter. It is published weekly. Single subscriptions, per year, 50 cents; school subscription, to one address, 30 cents.

The Morning Star is issued to meet the demand in some schools for a paper at small cost. It is of the same quality, grade, and style as *The Visitor*, but only half its size. It is issued every week. Single subscriptions, 25 cents a year; school subscriptions to one address, 15 cents.

The Sunbeam is a four-page weekly illustrated paper for very little people. No subscriptions are taken for less than one month. Single subscriptions, 30 cents a year; school subscriptions to one address, 20 cents a year for each scholar.

III. BUSINESS DEPARTMENT.

There have been published during the year 2,100,665 copies of books and tracts, and 43,406,327 copies of periodicals, which, together with 8,400 copies of the Annual Report for the year ending March 31, 1905, make an aggregate of 50,515,392 publications for the year.

The work of placing these publications on the market is performed by means of the main store in Philadelphia, the Depositories in New York, Chicago, St. Louis and San Francisco, and seven other houses where the publications of the Board can be obtained.

The Depositories conducted by the Board are as follows :

DEPOSITORIES.

New York, N. Y., C. W. Hippard, Manager, 156 Fifth Avenue.
Chicago, Ill., W. P. Blessing, Manager, 192 Michigan Avenue.
St. Louis, Mo., J. H. Springer, Manager, 1516 Locust Street.
San Francisco, Cal., F. E. Heller, Manager.*

The other houses referred to are these :

Boston, Mass., H. D. Noyes & Co., 250 Devonshire Street.
Pittsburg, Pa., Board of Colportage, Sixth Street and Duquesne Way.
Cincinnati, Ohio, Western Tract Society, 420 Elm Street.
Richmond, Va., The Presbyterian Committee of Publication, 212-214 North Sixth Street.
Toronto, Ontario, Upper Canada Tract Society, 102 Yonge Street.
Winnipeg, Manitoba, Russell, Lang & Co., 504 Main Street.
London, England, Publication Committee Presbyterian Church of England, 14 Paternoster Square.

These houses, with the exception of the one in London, furnish all our publications at the Board's prices.

SALES.

The sales for the year in books and tracts, including our own publications and those of other houses, were \$292,025.52; and of the periodicals, \$373,907.71. These amounts, as they include credit sales, do not agree with the Treasurer's account, which account exhibits only cash received. The Treasurer's account includes cash received for the sales of the current year, and also cash received for the credit sales of preceding years.

The aggregate of the preceding sales includes not only the ordinary sales of the main house, and of the depositories and other houses, but all sales made to the Sabbath-school and Missionary Department.†

CAPITAL AND NET PROFITS.

The capital at the beginning of the year, according to the balance sheet of the last report, was \$268,400.01. The net profits of the year were \$26,992.93. Of this sum two-thirds, or \$17,995.29, have been placed to the credit of the Sabbath-school and Missionary Fund, in accordance with the direction of the General Assembly, and will be paid in quarterly installments during the year. The remaining third, or \$8,997.64, has been added to the capital, making the amount as now reported \$277,397.65.

* Since May 1st the office of the Depository is temporarily located at 2438 Telegraph avenue, Berkeley, California, owing to the San Francisco fire.

† The Business Department sells all its publications to the Sabbath-school and Missionary Work at "the highest rate of discount allowed on the same class of publications to the most favored branch houses in this country."

ABSTRACT OF THIRTY-SIXTH ANNUAL REPORT.

With deep sorrow the Board reports the loss by death of two of its most highly esteemed members, Mr. Hezekiah King and the Rev. Dr. Robert F. Sample, the former of whom was with one exception the oldest in office of the members of the Board.

APPLICATIONS.

The applications received show a decided advance upon that of the previous year, especially those to the General Fund, which exceed in amount asked any previous year in the history of the Board.

In all departments the number of applications was 291, and the total amount of aid requested, either as grants or loans for church buildings or manse, was \$272,694. Of the above applications 173, aggregating \$135,584, were to the General Fund for church edifices, either for grants (155: \$115,634), loans without interest (19: \$15,050), or for such loans in addition to grants (5: \$4,900); 30, aggregating \$64,950, were for loans from the Loan Fund; 63, aggregating \$32,160, were for loans from the Manse Fund; 21, aggregating \$30,200, were for loans from the Reynolds Fund, and 4, aggregating \$9,800, were for grants or loans from the Barber Fund. The total exceeds that of any previous year in the history of the Board, surpassing even the record year of 1904 by 8 in number and \$25,259 in total amount. In fact the demand was beyond the resources of the Board, more especially in the matter of loans. Several of the applications to the General Fund were from churches which do not properly come within the sphere of grants. Eliminating these, the Board was finally able to respond to all demands for grants from our younger and weaker churches and to requests for loans in all cases where the need seemed urgent.

APPROPRIATIONS.

The past year indicates a most decided and gratifying advance upon the part of the Church, of which there is no surer indication than in the number and character of the new church buildings erected. Assuming that the percentage of those which are aided through this Board does not greatly vary from year to year, it is evident from the largely increased demand upon its treasury that the year witnessed an advance of a marked character along the whole line.

The indication of this appears more particularly in the number of appropriations from the General Fund, as the other funds, being permanent and dependent for increase upon bequests or extraordinary gifts, must be limited in their output to the income annually available from the return of previous loans, an amount fairly constant from year to year.

In the following table, in which the results of the year's work are summarized, it will be seen that, owing to instances in which one church received from different funds both a grant and a loan or a special gift in addition to its appropriation, the number of churches is somewhat less than the aggregate of appropriations :

Appropriations :			
General Fund—Grants,	151	Amount,	\$105,767 00
“ —Loans,	18	“	7,850 00
Loan Fund—Loans,	22	“	52,875 00

This summary of the work of the year, presenting results larger than those of any previous year in the history of the Board, afford a practical answer to any averment that the Church of Christ is halting in its progress in our land. The unusually large amount indicated as "special" results from the very liberal gifts for the important church at Havana, Cuba, \$25,000 of which came from one interested Christian woman.

A third point to be noted is that the demand seems to ebb and flow in successive years, probably synchronizing with alternate years of greater or less prosperity.

The appropriations have reached thirty-six States and Territories, as also Porto Rico and Cuba, and have included 116 different Presbyteries. The largest number of appropriations in any one State has been allotted to North Dakota, \$15,680.

As a general result, it may be added that during the year there have been reported to the Board 207 church buildings and mansees, of an aggregate value of \$684,017, as completed without debt.

The total receipts in all departments have been \$317,810.85, and the disbursements \$299,995.81.

THE OUTLOOK.

In regard to the probable needs of the coming year, the Board might well repeat what it said a year ago. Its expectation, expressed at that time, that there would be a marked advance in the growth of our Church and in the erection of houses of worship, has been abundantly justified by the facts. As has been already said, the applications for grants have been more than ever before; and as our Western States are growing with undiminished rapidity, there is every reason to expect that this large demand upon the resources of the Board will continue unabated if not increased. Porto Rico and Cuba, where the Board of Home Missions is carrying on effective work, will need a large measure of help in housing the young and rapidly growing Protestant congregations. Our missionaries are everywhere welcomed and find a gratifying response to their advances.

Finally, it is to be remembered that the terrible catastrophe which has overwhelmed San Francisco and many other smaller towns in California, will doubtless result in large and hitherto unexpected demands upon the Board to aid in replacing burned or wrecked church buildings.

Encouraged by the report of unusual progress which the Board is permitted this year to make, it ventures to press with special emphasis upon the churches the need of more effective support and largely increased contributions.

ABSTRACT OF THE FIFTY-FIRST ANNUAL REPORT.

The Board has had upon its roll for the year ending March 31, 1906, 962 names: 378 ministers, 509 widows, 85 orphan families, 1 widow of a medical missionary, 8 women missionaries, and 21 guests in The Merriam Home at Newton, N. J. This is the largest number the Board ever had upon its roll.

Contributions from Churches and Sabbath-schools,	\$90,499 95	\$99,043 48

	\$220,529 57	\$240,863 96

In addition to these receipts for the Current Fund, the receipts for the Permanent Fund during the year have been \$39,919.13.

Besides the cash contributions to the Board from churches and individuals, the Ladies' Aid Societies of our Church have sent to families on our roll gifts of money and boxes of clothing and groceries amounting to the value of \$7,442.26.

The Board received during the year collections from 4,441 churches; 3,385 churches have failed to send any contributions to this hallowed cause during the year. The non-contributing churches are nearly all non-self-sustaining churches. Seventy-one more churches contributed to the Board during the past year than ever contributed to it in any previous year.

Salaries, office expenses, the publication and distribution of literature, traveling expenses of the officers of the Board, etc., have cost during the past year but 3.3 per cent. of the receipts of the Board.

The Board has an account termed the Annuity Fund. This consists of money given directly to the Board of Relief by various persons, on which it pays the donors a reasonable interest as long as they live. This arrangement has its very decided advantages:

1. There is no contest in the courts over money given in this way to the Board, as there is sometimes over wills in which the Board is a beneficiary.
2. The donors are absolutely certain to receive their interest semi-annually at the time it is due.
3. This has brought, and will continue to bring, helpful revenues to the Board.

THE APPORTIONMENT SCHEME.

This Scheme, which was adopted by the General Assembly at Buffalo two years ago in response to several Overtures from Synods upon the subject, we believe has done no harm to any other cause, and it has stimulated many churches to make larger contributions to the Board of Relief than they had previously been making.

In brief, this Scheme is as follows:

(a) Churches paying salaries of \$800 and less, to give at least Ten Cents per communicant.

(b) Churches paying salaries of \$900 to \$1,200, to give at least Fifteen Cents per Communicant.

(c) Churches paying salaries of \$1,200 and upwards, to give at least Fifteen Cents per communicant, and in addition one per cent. on the salaries of the ministers.

(d) Churches hitherto contributing to the Board of Relief sums considerably beyond the apportionment above suggested, to continue their generous support of the Board.

During the past year the Board of Relief has been called upon to record the death of one of its valued members, who departed this life September 25, 1905.

By order of the Board,

May 3, 1906.

ABSTRACT OF THE FORTY-FIRST ANNUAL REPORT.

For the seventh time in regular succession the Board has closed its year's work without any outstanding obligations. This year the income from church collections exceeded that of last year by \$1,472, and the amount received from all sources exceeded that of the previous year by \$11,979.

The total amount this year for the first time passed the \$300,000 mark, being in exact figures \$301,633.50.

This unusually large amount, however, was attained through the exceptional increase in legacies. From this source we received \$14,000 more than last year. The number of churches that helped us by congregational collections was 4,188, a gain of 179. The number of Sabbath-schools that contributed to our work was 826, a gain of 17. The number of Young People's Societies contributing to our work was 1,087, being a loss of 75. The amount of money given by the patrons and friends of our school work on the field, not included in the receipts of our treasury, is reported this year by our teachers as amounting to \$67,848.77, an increase over last year of \$4,578.

The amount given in church work toward self-support, including church buildings, repairs, contingent expenses and ministerial support, as reported to us by our ministers on the field, was \$55,783.80, an increase over last year of \$12,897.94. The total amount from both church and school work gathered and expended on the field and reported to the Board was \$123,631.57.

The churches under the care of the Board gave through their annual congregational collections \$855.70 to the Freedmen's Board, and \$2,105.03 to the other Boards of the Church.

During the past year we have completed a boys' dormitory at Swift Memorial Institute, Rogersville, Tenn., at a cost of about \$11,000.

An academy at Statesville, N. C., to be known as Billingsley Academy, costing something over \$8,000, will be ready for use when the school opens in the fall.

A third building, the largest of the three, is McGregor Hall, built in connection with Haines Normal and Industrial Institute at Augusta, Ga., consisting of twelve commodious classrooms, and a large and convenient assembly room or chapel, capable of holding from 800 to 1000 persons. The whole building has cost about \$18,000, the money having been generously provided by Mrs. Tracy McGregor, of Michigan.

At Biddle University, Mr. Andrew Carnegie has offered to put up a Library Building at a cost of \$12,500, provided a similar amount as new endowment is raised "toward the upkeep and carrying on of the library."

On the 10th of May of last year, after the printing of our last Annual Report, and before it was presented to the General Assembly, our Board sustained a very serious and unlooked for loss in the death of Mr. S. P. Harbison, who had been a faithful and efficient member since 1888.

After another year of watchfulness and prayer and work, as we look back we find much to be thankful for. We have not only received more money and spent more money on the field this year than in any other year in the history of this mission, but in many other ways we have been able to record an advance. More churches have contributed, more pupils have attended our schools, more workers have been helped, and 1,950 souls have been added to our churches on confession of their faith in Christ, and many more have been taught the way of life in our Christian schools who have gone into other churches to which their parents belong.

ABSTRACT OF THE TWENTY-THIRD ANNUAL REPORT.

The results of the first full year of work under the plans and methods of the reorganization may be viewed under several heads.

1. WHAT THE CHURCHES HAVE DONE.

The widest possible correspondence has been held throughout the year. Coöperation of all the churches and all the pastors has been personally invoked. Full information has been sent to churches and to individuals. As a result, many churches and individuals have contributed to the Board's work for the first time, and many more have largely increased their gifts. There has been a large increase in the sum total of the amounts contributed for the general cause of Christian education. All of these items are set down clearly in the table that follows. The comparison of the work for the past two years is entirely just. The method of accounting is identically the same for both years. The difference tells the advance that has been made by the organizations and individuals of the Presbyterian Church in their gifts for Presbyterian institutions during this year. There have been some extraordinary gifts, for which we are profoundly thankful. They have come, however, in this one year and are a part of its work. There has also been a marked advance in the ordinary collections and gifts upon which the Board's appropriations are based. Early in the year the Board appropriated all that it was warranted in expecting, on the basis of the collections of the previous year. Somewhat later on appeals came in from institutions that were quite as needy and quite as promising as those that had received assistance. It seemed impossible to refuse them, and we made modest grants to a number of colleges, trusting that the advancing interest and liberality of the Church would justify our course. The advance for which we hoped was realized, all our grants were or will be paid and we close the year without a deficit.

The following table gives the full financial result of the year's work :

2. WHAT THE COLLEGES HAVE DONE FOR THEMSELVES.

(a) *Financially.*—Here a full statement is not possible. Every college connected with the Church has been actively at work. The whole Church has been earnestly canvassed in all its parts. The Board is glad to state, and to be assured that the colleges will unite cordially in the statement, that in most of the results mentioned above, the agency of the College Board has been definitely useful and effective, while some of the results could not have been attained at all without the "coöperation" which was promised in the prospectus of the reorganized Board.

(b) *Educationally.*—Under this head it is proper to mention a number of changes in the executive management of the colleges. Mr. J. Willis Baer, of the Home Board, has been elected President of Occidental College, and will take up his new duties during the coming summer. Dr. Guy W. Wadsworth, the former President of Occidental, has taken the Presidency of Bellevue, and has finished his first year's work at that institution. President Dr. David R. Kerr, formerly of Bellevue, has taken up the work in Westminster, Mo., having gone to that institution at the beginning of this college year. In October, Rev. Harry R. Crooks became the President of

Albany College, in Oregon; and Rev. Barend H. Kroeze, D.D., who had been Vice-President of Lenox, in Iowa, became the President of Whitworth, in Tacoma, Washington. Dr. Henry D. Lindsay, of Allegheny, has just become the President of Pennsylvania College for Women, at Pittsburgh, and Dr. E. Van Dyke Wight, who has been for ten years pastor of our church in Hastings and for four years President of the College, has resigned from the church, in order to give his whole time to college work.

(c) *Spiritually*.—During the year the blessings of spiritual awakening have come to many of our institutions. In some of the colleges, the regular custom of working towards a series of meetings in February was followed with eminent success. President Wilson, of Maryville, was invited by the Board to give a full description of the methods of such revival work as had been followed for many years in his institution. His article, published as a leaflet, has been sent widely through the Church, and especially to the Trustees and Presidents of all our Presbyterian Colleges. It is hoped that this evangelistic effort may inspire those who are in charge of all of our institutions to take the way that will be wisest in the life of their own institutions to bring the individual student to a full acceptance of the Saviour, and to a definite consecration of his life to Christian service. The College Board stands earnestly for the idea "that such a transformation of the student is the first purpose for which the Christian college has and should have its existence." In this connection, it is proper to quote the words of President Cyrus Northrop, of the Minnesota State University: "I want to say further that it is not possible for a university under any conditions whatever—a State university—to so carefully cultivate the religious spirit and the religious life as it is in a denominational college, conducted widely, liberally, broadly for the purpose of cultivating religion as well as education." Horace Mann said in his celebrated college dedication address, that "if the influences of the college were instrumental in the saving of only one boy, there would be ample justification for all the outlay in the erection of the buildings and the endowment of the institutions." To the question put to him quietly afterward, as to whether he had not somewhat overdrawn in this estimate, he is said to have answered, "Not if he were my boy."

3. HOW IS ALL THIS EFFORT ANSWERING THE CALL OF THE CHURCH?

Last year there was much discussion of the question of a suitable number of candidates for the ministry of the Presbyterian Church. It was not without alarm that the Church heard the statistics. Whereas ten years ago there was one candidate for every six hundred and forty members of the Presbyterian Church, in 1905 there was only one candidate for every twelve hundred and forty members. The Board is glad to state that it has received reports from many institutions indicating that there is a decided growth in the number of candidates for the Gospel ministry in all of our colleges. In 1897 there was not a candidate in Southern California; now, after continued spiritual work in Occidental College, there are seventeen candidates for the ministry in the one Presbytery of Los Angeles—all of them Occidental graduates. Of nine men who graduated in the last Senior class at Bellevue, seven are now in the Theological Seminary. A member of the Board of Education, going through some of our colleges with the purpose of stimulating a desire for the Gospel ministry, reports twenty-six men studying in Carroll College who will preach Christ at home and abroad. There are thirty young men in the college at Grove City who have the same high purpose.

4. WHAT MEANS HAVE CONTRIBUTED TO THESE RESULTS?

(a) *The Unifying of all the College Forces*.—By this the Board means to indicate the closer relations that are undoubtedly being developed between the administrative forces of the various institutions and the direct agencies of the Board. Allusion was made in the last Report to the first College Conference, that had been held in connection with the General Assembly a week before the Report was made. No description could be given of the

results attained. That Conference served many purposes. The Presidents and other representatives of all our institutions were brought together into fuller acquaintance and more definite sympathy. All of the college representatives were brought into the same close relations with the representatives of the Board. Problems were discussed very fully, and the result has been that through this following year there has been a most important development of coöperation and mutual helpfulness.

(b) *The Efforts to Convey Widespread Information.*—Early last fall every pastor in the Presbyterian Church was communicated with upon the subject of the Board's relation to the churches and to the colleges. A large proportion of the churches were urged to increase their interest in, and their gifts for, the cause of Christian education. Especial attention, through correspondence, has been given to the evangelistic side of the Board's work. It is estimated that in the neighborhood of 15,000 letters have gone out from this office upon these various special missions, in addition to the ordinary daily correspondence of the office.

5. WHAT SPECIAL AIMS WOULD THE BOARD SET BEFORE THE ASSEMBLY AND THE CHURCH ?

(a) The aim of keeping our colleges and all our educational institutions definitely religious. This is a matter that cannot be left to take care of itself. In every locality influences must be met and overcome that would tend to the secularization of schools that have been founded with the definite purpose of serving Christ's kingdom. In the development of each institution's life temptations come from the loyal constituency, and sometimes from the official life of the institution itself, which suggest the incongruity of high and scientific education with religious aims and evangelistic methods. Such temptations must be vigorously fought, and it is the province and the purpose of your Board to fight them. In every institution the prevailing tendencies are toward religious work and religious aims, and they will simply need strong and constant reinforcement on the part of the Church. It is not the Church's aim or the Board's aim to develop what could properly be called "sectarian" schools. Our colleges are denominational, from the point of view of the Church's purpose to raise up workers for the fulfilment of the mission of the Presbyterian Church in the salvation of the world.

(b) Of having under our care educational work of the very highest type. In this twentieth century of Christian progress, the Presbyterian Church must not ask a community to support a college because it has a pious tone or a religious influence, unless at the same time the institution is living up to the highest educational standards. The Church of Jesus Christ cannot afford to have any standards or ideals but the highest. Its Divine Master was sent into the world to teach all nations. The Presbyterian Church will refuse to be satisfied with education or attainment in any direction that is not the best and highest attainable, because only the highest is conformed to the truth of God.

(c) Of wider and wider efforts. New fields are pressing their claims upon us. During the past year the Board has taken under its care the College of Florida, which has no greater hindrances in its way than those which have had to be surmounted by every one of our Western institutions. North Dakota must have a Presbyterian college, and a location is being sought for an institution there. New Mexico should have a Christian college as the natural completion of the educational work there that the Church has for colleges. Someone, a few years ago, asked why the Jews were so tremendously powerful in Germany. In mere point of numbers they are not a very considerable part of the population. The report of the Minister of Education, however, in 1895 gave an entirely sufficient answer. In Germany at that time, 10,000 Catholics sent thirty-two men to the universities; 10,000 Protestants sent fifty to the universities; while 10,000 Jews sent 333 to the universities. That Church of Christ which is true to His Gospel will have the most far-reaching influences, and will be the most really dominant factor in the advancing life of this Republic, that gives the strongest, highest and most widely developed higher education.

This leads naturally to the present appeal of the Board. The Board would emphasize the fact that there will always be new institutions and institutions that for years to come will be weak and struggling. We ask, in order that such institutions may be supported, a tremendously increased offering from the churches. The Board calls upon pastors for loyal support in this direction, and the Board will be able to do its work in any proper degree in proportion as the churches are led to a higher plane of privilege and duty. The need is absolutely fundamental to the life and work of the Presbyterian Church. Without the development of the Christian college the various activities of the Presbyterian Church must be seriously curtailed.

The Board has made every effort to find out for the information of the Church the source of supply of its special leaders and workers, the institutions where they have received their scholastic training. An exact study of the records kept by the Foreign Board revealed the fact that in the past five years the Board has sent out 291 foreign missionaries. Of this number eighty-six had not gone to college, but had received their training in Bible institutes or other schools of Christian work. Of the remaining 205, more than 92 per cent. were educated in Christian colleges and universities; some 84 per cent. in the small Christian college alone. Early in the year the Board sent out a postal card to every home missionary in the Church, and by resulting correspondence found that 93 per cent. of these servants of the Church were graduated by our Christian colleges and universities, 85 per cent. coming from the small Christian college. A study of the catalogues of our theological seminaries shows that of the men who are now students in these institutions, more than 92 per cent. are graduates of the Christian college and university, almost 81 per cent. coming from the small Christian college.

The Presbyterian Church has its lesson to learn, and can learn it from such statistics. It cannot do its work for Christ in the world without giving high Christian education. It is not called upon to own colleges necessarily, nor to dictate in the management of their internal affairs. It is called upon to support its colleges, to develop them, to give them means to real growth, to put before the students the highest educational opportunity. This is the vocation of the Presbyterian Church. It is not only to go out and save the world; its further vocation is to educate the world for Christian service. The College Board believes that it has a great responsibility and calls upon the Church for unlimited prayer and sympathy and help.

For other tables see the full Report of the Committee in the volume of Reports of the Boards for 1906.

The year 1905 marks an era in the beneficences of our Church, when the aggregate income of the Boards passed the \$3,000,000 mark. While \$3,388,316 seems like a large sum of money to be given to the missionary and benevolent causes represented by our Church, we have a large constituency back of this giving, and we all recognize the fact that the 1,100,000 communicants might have done better.

The members of the Church who have recently died gave about one-sixth of the whole income last year.

Legacies are among the important resources of our Boards.

CHURCH OFFERINGS.

For each Board there is little variation in the amount received from the Sabbath offerings of the churches. When it is considered that this income comes from about 32,000 offerings taken in the churches throughout the United States, at all seasons of the year and with all conditions of weather, it is rather remarkable that the fluctuations from year to year rarely vary more than \$1.50 per offering, the greatest fluctuation being less than \$5. So steady is this source of income of the Boards of the Church that one can almost tell in advance within a few thousand dollars what the Boards may reasonably expect to receive during the year.

The ordinary Sabbath plate collection for any one of our missionary or benevolent causes is very disappointing. It indicates that only a very small portion of our members are interested in the missionary and benevolent work of the Church. The contributions of almost all are placed on the plate as a matter of form or habit. Aside from a few gifts that are made conscientiously and intelligently, the offerings of the people are about the same from Sabbath to Sabbath, without regard to the cause announced. Not very long since one of our strong churches took its annual offering for Home Missions. When it was announced that the offering aggregated \$1,800, the people probably congratulated themselves on the liberality of their church. When the collection was taken 683 persons were present: 166 gave under ten cents; 119 gave from ten to twenty-five cents; 196 gave nothing at all—471 of the 683 persons present gave the munificent sum of \$39.52 toward the \$1,800 annual offering for Home Missions. But these 471 congratulated themselves on their liberality by getting under the umbrellas of ten of the congregation, one of whom gave \$200, two gave \$150, two \$125, and five gave \$100 each, ten members of the congregation giving \$1,250.

An analysis of most of the offerings of our churches will indicate a similar condition of things. A revival in conscientious giving is the need of the hour.

There are comparatively few of our churches that give an opportunity to the people to make an annual offering to each of the Boards. The gen-

eral custom among the churches is that of frequent offerings for all the Boards, and a division of the money collected by the Session of the church. In the year 1905 only about twenty-five per cent. of the churches sent an offering to each of the Boards of the Church.

METHOD OF GIVING.

In addition to the envelope and subscription blanks, which are furnished free, the Committee have issued several leaflets on Systematic Giving, which can be obtained free for general distribution among the membership of the Church.

Whatever system is adopted, it will remain true that the largest offering for any Board of the Church is largely determined by the emphasis placed upon the object by the pastor. Every member of the church should recognize his loyalty by giving regularly through church offerings to the various missionary and benevolent causes, and this giving should not be affected in any way whatever by the contributions which the church member may make through the various organizations of the Church. No one should feel satisfied to substitute an offering through some one of the organizations of the Church, and neglect their giving through the church of which one is a member.

RESPONSIBILITY OF THE ELDER IN REFERENCE TO SYSTEMATIC BENEFICENCE.

Rev. George P. Williams, a member of our Committee, by request, has furnished us the following admirable statement of the responsibility of the elder in reference to Systematic Beneficence:

The General Assembly in 1839 declared, "the eldership is essential to the successful operation of our system," and the Church has always recognized the eldership as one of its chief points of strength. Too much emphasis cannot be laid upon the Church's dependence on its lay leadership. The elder, from the very nature of the office to which he is called, has excellent and exceptional opportunity to do work which will enlarge the influence and increase the power of the Church.

Nor is the sphere of his influence limited by the boundaries of the parish that calls him to this high place of responsibility. His field is coextensive with that into which the whole Church seeks to go with her organized agencies for doing the Master's work. The office being that of leadership and administration, the responsibility which attaches is in its way as weighty as that which lies upon the teaching elder—the minister.

The Assembly's Committee on Systematic Beneficence believes that if the splendid resources of the Church are to be made available for the aggressive work of the Church as represented by its various Boards, the hearty and active coöperation of the eldership is indispensable. Very much depends upon the regularity of opportunity afforded the congregations to give as an act of worship. By our Constitution the whole arrangement of a church as to worship and order is committed to the minister and to the Session, and not to the minister alone. [*Minutes of General Assembly, 1845.*]

The mind of the Church as expressed in its Directory for Worship (Chapter VI) is, that "In order to promote the preaching of the Gospel in all the world, and to every creature, according to the command of our Lord Jesus Christ, it is proper and very desirable that an opportunity be given for offerings by the congregation in this behalf on every Lord's Day, and that in accordance with the Scriptures the bringing of such offering be performed as a solemn act of worship to Almighty God." In harmony with this avowed conception of duty and privilege of the congregation, the elder in seeking to make place for such offering only embraces an opportunity of serving, and discharges a weighty responsibility in the office to which he is called. The Committee has no disposition to indicate how or when the benevolent offering in the particular church shall be taken. It recognizes that the plan that would work admirably in one church might be altogether out of place in another. It only desires to see the elder recognize his personal responsibility as an integral part of the

Session, to which is committed as a sacred trust this whole matter of church benevolence. The adoption of methodical systematic giving as an act of worship is the great need of the hour.

The purpose of this statement is simply to call the attention of the ruling elder to the personal responsibility and high privilege of his office. This having been done, we feel assured that this opportunity for service will not pass unheeded, and that, in the language of the General Assembly's call, the "Elders will testify out of their own knowledge and experience to the benefits and blessings of systematic principled giving to the Lord," and that they will encourage the people to put themselves in line to receive a blessing on the same account. [*Minutes General Assembly, 1887, p. 121.*]

In closing this report the Standing Committee desires to express their appreciation of the faithful work being done in the interests of Systematic Benevolence by the various Synodical and Presbyterial Committees.

ABSTRACT OF THE TWENTY-FIFTH ANNUAL REPORT.

HISTORY.—Twenty-five years is a short period in the life of a nation or in the history of a great moral reform, but it is sufficiently long, under proper conditions, to verify a theory, to establish a fact, or to promulgate a truth which may change the customs of a country or liberate a race.

The temperance advocate of to-day has many points of advantage over his brother of twenty-five years ago. To-day science says that alcohol is a poison and not a food; a narcotic irritant and not a stimulant which gives strength; that it cannot sustain the body in weariness, and is injurious in the extremes of heat or cold, and that as a medicine there are better substitutes.

The United States Supreme Court has declared that no one has an inherent right to sell liquor, and that any State Legislature may restrict it to any degree or entirely prohibit its manufacture and sale within the borders of that State.

Twenty-five years ago when the General Assembly of the Presbyterian Church established a Permanent Committee on Temperance, it was a new departure. No Church, up to that time, had so magnified and dignified this cause as to make it a regular department of church work. Many doubted and some objected, but such men of God as John Hall, Theodore Cuyler, Henry M. Booth, Francis Marling, Robert D. Harper, David M. Stiger, William E. Dodge, and others of like character, zeal and wisdom, saw its advantage and urged its importance and necessity.

THE WORK OF THE YEAR.—Many letters come to us asking what has been accomplished.

The Chairman has given freely of his time, furnished his own office and stenographer, as he has done for years past, all without compensation.

From the office of the Corresponding Secretary, who receives no salary,

but accepts \$500 per year for clerical help, have gone many thousands of letters giving information to pastors, clerks of Sessions, Sunday-school superintendents, officers of Endeavor and Missionary Societies, private individuals, general church officers, State and national officials and a memorial to the President of the United States.

Correspondence has been had with the Stated Clerk of every Synod and Presbytery and every Presbyterial Chairman of Temperance. The deliveries of the Assembly on Temperance have been supplied to hundreds of churches and many private individuals. From one to two pages have been supplied for each number of the *Assembly Herald*; one or more columns have been carried in some of our denominational papers; special articles have been prepared for magazines and journals and other periodicals. Several million pages of literature, in six languages, covering almost every phase of the temperance question, have gone to every State and Territory in the Union, as well as to several foreign countries.

Twelve new tracts have been issued aggregating several hundred thousand pages, and a number of tracts of standard issues have been revised and reprinted. A supplemental page has been provided for each quarterly temperance lesson in *The Westminster Teacher* and the *Senior Quarterly*, which have a combined circulation of more than 600,000. Facts and statistics have been compiled which many pastors have used in the preparation of sermons and addresses.

Owing to the fact that in several States local option contests are held at the time of the fall election, it has been the custom of many pastors to follow the suggestions of former Assemblies and observe the last Sunday in October as Temperance Day. With this in mind, correspondence was opened with the officials of leading temperance organizations, editors and other prominent individuals looking to the change of World's Temperance Sunday from the last Sunday in November to the last Sunday in October. Replies have been received from most of these communications, including those sent to some foreign countries, and without exception the change has been favored.

Our three Field Secretaries, the Chairman and one member of the Advisory Committee have labored in twenty States, addressing Synods, Presbyteries, Churches, Ministerial Associations, Sunday-school Conventions, Temperance Institutes, Chautauquas, Y. M. C. A.'s, High Schools, Colleges and Theological Seminaries. We have interviewed, petitioned and written Congressmen and Senators on every important measure which has been before our National Congress during the year.

Besides Mr. Scanlon, who has been employed during the entire year, we have had since January 1st, Rev. John Mayhew Fulton, D.D., until that time pastor of the Central Presbyterian Church of St. Paul, Minn. As was expected, Dr. Fulton's experience as a pastor of important city churches, and his recognized ability as a Gospel preacher, together with his zeal, wisdom and capacity for work, have made him a most valuable accession in this service.

Rev. R. W. Holman, the colored evangelist, a part of whose time we have had for some years, after long and faithful service with our Board of Freedmen, has severed that connection, and now devotes himself exclusively to temperance work among his own race.

No report of our field work would be complete which did not include grateful acknowledgment of the valuable service of Hon. H. P. Faris, an elder in our church at Clinton, Mo., and one of our Advisory members. Mr. Faris has not only given freely of his time and visited many of our churches and some of our Presbyteries and Synods, but in addition has paid his own traveling expenses.

For all the purposes herein named, including office rent, large printing, postage and incidental expenses, we have had about \$10,000 during the year.

GENERAL INFLUENCE OF THIS COMMITTEE.—What has been the effect of this Committee upon our own and other denominations?

It has placed the Presbyterian Church in the forefront of all other denominations in temperance work. Ours was the first to have a Permanent Committee; the first ecclesiastical body to recommend a World's

Temperance Sunday; the first to begin to organize temperance societies in the Churches, Sunday-schools, Young People's Societies and Missionary Societies, making such organizations an organic part of our regular work; the first and is now the only denomination having Field Secretaries of Temperance who are employed upon salary by the Church at large, and who are under control of and responsible to the Church.

A leading United States Senator said to one of our Secretaries, who was interviewing him at the National Capital on the Statehood Bill, that "if all the denominations would act in this orderly, official manner they could get anything in reason."

The influence has also been favorable upon other Churches. Whereas none of them had such a Committee when ours was established, now the Methodist Episcopal, the Congregational, the United Brethren, the United Presbyterian, the Cumberland Presbyterian, the United Evangelical, the Universalists, one branch of Lutherans, the Friends and perhaps others have them.

What is the relation of this Committee to other organizations, such as the Prohibition party, the Woman's Christian Temperance Union, the Anti-Saloon League, etc.?

There is no organic relation. It is simply that of friendly coöperation, so far as the plan and purpose of our work and theirs permit.

Why not work through some of the more prominent of these agencies?

Because they are not under the control of or accountable to our Church. It is an accepted principle in this country, both of Church and State, that with authority must go corresponding responsibility and accountability. We must have assurance that those who are permitted to speak and act for us shall not misrepresent us.

A CHURCH TEMPERANCE FEDERATION.—Is not the Anti-Saloon League such an organization?

It is not. It is a voluntary, non-ecclesiastical federation in which the Churches are invited to become factors or units. It is not under the control of the Churches and is not officially responsible to them.

What is the plan of federation which our Church proposes?

That the proper officials of one denomination shall issue an invitation to all other denominations to appoint the delegates to a National Inter-Church Conference to consider the feasibility of a Church Temperance Federation. When these delegates have formulated and agreed upon a basis of federation, and this basis shall have been ratified by the participating Churches, it shall then become operative. The Churches, through their proper authorities, will appoint or elect the officers of the Federation, according to the terms of agreement. The Federation will be controlled and supported by the constituent Churches, and have such departments and pursue such lines of work as shall have been agreed upon in the Articles of Federation.

Any Church may pursue other lines of work or adopt any policy which is not contrary to the spirit of the Federation.

What would be the advantages of such a federation?

It would be purely a federation of Churches; therefore in sympathy with and under the control of the Churches, supported by the Churches and responsible to the Churches, and have the prestige of the millions of members of the united Church, with authority to speak officially for them.

What could this Federation do in law enforcement?

If it so desired, it could do much more than any existing voluntary organization, for it would have more money and more influence. But it is a question how far it is wise to tax ourselves a second time to do what we have already elected and sworn and paid our regular officials to do. It would seem more logical to prosecute the officers for neglect of duty.

THE DUTY OF THE CHURCH.—The Church ought to lead, and was divinely intended to lead, in lightening the burdens and mitigating the sorrows and curing the ills and righting the wrongs which afflict humanity. The principles of the Christian religion challenge to unending struggle all base and lawless and selfish appetites.

THE BURDEN OF THE CURSE.—Economically it is of the first magnitude. *The Corn Belt* estimates that in 1900 there were 661,554 persons engaged in the manufacture and sale of liquor in the United States. This

vast army was withdrawn from productive labor, allowed to prey upon the public, degrading others and lessening their industrial efficiency, destroying a vast amount of wholesome food products and having their families supported by others, all without rendering any valuable return, and in spite of the harm they were doing.

According to the United States Statistical Abstract, there were consumed in the United States in 1905, 1,694,392,765 gallons of liquor of all kinds, or 20.38 gallons per capita. Only eleven or twelve million gallons of this were used in the arts and manufactures.

The direct cost of this liquor—that is, the amount paid by the consumer—was not less than \$1,500,000,000, and the indirect cost—that is, the cost of crime, pauperism, insanity, idiocy, loss of productive labor, shortened lives, etc.—was at least \$1,000,000,000 more, making a total of fully \$2,500,000,000 (twenty-five hundred millions). Rev. Dr. J. B. Dunn, late Secretary of the National Temperance Society, estimated the total cost at \$2,678,504,864. Other authorities place it lower. The figures first given are probably not far from correct and, while an estimate, are based upon Government reports and other wide generalizations.

Estimating our population at 80,000,000, this harmful and useless thing costs directly and indirectly more than \$30 per capita, or \$150 to every family in the United States. This seems almost incredible and is entirely beyond comprehension.

The entire internal revenue receipts from this source for 1905 were \$186,319,066, and the customs receipts—that is, the duty paid on imported liquors—were \$12,097,799, making the total receipts of the general Government from this source \$198,416,865.

If we add to this \$100,000,000 for State, municipal and county license, it gives a gross sum of \$298,416,865. From this we must deduct the cost of collection, which for the internal revenue was 1.85 per cent. of receipts, and for the customs receipts 3.48 per cent. Summing it all up, it is safe to say that the liquor traffic cost more than eight times what it paid, to say nothing of the moral ruin which it wrought and the untold misery which it caused.

AN ORGANIZED FOE.—There are five great liquor organizations in the United States:

1. The United States Brewers' Association.
2. The National Wholesale Liquor Dealers' Association.
3. The National Retail Liquor Dealers' Association.
4. The National Protective Bureau.
5. The German-American Alliance.

The five organizations are, of course, in league and usually supply men, money and literature in every local contest where there is a possibility of the saloon being defeated.

THE FIELD IN GENERAL.—The Hepburn-Dolliver (now Littlefield) Bill at this writing is pending before Congress, with the issue still uncertain. Nothing definite can be reported concerning the temperance clause of the Statehood Bill for Oklahoma and Indian Territory, as that bill has not yet passed Congress.

The most notable temperance victories of the year have been the defeat of Governor Herrick in Ohio on account of his attitude on the local option question, and the election of William H. Berry, a strong prohibitionist, as State Treasurer of Pennsylvania. Governors Folk of Missouri, Hoch of Kansas, Cobb of Maine, Hanley of Indiana, and Mayor David P. Jones of Minneapolis have all shown that liquor laws can be enforced when the proper officials will to do it.

After a trial of nearly thirteen years, on account of the gross corruption, fraud and graft connected with it, South Carolina has abolished the dispensary.

SCIENTIFIC TEMPERANCE.—Comparatively few people realize the fundamental importance of the scientific temperance instruction which is required in our public schools. The first of these laws was passed in 1832 by Vermont, and by 1902 every State and Territory in the Union had made such instruction compulsory. This remarkable achievement was accomplished by Mrs. Mary H. Hunt, of Boston, Mass., undoubtedly one of the greatest women of the present generation.

The accuracy and value of Mrs. Hunt's work has received striking con-

firmation in the past few months when by Imperial decree scientific temperance has been made a part of the regular course of instruction in the schools throughout the German Empire, and the New Century Series of text-books, approved by Mrs. Hunt, adopted as standards.

Here it is our painful duty to record the death of Mrs. Hunt, which occurred at her home in Boston, April 24.

Mrs. Hunt was everywhere recognized as the greatest authority in the world on scientific temperance. The leading universities of Europe and America sought her instruction and trusted her counsel.

We were highly honored recently by her acceptance of our invitation to superintend this new department of our work, and now we must look for a successor.

THE WOMEN OF THE PRESBYTERIAN CHURCH OF PENNSYLVANIA, with the authority of the Synod of that State, several years ago entered upon a new phase of temperance work. It consisted in an effort to enlist the interest of the Home and Foreign Missionary Societies in this subject. Mrs. J. F. Hill was made President and Mrs. Ellen M. Watson, of Pittsburgh, Corresponding Secretary. The plan was to have a Temperance Secretary appointed in each Presbytery and in each local society. The duties of this Secretary were to bring this subject before her society about once a month in a brief, well-digested *résumé* of the most important happenings in the temperance world, and to keep before them the intimate relation between temperance and missions. The Secretary reports the election of two Synodical Secretaries, eleven Presbyterial Secretaries and some hundreds of Secretaries in local societies, forty-eight of the latter being in Pittsburgh, where Mrs. V. C. Euwer is the efficient Presbyterial Secretary.

HOW WE STAND.—Summing up the whole situation, we find that a little more than half of the entire area of the United States is now free from legalized saloons and 33,000,000 of our people live under the prohibitory laws. There is everywhere a widening and deepening conviction that this guilty traffic ought to die.

The President of the National Retail Liquor Dealers' Association, in his address before their convention in Pittsburgh, said: "Peer into every city, town and hamlet; then read the city ordinances; visit the different Legislatures and the halls of the Congress of the United States; consult with your lawmakers, and you will be astonished at the combinations arrayed against the traffic that we represent. The truth is the enemy is gaining ground rapidly upon us, and we are being overpowered by the tremendous forces battling against us."

Once again it becomes our sad duty to report that your Committee has sustained the loss of a faithful and valued member. Mr. Thomas McFadden, Jr., who had been a member for several years, entered into his reward September 7, 1905.

Twenty-two of the twenty-four Advisory members recommended by the last Assembly have been secured and are as follows:

- | | |

ABSTRACT OF THIRD ANNUAL REPORT.

The Committee is serving under the plan of rotation adopted by the Assembly of 1904, by which the term of each class is limited to three years, and no person, having served a full term of three years upon the Committee, is eligible to immediate reappointment.

The principal matter of the year has been the question of the final disposition of this work of Young People's Societies. We have endeavored to carry on our year's work without regard to what might be done by this Assembly as to the future. In doing so we have had so few facilities of both time and money that it has been impossible to exploit our own methods and materials or to inspire the societies as they require. We realize the greatness of the field and its splendid possibilities. Our hope is that this Assembly will now make suitable provision for its future.

We have operated under the authority of the General Assembly of 1903, which in creating this Committee gave to it the "Oversight of Young People's Work throughout the Church, in coöperation with Presbyteries, Synods and General Assembly." No other agency of our Church has ever been vested with this authority. In exercising it we have endeavored to safeguard every interest and assist existing agencies. In carrying on such a work no discriminations are allowable. All kinds of Young People's Societies are included in the field of our operation, and all the Boards and other agencies of our Church have equal access to this department.

We would first report on

I. THE ITEMS COMMITTED BY THE LAST ASSEMBLY.

(a) *Thanks to the Presbyterian Journals.*—The Committee tendered to the journals concerned the thanks of the Assembly and of the Committee for their very great help in opening their columns once every month, from

*See *Minutes*, p. 183.

October to May, to the editor of the Study Course for the printing of the needed programmes.

(b) *Comprehensive Study Course*.—In this connection the Committee found that courses of missionary studies with specially prepared text-books were being operated by the Boards of Home Missions and Foreign Missions and by the Women's Boards of Foreign Missions, and also that the Westminster Training Course was being operated by the Board of Publication. After a thorough conference with the former, their topics and text-books were incorporated by us in the Christian Study Course as its missionary study. In regard to the Westminster Training Course, it was agreed by the Secretary of the Board of Publication, Rev. Alexander Henry, D.D., and our Secretary that the Board's course could be considered as the shorter treatment and our course as the fuller treatment of the topics to be studied, but that all details pertaining to closer relations might best be left over until next year, in view of the pending transfer of oversight. This also is true of the missionary studies.

(c) *Single System of Reporting*.—Various agencies concerned in gathering and reporting statistics on this work were conferred with and found willing to coöperate, but it was deemed necessary to postpone definite proposals until next year for the reason named above.

II. THE CHRISTIAN STUDY COURSE.

The last Assembly not only "approved of a comprehensive plan to include all Study Courses now operating in our Church," but it also resolved that "the outlines of the second and third year of the Christian Study Course, as shown in the Report of the Permanent Committee on Young People's Societies, be adopted and recommended for study among all our churches." (See *Minutes*, 1905, p. 147.) Accordingly, the Committee prepared to carry on the course as best it could with the few means at its disposal. In accordance with the request of the last Assembly five of our Presbyterian journals agreed to open their columns once a month to our editor, without charge, viz.: *The New York Observer*, *The Presbyterian*, *The Presbyterian Banner*, *The Herald and Presbyter* and *The Interior*. Also the Editorial Committee of *The Assembly Herald*, with the approval of the Home and Foreign Boards, agreed to furnish free for our use one page every month in *The Assembly Herald*.

The text-books for the second year are as follows:

Second Year—Outline B.

BIBLICAL:

Handbook—*Exposition of the Apostles' Creed*, by Rev. James Dodds, D.D. (Glasgow). 40 cents.

All three books, \$1.00.

MISSIONARY:

Handbook—*Heroes of the Cross in America*, by Don O. Shelton. 35 cents in paper, 50 cents in cloth.

Subject—Foreign Missions.

Handbooks—*Daybreak in the Dark Continent*, by Rev. Wilson S. Naylor, D.D.; issued by the Young People's Missionary Movement. 35 cents in paper, 50 cents in cloth. Also *Christus Liberator* (Africa), by Miss Ellen C. Parsons, A.M., from the United Study of Missions Committee. 35 cents in paper, 50 cents in cloth.

The complete set of six books, standard bound, \$2.50. All the prices are low and include postage.*

Full programmes, with suggestions pertaining to the first three subjects, were prepared by our Secretary, as editor, as a help to readers and classes, and were so constructed that they could be used in a series of two meetings each month from October to May, and were printed monthly in the *Assembly Herald* and the five journals named above. The suggestions on Home Missions were prepared by Miss M. Josephine Petrie, Secretary of the Young People's Department of the Board of Home Missions; and those on Foreign Missions by T. H. P. Saller, Ph.D., Honorary Educational Secretary of the Board of Foreign Missions. Both these were published in the *Assembly Herald* and the two monthly magazines of the Women's Boards. In the Biblical Department the task was undertaken by our Secretary, who finished the Pentateuch, in the intervals of a busy pastor's work, and has other books in preparation. In the course of the regular work in the Historical Department, extra suggestions for special occasions were furnished by the Secretary in the form of printed programmes decorated with historic cuts and seals, to wit: "John Calvin and Good Citizenship," for November; "John Knox and Scotland," for February; "St. Patrick and the Voice of the Irish," for March; and especially "The Two Hundredth Anniversary of the Organization of American Presbyterianism." This last programme is printed in colors, with four celebrated seals.

In addition to the editing of the first three departments of the Study Course, and the preparation of the monthly and special programmes, the Secretary took care of all the related correspondence. In order that full information of the Course might be furnished to the Church, he revised all the circulars of the first year and prepared the circulars for the current year. Also, he sent a request to all the Stated Clerks of Presbyteries and Synods early in September, calling the attention of the pastors to these matters, and again in March asking for their help in behalf of prompt reporting.

The Board of Publication, as directed by the last Assembly, provided for the printing and handling of all the books and other printed matter needed by the Committee. The Board reported to us that up to May 1, instant, they had sold 2,325 copies of the Study Course books. This of course is a mere beginning. It shows how much the whole subject needs to be vigorously pushed by a thoroughly equipped agency.

We have also gathered the text-books for the third year, which were approved by the last General Assembly. (See *Minutes*, 1905, p. 377.)

We have also corresponded with the Southern Presbyterian Church and with the Presbyterian Church in Canada in behalf of a Union Christian Study Course, and have received cordial replies from their respective Secretaries on Young People's Work, expressing their interest in our proposal.

We announced last year that a Junior Study Course was under consideration. This is not merely a smaller edition of the larger Course, but requires entirely different treatment. We have made some plans for this and gathered some materials, but have thought best to postpone matters for the present, owing to the pending transfer of our work to another agency.

* For First Year Text-Books see *Minutes*, 1905, p. 376.

Once more we plead with the Church, with the General Assembly and with all our other judicatories to grapple with this question of Christian Training and Religious Education for our young people. The need of trained workers is evident to all. Our societies and Sunday-schools are hindered by lack of them. The situation is getting worse instead of better. Every trade is full, every profession crowded, except the vocation of Christian work and evangelism. We must have lay workers that are trained in the Bible, Church History, Doctrine, Polity, Missions and Evangelism. Some sort of Christian Study Course must be carried on in every society, if we are to save the Church of to-morrow. Hail to the day when the familiar monogram will shine with a new glory, and "C. E." stand for Christian Education as well as Christian Endeavor.

III. STATISTICS AND LABORS.

Our Committee is required to present to the Assembly a report of the statistics and a summary of the labors of all the Young People's Societies. The societies sustain relations to various agencies. They are primarily under the direction of their own local church, through pastor and Session. They are also under the oversight of Presbytery, Synod and General Assembly, as that oversight is administered by their respective Standing and Permanent Committees on Young People's Societies. Further than this, no oversight has ever been conferred by the General Assembly upon any agency, either inside or outside our Church. Also, the societies are in a supporting relation with the various Boards and missionary agencies which furnish them with educational helps and channels for their benevolence in connection with assigned missionaries and specific objects.

Their relation to these agencies is still further defined by the following agreements made by the Boards of Home Missions and Foreign Missions and the Women's Boards, to wit:

I. *Home Missions.*—

(a) The sum total of all contributions to Home Missions from Christian Endeavor Societies is equally divided between the Board of Home Missions and the Woman's Board.

(b) Contributions from Christian Endeavor Societies for special objects under the care of the Board of Home Missions or the Woman's Board are applied as designated, the equal division being made from undesignated funds.

(c) All money from Christian Endeavor Societies for the work of the Board or of the Woman's Board may be sent through the Treasurers of the Woman's Presbyterial Societies, or direct to the Treasurer of the Board or of the Woman's Board.

(d) Miscellaneous. Young Ladies' Missionary Societies and Mission Bands give for the most part through the Woman's Board, and other societies beyond these follow no single plan.

II. *Foreign Missions.*—

Desiring to simplify the confusion that had previously existed, the Board of Foreign Missions several years ago made to the Women's Boards for that field the following proposal, which the latter agreed to, viz.:

"That so far as agreeable to the Women's Societies and Boards of Foreign Missions (there are seven of these), all the Young People's Societies become auxiliary to them, and that the Assembly's Board take direct charge of all Foreign Missionary Work among Sabbath-schools.

We advise that all Young People's Societies within the limits of the societies named, which are now contributing directly to the Assembly's Board, send their offerings for Foreign Missions through the Treasurers of the Women's Presbyterial Societies within whose bounds they are located. In turn, we ask, with cordial concurrence of the Women's Societies and Boards concerned, that all Sabbath-schools now contributing through the Women's Societies send their Foreign Mission gifts directly to the Treasurer of the Assembly's Board, 156 Fifth avenue, New York.

"In making this proposition, it is mutually understood that the Women's Boards shall present to the Young People's Societies the general

work of the Board, and that the Assembly's Board shall also present to the Sabbath-schools the entire work, so that the missionary education of the young people shall be complete. It is also understood that the objects hereafter assigned to the Women's Boards shall, as far as may be found expedient, include men missionaries as well as other features of the work; the Board, of course, as before, administering all funds and assigning all objects."

The other Boards and agencies, with the exception of the Freedmen's Board, do not receive much from the Young People's Societies, for the reason that there is a limit to their ability to give, and therefore they must concentrate on the main objects.

It will readily be seen that these various relations lead to complications, and therefore we have been working in the interest of simplicity of reporting and clearer definition of relations. Our effort was approved by the last Assembly. We propose a resolution on this matter for the year to come.

In gathering statistics, we issued, through the Stated Clerk of General Assembly, a blank for Sessions, and asked them to send to the Presbyterial Chairmen their statistical report on Young People's Societies not later than March 20, which also is the final date adopted by the Women's Boards. Also we sent a blank for Presbyteries to the Presbyterial Chairmen, and asked them to report to us not later than April 15. Up to May 9 only 123 Presbyteries had responded. We report on the work of all the societies as a whole, and herewith submit a summary of the reports for 1906, together with a comparison with the figures of 1905. It is to be noted that last year the figures were reported by 161 Presbyteries and this year by 123 Presbyteries.

SUMMARY OF STATISTICS.

Made up from the Reports of 123 Presbyteries received by the Permanent Committee.

1. Societies.

	1905.	1906.
(1) Number of Churches,	3,627	3,679
(2) Number of Senior Societies,	2,655	2,615
(3) Number of Intermediate Societies,	239	358
(4) Number of Junior Societies,	1,086	1,120
(5) Total number of Societies,	3,980	4,091

2. Membership.

(6) In Senior Societies,	88,996	81,902
(7) In Intermediate Societies,	6,138	8,191
(8) In Junior Societies,	31,993	34,160
(9) Total Membership,	127,127	124,253

3. Conversions.

(10) In Senior Societies,	4,481	4,278
(11) In Intermediate Societies,	1,006	497
(12) In Junior Societies,	1,532	1,620
(13) Total Conversions,	7,019	6,395

4. Contributions.

	1905.	1906.
(14) To Home Missions of Presbyterian Church,	\$35,507 58	\$36,274 75
(15) To Foreign Missions of Presbyterian Church,	41,870 02	39,169 02
(16) To other Boards,	8,748 12	5,249 21
(17) To local Church and Self-support,	78,189 84	81,220 61
(18) To other Benevolent Objects,	15,690 20	21,789 55
(19) Total,	\$179,995 76	\$183,693 14

Increase in the 128 Presbyteries reporting in 1906,	\$17,433 20
Decrease in the 128 Presbyteries reporting in 1906,	9,348 59
Net increase in the 128 Presbyteries reporting in 1906,	\$8,084 61
Increase of the 128 Presbyteries reporting in 1906 over the 161 Presbyteries reporting in 1905,	\$3,697 88

It will be noted that in 1906 a little over one-half of the Presbyteries have reported. If we consider them to be the more efficient Presbyteries and the stronger societies, we may infer that two-thirds of the work is now reported on. The comparison with 1905 is not conclusive, because the Presbyteries and societies reporting in each case are not the same. However, the comparison has value. The true test is in the reports of these 128 Presbyteries, which give a comparison with themselves for the two years. In this instance there is a gain all along the line. In the contributions the increase is \$17,433.20, and the decrease \$9,348.59, leaving a net increase in 128 Presbyteries of \$8,084.61. Much more might be said concerning the story told by the figures. We note the total of 6,395 conversions, and thank God for them. They are only a part of what might be. The total of \$183,698.14 contributed for all objects is very gratifying, and is a proof that the possibilities of this field are splendid.

We are also required to present a "summary of the labors" of these societies. The reports at this point are unsatisfactory. We can only generally assert what we all know. Our societies are performing very many labors. They will undertake almost any labor that attracts their sympathy. They need advice in this matter, in order that proportion may be observed. We are sure that they ought to be more fully occupied with the work of their own church. We must train these young helpers of to-day to be the supporters of to-morrow. Most of the societies meet on Sunday evening. The method of supporting a missionary has in every case kept alive interest and furnished a mark to aim at. Those that are following the Study Course report increased numbers and rekindled zeal.

The Presbyterian and Synodical Chairmen are to be heartily commended for their labors. It is no small trouble to make up the report, aside from matters of oversight.

IV. FINANCES.

There is not much to be said about our finances. The last Assembly resolved that "The Permanent Committee be authorized and directed to collect the funds necessary for the expenses of their work from the Young People's Societies and friends of this work in the churches." We append the report of our Treasurer, Elder Frederick A. Wallis, of New York City. He has spent much time on this work, and deserves our thanks. None of the other members could take much time for this duty from their other pressing work. It is simply another argument for a special department and a special Secretary.

We report \$827 as coming to hand. The Board of Publication, as directed by the last Assembly, helped out with \$500 for books and printing. We shall probably receive from other friends \$300 more. Expecting some deficiency at the close, we have asked the Assembly to direct the Board of Publication to settle any outstanding bills.

V. THE PROPOSED TRANSFER OF YOUNG PEOPLE'S WORK TO THE BOARD OF PUBLICATION AND SABBATH-SCHOOL WORK.

As will be seen in the resolution appended, we have agreed with the Board of Publication and Sabbath-school Work to recommend to this Assembly that the work of this Committee be transferred to that Board, and that a new Secretary be chosen by the Board, who shall give his whole time to this work and be paid by the Board an adequate salary.

This subject was thoroughly discussed by the last Assembly, which took the following action:

"That the whole subject of the employment of a Secretary for Young People's Work be referred to the Board of Publication and Sabbath-school Work and the Permanent Committee on Young People's Societies, to report fully to the next Assembly." (See *Minutes* of General Assembly, 1905, p. 148.)*

Accordingly a joint conference was held in November in the Witherspoon Building, Philadelphia, between the Board of Publication and our Committee. The whole subject was thoroughly considered. The conference unanimously decided to recommend to the two parties represented in the Conference the transfer of this work as above stated.

VI. RECOMMENDATIONS.

We recommend that the following resolutions be adopted by the General Assembly:

1. That the thanks of the Assembly be tendered to the Presbyterian journals which, without charge, printed the monthly programmes of the Christian Study Course, to wit: *The New York Observer*, *The Presbyterian*, *The Presbyterian Banner*, *The Herald and Presbyter*, *The Interior*; also that the Assembly commend the Editorial Committee of *The Assembly Herald* for the provision of the free pages in their magazine in behalf of our Committee.

2. That this Assembly approves, as the last Assembly recommended, of pushing to completion the unifying of the various Study Courses, and the simplifying of the Systems of Reporting on Young People's Work, and also the carrying on, as vigorously as possible, of the studies of the third year of the Christian Study Course and of the preceding years, as societies may call for them.

3. That the Assembly directs the Board of Publication to settle all outstanding bills of the Permanent Committee on Young People's Societies, when properly certified by the Committee and forwarded to the Board for payment.

4. That the Assembly commends the Presbyterian and Synodical Chairmen on this work in the various judicatories, for their labors in helping the pastors and Sessions to build up the life and work of the young people.

5. That the Assembly takes notice of the loyal and successful work of our Young People's Societies and encourages them to push forward to greater results.

6. That the General Assembly reminds all our churches and judicatories of this Two Hundredth Anniversary year of the Organization of American Presbyterianism, as being an admirable time for the holding of celebrations in connection with all our Young People's Societies, and for the stimulating of their loyalty to our Church and their interest in her work.

7. That the General Assembly calls the attention of all our pastors and Sessions to the need of more earnest efforts on their part in behalf of the Religious Education and Christian Training of the Young People under their care, and commends to them the Christian Study Course and the Westminster Training Course as means to that end.

8. That the General Assembly hereby assigns the work of Young People's Societies to the Board of Publication and Sabbath-school Work, and directs that an additional department of that Board be created, to be known as the Department of Young People's Work, and that a Secretary or Superintendent be employed by the Board for that purpose.

9. That Resolutions 5 and 8 on this work, passed by the General Assembly of 1903 (see *Minutes* of General Assembly, 1903, p. 63), by which the Permanent Committee on Young People's Societies was created and its collections authorized, be now rescinded; and that the Permanent Committee, with the close of this Assembly, be discharged and all its powers and effects be turned over to the new Department of Young People's Work of the Board of Publication and Sabbath-school Work, and that all expenses consequent upon such transfer be met by the said Board.

*See *Minutes*, 1906, pp. 106 and 183.

10. That the Board of Publication, through its new Department of Young People's Work, be now directed to take up at once and push vigorously all those matters that were committed by the General Assembly to the Permanent Committee on Young People's Societies, together with all new matters that will tend to strengthen and develop these societies; and also that the various recommendations of past Assemblies pertaining to the Permanent Committee on Young People's Societies be now ordered to apply to the new Department of Young People's Work of the Board of Publication and Sabbath school Work.

11. That the present arrangements pertaining to the work of Young People's Societies, already established by the General Assembly, including the Standing Committee on Young People's Societies at each Assembly, definite place on the docket, annual reports and popular meetings, be continued for the present in the General Assembly, and similarly in all our other judicatories, and that no change be made until the requirements of this work under the new plan shall be more clearly outlined and more fully reported to the General Assembly.

12. That, in case the Assembly shall not discharge the Permanent Committee on Young People's Societies, then the Assembly elect Rev. A. Edwin Keigwin, D.D., of New York City, and Elder Von Ogden Vogt, of Boston, Mass., to the full term of three years; and elect Rev. William L. McEwan, D.D., of Pittsburgh, Pa., and Elder Frederick A. Wallis, of New York City, to fill the vacancies caused respectively by the expiration of the terms of Rev. William R. Taylor, D.D., of Rochester, N. Y., and Elder Nolan R. Best, of Chicago, Ill.; and also elect Rev. John Clark Hill, D.D., of Springfield, Ill., for two years, to fill the vacancy caused by the resignation of Rev. John Timothy Stone, of Baltimore, Md.

For the Committee,

A. EDWIN KEIGWIN, *Chairman*,
HUGH B. MACCAULEY, *Secretary*.

V. Miscellaneous.

I. THE MILEAGE AND CONTINGENT FUNDS.

SPECIAL attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chap. xxii, Section 8, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly by their Commissioners.

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage.—N.B. It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual Minutes of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *three and one-half cents* for Mileage, and *one and one-half cents* for Contingent Expenses, or in all *five cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *two cents* per church member, and to forward it, with the Mileage Fund, to the Stated Clerk of the Assembly. It is to be disbursed by the Committee of Arrangements, whose bills for entertainment the Stated Clerk, as Treasurer, is authorized to pay, after they have been approved by an Auditing Committee composed of the clerks of the Assembly.

See, also, *Minutes* of 1906, p. 209

II. THE ANNUAL MINUTES.

The Minutes for 1906 will be supplied at *One Dollar* per copy, postage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery that has paid its full apportionment to the Mileage and Contingent Funds of the Assembly), to every ordained minister, and to the Session of each contributing vacant church, *whose address is known*; also to every ordained missionary of the foreign Presbyteries. A supplementary number of the Minutes will be issued in January, 1907, showing ecclesiastical changes to date, and can be had on application to the Stated Clerk.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangement of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up, and forwarded, without delay, to the Stated Clerk of the Assembly.

IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 399-⁴⁰ of the present Appendix; a printed blank for which will be furnished in due season, by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of Christian Life and Work* within the bounds of the Presbytery, for the year ending March 31. A blank for the Narrative was adopted by the General Assembly of 1906, p. 224, and a copy will be forwarded to every Stated Clerk. By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly at least ten days before the meeting of that body. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Committee of the Assembly in preparing their Annual General Narrative of the State of the Church. The blank for the Congregational Narratives, ordered by the Assembly of 1895, can be had from the Stated Clerk of the Assembly.

V. STATED CLERKS OF PRESBYTERIES.*

In preparing the Statistical Report, let the following RULES be strictly observed:

(1) Carefully copy the blank form and order of columns, etc., on page 399-⁴⁰, Minutes, 1906, if a blank has not been received.

(2) Record ministers in the order of their MINISTERIAL AGE, with their CHRISTIAN names in full, without abbreviations, and their address on the same line, in the adjoining column.

(3) Place the name of every Church and Mission Chapel opposite the name of its Pastor, or Stated Supply; never opposite the name of any other minister; if the Church is Vacant, place it at the foot of the roll. If the Church uses in worship a language other than English, indicate the fact by words such as German, Welsh, etc.

(4) Place, after the name of every minister, an abbreviation, denoting his occupation; e. g., P., for a Pastor; P. E., for a Pastor Elect; C. P., for a Colleague Pastor; A. P., for an Associate Pastor; S. S., for a Stated Supply; H. M., for a Home Missionary; D. M., for a District Missionary; C. M., for a City Missionary; T. M., for a Tract Missionary; S. M., for a Synodical Missionary; S. S. M., for a Sunday-school Missionary; P. M., for a Presbyterian Missionary; F. M., for a Foreign Missionary; Pres., for the President of a College; Chan., for a Chancellor; Prof., for a Professor of a Theological Seminary or College; Prin., for the Principal of an Academy, etc.; Sec., for a Secretary or Stated Clerk; D. Sec., for a District Secretary of a Benevolent Institution, Ag., for an Agent of do.; Ch., for a Chaplain; Tea., for a Teacher; Ed., for an Editor; Ev., for an Evangelist; H. R., for a Minister honorably retired; Col., for a Colporteur; Com., for a Commissioner; Supt., for a Superintendent; Libr., for a Librarian; and for other ministers without pastoral charges, no designation whatsoever. *Local Evangelists are not ordained ministers.*

(5) Place after the name of every Church the abbreviation P., for one that has a Pastor; P. E., for one that has a Pastor Elect; S. S., for one that has a Stated Supply, and V., for one that is vacant.

*These rules were adopted as a whole by the General Assembly of 1891. See "Minutes," p. 181.

(6) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

(7, 8, 9) For New Directions as to the reporting of Additions, Losses, and Contributions, see pp. 218-220 of this volume.

Be sure to omit the fractions of the dollar, except in the General Assembly column.

(10) The *names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column, with their *Address* in the next column; but of the candidates—including all who are studying for the ministry under the care of the *Churches* of the Presbytery—the number only is to be given.

(11) Local Evangelists are not Ministers, and are to be entered, with their addresses, after Licentiates.

(12) ~~BE~~ **ADD UP** and **verify** every column of figures, and *Authenticate* the Report with your signature.

(13) Avoid erasures and interlineations, **make names and numbers distinctly legible**, and punctuate properly.

(14) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed Minutes of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

Revise your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* name of every minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible.

Forward the Statistical Report by April 25, but if anything should prevent the forwarding of the Statistical Report in time for the meeting of the General Assembly, let it be sent at the earliest date possible to the STATED CLERK OF THE GENERAL ASSEMBLY, the Rev. W. H. Roberts, D.D.

A statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations, organizations, receptions and dissolutions of churches; also, any changes in the names of churches; and the decease (with age, date and place) of Ministers since the last Annual Report are to be inserted in the proper places in the Tabulated Statement.

IX. STANDING ORDERS AND RULES.

1. The General Assembly meets invariably on the third Thursday of May, annually, at 11 o'clock A.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows :

The evening of Friday, the second day, to the Board of Publication and Sabbath-school Work and the Sabbath-school interests of the Church.

The afternoon of the first Sunday, to the Woman's Executive Committee of Home Missions; the evening to the Board of Aid for Colleges and Academies.

The evening of Monday, the fourth day, to Missions among the Freedmen.

The evening of Tuesday, the fifth day, to the Home Mission Work.

The evening of Wednesday, the sixth day, to the Foreign Mission Work.

The evening of Friday, the eighth day, to the causes of Young People's Work and Temperance.

5. For the purpose only of electing Standing Committees, the General Assembly shall be divided into twenty-two Electing Sections of, as nearly as practicable, equal size, by combining the smaller Synods and dividing the larger by Presbyteries where necessary. The Standing Committees, except those on Mileage and Finance, shall be numbered consecutively; the Electing Sections shall be numbered in like manner.

The Standing Committees shall each consist of twenty-three members, including the Chairman, except the Committees on Mileage and Finance, which shall each consist of twelve elders. Eleven members of the Committees on Mileage and Finance and eleven ministers and eleven elders of the other Committees shall be chosen by the Electing Sections as herein provided. The Moderator shall, as soon as possible after his election, appoint a member of each Standing Committee, who shall be the Chairman thereof; provided that he shall not appoint more than one member and Chairman from the same Electing Section, and that he shall always appoint the retiring Moderator as a member and Chairman of the Committee on Bills and Overtures.

If the Moderator shall appoint as a member and Chairman of any Standing Committee any one chosen by any Electing Section as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee caused by the Moderator's appointment.

On odd-numbered years each odd-numbered section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee, and one elder for the Mileage Committee.

On the same year, each even-numbered section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee, and one elder for the Finance Committee.

On the even-numbered years this order shall be reversed.

After the election of a Moderator, the Permanent Clerk shall report absentees from the first roll call. Vacancies in the Electing Sections may then be filled by the Assembly. The Stated Clerk shall designate one Commissioner in each Section to receive any necessary papers for the Section.

The members of each Electing Section shall be seated together in a compact body. Accordingly each Commissioner shall be assigned to his seat in advance of the meeting of the Assembly by the Committee of Arrangements, under the supervision and direction of the Stated Clerk, and shall occupy such pew or seat from the beginning of the first session until the end of the second day.

The Electing Sections shall meet at the places assigned them for the purpose of selecting members of the Standing Committees at the close of the second session of the first day, provided the Assembly adjourns at or

before five o'clock; otherwise, the Assembly shall take a recess promptly at eleven o'clock of the second day and the Electing Sections shall meet for that purpose at that time.

Reports from the sections shall be handed to the Stated Clerk as soon as the Electing Sections adjourn. The quorum of an Electing Section shall be the same in number as the quorum of the Assembly, viz., fourteen.

6. The reports of the Standing Committees shall be considered at the times herein designated, viz.:

Ministerial Relief, Saturday, at 10 o'clock A.M.

Freedmen, Monday, at 10 o'clock A.M.

Education, Monday, at 3 o'clock P.M.

Home Missions, Tuesday, at 10 o'clock A.M.

Aid for Colleges and Academies, Tuesday, at 3 o'clock P.M.

Foreign Missions, Wednesday, at 10 o'clock A.M.

Publication and Sabbath-school Work, Wednesday, at 3 o'clock P.M.

Young People's Societies, second Thursday, at 10 o'clock A.M.

Church Erection, second Thursday, at 3 o'clock P.M.

Benevolence, second Thursday, at 7.30 o'clock P.M.

Temperance, second Friday, at 3 o'clock P.M.

7. That the Standing Committees on Home and Foreign Missions have each two hours; and those on Education, Publication, Church Erection, Ministerial Relief, Freedmen, Temperance, Colleges and Young People's Societies have each one and a half hours; that the Chairman of the Standing Committees on Home and Foreign Missions be allowed only one-half hour for the presenting of his Report and such remarks as he may wish to make, and that the Chairman of other Committees be allowed twenty minutes for the same purpose; that the Secretary or other official representative of the cause be allowed one-half hour for his address or statement, and that the remainder of the time allotted be assigned to Commissioners and to agents from the field. This rule to be altered only by direct vote of the Assembly. It shall be the duty of the Stated Clerk to communicate this rule to the Chairmen of the Standing Committees upon their appointment.

8. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same, and then deliver them for distribution or reference to the Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee.

9. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their reports on the second day of the session.

10. The Stated Clerk shall have printed and ready for distribution, so far as practicable, on the morning of the day fixed for their consideration, the resolutions appended to the reports of Special Committees appointed at previous Assemblies to report at that meeting.

11. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon, provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 118].

12. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 118].

13. Each Board and Permanent Committee is instructed to send up its minutes with its report, that these minutes may be reviewed by the Assembly on the report of the appropriate Standing Committee [1885, p. 690].

14. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

15. In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterial organization, there are no Presbyteries in connection with this Assembly, each Mission organized as such under our Board of Foreign Missions may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under

the rules, on all questions, and that his expenses from his domicile in this country to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247].

16. No person shall serve as a member of a Board who is a salaried executive officer or employé of said Board, or a member of any other benevolent Board of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

17. Any vacancy occurring in the membership of any of the Boards of the Church during the interval between the Assemblies may be filled until the next succeeding meeting of the Assembly by the Board in which such vacancy may occur [1887, p. 128].

18. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 209].

19. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee before action by the Assembly [1892, p. 199].

20. The recommendation of any particular congregation to the benevolence of the denomination by the General Assembly is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1898, p. 41].

21. All Overtures must be presented to the Assembly not later than the fifth day of its sessions.

22. The Stated and Permanent Clerks shall be a Committee to have the oversight or arrangements for the entertainment of the General Assembly [1896, p. 130].

23. All Reports of Special Committees shall be delivered to the Stated Clerk thirty days prior to the meeting of the General Assembly, and shall be printed by him and delivered to Commissioners in bound form on the second day of the sessions [1897, p. 144].

24. Upon the original appointment of any salaried executive officer of any of the Benevolent and Missionary Boards of the Church, such appointment shall be subject to the approval of the General Assembly [1898, p. 132].

25. The Moderator, with the Stated and Permanent Clerks, should an emergency requiring action at any time arise, are authorized to provide a new place of meeting for the General Assembly.

26. The Moderator shall be elected in the following manner:

Speeches nominating candidates for Moderator shall be limited to ten minutes; only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

Where there is only one nominee for Moderator, the election may be made by acclamation. Where there are more than one, the election shall be made by ballot in the following manner:

After the nominations are made each Section shall choose a Chairman and a Secretary, and the Chairman shall appoint two tellers. Each Commissioner shall write the name of his choice on a ticket to be provided in advance by the Stated Clerk. The tellers shall collect the tickets and count them under the supervision of the Chairman. The result will be recorded by the Secretary on tickets in duplicate, one of which shall be handed to the Stated Clerk, with the number of the Section written thereon. The other shall be retained by the Secretary.

When the reports of the ballots have been issued from all the Sections, the Stated Clerk shall read each aloud, giving the number of the Section and the vote cast. Tellers appointed by the Stated Clerk shall take and tabulate the votes as read. The Moderator will then announce the vote as tabulated. If no one has received a majority of the whole vote, another vote shall be taken in the same manner. When one has received a majority, the Moderator shall announce the result, and declare him to be elected.

27. Hereafter all overtures from Presbyteries and Synods which are to come before the General Assembly shall be in the hands of the Stated Clerk at least two weeks before the meeting of the Assembly, and by him shall be printed in convenient form for distribution on the floor of the

Assembly. The distribution to be made not later than the second day of the Assembly.

28. The election of members of Judicial Commissions of the General Assembly shall take place on the morning of Tuesday, the fifth day, as the first Order of the Day, in the following manner:

It shall be the duty of the Judicial Committee of the General Assembly to report to the Assembly on Monday, the fourth day, suitable nominations for all members of Judicial Commissions of the General Assembly, from which nominations, together with any others regularly made by the Commissioners at the same time as those made by the Judicial Committee, the necessary number of persons shall be elected.

29. The Permanent Judicial Commission of the General Assembly shall have authority to adopt rules pertaining to its own method of procedure, and shall report the same to the General Assembly; *provided*, that such rules shall not be inconsistent with the Constitution of the Church or the rules adopted by the General Assembly.

GENERAL RULES FOR JUDICATORIES.

The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. The rules were amended by the General Assemblies of 1885 and 1887.]

I. The Moderator shall take the chair precisely at the hour to which the judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present, *being a commissioner*, or if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the standing committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members; but he shall not vote in any other case, unless the judicatory be equally divided; when, if he does not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the clerk immediately to file all papers, in the order in which they have been read, with proper indorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall

make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report the papers retained by it as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory.

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its session, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, namely: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall only be admitted when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a

small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule the "yeas and nays" shall not be called, except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If on such a rising vote the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order; or for the purpose of correcting mistakes, or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable, that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely in their speeches to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business, which in their judgment ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high char-

acter as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XL I. In all cases before a judicatory, where there is an accuser or prosecutor, it is expedient that there be a committee of the judicatory appointed (provided the number of members be sufficient to admit it without inconvenience), who shall be called the "Judicial Committee," and whose duty it shall be to digest and arrange all the papers, and to prescribe, under the direction of the judicatory, the whole order of proceedings. The members of this committee shall be entitled, notwithstanding their performance of this duty, to sit and vote in the cause, as members of the judicatory.

XL II. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XL III. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung an appropriate psalm or hymn, and shall pronounce the apostolic benediction.

XL IV. Whenever a case is to be taken from an inferior judicatory to the General Assembly, the Stated Clerk of such inferior judicatory shall, at least twenty days before the meeting of the General Assembly, send a notice concerning such case to the Stated Clerk of the Assembly, who shall forthwith notify the Chairman of the Permanent Judicial Commission, unless the General Assembly shall have ordered otherwise, that the services of the Commission will be needed at the approaching Assembly; but if no such notice shall be received by the Stated Clerk of the General Assembly, he shall forthwith notify the Chairman of the Permanent Judicial Commission that the services of the Commission will not be needed at the approaching Assembly.
